The equipment, degree of handling, the type of caging and level of care a wild animal receives can mean the difference between life and death. Wildlife Search and Rescue is a comprehensive guide on 'best practices' and suggested standards for response to sick, injured and orphaned wildlife. Wildlife Search and Rescue is a must have for anyone interested in knowing what to do when they are face to face with a wild animal in need, or for anyone involved in animal rescue. While the book focuses on wildlife native to North America, much of the information and many of the techniques are applicable to other species, including domestic dogs and cats. **Digital Jacquard Design** Julie Holyoke, 2021-03-11 For centuries, the creation of Jacquard cloth required the collaborative efforts of teams of designers and technicians working on vastly complex equipment. In the past three decades, developments in loom technology and CAD systems have made it possible for a single

individual to design and produce this most challenging class of textiles. Digital Jacquard Design presents a comprehensive introduction to the creation of weave patterning in the era of digitally piloted looms. It offers both aesthetic and technical training for students of figured weaving, covering the Jacquard medium in fantastic breadth and depth. The book is an essential guide for all who create figured textiles with modern materials and tools, and provides the reader with a 'digital' key to access and employ the great textile traditions of the past. Digital Jacquard Design examines the design process from end to end, progressing from visual analysis, sample analysis and weave-drafting methods, to figuring techniques and the selection and building of weaves. It provides a guide to converting traditional drafts to digital polychrome format, a design terminology and a weave glossary. The book concludes with a rich set of case studies to demonstrate ingenious and effective weave and design solutions.

*Jefferson's Secrets* Andrew Burstein,2006-03-21 Thomas Jefferson died on July 4, 1826, leaving behind a series of mysteries that captured the imaginations of historical investigators-an interest rekindled by the recent revelation that he fathered a child by Sally Hemmings, a woman he legally owned-yet there is still surprisingly little known about him as a man. In *Jefferson's Secrets* Andrew Burstein focuses on Jefferson's last days to create an emotionally powerful portrait of the uncensored private citizen who was also a giant of a man. Drawing on sources previous biographers have glossed over or missed entirely, Burstein uncovers, first and foremost, how Jefferson confronted his own mortality; and in doing so, he reveals how he viewed his sexual choices. Delving into Jefferson's soul, Burstein lays bare the president's thoughts about his own legacy, his predictions for American democracy, and his feelings regarding women and religion. The result is a moving and surprising work of history that sets a new standard, post-DNA, for the next generation's reassessment of the most evocative and provocative of this country's founders.

*America Brainwashed!* Billie Gorham,2020-09-24 When I was in South Africa, the children in the public schools were singing, Jesus loves me. When I told them that we in America could no longer do that, one of the high school girls asked me two questions: Is that true? and Why did you let it happen? That is what I am wondering as I write this book. How did this happen in America? Why did we allow it to happen? What are we going to do about it?

**When You Only See One Set of Footprints** Darlene Jackson,2012-03-01 As I was called, like Abraham, to leave my father's house and follow Christ, my journey would take me and my children to many places which God has caused us to Triumph in Christ Jesus. I was told to share my story and write the things I've seen and heard and lived through so others can know they too can do the same when they put ALL of their Trust in the Holy God of Israel. When You Only See One Set of Footprints is like an open letter to all Living Epistle, for my life has seen everyday living and living for Christ. To give people hope no matter where you are, He can be there, also to show my children and others what Faith looks like despite what people think it ought to look like, to give people hope and encouragement to follow God to the end. This was also a walk for the destroying of Generational Curse so my children (Donelle, Nathifa, Monae, Dominique, Nakeya, Simone), and now my grandson (Nook, Nook), would not have to encounter because I have gone before them to destroy all curses in their path. To bring about transparency in this walk and to show We can come through all things through Christ who strengthens us, so may all be encouraged as well as inspired to continue in the faith and to fight the good fight of faith and know you fight not alone, for you too can see there were only one set of footprints. God Bless.
