

Children Of Nazis The Sons And Daughters Of Himml

Ingrid von Oelhafen, Tim Tate

Children of Nazis Tania Crasnianski, 2018-02-06 The Fascinating Story of Eight Children of Third Reich Leaders and their Journey from Descendants of Heroes to Descendants of Criminals In 1940, the German sons and daughters of great Nazi dignitaries Himmler, Göring, Hess, Frank, Bormann, Höss, Speer, and Mengele were children of privilege at four, five, or ten years old, surrounded by affectionate, all-powerful parents. Although innocent and unaware of what was happening at the time, they eventually discovered the extent of their father's occupations: These men—their fathers who were capable of loving their children and receiving love in return—were leaders of the Third Reich, and would later be convicted as monstrous war criminals. For these children, the German defeat was an earth-shattering source of family rupture, the end of opulence, and the jarring discovery of Hitler's atrocities. How did the offspring of these leaders deal with the aftermath of the war and the skeletons that would haunt them forever? Some chose to disown their past. Others did not. Some condemned their fathers; others worshiped them unconditionally to the end. In this enlightening book, which has been translated into eleven languages, Tania Crasnianski examines the responsibility of eight descendants of Nazi notables, caught somewhere between stigmatization, worship, and amnesia. By tracing the unique experiences of these children, she probes at the relationship between them and their fathers and examines the idea of how responsibility for the fault is continually borne by the descendants.

My Father's Keeper Stephan Lebert, Norbert Lebert, 2002 There are and always have been ways of escaping one's own past. But there are some who have never had this chance: the children of prominent Nazis. On one hand they have the memories of the nice, kind man who was their father, on the other they are confronted with the facts of history: with the madness, the murders, the personal purgatory. The Leberts, father and son, spoke at an interval of forty years - 1959 and 1999 - to these men and women who bore a tainted name and were crushed by the burden of the past: Gudrun Himmler - 75, runs a network for old Nazis in Munich, denies her father did anything wrong; Martin Boorman (junior) - 70, believes his father was a monster; Etta Goring - 70, will hear no bad word about her father; Nicholas Frank (father was in charge of Auschwitz) believes his father was the incarnation of evil. The result is a series of snapshots of rare intensity and a demonstration of how these destinies have more to do with the twenty-first century than many would care to think.

The Himmler Brothers Katrin Himmler, 2012-05-31 Katrin Himmler's cool but meticulous examination of the Himmler story reveals - in all its dark complexity - the gulf between the 'normality' of bourgeois family life and the horrors perpetrated by one member. This riveting family memoir provides essential new information on the private life and background of one of the twentieth-century's most notorious killers - not a lone evil executioner, but a middle-class family man, loved and fully supported by his respectable German family. It also offers a unique account of one woman's courageous attempt to deal with her chilling inheritance. 'It is part of the creeping discomfort in reading her book to realise the incredibly ordinary middle-class background of these three sons of a rather pompous provincial headmaster and to see how, right until the end, he was almost able to convince himself it hadn't happened like it had' Sunday Times 'You get a vivid sense of a particular kind of German conservatism - Roman Catholic, monarchist - and of how, weirdly, it found an outlet in the upstart, part-pagan thuggery of Nazism' Independent 'One can only admire her bravery . . . In a way, Katrin Himmler's book is not a story about the past, but one about the present. The most interesting details are the ones she gives of her own quest' Daily Telegraph

Hitler's Children Gerald L. Posner, 1991 Presents a series of interviews with the children of prominent Nazis and how they judge the sins of their fathers.

Hitler's Children Gerald Posner, 2017-04-10 Fascinating . . . Posner's book gives a remarkable insight, from a family perspective, into the lives of many of the top Nazis and vilest criminals - Sunday Express A mesmerizing, blood-chilling book . . . The contrast between innocent childhood experience, and the awful understanding of that experience that came with time, is enough to make you weep - Los Angeles Times Fascinating . . . A compelling look at the conflicting emotions felt by children of prominent Nazis - Cleveland Plain-Dealer They were the architects of terror but they were also fathers. Now, for the first time, their children speak out . . . a fascinating book - Sunday Mail Göring. Hess. Mengele. Dönitz. Names that conjure up dark memories of Nazi Germany and the Holocaust. They were the architects of the Third Reich. And they were fathers. Gerald Posner convinced eleven sons and daughters of Hitler's inner circle to break their silence. Hitler's Children is a riveting and intimate look inside the families of top Nazis. Based on exclusive and in-depth interviews, Gerald Posner provides an unforgettable portrait of some children ravaged by anger and hatred while others are riven with guilt and plead for forgiveness. This second generation of perpetrators in Hitler's Children struggle with their Third Reich inheritance. In grappling with memories of good and loving fathers who were later charged with war crimes, these heirs to the Nazi legacy add a fresh and important perspective to understanding the complexity of what historian, Hannah Arendt, dubbed "the banality of evil." Hitler's Children is much more, however, than a series of startling family interviews. It is also a spellbinding insider's look at some of the men whose names have become synonymous with terror. This is a classic book about the second generation of Nazi perpetrators (the only one ever to have family interviews with Hess, Mengele, Donitz, and Göring.) No other book author or documentarian ever got those children to talk again. And Norman Frank, the eldest son of war criminal Hans Frank, also never spoke to anyone but Posner. Hitler's Children serves as a vivid reminder to all of us of the dangers of ignoring anti-Semitism or thinking it will go away or can't get any worse. These are the children who saw their fathers corrupted by the insidious, centuries-old hatred, and their accounts serve as a clarion warning to us today that all decent people must redouble their efforts against racial and religious hatred. The book, perhaps more timely today than when it was published in 1991, includes a new introduction, explaining why this book is particularly important during a time of rising international anti-Semitism.

Legacy of Silence Dan Bar-On, 1989 In the four decades since the liberation of Auschwitz, the world has witnessed many divergent responses to the atrocities of the Nazi regime. The present volume is a compilation of interviews with the now middle-aged children of the Nazi generation. Annotation(c) 2003 Book News, Inc., Portland, OR (booknews.com)

Hitler's Forgotten Children Ingrid von Oelhafen, Tim Tate, 2016-02-02 Hitler's Forgotten Children is both a harrowing personal memoir and a devastating investigation into the awful crimes and monstrous scope of the Lebensborn program in World War 2. Created by Heinrich Himmler, the Lebensborn program abducted as many as half a million children from across Europe. Through a process called Germanization, they were to become the next generation of the Aryan master race in the second phase of the Final Solution. In the summer of 1942, parents across Nazi-occupied Yugoslavia were required to submit their children to medical checks designed to assess racial purity. One such child, Erika Matko, was nine months old when Nazi doctors declared her fit to be a "Child of Hitler." Taken to Germany and placed with politically vetted foster parents, Erika was renamed Ingrid von Oelhafen. Many years later, Ingrid began to uncover the truth of her identity. Though the Nazis destroyed many Lebensborn records, Ingrid unearthed rare documents, including Nuremberg trial testimony about her own abduction. Following the evidence back to her place of birth, Ingrid discovered an even more shocking secret: a woman named Erika Matko, who as an infant had been given to Ingrid's mother as a replacement child. INCLUDES PHOTOGRAPHS

My Father's Keeper Stephan Lebert, Norbert Lebert, 2001 Chronicles the lives of the sons and daughters of prominent Nazi leaders and discusses how their fathers' roles in the Holocaust affected their lives.

Nazi Wives James Wyllie, 2021-09-17 The story of the leading Nazi wives and their experience of the rise and fall of Nazism, from its beginnings to its post-war twilight of denial and delusion.

Hitler's Monsters Eric Kurlander, 2017-06-06 "A dense and scholarly book about . . . the relationship between the Nazi party and the occult . . . reveals stranger-than-fiction truths on every page."—Daily Telegraph The Nazi fascination with the occult is legendary, yet today it is often dismissed as Himmler's personal obsession or wildly overstated for its novelty. Preposterous though it was, however, supernatural thinking was inextricable from the Nazi project. The regime enlisted astrology and the paranormal, paganism, Indo-Aryan mythology, witchcraft, miracle weapons, and the lost kingdom of Atlantis in reimagining German politics and society and recasting German science and religion. In this eye-opening history, Eric Kurlander reveals how the Third Reich's relationship to the supernatural was far from straightforward. Even as popular occultism and superstition were intermittently rooted out, suppressed, and outlawed, the Nazis drew upon a wide variety of occult practices and esoteric sciences to gain power, shape

propaganda and policy, and pursue their dreams of racial utopia and empire. “[Kurlander] shows how swiftly irrational ideas can take hold, even in an age before social media.”—The Washington Post “Deeply researched, convincingly authenticated, this extraordinary study of the magical and supernatural at the highest levels of Nazi Germany will astonish.”—The Spectator “A trustworthy [book] on an extraordinary subject.”—The Times “A fascinating look at a little-understood aspect of fascism.”—Kirkus Reviews “Kurlander provides a careful, clear-headed, and exhaustive examination of a subject so lurid that it has probably scared away some of the serious research it merits.”—National Review

The Nazi's Granddaughter Silvia Foti, 2021-03-09 Hero-or Nazi? Silvia Foti was raised on reverent stories about her hero grandfather, a martyr for Lithuanian independence and an unblemished patriot. Jonas Noreika, remembered as “General Storm,” had resisted his country’s German and Soviet occupiers in World War II, surviving two years in a Nazi concentration camp only to be executed in 1947 by the KGB. His granddaughter, growing up in Chicago, was treated like royalty in her tightly knit Lithuanian community. But in 2000, when Silvia traveled to Lithuania for a ceremony honoring her grandfather, she heard a very different story—a “rumor” that her grandfather had been a “Jew-killer.” The Nazi’s Granddaughter is Silvia’s account of her wrenching twenty-year quest for the truth, from a beautiful house confiscated from its Jewish owners, to familial confessions and the Holocaust tour guide who believed that her grandfather had murdered members of his family. A heartbreaking and dramatic story based on exhaustive documentary research and soul-baring interviews, The Nazi’s Granddaughter is an unforgettable journey into World War II history, intensely personal but filled with universal lessons about courage, faith, memory, and justice.

Heinrich Himmler Peter Longerich, 2012 A biography of Henrich Himmler, interweaving both his personal life and his political career as a Nazi dictator.

In the Name of Humanity Max Wallace, 2018-05-01 Shortlisted for the 2018 RBC Taylor prize for literary nonfiction “A riveting tale of the previously unknown and fascinating story of the unsung angels who strove to foil the Final Solution.”—Kirkus starred review On November 25, 1944, prisoners at Auschwitz heard a deafening explosion. Emerging from their barracks, they witnessed the crematoria and gas chambers--part of the largest killing machine in human history--come crashing down. Most assumed they had fallen victim to inmate sabotage and thousands silently cheered. However, the Final Solution's most efficient murder apparatus had not been felled by Jews, but rather by the ruthless architect of mass genocide, Reichsführer-SS Heinrich Himmler. It was an edict that has puzzled historians for more than six decades. Holocaust historian and New York Times bestselling author Max Wallace--a veteran interviewer for Steven Spielberg's Shoah Foundation--draws on an explosive cache of recently declassified documents and an account from the only living eyewitness to unravel the mystery. He uncovers an astounding story involving the secret negotiations of an unlikely trio--a former fascist President of Switzerland, a courageous Orthodox Jewish woman, and Himmler's Finnish osteopath--to end the Holocaust, aided by clandestine Swedish and American intelligence efforts. He documents their efforts to deceive Himmler, who, as Germany's defeat loomed, sought to enter an alliance with the West against the Soviet Union. By exploiting that fantasy and persuading Himmler to betray Hitler's orders, the group helped to prevent the liquidation of tens of thousands of Jews during the last months of the Second World War, and thwarted Hitler's plan to take every last Jew down with the Reich. Deeply researched and dramatically recounted, In the Name of Humanity is a remarkable tale of bravery and audacious tactics that will help rewrite the history of the Holocaust.

Nazis on the Run Gerald Steinacher, 2012-08-23 This is the story of how Nazi war criminals escaped from justice at the end of the Second World War by fleeing through the Tyrolean Alps to Italian seaports, and the role played by the Red Cross, the Vatican, and the Secret Services of the major powers in smuggling them away from prosecution in Europe to a new life in South America. The Nazi sympathies held by groups and individuals within these organizations evolved into a successful assistance network for fugitive criminals, providing them not only with secret escape routes but hiding places for their loot. Gerald Steinacher skillfully traces the complex escape stories of some of the most prominent Nazi war criminals, including Adolf Eichmann, showing how they mingled and blended with thousands of technically stateless or displaced persons, all flooding across the Alps to Italy and from there, to destinations abroad. The story of their escape shows clearly just how difficult the apprehending of war criminals can be. As Steinacher shows, all the major countries in the post-war world had 'mixed motives' for their actions, ranging from the shortage of trained intelligence personnel in the immediate aftermath of the war to the emerging East-West confrontation after 1947, which led to many former Nazis being recruited as agents turned in the Cold War.

The Book Thief Markus Zusak, 2007-12-18 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist--books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Master Race Catrine Clay, Michael Leapman, 1996

Nazi Women Paul Roland, 2014-08-15 The Nazis believed their mission was to 'masculinize' life in Germany. Hermann Goering told women, 'Take a pot, a dustpan and a broom, and marry a man,' but many still became active participants in murder and mayhem. From the Reich Bride Schools through the Bund Deutscher Mädel and the bizarre Lebensborn Aryan breeding programme to the brothels of the Sicherheitsdienst, this book covers the lives of women in the Third Reich, concentrating on those who sought personal power and influence amid the chaos and death.

The Ratline Philippe Sands, 2022-03-15 A tale of Nazi lives, mass murder, love, Cold War espionage, a mysterious death in the Vatican, and the Nazi escape route to Perón's Argentina, the Ratline—from the author of the internationally acclaimed, award-winning East West Street. Hypnotic, shocking, and unputdownable. —John le Carré, internationally renowned bestselling author Baron Otto von Wächter, a lawyer, husband, and father, was also a senior SS officer and war criminal, indicted for the murder of more than a hundred thousand Poles and Jews. Although he was given a new identity and life via “the Ratline” to Argentina, the escape route taken by thousands of other Nazis, Wächter and his plan were cut short by his mysterious, shocking death in Rome. In the midst of the burgeoning Cold War, was he being recruited by the Americans or by the Soviets—or perhaps both? Or was he poisoned by one side or the other, as his son believes—or by both? With the cooperation of Wächter’s son Horst, who believes his father to have been “a good man,” award-winning author Philippe Sands draws on a trove of family correspondence to piece together Wächter’s extraordinary life before and during the war, his years evading justice, and his sudden, puzzling death. A riveting work of history, The Ratline is part historical detective story, part love story, part family memoir, and part Cold War espionage thriller.

Children of the Holocaust Helen Epstein, 1979 Born to survivors of Auschwitz and Terezin, the author recounts her private quest to come to terms with her parents' past, a quest which took her to Israel and into the homes of other children of concentration-camp survivors.

Sisters in Resistance Tilar J. Mazzeo, 2022-06-21 In a tale as twisted as any spy thriller, discover how three women delivered critical evidence of Axis war crimes to Allied forces during World War II: --StartFragment --“A tantalizingly novelistic history lesson (Kirkus).!--EndFragment -- In 1944, news of secret diaries kept by Italy's Foreign Minister, Galeazzo Ciano, had permeated public consciousness. What wasn't reported, however, was how three women—a Fascist's daughter, a German spy, and an American banker's wife—risked their lives to ensure the diaries would reach the Allies, who would later use them as evidence against the Nazis at Nuremberg. In 1944, Benito Mussolini's daughter, Edda, gave Hitler and her father an ultimatum: release her husband, Galeazzo Ciano, from prison, or risk her leaking her husband's journals to the press. To avoid the peril of exposing Nazi lies, Hitler and Mussolini hunted for the diaries for months, determined to destroy them. Hilde Beetz, a German spy, was deployed to seduce Ciano to learn the diaries' location and take them from Edda. As the seducer became the seduced, Hilde converted as a double agent, joining forces with Edda to save Ciano from execution. When this failed, Edda fled to Switzerland with Hilde's daring assistance to keep Ciano's final wish: to see the diaries published

for use by the Allies. When American spymaster Allen Dulles learned of Edda's escape, he sent in Frances De Chollet, an "accidental" spy, telling her to find Edda, gain her trust, and, crucially, hand the diaries over to the Americans. Together, they succeeded in preserving one of the most important documents of WWII. Drawing from in-depth research and first-person interviews with people who witnessed these events, Mazzeo gives readers a riveting look into this little-known moment in history and shows how, without Edda, Hilde, and Frances's involvement, certain convictions at Nuremberg would never have been possible. Includes a Reading Group Guide.

Reviewing **Children Of Nazis The Sons And Daughters Of Himml**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Children Of Nazis The Sons And Daughters Of Himml**," an enthralling opus penned by a very acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Children Of Nazis The Sons And Daughters Of Himml Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Children Of Nazis The Sons And Daughters Of Himml PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Children Of Nazis The Sons And Daughters Of Himml PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Children Of Nazis The Sons And Daughters Of Himml free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Children Of Nazis The Sons And Daughters Of Himml Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Children Of Nazis The Sons And Daughters Of Himml is one of the best book in our library for free trial. We provide copy of Children Of Nazis The Sons And Daughters Of Himml in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Children Of Nazis The Sons And Daughters Of Himml. Where to download Children Of Nazis The Sons And Daughters Of Himml online for free? Are you looking for Children Of Nazis The Sons And Daughters Of Himml PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Children Of Nazis The Sons And Daughters Of Himml. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Children Of Nazis The Sons And Daughters Of Himml are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Children Of Nazis The Sons And Daughters Of Himml. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by

storing it on your computer, you have convenient answers with Children Of Nazis The Sons And Daughters Of Himml To get started finding Children Of Nazis The Sons And Daughters Of Himml, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Children Of Nazis The Sons And Daughters Of Himml So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Children Of Nazis The Sons And Daughters Of Himml. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Children Of Nazis The Sons And Daughters Of Himml, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Children Of Nazis The Sons And Daughters Of Himml is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Children Of Nazis The Sons And Daughters Of Himml is universally compatible with any devices to read.
