How to Get a Spouse Visa for Japan: The TranSenz Guide Travis Senzaki, 2017-01-20 This is the complete, step-by-step guide to every form and every document you need to apply for a spouse visa for Japan. Applying for a certificate of eligibility and spouse visa for Japan can seem intimidating. After all, if lawyers charge over 100,000 yen to file your application, it can't be easy, right? Not at all! The application process is straightforward and you do not need a lawyer. The reason most applicants struggle is that there has never been a set of thorough, detailed instructions available in English, until now. This book describes every form and document you need for the application process. It is designed to be your one-stop resource. You do not need to pay huge sums of cash to a lawyer. You do not need to agonize over vague directions from the Immigration Bureau. With this book in hand, you can file your application yourself, without fear of error. Travis Senzaki is the creator of the #1 online resource for Japan Spouse Visa applicants, the TranSenz blog. In this book, he has taken the most popular post from that blog, which has helped hundreds of applicants acquire their visas, and expanded it with samples, annotated forms, and explanations designed to leave no detail behind.
