The Paradigm Jonathan Cahn, 2017-09-19

Harbinger A.J. Calvin, 2024-05-28 The Novanian king has gathered an army in the north with the intent to make war upon the magi. He has exiled all three of his brothers. Andrew and Alexander fled to the Southlands, while Thomas escaped into the hostile northern highlands, the land of Novania's ancient foe, the insectile Corodan. While Alexander prepares to face Colin's army in the south, Andrew makes the perilous journey through Novania to seek Thomas' whereabouts and offer what aid he can. Traveling at his side is Rynn, a powerful mage with the ability to manipulate and form ice. When they fail to locate Thomas after days of searching, Andrew is forced to seek the aid of the Corodan. He has a long and bloody history with their people, and was responsible for the death of their previous Hive-queen. Uncertain if the Corodan will cooperate, but faced with no other hope of locating his brother, he ventures into the heart of the Corodan lands. Without Thomas, the brothers have no hope of overthrowing Colin and his tyranny. Without Thomas, Novania will continue to execute innocent citizens simply for bearing the Mark of the Magi. Without Thomas, the kingdom will be lost.

The Oracle Jonathan Cahn, 2019-09-03 New York Times and USA Today Best Seller! Discover the amazing secret of the ages...and the mystery of your life! The Oracle will reveal the mystery behind everything...the past, the present, current events, even what is yet to come! Open the seven doors of revelation—and prepare to be blown away! Jonathan Cahn, author of the New York Times best sellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries*, and *The Paradigm*, now unveils *The Oracle*, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires (even America), to the current events of our day, to the future, to end-time prophecy, and much more. Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over three thousand years ago be determining the events of our day? Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States? Could this ancient revelation pinpoint the events of our times down to the year, month, and day of their occurring? Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times? Could these manifestations have altered—and now be altering—the course of world events? Jonathan Cahn takes the reader on a journey to find the man called the Oracle. One by one each of the Jubilean mysteries will be revealed through the giving of a vision. The Oracle will uncover the mysteries of *The Stranger*, *The Lost City*, *The Man With the Measuring Line*, *The Land of Seven Wells*, *The Birds*, *The Number of the End*, *The Man in the Black Robe*, *The Prophet's Song*, *The Matrix of Years*, *The Day of the Lions*, *The Awakening of the Dragon*, and much more. The reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses, from King Nebuchadnezzar to Donald Trump, from the fall of empires to the rise of America, from a mystery hidden in a desert cave to another in an ancient scroll, from the palace of the Persian Empire to the US Senate, from the Summer of Love to the Code of Babylon, and much, much more. Ultimately the Oracle will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative. A traveler is given seven keys; each will open up one of seven doors. Behind each door lies a stream of mysteries. The reader will be taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors—the ancient secrets that lie behind the world-changing events of modern times—and revelations of what is yet to come. Hailed as a mind-blowing masterpiece, *The Oracle* will reveal mysteries that are absolutely real, amazing, stunning, mind-blowing, and life-changing. Prepare to be blown away. Also Available in Spanish ISBN-13: 978-1-62999-267-9 E-Book ISBN: 978-1-62999-268-6

Martin Luther Eric Metaxas, 2017-10-03 NEW YORK TIMES BESTSELLER "Metaxas is a scrupulous chronicler and has an eye for a good story. . . . full, instructive, and pacy." —The Washington Post From #1 New York Times bestselling author Eric Metaxas comes a brilliant and inspiring biography of the most influential man in modern history, Martin Luther, in time for the 500th anniversary of the Reformation On All Hallow's Eve in 1517, a young monk named Martin Luther posted a document he hoped would spark an academic debate, but that instead ignited a

conflagration that would forever destroy the world he knew. Five hundred years after Luther's now famous Ninety-five Theses appeared, Eric Metaxas, acclaimed biographer of the bestselling Bonhoeffer: Pastor, Martyr, Prophet, Spy and *Amazing Grace: William Wilberforce and the Heroic Campaign to End Slavery*, paints a startling portrait of the wild figure whose adamant faith cracked the edifice of Western Christendom and dragged medieval Europe into the future. Written in riveting prose and impeccably researched, *Martin Luther* tells the searing tale of a humble man who, by bringing ugly truths to the highest seats of power, caused the explosion whose sound is still ringing in our ears. Luther's monumental faith and courage gave birth to the ideals of liberty, equality, and individualism that today lie at the heart of all modern life.

Steve McQueen Greg Laurie,2019-05-07 An intimate look at movie star Steve McQueen's reckless life of fast cars, women, and drugs all the way up to his dramatic life-change and terminal cancer diagnosis. Join Greg Laurie as he takes a cross-country drive in his 1968 Highland Green Ford Mustang 390 GT through the canyons of Malibu, the alleys of Hollywood, the wide and open roads of the Midwest, and the streets of New York as he traces the woolly geography of actor Steve McQueen's life, relationships, career, and spiritual journey. This iconic muscle car was the vehicle McQueen drove in his most raucous and enduring film, *Bullitt*. In the 1960s, McQueen was, according to box office receipts, the biggest movie star of his generation and one of the coolest men to ever walk the planet. Greg Laurie was a teen at the time and an ardent fan of *The King of Cool*, first mesmerized by McQueen in 1963's *The Great Escape*. Like millions of cinema fans, Greg developed a lifelong fascination with the actor. Now he has a chance to tell McQueen's story. McQueen was a complex, contradictory man who lived the same way he drove his motorcycles and cars: fearlessly, ruthlessly, and at top speed. After a lifetime of fast cars, women, and drugs, McQueen took a surprising detour. In this book, Laurie thoughtfully interviews Steve McQueen's friends, co-stars, associates, widow, and pastor to tell of the dramatic life-change for the actor in the spring of 1979--six months before McQueen was diagnosed with terminal cancer. What were the critical steps that led McQueen to make such a life-altering decision? Perhaps more importantly, why is that part of his story so rarely told? This book answers these questions. Greg Laurie will follow the seeds of Christianity that were sown throughout McQueen's improbable life where a Light finally shone into the darkness of his troubled life. These seeds miraculously germinated, allowing McQueen to see that redemption through Jesus Christ is a lasting truth more glittering and real than any magic of the entertainment industry.

As America Has Done to Israel John P. McTernan,2008-03-04 Is America on a collision course with God? There is a direct correlation between the alarming number of massive disasters striking America and her leaders pressuring Israel to surrender her land for "peace." Costing hundreds of lives and causing hundreds of billions of dollars' damage, dozens of disasters including devastating earthquakes, raging fires, hurricanes, floods, tsunamis, and violent tornadoes have hit America--and always within twenty-four hours of putting pressure on Israel. What can you do as an individual--and what can America do--to change the direction of our country in relation to Israel and prevent the increasing number of calamities?

The Truth about The Harbinger Jose Bernal,2013-10-01 With a strong biblical foundation, in-depth analysis of each point and issue, and a look at the book's phenomenon and impact, including the lives changed by its message, *The Truth About "The Harbinger"* will encourage you to pray for America and stand for the truth.

The Last Hour Amir Tsarfati,2018-09-04 Avoiding sensationalism and date-speculating, respected Bible teacher Amir Tsarfati uses his unique perspective as an Israeli Christian to lead you through a fascinating modern-day description of God's plan for the end of the world. Grounded from start to finish in Scripture, the book reveals how the Rapture, the imminent rise of the Antichrist, and the tragic horrors of the Great Tribulation will play out in our world today. He also helps you understand the roles--and fates--of Russia, Iran, Syria, Turkey, the European Union, the United States of America, and Israel in the end times, showing just how biblical prophecies are being fulfilled in our time. But above all, he offers hope that in the midst of chaos and horror, God is ultimately in control, and those who belong to him will be safe with him.

Your People Shall Be My People Don Finto,2001-02-01 Your people shall be my people, and your God, my God (Ruth 1:16). Like Ruth in the Old Testament, every Gentile believer has come out of the land of famine and into the spiritual realm of abundance in the name of Jesus. But unlike Ruth, we have turned our backs on the Jewish people, the relatives of the Messiah. We need to confess personally and corporately on behalf of the Church for centuries of persecution of the Jewish people, looking in these days for every opportunity to bless and not curse them. Once again, Israel and her people are center stage at a crucial moment in world history, and this book shows why the Church must effect reconciliation and why our prayers are vital in this hour. If we will make the same covenant pledge to Israel that Ruth made to Naomi, the Church will never be the same!

The Book of Mysteries Prayer Journal Jonathan Cahn,2017-01-03 NEW YORK TIMES BEST SELLING AUTHOR OF THE HARBINGER, THE MYSTERY OF THE SHEMITAH, THE BOOK OF MYSTERIES, AND THE PARADIGM WITH OVER 3 MILLION COPIES SOLD Practically apply the daily mission, Scriptures, and insights from *The Book of Mysteries* to your life. Created as a companion to *The Book of Mysteries* by Jonathan Cahn, this prayer journal enhances the reader experience through the amazing mysteries revealed. Record your thoughts and prayers on lined pages that correspond with the 365 mysteries, scriptures, and daily missions shared in the print book--with the most important keys of spiritual truth, end-time mysteries, and secrets of life.

The Sermon on the Mount and Human Flourishing Jonathan T. Pennington,2017-06-20 The Sermon on the Mount, one of the most influential portions of the Bible, is the most studied and commented upon portion of the Christian Scriptures. Every Christian generation turns to it for insight and guidance. In this volume, a recognized expert on the Gospels shows that the Sermon on the Mount offers a clear window into understanding God's work in Christ. Jonathan Pennington provides a historical, theological, and literary commentary on the Sermon and explains how this text offers insight into God's plan for human flourishing. As Pennington explores the literary dimensions and theological themes of this famous passage, he situates the Sermon in dialogue with the Jewish and Greek virtue traditions and the philosophical-theological question of human flourishing. He also relates the Sermon's theological themes to contemporary issues such as ethics, philosophy, and economics.

The Atlantis Blueprint Colin Wilson,Rand Flem-Ath,2008-12-10 A spellbinding blend of history and science, scholarship and speculation, this landmark work presents startling new evidence that traces archaeology's most enduring mysteries back to the lost civilization of Atlantis... The Great Pyramid. Stonehenge. Machu Picchu. For centuries, these and other sacred sites have inspired wonder among those who ponder their origins. Conventional science tells us they were constructed by local peoples working with the primitive tools of a fledgling civilization. But these megaliths nonetheless continue to attract pilgrims, scholars, and adventurers drawn by the

possibility that their true spiritual and technological secrets remain hidden. Who could have built these elaborate monuments? How did they do it? And what were their incomprehensible efforts and sacrifices designed to accomplish? Now comes a revolutionary theory that connects these mysteries to reveal a hidden global pattern -- the ancient work of an advanced civilization whose warnings of planetary cataclysm now reverberate across one hundred millennia. International bestselling author Colin Wilson and Canadian researcher Rand Flem-Ath join forces to share startling evidence of a fiercely intelligent society dating back as much as 100,000 years -- one that sailed the oceans of the world, building monuments to preserve and communicate its remarkable wisdom. The Atlantis Blueprint is their term for a sophisticated network of connections between these sacred sites that they trace to Atlantis: a sophisticated maritime society that charted the globe from its home base in Antarctica ... until it was obliterated by the devastating global changes it anticipated but could not escape. Here is adventure to realms beyond our imaginings ... to shifting poles, changing latitudes ... into the world of ancient mariners who recharted the globe ... to astonishing discoveries about our ancestors. Here are the great mysteries ... the incredibly complex geography of the Temple of Luxor ... the startling sophistication of Egyptian science and math ... and tantalizing similarities among the Hebrew, Greek, and Mayan alphabets to the Chinese lunar zodiac. The Atlantis Blueprint opens up a Pandora's box of ancient mysteries, lost worlds, and millennial riddles. It is a story as controversial, fascinating, dangerous -- and inspiring -- as any ever told.

Bible Code Bombshell R. Edwin Sherman, 2005 Explosive evidence that Bible codes point to the life of Christ! When Ed Sherman, a mathematician with 30 years of experience, and Nathan Jacobi, an Israeli physicist, set out to debunk claims that there were mysterious codes in the Hebrew Old Testament, they could not have envisioned the startling conclusions they would reach. As Dr. Jacobi, an agnostic Jew, looked for lengthy Hebrew codes about Christ, repeatedly he discovered compelling excerpts from the life of the man from Nazareth. Time and again Dr. Jacobi found that one-or two-word codes were actually part of much longer encoded sentences that echoed the Gospel accounts. Moreover, these encoded sentences were extensively embedded in two passages most widely regarded as prophecies of the crucifixion of Christ (Isaiah 53 and Psalms 22). Bible Code Bombshell sets forth startling new evidence that code sequences in Scripture are irrefutable evidence of a Divine hand. In this highly readable book, Sherman offers both skeptics and believers a gold mine of information that will prompt much thinking about the origins of the Bible. Unlike other Bible code books, this unique book features codes that are phrases and sentences, and not just one-or two-word codes. The only code book by researchers that are internationally recognized mathematicians and statistical experts Responds directly and accurately to Bible code critics

Quantified Joe Whitworth, 2015-09-08 In Quantified, Whitworth draws lessons from the world's most tech-savvy, high-impact organizations to show how we can make real gains for the environment. The principles of his approach, dubbed quantified conservation, will be familiar to any thriving entrepreneur: situational awareness, bold outcomes, innovation and technology, data and analytics, and gain-focused investment. As President of The Freshwater Trust, Whitworth has put quantified conservation into practice, pioneering the model of a do-tank that is dramatically changing how rivers can get restored across the United States. The stories in Quantified highlight the most precious of resources--water--but they apply to any environmental effort. Whether in the realm of policy, agriculture, business, or philanthropy, Whitworth is charting a new course for conservation.
