**Biblical Studies on the Internet** Roland H. Worth, 2002-01-01 With this handbook of currently available internet resources (for use online or to be downloaded to one's personal computer), the users can locate the exact spot on the internet to find the materials they want. And they will save countless hours of frustration and work. Over 3,300 websites provide information on a range of topics: English language Bible translations that can be used online or downloaded, sites to listen to hymns on the Internet, Bible translations into 57 non-English languages, non-English commentaries, dictionaries, and other resource materials, Hebrew, Greek, and other ancient language texts and resource materials, numerous commentaries on any one single biblical book or on the entire scriptural canon, supplemental materials dealing with everything from devotional studies to issues of fundamental biblical interpretation, and pseudo-authoritative writings related to the two testaments. Multiple sites are given for each resource cited whenever possible.

**Before the Beginning to Beyond the End** Cliff K.K. Lun, 2022-08-31 Life is full of big questions. Who am I? Why am I here? Where am I going? Where do the universe, earth, and humans come from? Do humans have free will? What is the meaning of life and death? Do humans and animals have souls and spirits? Where do good and evil come from? Who is Satan? What was his original offense? Why does the devil tempt humans? Why is there pain and suffering? Can the nefarious attitudes in human spirits change for the better? Before the Beginning to Beyond the End clearly presents answers to the above questions based in Scripture. The book seeks to unpack the creation of the world and its implications for mankind through the lens of the Bible. Furthermore, it expounds on the cause for human's fall, God's redemption plan, Jesus's fulfillment of Messianic prophecies, future events in the world, and what will happen to us beyond the end of time.

*Handbook of Work-Family Integration* Karen Korabik, Donna S. Lero, Denise L. Whitehead, 2011-04-28 In today's industrialized societies, the majority of parents work full time while caring for and raising their children and managing household upkeep, trying to keep a precarious balance of fulfilling multiple roles as parent, worker, friend, & child. Increasingly demands of the workplace such as early or late hours, travel, commute, relocation, etc. conflict with the needs of being a parent. At the same time, it is through work that people increasingly define their identity and self-worth, and which provides the opportunity for personal growth, interaction with friends and colleagues, and which provides the income and benefits on which the family subsists. The interface between work and family is an area of increasing research, in terms of understanding stress, job burn out, self-esteem, gender roles, parenting behaviors, and how each facet affects the others. The research in this area has been widely scattered in journals in psychology, family studies, business, sociology, health, and economics, and presented in diverse conferences (e.g., APA, SIOP, Academy of Management). It is difficult for experts in the field to keep up with everything they need to know, with the information dispersed. This Handbook will fill this gap by synthesizing theory, research, policy, and workplace practice/organizational policy issues in one place. The book will be useful as a reference for researchers in the area, as a guide to practitioners and policy makers, and as a resource for teaching in both undergraduate and graduate courses.

*Even the Dogs* Cloe Taddei-Ferretti, 2017 This is a historical excursus that describes female ministries in the early Church. It analyzes the disputed traces of women in the presbyteral ministry, diaconal ministry, and the differences in ordination rite and functions for deaconesses and deacons of the Byzantine Church. Information is included on the gender balance of today's identical ordination rite and functions of deaconesses and deacons. The study also examines: the hypothetical possibility of female presbyteral ordination; belief in female subordination; the spousal symbol; Mary; woman and person; reciprocity; the incarnation of the Word; the impossibility of female presbyteral vocation;

the value of doctrines; and the sacramental sign and substance of a sacrament. In conclusion, a prayer for female presbyteral ordination is proposed. *The Pastoral Epistles: An International Theological Commentary* Gerald L.

Bray, 2019-07-25 This commentary offers a verse-by-verse theological interpretation of the First and Second epistles to Timothy and Titus. Bray reads the letters as authoritative scripture, moving beyond questions of whether they are pseudonymous, and of whether or not they are post-apostolic, instead looking closely at how they have been understood in the life of the Church. Bray engages with the history of commentary surrounding these letters, ranging from the Fathers to contemporary theology and exegesis. He reads the epistles as the authoritative word from God to his people, and through his engagement with the history of interpretation shows the constant thread of witness and confession that unites believers across the ages. In so doing, Bray shows why the Pastoral Epistles have survived the passage of time and have retained the canonical authority that they have always enjoyed.

*The Routledge Handbook on Crime and International Migration* Sharon Pickering, Julie

Ham, 2017-07-14 The Routledge Handbook on Crime and International Migration is concerned with the various relationships between migration, crime and victimization that have informed a wide criminological scholarship often driven by some of the original lines of inquiry of the Chicago School. Historically, migration and crime came to be the device by which Criminology and cognate fields sought to tackle issues of race and ethnicity, often in highly problematic ways. However, in the contemporary period this body of scholarship is inspiring scholars to produce significant evidence that speaks to some of the biggest public policy questions and debunks many dominant mythologies around the criminality of migrants. The Routledge Handbook on Crime and International Migration is also concerned with the theoretical, empirical and policy knots found in the relationship between regular and irregular migration, offending and victimization, the processes and impact of criminalization, and the changing role of criminal justice systems in the regulation and enforcement of international mobility and borders. The Handbook is focused on the migratory 'fault lines' between the Global North and Global South, which have produced new or accelerated sites of state control, constructed irregular migration as a crime and security problem, and mobilized ideological and coercive powers usually reserved for criminal or military threats. Offering a strong international focus and comprehensive coverage of a wide range of border, criminal justice and migration-related issues, this book is an important contribution to criminology and migration studies and will be essential reading for academics, students and practitioners interested in this field.

**Inked** Janet E. Kusiak, Kim Goad, 2013-02-01 A tattoo can tell a lot about a person.

Some reflect a rebellious season, like the demons that cover Josh Hamilton of the Texas Rangers. Some express religious ties, like actor Mark Wahlberg's once tattooed rosary. Some are symbols of love and loyalty; Some serve as remembrances, like rapper Lil Wayne's teardrops, representing deaths of loved ones. Inked by Janet E. Kusiak and Kimberly D. Goad uses the language of tattoos to explore the question: what has marked your life? Is it a deep well of pain? Is it emotional baggage? Is it depression? In spite of events that are so deeply etched into our hearts, we have the power to change the marks that life makes on us. An estimated quarter of Americans ages 18-50 have a tattoo. What better way to show how one of the most polarizing of cultural icons can, in fact, be a metaphor for what people have in common? Using stories and slang from tattoo culture, the authors look at the new way Christ desires that we be inked by Him, as the authors explore the marks that have been made on our hearts.

**Annual Report on Exchange Arrangements and Exchange Restrictions 2012**

International Monetary Fund. Monetary and Capital Markets Department,2012-09-14

Published since 1950, this authoritative annual reference is based on a unique IMF database that tracks exchange and trade arrangements for 187 IMF member countries, along with Hong Kong SAR, Aruba, and Curaçao and Sint Maarten. The Annual Report on Exchange Arrangements and Exchange Restrictions (AREAER) draws together information available to the IMF from a number of sources, including during official IMF staff visits to member countries. There is a separate chapter for each of the 189 countries included, and these are presented in a clear, easy-to-read tabular format. A summary table allows for simple cross-country comparisons of key features of their exchange and trade regimes. The report's introduction summarizes recent global trends and developments. It discusses such topical issues as exchange rate arrangements, current or capital transactions, or prudential regulations. The individual country chapters outline exchange measures in place, the structure and setting of exchange rates, arrangements for payments and receipts, procedures for resident and nonresident accounts, mechanisms for import and export payments and receipts, controls on capital transactions, and provisions specific to the financial sector. The report now provides more detailed information on the operations of foreign exchange markets and exchange rate mechanisms and better describes the regulatory framework for current and capital account transactions.

**Political Change in the Middle East and North Africa** Inmaculada

Szmolka,2017-06-29 Taking a comparative approach, this book considers the ways in which political regimes have changed since the Arab Spring. It addresses a series of questions about political change in the context of the revolutions, upheavals and protests that have taken place in North Africa and the Arab Middle East since December 2010, and looks at the various processes have been underway in the region: democratisation (Tunisia), failed democratic transitions (Egypt, Libya and Yemen), political liberalisation (Morocco) and increased authoritarianism (Bahrain, Kuwait, Syria). In other countries, in contrast to these changes, the authoritarian regimes remain intact (Saudi Arabia, Qatar, Arab United Emirates).

*The Evidence Base for Diabetes Care* William Herman,Ann Louise Kinmonth,Nick Wareham,Rhys Williams,2009-12-22 Now in its second edition, *The Evidence Base for Diabetes Care* has been fully revised and updated to incorporate new evidence from clinical trials. The aim of the book remains the same – to provide treatment recommendations based on the latest research and ensure patients with diabetes receive the best possible care. Designed to be user-friendly, the evidence is displayed in clear tables with accompanying critiques including grading of evidence where appropriate. As well as summarizing the current evidence available for diabetes prevention and care, the contributors highlight areas where evidence is lacking and where studies are underway. This book is an invaluable source of evidence-based information distilled into guidance for clinical practice.

Women's Rights in the Middle East and North Africa Sanja Kelly, Julia Breslin, 2010-07-16  
 Freedom House's innovative publication *Women's Rights in the Middle East and North Africa: Progress Amid Resistance* analyzes the status of women in the region, with a special focus on the gains and setbacks for women's rights since the first edition was released in 2005. The study presents a comparative evaluation of conditions for women in 17 countries and one territory: Algeria, Bahrain, Egypt, Iran, Iraq, Jordan, Kuwait, Lebanon, Libya, Morocco, Oman, Palestine (Palestinian Authority and Israeli-Occupied Territories), Qatar, Saudi Arabia, Syria, Tunisia, United Arab Emirates, and Yemen. The publication identifies the causes and consequences of gender inequality in the Middle East, and provides concrete recommendations for national and international policymakers and implementers. Freedom House is an independent nongovernmental organization that supports democratic change, monitors freedom, and advocates for democracy and human rights. The project has been embraced as a resource not only by international players like the United Nations and the World Bank, but also by regional women's rights organizations, individual activists, scholars, and governments worldwide. Women's rights in each country are assessed in five key areas: (1) Nondiscrimination and Access to Justice; (2) Autonomy, Security, and Freedom of the Person; (3) Economic Rights and Equal Opportunity; (4) Political Rights and Civic Voice; and (5) Social and Cultural Rights. The methodology is based on the Universal Declaration of Human Rights, and the study results are presented through a set of numerical scores and analytical narrative reports.

Tinclads in the Civil War Myron J. Smith, Jr., 2012-11-21 Once the Union Army gained control of the upper rivers of the Mississippi Valley during the first half of 1862, slow and heavy ironclads proved ineffective in patrolling the waters. Hastily outfitted steamboats were covered with thin armor and pressed into duty. These "tinclads" fought Confederate forces attacking from the riverbanks, provided convoy for merchant steamers, enforced revenue measures, and offered tow, dispatch, and other fleet support services. This history documents the service records and duties of these little-known vessels of the Union fleet.
