Washington Confidential Lee Mortimer,Jack Lait,2023-11-21 Washington Confidential by Lee Mortimer, Jack Lait. Published by DigiCat. DigiCat publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each DigiCat edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Juvenile Justice Steven M. Cox,Jennifer M. Allen,Robert D. Hanser,2017-08-17 “The text is written from a practical standpoint, which students are likely to understand and appreciate.” —Lindsey Livingston Runell, J.D., Ph.D., Kutztown University Brief, focused, and up-to-date, *Juvenile Justice: A Guide to Theory, Policy, and Practice*, Ninth Edition, by Steven M. Cox, Jennifer M. Allen, and Robert D. Hanser, is a must-have text that takes students on a journey through the practical realities of the juvenile justice system and the most current topics in the field. Students not only learn about the history, process, and theories of the juvenile justice system, but they also gain access to the latest crime measurements and explore important issues such as community-based sanctions, treatment and rehabilitation, gangs, and international youth crime. Emphasizing evidence-based practices, the authors guide readers through the methods and problems of the system and offer realistic insights for students interested in a career in juvenile justice. Real-life examples, excellent pedagogical features, and a complete online ancillary package are provided to help instructors effectively teach the course and help students learn interactively.

The Poems of Aemilia Lanyer Aemilia Lanyer,1993 Aemilia Lanyer (1569-1645) was the first woman poet in England who sought status as a professional writer. Her book of poems is dedicated entirely to women patrons. It offers a long poem on Christ's passion, told entirely from a woman's point of view, as well as the first country house poem published in England. Almost completely neglected until very recently, her work changes our perspective on Jacobean poetry and contradicts the common assumption that women wrote nothing of serious interest until much later. Mistress and friend of influential Elizabethan courtiers, Lanyer gives us a glimpse of the ideas and aspirations of a talented middle class Renaissance woman.

Contracts for Infrastructure Projects Philip Loots,Donald Charrett,2022-05-18 Contracts for Infrastructure Projects: An International Guide provides a guide to the law relating to construction contracts for infrastructure projects; it is intended for the use of engineers and other professionals who are involved in the negotiation and administration of construction contracts, to enable them to understand the risks involved, and how to minimise them. The principles of construction law outlined in this book apply to small construction contracts as well as very large contracts for which the contract sum may be in the billions of dollars. The focus of the book is on construction contracts entered into by commercial organisations operating in a business environment. Contract law generally assumes that such parties are of equal bargaining power and puts relatively few fetters on their ability to agree on the terms of their bargain. However, where legislation impacts on the execution of construction projects or the operation of construction contracts it may be of major importance in protecting the rights of weaker parties or third parties. It is assumed that the users of this book will be familiar with the general concepts of tendering and contracting for engineering and construction projects but may not have any formal knowledge of the law. To the extent possible, the emphasis is on general principles of contract law that are widely accepted in many jurisdictions. Examples are drawn from case law in a number of common law jurisdictions, as well as from civil codes.

International Environmental Law Edith Brown Weiss,Daniel Barstow Magraw,Paul C. Szasz,1992 The important new 1999 Supplement to this widely-used sourcebook contains the text of 48 major treaties and other legal instruments completed between 1991 and 1998. These instruments represent the important developments in international environmental law since the 1992 UN Conference on Environment and Development. Both volumes are ideally suited for adoption in international environmental law courses. Special classroom prices are available. Published under the Transnational Publishers imprint.

Barry & 'The Boys' Daniel Hopsicker,2024-01-11 Barry & ' the boys' is the story of Barry Seal, the biggest drug smuggler in American history, who died in a hail of bullets with George Bush's private phone number in his wallet. The Wall Street Journal called Barry Seal the ghost haunting the Whitewater probe. He was far more than that. Based on a 3-year long investigation, Daniel Hopsicker discovered the ' secret history' the American Press was afraid to tell... Seal, the most successful drug smuggler in American history, was also -- and not coincidentally -- a lifelong CIA agent, one of the most famous who ever lived, active in everything from the Bay of Pigs to Watergate to the Kennedy Assassination. And all this before becoming famous for importing tons of cocaine through Mena, Arkansas in the Scandal that won't go away. The story of Barry Seal is the story of what happens when guys we pay to protect us -- CIA guys -- go into business with guys we're paying them to protect us against: Made guys. Mobsters... Organized Crime. Ripping the ' official story' on the so-called Clinton Scandals to shreds, Barry and ' the Boys' breaks the biggest scoop of all about the Arkansas Drug Connection: where the money went. And goes... Did the big-time players in small ' backwards' Arkansas -- Bill Clinton, Vince Foster, Jackson Stephens, Jim Blair, Don Tyson -- stand idly by while Barry Seal made billions of dollars importing cocaine through their state? Or were the goings-on in Mena of Barry and ' the boys' just the continuation of ' business as usual?' America's Secret History-- Revealed: Seal's narcotics smuggling organization was paying off top officials in both major American political parties... with links to George HW Bush asnd his son George W., and everyone from Republican Attorney General Ed Meese to Democratic National Chairman Charles Manatt to Al Gore's Campaign Chairman, Tony Coelho. Why did a young Arkansas Attorney named Bill Clinton signed a get-out-of-jail-free personal recognizance bond for Barry Seal, after Seal had been jailed for drug smuggling in Mena, all the back in the 1970' s? And you'll learn of the suspicious and long-lasting link between ' smuggler' Barry Seal's On the book's cover is a photograph taken by a night club photographer in a Mexico City nightspot ten months before the Kennedy assassination which holds the key to the shadowy organization responsible for massive corruption for more than 40 years. Commenting on the CIA's affair with the Mafia, L.B.J.'s press secretary, Bill Moyers said, Once we decide that anything goes, anything can come home to haunt us. Barry and ' the boys' will help you understand what he meant.

Boating Skills & Seamanship ,1988
The Palazzo Vecchio, 1298-1532 Nicolai Rubinstein,1995 Nicolai Rubinsteins's unique command of the complexities of Florentine political history has resulted in an extremely impressive study of the Palazzo Vecchio and the way in which it functioned as the seat of the Florentine republican government from the late thirteenth century to 1530. Professor Rubinstein's study makes a fundamental contribution to the subject and arrives at a number of new and important conclusions.
