How to Be a Muslim Haroon Moghul,2017-06-06 A searing portrait of Muslim life in the West, this "profound and intimate" memoir captures one man's struggle to forge an American Muslim identity (Washington Post) Haroon Moghul was thrust into the spotlight after 9/11, becoming an undergraduate leader at New York University's Islamic Center forced into appearances everywhere: on TV, before interfaith audiences, in print. Moghul was becoming a prominent voice for American Muslims even as he struggled with his relationship to Islam. In high school he was barely a believer and entirely convinced he was going to hell. He sometimes drank. He didn't pray regularly. All he wanted was a girlfriend. But as he discovered, it wasn't so easy to leave religion behind. To be true to himself, he needed to forge a unique American Muslim identity that reflected his beliefs and personality. How to Be a Muslim reveals a young man coping with the crushing pressure of a world that fears Muslims, struggling with his faith and searching for intellectual forebears, and suffering the onset of bipolar disorder. This is the story of the second-generation immigrant, of what it's like to lose yourself between cultures and how to pick up the pieces.

Islamic Resurgence in South Africa Abdulkader Tayob,1995

The Naqshbandi Sufi Tradition Guidebook of Daily Practices and Devotions Muhammad Hisham Kabbani,Shaykh Muhammad Hisham Kabbani,2004 One of the distinguished schools of Islamic spiritual discipline, the Naqshbandi Sufi Order has a long and illustrious history from the first days of Islam. Led by the shaykhs of the Golden Chain-inheritors of spiritual knowledge from Prophet Muhammad-the Naqshbandi Order has always played a central, pivotal role in the life of people in the Muslim world and survived the turmoil and tribulations of the past century to remain one of the few authentic mystical traditions maintaining a living link with its ancient past. The extraordinary vision of the Naqshbandi Saints was manifest in their establishment of fixed devotions and daily practices firmly rooted in the Qur'an and Sunnah of the Prophet. These practices have enabled devout seekers to awaken certainty of belief and to attain stations of nearness to the Divine Presence. The renewed prominence of this order at the turn of the 21st century, due to the indefatigable striving of Mawlana Shaykh Muhammad Nazim al-Haqqani, signals an impending change to our society in which aspirants to Divine Service will be granted to transcend the bounds of the physical senses in order to fulfill the unexplored potential in each human heart. The Naqshbandi Devotions are a source of light and energy, an oasis in a worldly desert. Through the manifestations of Divine Blessings bestowed on the practitioners of these magnificent rites, they will be granted the power of magnanimous healing, by which they seek to cure the hearts of mankind darkened by the gloom of spiritual poverty and materialism. We pray that each person who picks up this book of devotions with sincere intention to observe any of its efficacious practices will receive a portion of the blessings and manifestations bestowed on the greatest saints of earlier times.

Under Siege Jasmin Zine,2022-04-05 The 9/11 attacks in the United States, the subsequent global “war on terror,” and the proliferation of domestic security policies in Western nations have had a profound impact on the lives of young Muslims, whose identities and experiences have been shaped within and against these conditions. The millennial generation of Muslim youth has come of age in these turbulent times, dealing with the aftermath and backlash associated with these events. Under Siege explores the lives of Canadian Muslim youth belonging to the 9/11 generation as they navigate these fraught times of global war and terror. While many studies address contemporary manifestations of Islamophobia and anti-Muslim racism, few have focused on the toll this takes on Muslim communities, especially among younger generations. Based on in-depth interviews with more than 130 young people, youth workers, and community leaders, Jasmin Zine’s ethnographic study unpacks the dynamics of Islamophobia as a system of oppression and examines its impact on Canadian Muslim youth. Covering topics such as citizenship, identity and belonging, securitization, radicalization, campus culture in an age of empire, and subaltern Muslim counterpublics and resistance, Under Siege provides a unique and comprehensive examination of the complex realities of Muslim youth in a post-9/11 world. Twenty years after the 9/11 attacks, Zine reveals how the global war on terror and heightened anti-Muslim racism have affected a generation of Canadians who were socialized into a world where their faith and identity are under siege.
