*Library Lion* Michelle Knudsen,2024-03-05 A reminder that sometimes, there is a good reason to break the rules. . . .This winsome pairing of text and illustration is a natural for storytime. -- SCHOOL LIBRARY JOURNAL (starred review) (Ages 4-7) Miss Merriweather, the head librarian, is very particular about rules in the library. No running allowed. And you must be quiet. But when a lion comes to the library one day, no one is sure what to do. There aren't any rules about lions in the library. And, as it turns out, this lion seems very well suited to library visiting. His big feet are quiet on the library floor. He makes a comfy backrest for the children at story hour. And he never roars in the library, at least not anymore. But when something terrible happens, the lion quickly comes to the rescue in the only way he knows how. Michelle Knudsen's disarming story, illustrated by the matchless Kevin Hawkes in an expressive timeless style, will win over even the most ardent of rule keepers.

**The Tale of Despereaux** Kate DiCamillo,2009-09-08 A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal-winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

The Development of Intellectual Property Regimes in the Arabian Gulf States David Price,Alhanoof AlDebasi,2009-04-24 This book examines the development of national legislative regimes for the protection of intellectual property rights in the Arabian Gulf states: Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, the United Arab Emirates, and Yemen. David Price analyses IP rights in these states in the context of WTO membership, and consequent compliance with the requirements of the WTO's TRIPS Agreement. The challenges of domestic enforcement of the states' IP laws receive critical attention. A particular focus of the book is on foreign forces which have shaped or influenced the character of the states' IP protection regimes. It includes commentary on the contribution of foreign states, the WTO and WIPO in the pre-TRIPS and TRIPS compliance stages, and the US bilateral trade strategy for pursuing IP protection standards that exceed those enshrined in TRIPS, and the impact of these forces upon the states' enforcement performance. The role of the Office of the United States Trade Representative (USTR) and the Special 301 provisions as a powerful tool in the US' bilateral strategy receives particular attention. The intellectual property laws of these states have been developed virtually in the span of a single generation, and the process of change is continuing. As such, this book will interest practitioners both in and outside of the region, and those with an interest in intellectual property law, comparative law, Middle East legal systems and affairs, and international trade.
