American History in 90 Minutes Anders Odegard,2018-01-06 It is important for Americans to know and understand their history, as we all play a role in the direction our country will go. Everyone needs a refresher now and then. This book is a concise, easy to read account of the significant people and events which have shaped our great nation. It covers the first immigrants arriving in the Americas over 10,000 years ago through the first eighteen months of the Trump Administration. What drove the colonists to overthrow the British? Why was the U.S. Constitution created the way it was? What key factors and events enabled the Union to win the Civil War? Never again be caught unprepared when the Battle of Bunker (Breed's) Hill, the Connecticut Compromise or the Truman Doctrine comes up in polite conversation.
