Confined with Mr. Darcy L L Diamond, 2020-05-23 William Darcy has gone completely mental! Despite Elizabeth Bennet's less than stellar opinion of him, some unknown force possessed him to invite her to Pemberley to wait out lockdown. Just because she'd be closer to her sister Jane, who's isolated in the gamekeeper's cottage with her husband wasn't a legitimate excuse either. He'd invited Elizabeth--the only woman he'd ever really fancied--Elizabeth, who'd refused him without reservation at the Rosings Book Festival. Now, he spends part of every day in Elizabeth's company while struggling to keep his feelings hidden from not only her but also his nosy sister and motherly housekeeper. What a bloody nightmare! When William Darcy showed up on her doorstep, the last thing Elizabeth Bennet expected was an invitation to Pemberley, yet she now lives in the poshest of rooms and can walk the extensive gardens and the forests without limits. Even Tilney, her timid Maine Coon cat, is willing to brave strangers to explore his new surroundings, but Elizabeth has no idea how to behave around Darcy. If no one can say when lockdown will end, she could be living at Pemberley indefinitely. How do you live with a man you're attracted to, but who tries your every last nerve? How is she supposed to stay confined with Mr. Darcy?
