Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. The Writing Experiment Hazel Smith,2020-07-16 'A systematic and engaging approach to creative writing' - Carla Harryman, Wayne State University By suggesting that students who are not born poets can yet learn to become good ones, Smith performs a very important service.' - Professor Susan M. Schultz, University of Hawaii This is an impressive book, because it covers areas of creative writing practice and theory that have not been covered in published form It links radical practice with radical (but better-known) theory, and will appeal to anyone looking for a different approach ' - Robert Sheppard, Edge Hill College of Higher Education, UK The Writing Experiment demystifies the process of creative writing, showing that successful work does not arise from talent or inspiration alone. Hazel Smith breaks down writing into incremental stages, revealing processes that are often unconscious or unacknowledged, and shows how they can become part of a systematic writing strategy. The book encourages writers to take an explorative and experimental approach to their work. It relates practical strategies for writing to major twentieth century literary and cultural movements, including postmodernism. Suitable for both beginners and experienced writers, The Writing Experiment covers many genres including fiction, poetry, writing for performance and new media. Each chapter is illustrated with extensive examples of both student work and published writing, and challenging exercises offer writers at all levels opportunities to develop their skills.

The Villa of Dreams Lucy Coleman,2020-12-01 'Beautifully written, comforting and utterly uplifting, Lucy Coleman's stories are the perfect tonic when life is a little grey.' Holly Martin Seren Maddison left behind a rainy Britain to follow her dreams and live and work in Lisbon. The vibrancy, the beautiful scenery and the sunshine, made her fall in love and she knew, instantly, that it would be her forever home. International artist Reid Henderson has homes in Lisbon and London. Following his painful divorce, his dream is to turn his luxurious home into an art school and gallery. When Seren and Reid first meet there is an instant attraction, but they are both people who have been hurt, and each have dreams that are so far apart, they aren't even on the same page. Can they enjoy one summer of happiness together, as life bestows a gift of memories to cherish for the rest of their lives? Or is their destiny to chart a path into the future, in a home where dreams can come true? Seren and Reid may be about to discover that love is as much about what you are prepared to give up, as what you are prepared to keep hold of. Let Lucy Coleman transport you away to sun-drenched Portugal where true love really can conquer all, and home is where the heart is. Perfect for all fans of Trisha Ashley, Holly Martin and Sue Moorcroft. What readers say about Lucy Coleman: 'A new Lucy Coleman novel never fails to brighten up my day.' 'Lucy Coleman is quickly becoming one of my favourite authors... She seems to have a way of making you feel as though you've been transported into her book and you're right there experiencing it all with the characters.' 'A warm and emotional story that will really warm your heart.' 'I love Lucy Coleman's books. She always delivers such real characters, and her stories keep you turning the pages non-stop, but what I love best is the way she whisks you off into another world.'

Norman Granz Tad Hershorn,2011-10-17 Any book on my life would start with my basic philosophy of fighting racial prejudice. I loved jazz, and jazz was my way of doing that, Norman Granz told Tad Hershorn during the final interviews given for this book. Granz, who died in 2001, was iconoclastic, independent, immensely influential, often thoroughly unpleasant—and one of jazz's true giants. Granz played an essential part in bringing jazz to audiences around the world, defying racial and social prejudice as he did so, and demanding that African-American performers be treated equally everywhere they toured. In this definitive biography, Hershorn recounts Granz's story: creator of the legendary jam session concerts known as Jazz at the Philharmonic; founder of the Verve record

label; pioneer of live recordings and worldwide jazz concert tours; manager and recording producer for numerous stars, including Ella Fitzgerald and Oscar Peterson.
