Stalking Colton's Family Geri Krotow,2022-04-26 To protect her baby... She must share her secret A stalker's lie came between single mother Rachel Colton and the father of her child. Now the man she never forgot has moved to their small Colorado town, and Rachel must tell James Kiriakis about the six-month-old daughter he never knew existed. But in pursuit of James, a deadly criminal has trailed him to Blue Larkspur and won't let the fragile family have a moment's peace—planning on only the most lethal of reunions. From Harlequin Romantic Suspense: Danger. Passion. Drama. Feel the excitement in these uplifting romances, part of the The Coltons of Colorado series: Book 1: Colton's Pursuit of Justice by Marie Ferrarella Book 2: Snowed In With a Colton by Lisa Childs Book 3: Colton's Dangerous Reunion by Justine Davis Book 4: Stalking Colton's Family by Geri Krotow Book 5: Undercover Colton by Addison Fox Book 6: Colton Countdown by Tara Taylor Quinn Book 7: Colton's Secret Sabotage by Deborah Fletcher Mello

Stalker Stalked Lee Matthew Goldberg,2021-09-17 Lexi Mazur is a depressed, alcoholic, pill-popper whose only joy has become her reality TV shows, often fantasizing that the people on TV are a part of her world. After her boyfriend Steve leaves her, she fixates on the show Socialites and its star Magnolia Artois, following every facet of the girl's life on social media in the hopes of befriending and becoming more like her. But stalking isn't new to Lexi. She ultimately won over her ex Steve by following and manipulating every minute detail about him so he'd fall for her. In fact, she landed her other ex-boyfriend Jeremy in the same way. Being a pharma rep, she's used to manipulation to get doctors to buy her drugs, along with the perk of saving pills for herself. But what happens when the stalker gets stalked? Recently, Lexi has felt someone watching her: in her apartment in Queens, at her job. At first, she thinks her mind's playing tricks, but the watcher is behaving just like she would. And soon they begin leaving threatening clues like she starts to do to Magnolia once her obsession grows more dangerous. Is it one of her exes out for revenge? Her only real friend from childhood who she's always had an unhealthy rivalry? A detective who may have figured her out? The reality star Magnolia trying to turn the tables? Or even someone she might not know? Lexi learns the only way to beat her stalker is to use her own stalking prowess to outsmart them at their own game. But has she finally met her match? Praise for STALKER STALKED: "An unputdownable read, complex and powerful. Goldberg's razor-sharp writing masterfully captures the protagonist's evaporating grip on reality." —Martin Bodenham, author of Watch for Me, Crime and Justice, and The Geneva Connection "The tables are turned in dramatic fashion when a pill popping, reality-television-addicted stalker suddenly finds herself the one being stalked. From page one, I was drawn into Lexi's dark, suspenseful world. Taking readers on an emotional and thrilling journey, Stalker Stalked is a riveting, unique concept that will keep you turning the pages all night long." —Nicole Mabry, Author of Past This Point "This mesmerizing thriller from Lee Matthew Goldberg stuck me in the protagonist's obsessive mind to the point that, toward the end, I found myself doubting the motives of my friends. Not that this will happen to other readers. It's probably all in my mind. Probably." —Rob Pierce, author of the Uncle Dust trilogy "A rare find. As entertaining as it is subversive, Lee Matthew Goldberg's razorblade prose and scathing wit lend an easy comparison to Bret Easton Ellis and Jay McInerney and with Stalker Stalked—a devilishly acerbic tale of a pill-popping, reality TV superfan in delirious freefall—he has not only created a work of fiction as vital to our right here and right now as American Psycho and Bright Lights, Big City were to theirs, he's issued a bold challenge to an entire generation of novelists: Catch me if you can!" —John Jantunen, author of Savage Gerry and No Quarter "You know it's a good thriller when you have to make sure no one is in your closet, and that your door is locked! This is an exciting and fascinating read." —The Black List "Goldberg turns the conventional stalker thriller on its head with a tale that is fresh, suspenseful and hugely entertaining. Lexi Mazur is every bit as awkward, relatable and dysfunctional as Bridget Jones. A tautly-written plot and smart characterization will keep readers on the edge of their seats until the very last paragraph." —BestThrillers.com

Stalker 2 Brenda Hampton,2020-03-30 After a daring escape from jail, the new and improved Abigail Wilson is on a dangerous mission to get rid of the one man who caused her a mountain of misery. She won't stop at anything, until Brent Carson is wiped off the face of this earth. Ridding herself of him seems to be harder than she thought. Her plotting and scheming doesn't seem to advance her deadly operation, and with Brent now having the full support of Officer Eric Wayne, Miss Stalker has to seek a new plan. While Abby may be down, never count her out. Not when it comes to seeking revenge for her daughter and saving other women who have experienced Brent Carson's wrath. His closet is loaded with skeletons. Skeletons that only a Stalker can reveal, but with a shaky reputation like hers, will the grave Abby is so eager to dig be her own?

The Stalker Sally Spencer,2017-01-20 Since her husband's suicide, Beth Baker has been living a life of quiet desperation... She knows she is not spending enough time with her young children, nor enough at the law firm in which she is a junior partner. The roof of her house leaks, the bills keep pouring in, and however hard she works, there is never enough money to go round. The future looks bleak. Then - totally unexpectedly - life improves. Her creditors are suddenly more patient and forgiving. And even more strikingly, she starts winning more cases in the criminal courts. Lots more cases! Cases which everyone agrees she should never have won... It is this improbable run of successes that sets warning bells ringing in the offices of the district attorney and the chief of police - which, in turn, leads to a reluctant Sergeant Sam Brody, being placed in charge of the investigation to find out who she is bribing. But there are no bribes, nor have her creditors suddenly grown more charitable. Acting behind the scenes - manipulating everything - is a man who likes to think of himself as her guardian angel. On cold winter evenings, when she hurries from her car to the house - he is there. On

spring weekend afternoons, as she busies herself in her small garden - he follows her every move. His mission is to protect her, and if, in the process, other people are hurt - or even end up dead - that is fine with him. But Beth must be careful. It won't take much to turn her protector into a tormentor... The Stalker is a fast-paced crime thriller that delves deep and examines how people can commit acts of pure evil in the name of divine justice. Praise for Sally Spencer 'The characters are rich and complex, the plot is unusual and inventive, but it's the delightfully droll, wonderfully witty doses of humour that make the novel such a pleasure' - Booklist Characters are diverse, intriguing, and believable . . . plots never fail to surprise; and the procedural details are grittily realistic - Kirkus Reviews Spencer's finest hour: a tightly plotted puzzler with surprises at every turn- Kirkus Reviews Sally Spencer worked as a teacher both in England and Iran - where she witnessed the fall of the Shah. She now writes full time.

Summer Stalker (Mills & Boon Heroes) (A North Star Novel Series, Book 1) Nicole Helm,2021-04-15 Someone's watching them. Someone they'd never suspect.

Dark Stalker Juanita D. Houston,2020-12-29 Kyle Walker had his hands full being Sheriff of Whiskey Bend, Texas. Between the drag racing teens and self-important citizens, the small town keeps him hopping. His life is full except for the one person he longs for, Jaz, who moved away years before after a misunderstanding. He still hasn't forgotten her. Jasmine VanZandt left Whiskey Bend years before when she thought Kyle cheated on her with the one girl she hated most, resulting in pregnancy. She knew he'd do the right thing, and she couldn't stay to watch him marry someone else. It would've destroyed her.Eight years later, she decides to return, only to have her world turned upside down and inside out before she can get back. Her parents are killed in a car wreck, which appears remarkably similar to one that occurred twenty-seven years before. But this time, the evidence obviously points to murder. Could the wreck that happened years before have been foul play as well? When they discover Jaz is being followed, both realize they must face their past before they can make a future together.Small towns are notorious for secrets, but Whiskey Bend has some killer ones!

Stalker Faye Kellerman,2000-08-08 A first-year rookie with the LAPD's Hollywood Division, Cynthia Decker became a cop against her father's wishes. But police work is in her blood, and she's determined to make it on her own, without Peter Decker's help. Although her time in uniform has been brief, her instincts for danger are already razor sharplike the electric tingle that is telling her something is very wrong . . . right now. It begins with a nagging sense that she is being watched, that little things are being moved around in her apartment. The feeling of dread escalates when she finds that some personal effects have been crudely destroyed. But it's a harrowing trip down a dark canyon road that substantiates Cindy's worst fear: For some unknown reason someone fiendishly relentless-someone with decidedly evil intentions-is stalking her. Cindy is fiercely independent, and her stubborn pride will not allow her to confide in her father-nor can she seek the guidance and advice of her stepmother, Rina. And as Decker's own investigation into a particularly heinous string of carjackings further isolates him from his daughter's troubles, Cindy covertly begins to probe her personal and professional lives for the identity of the person who wants her frightened, harmed . . . or dead. As her stalker grows bolder and more devious, Cindy finds her options limited, her friends and colleagues off-bounds-as the well-concealed rages and dark secrets of those surrounding her slowly come to light and threaten to pull a nightmare out of the shadows and in for the kill.

The Stalker Nicole Davidson,1992

The Stalker Joan Lowery Nixon,1992-06 For use in schools and libraries only. When her best friend is accused of murder, 17-year-old Jennifer is determined to prove her innocence by finding the real culprit.

Stalker Derek Masters,2018-04-09 The moment I laid my eyes on her, I knew she was going to be mine. I also knew that I'd have to do everything I

could to ensure that my past remained a secret. The trouble I'd been in shouldn't have to define my future. I should have known that secrets can't stay hidden forever. Now that they're out, she's as frightened of me as everyone else. She wants nothing to do with me. She's ordered me to stay far, far away. She has no idea how deep my love runs and I'm not giving up on her. She can push me away as much as she wants but she will be mine, even if it's the last thing we do.

Schoolgirl Stalker Micheal R. Ebert, 2005-06-09 When Jess Nuzzo accompanied her mother to the supermarket, she never saw him watching her. And during the car ride home, she never noticed his vehicle behind them. But just days later, the voluptuous teen found herself face-to-face with a deranged man who's been romantically rejected one too many times. Now, in the face of great tragedy, Jess's mother and their cop friend, Pat Schmidt, struggle to track down the scheming stalker despite a sparse collection of clues. But can they find him before he strikes again? Little do they know he's watching – and listening to – their every movement throughout the quaint Long Island town. He's ready. He's waiting. And he's set to drown their hopes for good.

Diary of a Stalker Electa Rome Parks, 2010 When best-selling author Xavier Preston, who is engaged to a beautiful woman named Kendall, decides to have a one-night stand with his number one fan, his world spins wildly out of control as he becomes trapped in a dangerous game of obsession.

The Stalker Layne Kenric, 1991

Stalker in the Shadows Camy Tang, 2012 Lately, nurse Monica Grant feels she's being watched. Followed. And then she receives a threatening letter accompanied by a dead snake. If she doesn't stop her plans to open a free children's clinic, she'll end up dead, too. Terrified, Monica turns to former lawman Shaun O'Neill, who believes the same madman murdered his own sister five years before. She understands how much it means to the handsome, heart-guarding man to save her and her dream. Even if he has to lure a deadly stalker out of the shadows, straight toward himself.

Texas Stalker Barb Han, 2021 Can a man from her past protect her from a stalker? Surprising Garrett O'Connor with a middle-of-the-night encounter wasn't Brianna Adair's original plan. But she's scared and alone and finally reveals she's fleeing a stalker. The rebel cowboy immediately offers his protection and help to expose the threat. Soon, old sparks ignite new possibilities. And when the stalker closes in, Garrett realizes he lost Brianna once. This time, he's playing for keeps.

Cold as Her Heart L. A. Dobbs, 2020 A dangerous stalker is the least of Rockford Security's most sought after bodyguard's problems when he accepts a job that dredges up unsettling memories of his past. Bizarre message and hangup calls are par for the course for a country star like Jan Winters, but when a devious stalker gets too close. Jan's producer hires Las Vegas' best personal protection - Dino Machiavelli. Despite the threats to her safety, Jan doesn't want a babysitter and especially not one with whom she has a tumultuous past. What should have been an easy job for Dino turns dangerous when the stalker's activity escalates proving that the threat could be deadly. Dino and Jan must work closely to uncover the identity of the stalker, but as the spark between them flares, so does uncertainty. Someone close to Jan is telling lies and they don't know who they can trust, maybe not even each other. Just as Dino thinks he has his man, a sinister twist proves that things are never as they seem and one simple mistake could cause him to lose everything.

Viral Loads Lenore Manderson, Nancy J. Burke, Ayo Wahlberg, 2021-09-20 Drawing upon the empirical scholarship and research expertise of contributors from all settled continents and from diverse life settings and economies, *Viral Loads* illustrates how the COVID-19 pandemic, and responses to it, lay bare and load onto people's lived realities in countries around the world. A crosscutting theme pertains to how social unevenness and gross economic disparities are shaping global and local responses to the pandemic, and illustrate the effects of both the virus and efforts to contain it in ways that amplify these inequalities. At the same time, the contributions highlight the nature of contemporary social life, including virtual communication, the nature of communities, neoliberalism and contemporary political economies, and the shifting nature of nation states and the role of government. Over half of the world's population has been affected by restrictions of movement, with physical distancing requirements and self-isolation recommendations impacting profoundly on everyday life but also on the economy, resulting also, in turn, with dramatic shifts in the economy and in mass unemployment. By reflecting on how the pandemic has interrupted daily lives, state infrastructures and healthcare systems, the contributing authors in this volume mobilise anthropological theories and concepts to locate the pandemic in a highly connected and exceedingly unequal world. The book is ambitious in its scope – spanning the entire globe – and daring in its insistence that medical anthropology must be a part of the growing calls to build a new world.
