**A Legal Personality for the St. Lawrence River and other Rivers of the World** Yenny Vega Cárdenas, Daniel Turp, 2023-03-15 In the wake of the recognition of the Whanganui River in New Zealand, the Ganges and Yamuna Rivers in India, the Yarra River in Australia and the Atrato River in Colombia as «subjects of rights», the International Observatory on Nature's Rights has initiated a reflection on the possibility of recognizing the St. Lawrence River, the «path that walks» as it is called by the First Nations, as a «legal person». The texts in this collective work deal with the implications of attributing a legal personhood and rights to the St. Lawrence River, delve into the epistemological foundations of the paradigm of the recognition of the rights of Nature and present concrete cases of recognition of rivers as subjects of law. Written by experts from several countries where the recognition of the legal personhood of rivers has occurred to date, they take an in-depth look at the challenges and contributions of this paradigm shift in river protection. This book answers questions about the implications of such recognition and contributes to the process of building a new law that has just begun in Quebec and Canada with the adoption in February 2021 of resolutions conferring the status of «legal person» on the MagPie/ Muteshekau Shipu River located on the North Shore of Quebec and on the Nitassinan (ancestral territory) of two Innu communities, Ekuanitshit and Uashat mak Mani-utemam. Contributions : Inès Bennada, David Cordero Heredia, Teresa Vicente Giménez, Stratégies Saint-Laurent, Isabelle Delainey, Uapukun Mestokosho, Sylvain Gaudreault, Andrew Galliano, Nathalia Parra, Bianca De Marchi Moyano, Hugo Muñoz, Danaé Espinoza, Erin O'Donnell, Brett Dawson, Shrishtee Bajpai, Rébecca Pétrin, Sokhna Sene, Victor David, Daniel Turp and Yenny Vega Cárdenas.

**Think Human** Olivier Duha, 2024-01-03 In an increasingly competitive and digitalized world where experience reigns supreme, Olivier Duha highlights the radical evolution of customer relations and outlines six golden rules to maximize customer satisfaction. Advocating for the importance of the human factor assisted by technology in the digital age of customer relations, this book explores the impact of the digital revolution on brands, their shift from being product-focused to customer-focused and provides strategies for how brands can succeed in the battle for the customer. By developing customer relations teams that value the role of the human being augmented by technology, you can put technology at the service of humans and take control to create valuable customer experiences. Drawing on over two decades of experience developing Webhelp into a leading global provider of game-changing customer journeys, Duha shows you how to develop your customer relations team into a key strategic resource for growth.

**Discovering Françoise Dolto** Kathleen Saint-Onge, 2019-05-22 This psychobiographical study of the renowned French pediatrician and psychoanalyst Françoise Dolto introduces both her theories of child development and her unique insights into language and identity. A friend of Jacques Lacan's, Dolto believed that we are all humanized through language, and that the words we use carry unconscious traces of our early histories of love, suffering and desire. Suggesting that infants unconsciously symbolize and that a continuous circulation of unconscious affects—the transference—prevails in all language-based relations, her findings challenge assumptions about autism, autobiography, linguistics, literacy, pedagogy and therapy. Dolto's own corpus—a rich archive blending the personal and professional—demonstrates this, with echoes between Dolto's constructs about the child and her own challenging childhood. This fascinating book will not only introduce the work of Françoise Dolto to many readers, but will be a valuable resource for all psychoanalytic researchers and theorists interested in childhood, language and identity.

**Children of Afghanistan** Jennifer Heath, Ashraf Zahedi, 2014-11-15 The first comprehensive look at youth living in a country attempting to rebuild itself after three decades of civil conflict, Children of Afghanistan relies on the research and fieldwork of twenty-one experts to cover an incredible range of topics. Focusing on the full scope of childhood, from birth through young adulthood, this edited volume examines a myriad of issues: early childhood socialization in war and peace; education, literacy, vocational training, and apprenticeship; refugee life; mental and physical health, including disabilities and nutrition; children's songs, folktales, and art; sports and play;

orphans; life on the streets; child labor and children as family breadwinners; child soldiers and militarization; sexual exploitation; growing up in prison; marriage; family violence; and other issues vital to understanding, empowerment, and transformation. *Children of Afghanistan* is the first volume that not only attempts to analyze the range of challenges facing Afghan children across class, gender, and region but also offers solutions to the problems they face. With nearly half of the population under the age of fifteen, the future of the country no doubt lies with its children. Those who seek peace for the region must find solutions to the host of crises that have led the United Nations to call Afghanistan the worst place on earth to be born. The authors of *Children of Afghanistan* provide child-centered solutions to rebuilding the country's cultural, social, and economic institutions.

**Analysis of Writing Activities in Korean English Textbooks** Moon-Jeung Chang, 2004

Une personnalité juridique pour le Fleuve Saint-Laurent et les Fleuves du monde Yenny Vega Cárdenas, Daniel Turp, 2021-05-10 Dans la foulée de la reconnaissance comme « sujets de droits » des fleuves Whanganui en Nouvelle-Zélande, du Gange et Yamuna en Inde, de la rivière Yarra en Australie et de l'Atrato en Colombie, l'Observatoire international des droits de la Nature a initié une réflexion sur la possibilité de reconnaître le Fleuve Saint-Laurent, ce « chemin qui marche » comme le nomment les Premières Nations, comme « personne juridique ». Les textes du présent ouvrage collectif portent sur les implications de l'attribution d'une personnalité juridique et de droits au Fleuve Saint-Laurent, approfondissent les fondements épistémologiques du paradigme de la reconnaissance des droits de la Nature et présentent des cas concrets des reconnaissances de fleuves comme sujets de droit. Rédigés par des experts et expertes originaires de plusieurs pays où la reconnaissance d'une personnalité juridique des fleuves s'est produite à ce jour, ils posent un regard approfondi sur les défis et apports de ce changement de paradigme sur la protection des fleuves. Le présent ouvrage vient répondre aux interrogations des implications d'une telle reconnaissance et contribue au processus de construction d'un nouveau droit qui vient de s'amorcer au Québec et au Canada avec l'adoption en février 2021 de résolutions conférant le statut de « personne juridique » à la rivière Magpie/Muteshekau Shipu située sur la Côte-nord du Québec et sur le Nitassinan (territoire ancestral) de deux communautés innue, Ekuanitshit et Uashat mak Mani-utemam.

Журнал «Логос» No3/2015, 2017-05-20 «Логос» – один из старейших независимых гуманитарных журналов, возникших в постсоветский период. Журнал продолжает западную традицию, развивая ту интеллектуальную линию русской культуры, которая связывает его, в частности, с дореволюционным «Логосом» – международным ежегодником по философии культуры, издававшимся в начале XX века. За время своего существования «Логос» эволюционировал от журнала профессионально-философской ориентации, выполнявшего определенную просветительскую функцию, до издания, охватывающего, помимо того, широкий спектр общественных проблем и стремящегося представить на своих страницах наиболее интересные и заметные интеллектуальные инновации современной России, а также основные тенденции мировой общественно-политической мысли. В номере: Полина Ханова. От Кларксона до Хайдеггера. Антонелла Корсани. Трансформации труда и его темпоральностей. Хронологическая дезориентация и колонизация нерабочего времени. Михаил Маяцкий. Освобождение от труда, безусловное пособие и глупая воля. Маноло Антониоли. Эстетическая стадия производства/потребления и «революция времени по выбору». Нелло Бариле. Брендинг «я» в эпоху эмоционального капитализма. Эксплуатация «просьюмеров» от риторики double-bind к гегемонии исповеди. Елена Рождественская. Трансмедиаальный сторителлинг в поисках «Национальной идеи России» и многое другое.

**Crimes et châtiments dans l'Etat de sécurité** Pierre Berthelet, 2015-01-29 Il était une fois un État de sécurité. Cet État imaginaire rappelle quelque peu notre univers enfantin. Loin des clichés d'enfants innocents jouant sagement entre eux, riant joyeusement et s'amusant dans la bonne humeur, il s'agit d'un monde dur et cruel pour les plus faibles. C'est un univers impitoyable où ceux qui sont différents sont mis à part. L'État de sécurité se veut démocratique et respectueux des droits

Roman historian Tacitus reported the Germanics venerated Mercury above all. He meant a Germanic God he equated with Mercury. Because Tacitus didn't denominate the name of that God, it had to be interpreted. Many centuries later scholars widely agreed that the name of this God must be Woden. Today that opinion is still taken as evidence. This assumption is assayed here on the basis of available primary sources - the result suggests serious doubts about the entrenched view. This book requires the willingness to leave comfortable and well-traveled, often-repeated views to examine unbiasedly apparent 'self-evidence facts'.

**The R Book** Michael J. Crawley, 2007-06-13 The high-level language of R is recognized as one of the most powerful and flexible statistical software environments, and is rapidly becoming the standard setting for quantitative analysis, statistics and graphics. R provides free access to unrivalled coverage and cutting-edge applications, enabling the user to apply numerous statistical methods ranging from simple regression to time series or multivariate analysis. Building on the success of the author's bestselling *Statistics: An Introduction using R*, *The R Book* is packed with worked examples, providing an all inclusive guide to R, ideal for novice and more accomplished users alike. The book assumes no background in statistics or computing and introduces the advantages of the R environment, detailing its applications in a wide range of disciplines. Provides the first comprehensive reference manual for the R language, including practical guidance and full coverage of the graphics facilities. Introduces all the statistical models covered by R, beginning with simple classical tests such as chi-square and t-test. Proceeds to examine more advanced methods, from regression and analysis of variance, through to generalized linear models, generalized mixed models, time series, spatial statistics, multivariate statistics and much more. *The R Book* is aimed at undergraduates, postgraduates and professionals in science, engineering and medicine. It is also ideal for students and professionals in statistics, economics, geography and the social sciences.

**The Soul of Money: Transforming Your Relationship with Money and Life** Lynne Twist, 2017-03-14 A life-changing read. With warmth, honesty, and storytelling, Lynne turns everything we think we know about money upside down...It's the book we all need right now. —Brené Brown, Ph.D., author of the #1 New York Times bestseller *Rising Strong* This liberating book shows us that examining our attitudes toward money—earning it, spending it, and giving it away—offers surprising insight into our lives. Through personal stories and practical advice, Lynne Twist asks us to discover our relationship with money, understand how we use it, and by assessing our core human values, align our relationship with it to our desired goals. In doing so, we can transform our lives. *The Soul of Money* now includes a foreword from Jack Canfield and a new introduction by Lynne Twist, in which she explores the effects of the Great Recession and environmental concerns about our monetary needs and aims.

**JavaScript Complete** Steven Holzner, 1998 *JavaScript Complete* fills the need of teaching developers how to develop scripts that work seamlessly across the browsers of Netscape and Microsoft. The CD-ROM contains complete examples written in both JScript and JavaScript for immediate use in the reader's Web page.

Delve into the emotional tapestry woven by *Crafted by* in **Page111.htm**. ## Page111.htm Introduction

Page111.htm Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Page111.htm Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Page111.htm : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Page111.htm : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Page111.htm Offers a diverse range of free eBooks across various genres. Page111.htm Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Page111.htm Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Page111.htm, especially related to Page111.htm, might be

challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Page111.htm, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Page111.htm books or magazines might include. Look for these in online stores or libraries. Remember that while Page111.htm, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Page111.htm eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Page111.htm full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Page111.htm eBooks, including some popular titles.

## FAQs About Page111.htm Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Page111.htm is one of the best book in our library for free trial. We provide copy of Page111.htm in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Page111.htm. Where to download Page111.htm online for free? Are you looking for

Page111.htm PDF? This is definitely going to save you time and cash in something you should think about.
