The Villa of Dreams Lucy Coleman, 2020-12-01 'Beautifully written, comforting and utterly uplifting, Lucy Coleman's stories are the perfect tonic when life is a little grey.' Holly Martin Seren Maddison left behind a rainy Britain to follow her dreams and live and work in Lisbon. The vibrancy, the beautiful scenery and the sunshine, made her fall in love and she knew, instantly, that it would be her forever home. International artist Reid Henderson has homes in Lisbon and London. Following his painful divorce, his dream is to turn his luxurious home into an art school and gallery. When Seren and Reid first meet there is an instant attraction, but they are both people who have been hurt, and each have dreams that are so far apart, they aren't even on the same page. Can they enjoy one summer of happiness together, as life bestows a gift of memories to cherish for the rest of their lives? Or is their destiny to chart a path into the future, in a home where dreams can come true? Seren and Reid may be about to discover that love is as much about what you are prepared to give up, as what you are prepared to keep hold of. Let Lucy Coleman transport you away to sun-drenched Portugal where true love really can conquer all, and home is where the heart is. Perfect for all fans of Trisha Ashley, Holly Martin and Sue Moorcroft. What readers say about Lucy Coleman: 'A new Lucy Coleman novel never fails to brighten up my day.' 'Lucy Coleman is quickly becoming one of my favourite authors... She seems to have a way of making you feel as though you've been transported into her book and you're right

there experiencing it all with the characters.' 'A warm and emotional story that will really warm your heart.' 'I love Lucy Coleman's books. She always delivers such real characters, and her stories keep you turning the pages non-stop, but what I love best is the way she whisks you off into another world.'

The Blonde Geisha Jina Bacarr, 2014-08-01 The early summer of 1892 brought a heavy rainy season that year in Japan. Plum Rain, the Japanese called it, because it comes when the fruit bulges with ripeness and promise. Like a young girl reaching womanhood. A girl like me. In the ancient Japanese tradition of beauty and grace, sex and erotic fantasies are hidden secrets that only a select few may learn, and which are forbidden to foreigners. But when a threat to her father's life puts her own in jeopardy, young Kathlene Mallory is sent to live in safety at the Tea House of the Look-Back Tree, where she is allowed to glimpse inside the sensual world of the geisha. During the

years of her training in the art of pleasuring men, Kathlene's desires are awakened by the promise of unending physical delights, and she eagerly prepares for the final ritual that will fulfill her dream of becoming a geisha — the selling of her virginity. The man willing to pay for such an honor, Baron Tonda, is not the man for whom Kathlene carries a secret longing, but he is the man who will bring ruin to the teahouse, and danger to Kathlene, if he is disappointed....
