

The Power Naomi Alderman

Naomi Alderman

The Power Naomi Alderman,2017 She throws her head back and pushes her chest forward and let's go a huge blast right into the centre of his body. The rivulets and streams of red scarring run across his chest and up around his throat. She'd put her hand on his heart and stopped him dead. Suddenly, girls find that with a flick of their fingers, they can inflict agonizing pain and even death. With this single twist, the four lives at the heart of this novel are utterly transformed, and we look at the world in an entirely new light. What if the power to hurt were in women's hands?

The Power Naomi Alderman,2017-10-10 In this stunning bestseller praised as our era's *Handmaid's Tale*, a fierce new power has emerged—and only women have it (Washington Post). In *The Power*, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power: they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, *The Power* is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways. Captivating, fierce, and unsettling...I was riveted by every page. Alderman's prose is immersive and, well, electric. —New York Times Book Review

Doctor Who: Borrowed Time Naomi Alderman,2011-06-23 WHATEVER YOU BORROW MUST BE REPAID... Andrew Brown never has enough time. No time to call his sister, or to prepare for that important presentation at the bank where he works. The train's late, the lift jams. If only he had just a little more time. And time is the business of Mr Symington and Mr Blenkinsop. They'll lend him some - at a very reasonable rate of interest. Scinting something sinister, the Doctor, Amy and Rory go undercover at the bank. But they have to move fast to stop Symington and Blenkinsop before they cash in their investments. *Borrowed Time* is a thrilling race against the clock from Naomi Alderman, the Bailey's Prize winning author of *The Power* featuring the Eleventh Doctor, Amy and Rory, as played by Matt Smith, Karen Gillan and Arthur Darvill in the spectacular hit *Doctor Who* series from BBC Television. 'Alderman is a fluent and powerful writer' - Sunday Times

Disobedience Naomi Alderman,2007-04-05 NOW A MAJOR MOTION PICTURE, STARRING RACHEL WEISZ AND RACHEL MCADAMS By the age of 32, Ronit has left London and transformed her life. She has become a cigarette-smoking, wise-cracking, New York career woman, who is in love with a married man. But when Ronit's father dies she is called back into the very different world of her childhood, a world she thought she had left far behind. The orthodox Jewish suburb of Hendon, north London is outraged by Ronit and her provocative ways. But Ronit is shocked too by the confrontation with her past. And when she meets up with her childhood girlfriend Esti, she is forced to think again about what she has left behind. From the author of *The Power*, winner of the Baileys Women's Prize for Fiction 2017, Naomi Alderman's *Disobedience* is an insightful and witty novel on the search for love, tolerance and faith. 'Funny, tender and insightful' Guardian 'A wonderful novel . . . rich and fresh and fascinating' Sunday Times

The Liars' Gospel Naomi Alderman,2013-03-12 An award-winning writer reimagines the life of Jesus, from the points of view of four people closest to him before his death. This is the story of Yehoshuah, who wandered Roman-occupied Judea giving sermons and healing the sick. Now, a year after his death, four people tell their stories. His mother grieves, his friend Iehuda loses his faith, the High Priest of the Temple tries to keep the peace, and a rebel named Bar-Avo strives to bring that peace tumbling down. It was a time of political power plays and brutal tyranny. Men and women took to the streets to protest. Dictators put them down with iron force. In the midst of it all, one inconsequential preacher died. And either something miraculous happened, or someone lied. Viscerally powerful in its depictions of the period -- massacres and riots, animal sacrifice and human betrayal -- *The Liars' Gospel* makes the oldest story entirely new.

Summary of The Secret by Rhonda Byrne QuickRead,Alyssa Burnette, If you've ever looked at someone else and wondered, "What's their secret to success?" this book is the key to discovering that secret for yourself. Dedicated to exploring the questions that drive (and torment) human existence, *The Secret* (2006) explores such topics as, "What's the secret to success?", "What's the meaning of life?", and "How can I become my best self?" By laying out Rhonda Byrne's theory of the forces that guide the universe and how to discover your place within it, *The Secret* provides readers with a practical toolkit for taking control of their future, unlocking your optimum state of happiness, and discovering your full potential. Notes on Being Teenage Rosalind Jana,2016-06-09 How would you describe yourself? Do you like to stand out, or fit in? Are you an Instagram junkie, or is Snapchat more your thing? Are you watching Zoella on YouTube, or reading *Rookie* on your phone? We're all different, and no-one's teenage years are the same. But we do all have one thing in common - being a teenager is about discovering who we are, and who we want to be. It can be tricky, building and forming your own identity and sense of self, and sometimes, advice from someone who has been there and done it in the not-too-distant past can come in useful. Enter Rosalind Jana, who's crammed more into her 20-odd years than most (including winning the Vogue Talent Contest for Young Writers AND 'Well Dressed' at the Observer Ethical Awards, but don't tell her we told you that...). *Notes on Being Teenage* covers all aspects of teenhood, from the serious (mental health issues, bullying, staying safe online), to the slightly-less-so (dating, style, fashion, starting a blog) and everything in between. Rooted in her own experiences as a blogger, part-time model and eco-fashion-expert, but also as a teen who struggled with scoliosis, bullying and her dad's depression, Rosalind is well-placed to offer advice and guidance to anyone navigating their teenage years. She's also spoken to loads of teens about their experiences, too, and their stories, problems, advice and wisdom are gathered here as well, along with interviews with inspirational and interesting people like Louise O'Neill, Juno Dawson and Rosianne Halse-Rojas. All this combines to form a warm, witty, wise book not just on how to survive but how to thrive as a teen. Essential reading for smart girls of any age.

The Power Frank M. Robinson,2000-03-02 This sci-fi classic of the 1950s, made into a TV movie and film, is back in print. Someone alive today has the Power. He is,

in effect, a superman. How do we find him? How can we be safe from him? If necessary, how can we kill him before he kills us?

Women & Power Mary Beard,2017-11-02 An updated edition of the Sunday Times Bestseller Britain's best-known classicist Mary Beard, is also a committed and vocal feminist. With wry wit, she revisits the gender agenda and shows how history has treated powerful women. Her examples range from the classical world to the modern day, from Medusa and Athena to Theresa May and Hillary Clinton. Beard explores the cultural underpinnings of misogyny, considering the public voice of women, our cultural assumptions about women's relationship with power, and how powerful women resist being packaged into a male template. A year on since the advent of #metoo, Beard looks at how the discussions have moved on during this time, and how that intersects with issues of rape and consent, and the stories men tell themselves to support their actions. In trademark Beardian style, using examples ancient and modern, Beard argues, 'it's time for change - and now!' From the author of international bestseller SPQR: A History of Ancient Rome.

Doctor Who: Thirteen Doctors 13 Stories Naomi Alderman,2019-03-07 A new version of this much-loved anthology, with a brand-new story featuring the brand-new Thirteenth Doctor from literary sensation Naomi Alderman! Twelve wonderful tales of adventure, science, magic, monsters and time travel - featuring all twelve Doctors - are waiting for you in this very special Doctor Who book. And now they're joined by a very exciting, and very exclusive, new tale - written by Naomi Alderman, author of *The Power* - that will star the Thirteenth Doctor, as she battles to save the universe with her three close and trusted friends. Other authors featured are: Eoin Colfer, Michael Scott, Marcus Sedgwick, Philip Reeve, Patrick Ness, Richelle Mead, Malorie Blackman, Alex Scarrow, Charlie Higson, Derek Landy, Neil Gaiman, and Holly Black.

Gather the Daughters Jennie Melamed,2017-07-25 *Never Let Me Go* meets *The Giver* in this haunting debut about a cult on an isolated island, where nothing is as it seems. Years ago, just before the country was incinerated to wasteland, ten men and their families colonized an island off the coast. They built a radical society of ancestor worship, controlled breeding, and the strict rationing of knowledge and history. Only the Wanderers -- chosen male descendants of the original ten -- are allowed to cross to the wastelands, where they scavenge for detritus among the still-smoldering fires. The daughters of these men are wives-in-training. At the first sign of puberty, they face their Summer of Fruition, a ritualistic season that drags them from adolescence to matrimony. They have children, who have children, and when they are no longer useful, they take their final draught and die. But in the summer, the younger children reign supreme. With the adults indoors and the pubescent in Fruition, the children live wildly -- they fight over food and shelter, free of their fathers' hands and their mothers' despair. And it is at the end of one summer that little Caitlin Jacob sees something so horrifying, so contradictory to the laws of the island, that she must share it with the others. Born leader Janey Solomon steps up to seek the truth. At seventeen years old, Janey is so unwilling to become a woman, she is slowly starving herself to death. Trying urgently now to unravel the mysteries of the island and what lies beyond, before her own demise, she attempts to lead an uprising of the girls that may be their undoing. *Gather the Daughters* is a smoldering debut; dark and energetic, compulsively readable, Melamed's novel announces her as an unforgettable new voice in fiction.

The Cabinet Un-su Kim,2021-10-12 Winner of the Munhakdongne Novel Award, South Korea's most prestigious literary prize. Cabinet 13 looks exactly like any normal filing cabinet...Except this cabinet is filled with files on the 'symptomers', humans whose strange abilities and bizarre experiences might just mark the emergence of a new species. But to Mr Kong, the harried office worker whose job it is to look after the cabinet, the symptomers are a headache; especially the one who won't stop calling every day, asking to be turned into a cat. A richly funny and fantastical novel about the strangeness at the heart of even the most everyday lives, from one of South Korea's most acclaimed novelists. Translated by Sean Lin Halbert File Under: Fiction [12,000 Cans of Beer | Memory Mosaicers | Will Execution Inc. | Monkey of All Bombs]

Midwinter Fiona Melrose,2016-11-02 LONGLISTED FOR THE BAILEYS PRIZE FOR FICTION 2017 'Finely judged writing like this comes from a place of instinct, and it marks Melrose out as someone to watch . . . Midwinter is a great success' Melissa Harrison, Guardian Father and Son, Landyn and Vale Midwinter, are Suffolk farmers, living together on land their family has worked for generations. But they are haunted there by a past they have long refused to confront: the death of Cecelia, beloved wife and mother, when Vale was just a child. Both men have carried her loss, unspoken. Until now. With the onset of a mauling winter, something between them snaps. While Vale makes increasingly desperate decisions, Landyn retreats, finding solace in the land, his animals - and a vixen who haunts the farm and seems to bring with her both comfort and protection. Tender and lyrical, alive to language and nature, *Midwinter* is a novel about guilt, blame, lost opportunities and, ultimately, it is a story about love and the lengths we will go to find our way home. Longlisted for the New Angle Prize 2017 'Melrose elegantly weaves narratives detailing the men's internal tumult with lush descriptions of their natural surroundings . . . A moving story about the cruelty of chance, modern masculinity and the transformative power of the bonds between men' Financial Times 'I have rarely read a narrative voice as distinctive as Landyn's, and the loving depiction of regional English working-class masculinity is unusual and timely . . . This is certainly not a light-hearted book, but it offers the true consolation of some very good writing' Sarah Moss, TLS 'A penetrating study of grief and guilt' Daily Mail

Alice's Nightmare in Wonderland Jonathan Green,2015-11 Several years after the events of *Alice's Adventures in Wonderland* and *Through the Looking Glass*, Alice finds herself back in Wonderland and called upon to save the world of playing cards and talking animals from the increasingly deranged Queen of Hearts. But all is not as it first appears in the fluctuating dream world and soon Alice is battling to save herself from the nightmare that is rapidly overtaking the realm. Have you ever wondered what would have happened if Alice hadn't drunk from the bottle labelled 'Drink Me', or if she hadn't joined the Hatter, the March Hare, and the Dormouse for tea? Well now you can find out. In *Alice's Nightmare in Wonderland*, YOU decide which route Alice should take, which perils to risk, and which of Wonderland's strange denizens to fight. But be warned - whether Alice succeeds in her quest or meets a dire end as the nightmare escalates will be down to the choices YOU make. Are you ready to go back down the rabbit-hole?

It Alexa Chung,2014-08-07 Alexa Chung's *IT: the Top Ten Bestseller* from the international fashion muse and *Vogue* contributing editor Now a Penguin paperback, this one-off collection of Alexa Chung's writing, doodles and photographs combines stories of early style inspirations such as her grandpa and the Spice Girls with

discussion of figures of obsession like Jane Birkin and Annie Hall, reflecting on heartbreak, how to get dressed in the morning, the challenges of taking a good selfie, and more. Interspersed with pages from Alexa's notebooks and many a photo of a good night out, It is now perfectly sized for any bag - handbag or otherwise. Witty, charming and with a refreshingly down-to-earth attitude, It is a must-have for anyone who loves fashion, worries about growing up, or loves just about everything Alexa Chung. 'If you love Alexa Chung, buy it. If you are interested in fashion and style, buy it. If you're after a book full of pretty pictures and inspo, buy it' - Cosmopolitan Alexa Chung is a model and contributing editor to British Vogue. The recipient of numerous style awards, Alexa has won the prestigious British Style Award (voted for by the public) three years in a row. She currently lives in New York City.

Zombies, Run! Naomi Alderman, 2016-10-27

Funny Weather: Art in an Emergency Olivia Laing, 2020-05-12 "One of the finest writers of the new nonfiction" (Harper's Bazaar) explores the role of art in our tumultuous modern era. In this remarkable, inspiring collection of essays, acclaimed writer and critic Olivia Laing makes a brilliant case for why art matters, especially in the turbulent political weather of the twenty-first century. Funny Weather brings together a career's worth of Laing's writing about art and culture, examining their role in our political and emotional lives. She profiles Jean-Michel Basquiat and Georgia O'Keeffe, reads Maggie Nelson and Sally Rooney, writes love letters to David Bowie and Freddie Mercury, and explores loneliness and technology, women and alcohol, sex and the body. With characteristic originality and compassion, she celebrates art as a force of resistance and repair, an antidote to a frightening political time. We're often told that art can't change anything. Laing argues that it can. Art changes how we see the world. It makes plain inequalities and it offers fertile new ways of living.

Pog Pdraig Kenny, 2019-04-04 'One of a kind. Utterly fantastic.' Eoin Colfer on Tin David and Penny's strange new home is surrounded by forest. It's the childhood home of their mother, who's recently died. But other creatures live here ... magical creatures, like tiny, hairy Pog. He's one of the First Folk, protecting the boundary between the worlds. As the children explore, they discover monsters slipping through from the place on the other side of the cellar door. Meanwhile, David is drawn into the woods by something darker, which insists there's a way he can bring his mother back ...

The Mermaid of Black Conch Monique Roffey, 2023-06-27 This enchanting tale of a cursed mythical creature and the lonely fisherman who falls in love with her is a daring, mesmerizing novel...single-handedly bringing magic realism up-to-date (Maggie O'Farrell, best-selling author of Hamnet). Sentence by sensuous sentence, Roffey builds a verdant, complicated world that is a pleasure to live inside... You might start to believe in the existence of mermaids." -The New York Times In 1976, David is fishing off the island of Black Conch when he comes upon a creature he doesn't expect: a mermaid by the name of Aycayia. Once a beautiful young woman, she was cursed by jealous wives to live in this form for the rest of her days. But after the mermaid is caught by American tourists, David rescues and hides her away in his home, finding that, once out of the water, she begins to transform back into a woman. Now David must work to win Aycayia's trust while she relearns what it is to be human, navigating not only her new body but also her relationship with others on the island—a difficult task after centuries of loneliness. As David and Aycayia grow to love each other, they juggle both the joys and the dangers of life on shore. But a lingering question remains: Will the former mermaid be able to escape her curse? Taking on many points of view, this mythical adventure tells the story of one woman's return to land, her healing, and her survival.

Night Boat to Tangier Kevin Barry, 2019-09-17 ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR • "A darkly incantatory tragicomedy of love and betrayal ... Beautifully paced, emotionally wise." -The Boston Globe In the dark waiting room of the ferry terminal in the sketchy Spanish port of Algeciras, two aging Irishmen—Maurice Hearne and Charlie Redmond, longtime partners in the lucrative and dangerous enterprise of smuggling drugs—sit at night, none too patiently. The pair are trying to locate Maurice's estranged daughter, Dilly, whom they've heard is either arriving on a boat coming from Tangier or departing on one heading there. This nocturnal vigil will initiate an extraordinary journey back in time to excavate their shared history of violence, romance, mutual betrayals, and serial exiles. Rendered with the dark humor and the hardboiled Hibernian lyricism that have made Kevin Barry one of the most striking and admired fiction writers at work today, Night Boat to Tangier is a superbly melancholic melody of a novel, full of beautiful phrases and terrible men.

Getting the books **The Power Naomi Alderman** now is not type of challenging means.
