Mantak Chia, Kris Deva North

*Karsai Nei Tsang* Mantak Chia, 2011-07-08 An illustrated guide to releasing emotional and physical blockages in the pelvic area through massage • Presents step-by-step instructions for sexual organ massages for women and men • Explains techniques to release knots, unravel nerve and lymphatic tangles, dissolve toxins and sediments, and increase blood flow • Effective for impotency, frequent and difficult urination, painful menstruation, ovarian cysts, menopause symptoms, painful intercourse, and low libido as well as back pain, sciatica, and hormone imbalance Our sexual organs play a major role in our physical and emotional health. Many emotional traumas and stresses are stored in the pelvic region in the form of tension in the muscles, ligaments, and tendons and imbalances in the meridians and organs, resulting in an accumulation of toxins and energetic knots and tangles. Freeing the jing chi of the sexual organs--a powerful source of healing energy--Karsai Nei Tsang helps to resolve physical and emotional blockages in the pelvic area through massage, meridian clearing, and detoxification. Illustrating complete sexual organ massages for women and for men, this book guides you through the techniques of Karsai Nei Tsang--including necessary detox preparations and the underlying Chi Nei Tsang principles--and shows you how to release knots and tight muscles (including the hip, buttock, and thigh muscles), unravel nerve and lymphatic tangles, dissolve toxins and sediments, and increase blood flow to the pelvic area. Addressing common problems associated with our sexual organs, this practice can be used to treat impotency, frequent and difficult urination, painful menstruation, ovarian cysts, menopause symptoms, painful intercourse, and low libido. It is also effective in alleviating back pain and sciatica, improving the body's alignment, strengthening the pelvic floor, balancing the hormones, and increasing general vitality.

*Chi Nei Tsang* Mantak Chia, 2006-12-26 An ancient Taoist system for detoxifying and rejuvenating the internal organs • Presents techniques to clear blockages in the body's energy flow • Includes illustrated exercises to relieve common ailments, revitalize the organs, and enable readers to take charge of their own health and well-being • Focuses on the navel center, where negative emotions, stress, and illness accumulate The techniques of Chi Nei Tsang evolved in Asia during an era when few physicians were available and people had to know how to heal themselves. Many people today have symptoms that modern medicine is not able to cure because a physical source for the problem is not easily found. The energies of negative emotions, stress, and tension--all common in modern life--and the weight of past illness accumulate in the abdominal center, causing energy blockages and congestion. When this occurs, all vital functions stagnate and myriad problems arise. By practicing the techniques of Chi Nei Tsang, this stagnation is removed and the vital organs surrounding the navel center are detoxified and rejuvenated. Master Chia teaches readers how to avoid absorbing negative energies from others and take full charge of their health through the self-healing techniques of Chi Nei Tsang. He offers fully illustrated exercises that show how to detoxify the internal organs and clear the energy (chi) channels throughout the body. He also presents methods for balancing emotions, managing stress, and observing the body in order to recognize, ameliorate, and prevent maladies before they become a problem.

*Chi Nei Tsang and Microcurrent Therapy* Mantak Chia, Aisha Sieburth, 2018-08-14 An illustrated guide to combining the new healing modality of microcurrent therapy with Chi Nei Tsang energy massage • Explains how microcurrent therapy harmonizes the body's cells, regenerates the nervous system, and boosts the body's natural self-healing abilities • Provides illustrated, step-by-step instructions for using microcurrent therapy during massage and for the basic techniques of Chi Nei Tsang massage • Shows how combining these therapies can relieve pain, reduce inflammation, and help specific ailments, such as arthritis, sciatica, fibromyalgia, and shingles Each cell of the

body is animated by a highly organized and intelligent bioenergy, or bioelectricity. When cells are damaged, they become electrically imbalanced. Recently it has been discovered that microcurrent therapy--applying low-amperage electrical currents to the body--harmonizes the cells, returns them to a normal state of cellular activity, and boosts the body's natural self-healing abilities. Combining this innovative new modality with ancient Taoist healing methods, Mantak Chia and Aisha Sieburth detail how to integrate microcurrent therapy with Chi Nei Tsang energy massage for pain relief, self-healing, and rejuvenation. The authors explain how microcurrent has a regenerative effect on the nervous system, helping to increase energy levels, promote circulation of blood and lymph, relieve acute or chronic pain, restore pH balance of the blood, balance hormone function, and improve the immune system. Its effects on circulation extend to all the body's vessels, tissues, and cells as well as enhancing toxin elimination and reducing inflammation. The authors show how microcurrent therapy pairs extraordinarily well with Chi Nei Tsang massage. The microcurrent, flowing through the hands of the massage practitioner into the body, enhances the effects of the massage within the nerves and tissues, making it easier to harmonize the flow of energy, release tensions, and dissolve energetic knots in the meridians. With illustrated, step-by-step instructions, the authors explain how to use microcurrent therapy during massage and describe the basic techniques of CNT massage. They also show how CNT microcurrent therapy is beneficial for general physical health and for a host of specific ailments, such as nerve pain, arthritis, sciatica, fibromyalgia, shingles, headaches, slow-healing wounds, and tendon and ligament pain.

**Advanced Chi Nei Tsang** Mantak Chia, 2009-07-13 Advanced Taoist techniques for detoxifying and rejuvenating the internal organs through the release of negative chi • Works with the navel center, where negative emotions, stress, and illness accumulate • Presents advanced techniques to release negative energy from the body and reestablish a healthy flow of vital energy to internal tissues and organs From the Taoist point of view, good health depends upon the free flow of chi--healthy life-force energy--throughout the body. Taoists refer to healthy chi as good wind. When energy is trapped in the body it stagnates and becomes negative, manifesting in the symptoms of physical or emotional illness. Taoists call this negative energy sick or evil wind. The advanced Chi Nei Tsang practices focus on mastering these winds. They include techniques for developing sensitivity to sick

winds, releasing internal energy blockages, and chasing sick winds from the body to reestablish a healthy flow of energy. Negative energies caused by stress, tension, and the effects of past illnesses tend to accumulate in the naval center, so the advanced Chi Nei Tsang techniques use elbow pressure on specific reflex points around the navel to release energy blockages associated with each internal organ. They also work with wind access points found near the standard acupuncture points. These advanced practices build upon the organ detoxification and rejuvenation practices introduced in Chi Nei Tsang, allowing the practitioner to work intensively at an energetic level toward the restoration of optimum health and well-being.

**Chi Nei Ching** Mantak Chia, William U. Wei, 2013-11-04 Fully illustrated guide to massage techniques for unblocking chi, releasing tight tendons and muscles, and alleviating back and joint pain • Explains the hammering massage technique of Tok Sen, which sends vibrational energy deep into the fascia and muscles • Details how to use the 10 Thai energy meridians known as Sen Sib and the 12 muscle-tendon meridians of Chinese acupuncture in massage • Explains Meridian Detox Therapy and Gua Sha, which clears blood stagnation, promotes metabolism, and can prevent and treat acute illness Good health depends on the free flow of life-force energy, chi, throughout the entire body. The accumulation of tensions in the muscles and tendons as well as the stagnation of negative energy can lead to blockages in the body's energy channels, resulting in pain, low energy, or illness. In this full-color illustrated guide, Master Mantak Chia and William Wei detail massage techniques for unblocking chi, releasing tight tendons and muscles, and alleviating back and joint pain. The authors explore the 10 Thai energy meridians known as Sen Sib, the 12 muscle-tendon meridians of Chinese acupuncture, and the most commonly strained muscles and tendons of the spine, neck, and pelvis. They explain how to treat specific ailments, such as headache, stiff shoulder, or lumbar pain, with the traditional Thai massage technique known as Tok Sen, which uses a wooden hammer to send vibrational energy deep into the fascia and muscles along the Sen Sib meridians. This method is particularly effective for joint pain, because the vibrations can reach more deeply and accurately within the body's structure than a massage therapist's fingers. The authors also explain Meridian Detox Therapy, which includes cupping, skin massage, and Gua Sha--the scraping of different parts of the body to clear blood stagnation, promote metabolism, and treat acute illness. The final book in the Chi Nei Tsang series, Chi Nei Ching offers advanced massage techniques to work with the energy meridians for optimum health.

**Life Pulse Massage** Mantak Chia, Aisha Sieburth, 2015-08-15 A fully illustrated guide to abdominal massage for improved cardiovascular health, organ detoxification, and enhanced vital energy • Includes fully illustrated massage instructions to open restricted blood vessels, direct blood flow for healing, balancing blood pressure, and detoxifying organs • Details specific massage treatments for many common ailments such as lower back pain, sciatica, asthma, headaches, and reproductive issues • Explains the ancient art of reading pulses to diagnose organ health • Reveals how blood acts as the vehicle for our vital energy Blood and chi often flow side by side throughout the body, the blood acting as the vehicle for our vital energy. Areas of slow or congested circulation lead to blockages in the flow of vital energy and toxin accumulation in the body. The practice of Life Pulse Massage allows these blockages to be cleared, revitalizing cardiovascular function, detoxifying the organs, and restoring the flow of blood and chi throughout the body. In this fully illustrated guide to Life Pulse Massage, Master Mantak Chia details abdominal massage practices to open restricted blood vessels, direct blood flow to specific areas for healing, release arterial tension to rebalance high or low blood pressure, and detoxify individual organs and body systems such as the liver, lungs, lymph nodes, and colon. He shows how to clear and activate the master pulses of the navel and aorta and synchronize these master pulses with the 52 pulses of the

whole body for optimum circulation and energy balance. He explains the ancient art of reading pulses to diagnose organ health as well as how to recognize internal health states through the unique positions and shapes of the navel. Detailing specific Life Pulse Massage treatments for many common ailments such as lower back pain, sciatica, asthma, headaches, and reproductive issues, Master Chia shows how liberating the flow of blood and chi can prevent illness before it takes hold, revitalize the organs, and set the stage for optimum health.

**Taoist Foreplay** Mantak Chia, Kris Deva North, 2010-07-13 Sexual techniques and traditional Chinese medicine for increased pleasure • Reveals how to enhance relationships by harmonizing male and female energies • Includes easy-to-follow, illustrated acupressure massage routines • Shows how to maintain sexual health with prostate massage and jade egg exercises Taught to Chinese emperors, their wives, and their concubines for thousands of years, Taoist sexual techniques help lovers harmonize their cycles of pleasure and utilize the abundance of reproductive power that is otherwise wasted in non-procreative sex. Combining the study of sex with traditional Chinese medicine, these practices stimulate and sustain sexual desire through the meridians and pressure points and enhance relationships by harmonizing male (yang) and female (yin) energies. Using easy-to-follow illustrations, Taoist Foreplay guides lovers through simple acupressure massage routines connecting all the points and channels that increase pleasure and spark arousal. It shows how to prolong peak moments, maintain sexual health through prostate massage and jade egg exercises, and sustain the intensity of first love through all the seasons of a maturing relationship. It also explains how to reveal and overcome incompatibility with the Taoist Zodiac. From foreplay to climax, these practices offer a way to keep the flame of sexual energy alive.

Seduction Chris Bale, 2016-04-26 Steamy, Graphic, Honest And REAL! Want to become amazing with yourself, and the Ladies? Well this book can get you there, quickly, through the real life and incredibly detailed seduction reports. The following is an INCREDIBLY valuable, unorganised mind-dump of seduction stories, old diary posts and epiphanies from author, dating coach, acupuncturist and internal masculine development coach Chris Bale, of [www.masculineintent.com](http://www.masculineintent.com) Chris is one of the worlds top International dating, sex, lifestyle design coaches, and has been playing in the land of women for many years now. After suffering with crippling social anxiety (at his worst stage he couldn't even buy bread in a shop), Chris decided he had to change his life. He was living in a self created stress everyday, and at one point came close to ending it all. I chose to make a decision. I chose to take my own life into my own hands, as nobody was going to grant me confidence or abundance in any aspect of my life, other than ME Chris spent the next 8 years blowing his old reality completely out of the water. At times, it was almost too difficult, but he moved through, learning with every failure. 'I went from sleeping with just 1 girl to the age of 21, to sleeping with over 400 at 28 yrs of age. I have completely lost count. My brother still jokes with me, asking what number I am on. My journey through seduction ended up being nothing to do with women, and everything to do with facing my own fears and growing in life. Women and sex will not fullfill you. I learned that the hard (but fun) way. Now my passion is helping men to reconnect to their core confidence and guiding purpose. Women just so happen to go weak at the knees for a man who knows himself and what he wants. The following stories stem from a direct manifestation of all the seductive qualities, which Chris teaches step by step in his book: *The Gentleman's Guide To Effortless Seduction*: <http://www.amazon.com/Seduction-Gentlemans-Effortless-Meditation-Attractive-ebook/dp/B01D3GGK70>

You will learn and grow endlessly just by reading the individual journal entries, which have went on to help educate and inspire thousands of men who have been following Chris's message over the previous years. Your mind/reality will be bent and widened. Once you see the truth, you cannot forget. Action is the only way forward.

*Fusion of the Eight Psychic Channels* Mantak Chia, 2009-01-15 Advanced Inner Alchemy exercises that promote the free flow of energy throughout the body in preparation for the Practice of the Immortal Tao • Explains how to open the Great Bridge Channel and the Great Regulator Channel • Includes exercises to strengthen and wrap the spinal cord with energy • Reveals how to create a thicker aura to protect the body and receive the higher frequencies of the Universal Force The Fusion of the Eight Psychic Channels practice builds upon the Fusion of the Five Elements and Cosmic Fusion practices and is the final step in preparation for the Practice of the Immortal Tao. Master Mantak Chia shows how to open the Great Bridge Channel and the Great Regulator Channel--the last of the eight psychic channels that connect the twelve organ meridians and enable energy to flow from one meridian to another. By opening these psychic channels in conjunction with the Microcosmic Orbit, practitioners can balance and regulate the energy flow throughout the body to protect all the body's centers. Master Chia also illustrates the Spinal Cord Microcosmic Orbit practice, which strengthens and wraps the spinal cord with energy, and the practice of Sealing the Aura, which creates a thicker aura to protect the body and facilitate the reception of higher frequencies of the Universal Force. Mastery of the practices in this book enables the creation of the energy body needed to receive the larger Universal Force vibrations accessible through the Practice of the Immortal Tao.

**Śakti Sādhanā** Rajmani Tigunait, 1993 The knowledge that enlightens the aspiring student regarding the mystery of life here and hereafter is found in the Tripura Rahasya, one of the most significant scriptures in the tradition of tantra yoga. Its beauty lies in the fact that it expounds the lofty knowledge of inner truth while systematically offering practical instructions on sakti sadhana: the task of awakening the dormant fire within and leading it to higher awareness, or the highest chakra. Pandit Tigunait's translation of the Tripura Rahasya is a journey through the states of consciousness encountered on the path to ultimate self-awareness, written in a manner that makes it easily digestible for the Western reader. Sakti Sadhana is one of the most vivid and well written Vedic translations available in modern times, and an essential read for the dedicated spiritual seeker

**Cultivating the Energy of Life** Liu Hua-Yang, 1998-02-17 A modern translation of Hui-ming Ching, the classic Taoist manual on cultivating and conserving energy as a means of achieving greater health, longevity, and inner peace To live a healthy and long life, to be tranquil and untouched by the dust of the mundane world, and to become one with the life-giving energy of the Tao--these are the goals of the practitioner of Taoist spirituality. The classic Chinese text Hui-ming ching ("Treatise on Cultivating Life") is one of the most important Taoist classics on the arts of longevity and a major inspiration for many techniques of Qigong. Even two hundred years after its initial publication, it is still one of the most accessible works on a branch of Taoist practice that has been heretofore shrouded in mystery. Abandoning the symbolic language typically used in the ancient classics, it discusses the practices of the Microcosmic and Macrocosmic Orbits, the role of breath in circulating energy, and the conservation of procreative energy in a straightforward and concrete way. Now, in this new, complete translation, a foremost translator of Taoist texts clarifies and elucidates the Taoist methods of conserving and cultivating energy for the attainment of health, longevity, and inner peace.

*The Sacred Prostitute* Nancy Qualls-Corbett, 1988 The disconnection between spirituality and passionate love leaves a broad sense of dissatisfaction and boredom in relationships. The author illustrates how our vitality and

capacity for joy depend on restoring the soul of the sacred prostitute to its rightful place in consciousness.

*Healing from Within with Chi Nei Tsang* Gilles Marin, 2016-04-12 Chi Nei Tsang is a Taoist visceral manipulation body-work and massage which emphasizes moving chi energy to the abdominal organs. Developed by Taoist Master Mantak Chia as part of his Healing Tao System, it works on internal dysfunctions and energy blocks using the breathing exercises of chi-kung, therapeutic manipulations, and meditation. Students learn how to recycle negative energy, recognize personal patterns of tension, and use simple manipulations to restore vitality to parts of the body.

**The Alchemy of Sexual Energy** Mantak Chia, 2009-12-23 Taoist techniques for replenishing our internal energy with universal cosmic energy • Shows how to transform excess sexual energy (Ching Chi) into self-healing energy • Presents advanced Cosmic Healing Chi Kung practices, which gather the limitless resources of Cosmic Chi for healing • Explains how opening of the three tan tiens to the six directions allows personal consciousness to connect directly to higher sources of energy Taoists consider our sexual energy to be the creative force that we can use to regenerate the body's internal energy, but we must learn how to harness excess sexual energy and transform it into chi, or life-force energy. When we circulate the sexual energy in the Microcosmic Orbit--a continuous energy loop that runs up the spine and down the front of the body--we transform it into self-healing energy that can be stored in the organs and the three tan tiens: energy centers in the brain, the heart center, and the lower abdomen. The Alchemy of Sexual Energy builds upon Microcosmic Orbit practices discussed in *Healing Light of the Tao*. The more we open the flow of our internal energy the more capable we are of connecting to the cosmic energy that exists outside ourselves in the universe. By learning to open the three tan tiens to the six directions, the Taoist practitioner combines mind power with extension of chi to draw cosmic energy into the body. This energy, too, can be stored in the three tan tiens and used as needed for healing. When we learn to flow in this way with the energy of the Tao, life ceases to be a struggle.

The Sexual Teachings of the Jade Dragon Hsi Lai, 2002-10-01 Reveals how the sexual practices of the Taoist Jade Dragon can help men achieve immortality through the enhancement of their sexual prowess. • A companion guide to *The Sexual Teachings of the White Tigress* that focuses on the male side of White Tigress sexual practices. • Reveals the nine Jade Dragon exercises and other Taoist techniques for achieving the elixir of immortality. • Offers physical and spiritual solutions for the sexual issues facing men. Hsi Lai continues the work he began in *The Sexual Teachings of the White Tigress* by exploring more fully the male role in Taoist sexual transformation. As with those of the White Tigress, the techniques of the Jade Dragon are part of a disciplined sexual and spiritual practice. The goal for the Jade Dragon is health, longevity, and immortality through external and internal regimens for the enhancement and accumulation of the Three Treasures of Taoism--ching (sexual and physical energy), qi (breath and vital energy) and shen (spiritual and mental energy). The author presents the nine Jade Dragon exercises that strengthen erections, enlarge the penis, increase semen quantity and quality, prevent premature ejaculations, and enhance sexual energy. He also details herbal remedies for revitalization that address both physical and spiritual sexual components, as well as ancient Taoist breathing and meditative practices and sexual stimulation techniques that amplify sexual intensity in order to create the elixir of immortality. Concluding with the importance of the interactions between and interdependence of White Tigresses and Jade Dragons, Hsi Lai shows the reader how these ancient Taoist secrets can be incorporated into a contemporary lifestyle.

**Healing Light of the Tao** Mantak Chia, 2008-05-27 The guide to engaging and directing the three primordial forces of Earth, Heaven, and Higher Self to achieve enlightenment and immortality • Explains how to circulate the life force, or chi, by balancing yang (male) and yin (female) currents of bioenergy • Includes an overview of the complete Taoist body/mind/spirit system along with newly refined methods of activating the life force • The sequel to the classic *Awaken Healing Energy Through the Tao* In 1983, Mantak Chia introduced the "Microcosmic Orbit" to the West. Prior to that time, most of the Eastern energy practices transmitted to the West were incomplete, dealing only with the ascending yang/masculine channel, which shoots life-force energy up the spine. The Microcosmic Orbit showed practitioners how to establish the descending yin/feminine channel of the life-force

energy loop. Within Taoist systems, cultivating feminine energy has always been seen as the key to gaining balance and wholeness. Healing Light of the Tao presents the more advanced methods of chi cultivation in the Microcosmic Orbit, offering a full understanding of Taoist spiritual theory through its comprehensive overview of the complete Taoist body/mind/spirit system. The book also includes more advanced meditation methods for absorbing the higher frequencies of Earth Force, Cosmic Force, and Universal Force (Heavenly chi) into the basic orbit. It establishes a spiritual science that not only emphasizes practical benefits to health, sexual vitality, and emotional balance, but also shows how changes made in the energy body can lead to physical rejuvenation that the Taoists called immortality.
