The Making of Lebanese Foreign Policy Henrietta Wilkins, 2013-05-29 Seeking to explain Lebanon's behavior in the international arena during the 2006 war between Hezbollah and Israel, this book offers a critique of both systemic and sub state factors in determining foreign policy decisions. The Making of Lebanese Foreign Policy illustrates how systemic theories are limited in terms of explaining foreign policy decisions because they largely ignore the role of internal, or sub state, factors. Within Lebanon, foreign policy is split between the interests of different internal Lebanese groups working in alliance with external actors. The competing interests of these internal groups compromise the cohesion of the Lebanese state and its capacity to promote its own interests above those of the different internal groups. The example of Lebanon during the 2006 war thus demonstrates the importance of these sub state factors in influencing state behaviour on an international level. Arguing that a more pluralistic approach is necessary in order to understand the conditions that affect the foreign policy making of the Lebanese state, this book fills an important gap in the literature on the topic and will be of interest to students of International Relations, Middle East Studies and Islamic Studies amongst others.

Governors of Praise Joshua Fowler, 2012-01-17 Passionate praise for a passionate God. What truly happens when believers unlock their Kingdom authority—when praise is taken to the highest possible level? The Lord is my strength and my shield; my heart trusted in Him, and I am helped; therefore my heart greatly rejoices, and with my song I will praise Him (Psalm 28:7). Governors of Praise—Releasing Heaven's Decree is part of the fulfillment of prophecy and is a Word and Stone to set generations free. You will be stirred to a greater hunger and passion for the Lord, arising as one of God's praiseworthy children. Governors of Praise reveals how your praise and worship: Opens the heavens. Draws the lost into the Kingdom. Releases signs and wonders. Allows us to govern territories and impact nations for Christ! You can move beyond the revelation to receive the impartation—when the Holy Spirit moves upon your heart, you will enter into interactive, participation praise! Whether you kneel, lift your hands, sing, dance, shout, cry, or laugh, joining Heaven's Host is the most exciting and creative experience of your lifetime.

China's Big Power Ambition under Xi Jinping Suisheng Zhao, 2021-12-14 Instead of emphasizing China as a developing country, Chinese President Xi Jinping has identified China as a big power and accentuated China's big power status. This book explores the narratives and driving forces behind China's big power ambition. Three narratives rooted in Sino-centralism are examined. One is China's demands for the reform of global governance to reflect the values and interests of China as a rising power. Another is China's Belt and Road Initiative to construct a nascent China-centred world order. The third is the China model and self-image promotion in the developing countries. There are many forces that have driven or constrained China's big power ambition. This collection focuses on two sets of forces. One is China's domestic politics and economic incentives and disincentives. The other is China's geo-political and geo-economic interests. These forces have both motivated and constrained China's big power ambition. The chapters in this book were

originally published in the Journal of Contemporary China.

Everyday Vitality is one part memoir, one part wisdom from years of experience as a psychiatrist, and one part cutting edge scientific evidence. Brilliant, warm, and best of all—an actionable guide to a life well-lived.” —Angela Duckworth, New York Times bestselling author of *Grit: The Power of Passion and Perseverance* Science-backed, research-driven, actionable strategies for countering stress and building your resilience “A great deal of everyday wellbeing lies beyond what is happening inside a person’s head. Everyday opportunities and activities that foster growth and build positive resources are not 'icing on the cake,' but the active ingredients of everyday resilience.” —Samantha Boardman, *Everyday Vitality* In *Everyday Vitality*, psychiatrist Dr. Samantha Boardman shows readers how to find strength within their stress and how to transform full days into more fulfilling days. Drawing from scientific research and her own clinical experience, she shares strategies for cultivating vitality—the positive feeling of aliveness and energy that lies at the core of well-being and at the heart of a good day. You will discover how increased vitality boosts productivity, builds coping skills, and enhances your ability to manage negative emotions. Dr. Boardman demonstrates how to override counterproductive responses to the onslaught of daily hassles and to respond with flexibility and fortitude instead of fear and rumination. Rather than disengaging from the world while you find yourself, she shows you how to boost your vitality by living well within the world. As Dr. Boardman explains, the three main wellsprings of vitality are: meaningfully connecting with others; engaging in experiences that challenge you; and contributing to something beyond yourself. These activities foster resilience by boosting emotional stamina and generating uplifts—the counterparts to daily irritations and annoyances. Whether it is having a good conversation, doing a favor for someone, going for a walk, or reading an interesting article and then calling a friend to talk about it, commonplace experiences and micromoments serve as the building blocks of everyday resilience. *Everyday Vitality* explains how to identify them in your life, develop them, and use them as a foundation on which to thrive. Whether you are twenty or eighty, *Everyday Vitality* will give you the tools you need to get the most out of each day and to live your life to the fullest.

The American Tragedy of COVID-19 Naomi Zack, 2021-03-31 The COVID-19 pandemic in the United States is a classic tragedy of destruction following errors in judgment Naomi Zack presents social and political aspects of this disaster as it unfolded in public health through federal and local government structures, society, culture, and the economy. Federalism combined with politics in facing and denying the SARS-CoV2 pandemic has revealed both weaknesses and strengths. Preparation was woefully inadequate for the 2020 tidal wave of COVID-19 that broke over the medical system, the educational system, the lives of the poor, essential workers, racial and ethnic minorities, the elderly, and women, especially. Rhetoric and conspiracy theories flourished, as Red and Blue Americans politicized the pandemic. Police reform became urgent after billions witnessed George Floyd's death. The war of the statues evoked new conflicts over free speech. The X-ray nature of COVID-19 has revealed the United States to itself, in character, incompetence, superstition, and injustice, but also in dedication to caring for others and abiding resilience. The core of democracy held after the 2020 election but vigilance is newly important and required. As a record of this US Plague Year and an argument for why we need to prepare for Climate Change, as well as the next pandemic, this book is an essential resource for every student, scholar, and citizen.

China in and beyond the Headlines Timothy B. Weston, Lionel M. Jensen, 2012-06-28 In the third volume of this popular series, leading experts provide fascinating and unexpected insights into critical issues of culture, economy, politics, and society in today's China. This world, outside the reach of state control and either misunderstood or unreported in Western media, gains clarity and dimension from the fresh insights of a prominent group of activists, investigative journalists, lawyers, scholars, and travelers, who share a common interest in lessening the profound information gap between China and the rest of the world. In sixteen new essays, they address such key topics as civil society, consumerism, environmental adversity, ethnic tension, the Internet, legal reform, new media and social networking, nationalist tourism, sex and popular culture, as well the costs of urban gigantism to portray the complexity of life in contemporary China—and how, increasingly, it speaks to the everyday experience of Americans. Contributions by: David Bandurski, Susan D. Blum, Timothy Cheek, Gady Epstein, Andrew S. Erickson, Lionel M. Jensen, John Kamm, Wenqing Kang, Katherine Palmer Kaup, Travis Klingberg, Orion A. Lewis, Benjamin L. Liebman, Jonathan S. Noble, Tim Oakes, Jessica C. Teets, Alex L. Wang, and Timothy B. Weston.

Exodus, Redemption Revealed Jane Owens,2015-02-11 The book of Exodus reveals the redemptive plan of God taking the children of Israel out of Egypt and into the land of milk and honey, the Promised Land. After we are born again, our journey with Jesus/Yeshua, our Messiah, is a reflection of the children of Israel. We go through times of dryness when it seems God has forsaken us, our prayers don't go past the ceiling, and we are constantly distracted by vain imaginations. We are buffeted by the cares of this world and wonder if it will ever end. In the face of that discouragement, we are tempted to give up and return to our old pagan (un-Christian) ways. The Israelites often murmured against Moses and complained about their circumstance saying, when will we come into the Land of Promise? When will we see that land of milk and honey? Hang on! Don't give up. If you are looking for Jesus (Yeshua) the Messiah, you will find Him throughout the book of Exodus. It's His story and it's our story too. Psalm 145:14 says, "The LORD upholds all that fall and raises up all those that are bowed down." He is our redeemer, sanctifier, healer, and coming king. "In these days of instant demands and knowledge, we find an author who gives us a concept that knowledge must come from His Spirit. Jane Owens walks us along that understanding of these books called Torah—God's loving teaching and instructions." —Curtis C. Taylor, senior pastor, Beit Lechem Ministries, Colorado "Jane Owens has taken the book of Exodus, which is 3,500 years old, and made it relevant for today. She was inspired to inspire others as a pastor that leads the sheep. This book is a valuable resource and needed in the body of Christ." —Pastor Nicholas Plummer, Beit Tehila Congregation, Brandon, Florida
