Faith and Bayan Lorenzo C. Bautista,Aldrin M. Peñamora,Federico G. Villanueva,2022-03-31 When tyrants come to power and Christians remain silent, the church betrays its prophetic role in the public sphere. Far from withdrawing from social-political engagement, Christians must grow in boldness as they embody a just, righteous, and godly love for their country and its people. In this collection of essays, Filipino evangelical theologians challenge the church's complacency in the face of oppressive regimes. Addressing the specific realities of President Rodrigo Duterte's administration, they draw on biblical studies, political theology, and ethics to provide a biblical and theological framework for Christians seeking to resist injustice in both the Philippines and beyond. Faith and Bayan is an excellent resource for students and leaders seeking an Asian evangelical perspective on Christian political engagement. It not only offers intellectual insight on the topic, but empowers its readers to fulfill a prophetic calling — to uphold democracy, peace, and human dignity.

Get Goodness Mike Hickey,2011-06-16 This book looks at virtue as the power to do good from the theological, philosophical, and poetic perspective. None of us should be seeking virtuous perfection in orienting ourselves to the good in this life; we should only be seeking change. The journey is the goal.

Fighting for the Soul of Your Child Jimmy Evans,Karen Evans,Julie Evans Albracht,2023-09-26 You can raise godly kids in an ungodly world. As a parent, you want your child to be happy and successful. You might focus on their clothes, curfews, and crushes. But do you know that there is something more important to fight for—your child's soul? God gave you this child, and He will equip you to raise them. Don't let fear, shame, or anxiety make you feel inadequate for the task. With practical, how-to wisdom, Jimmy and Karen Evans join their daughter Julie Evans Albracht to explore what every parent needs to know about: · Finding your true purpose as a parent · Setting the right priorities · Protecting your family from outside pressures · Allowing God's Word to determine your agenda · Facing battlefields with confidence Your child is a gift, and fighting for their soul is a worthy battle.

Competing Conceptions of Academic Governance William G. Tierney,2009-07-15 Today, institutional leaders face numerous struggles: intervention from boards of trustees, alumni, and state legislators; decline in financial support from the states; and competition in an increasingly global marketplace. While it is agreed that effective governance structures allow institutions to respond creatively to these challenges, how best to allocate control in order to maximize institutional efficiency, preserve academic freedom, and ensure institutional identity remains unclear. Increasingly, administrators look to non-academic institutions for governance and management strategies. In *Competing Conceptions of Academic Governance*, William G. Tierney brings together faculty members, administrators, and policy experts to discuss differing views of academic governance at institutional, state, and international levels. Topics include the effects of globalization and the prospect of international accreditation; balancing the entrepreneurial and philosophical goals of higher education; the interaction between state governments and public universities; and the conflicting interests and roles of boards of trustees, administrators, and faculty. Carefully weighing various models and strategies, *Competing Conceptions of Academic Governance* provides new ways of understanding and addressing the changes that are transforming higher education.

Practice Guidelines for Acute Care Nurse Practitioners - E-Book Thomas W. Barkley,Charlene M. Myers,2007-12-26 PRACTICE GUIDELINES FOR ACUTE CARE NURSE PRACTITIONERS, 2nd Edition is the only comprehensive clinical reference tailored to the needs of advance practice nurses. With discussions of more than 230 of the most common conditions experienced by adult patients in acute care, this reference includes everything you need on a day-to-day basis. Plus, quick reference is easy with a spiral binding and content organized by body system. Each condition lists a concise outline of defining terms, incidence/predisposing factors, subject and physical examination findings, diagnostic tests, and management strategies so you can find everything you need to know quickly. Includes discussion of body systems, nutritional considerations, fluid/electrolyte imbalances, shock, trauma, gerontological concerns, professional issues, and trends in advanced practice. Nursing guidelines for more than 230 of the most common conditions experienced by adult patients in acute care serve as an invaluable resource in the field. Conditions are organized by body system for quick reference when treating patients. Each condition lists defining terms, incidence/predisposing factors, subjective and physical examination findings, diagnostic tests, and management strategies to provide help every step of the way. Coverage also includes discussion of body systems, nutritional considerations, fluid/electrolyte imbalances, shock, and trauma for a complete look at patient care and diagnosis. An entire chapter dedicated to congestive heart failure gives you a deeper look at the disease. Specific content, as well as online references, for diseases such as SARS and West Nile Virus give you the most current information available on these evolving diseases. New chapters on admission, pre-op and post-op orders prepare you for every step of the patient treatment process. Addition of ICD-9 codes within the chapters makes classifying diseases with ICD codes easy. New content on Parkinson's disease, gout, testicular cancer, multiple sclerosis, bite management (including spider, snake, animal, and human) better prepare you for these situations. Updated and expanded content reflects changes in current guidelines and evidence-based practice, an important part of working in the field. Updated and expanded content on coronary artery disease and inclusion of the new JNC 7 national hypertension guidelines features more information on these common diseases. Expanded and updated coverage of postmenopausal women and hormone replacement therapy.

The World in Canada David Bercuson,2008 In response to these questions, contributors trace changes in Canada's demographic make-up, explore the relationship between domestic politics and Canadian foreign policy across the fields of diplomacy, development, defense and security, and immigration, and determine the extent to which Quebec's sensibilities to international issues differ from those of the rest of the country. *The World in Canada* argues that, under certain conditions, the motivation to pursue certain policy choices arises as much from domestic considerations as from the international conditions associated with them.

Love Him Ever More Fr. Joe Laramie SJ,2022-09-09 Awarded second place in spirituality by the Association of Catholic Publishers and an honorable mention in classical spirituality by the Catholic Media Association. Fr. Joe Laramie, North American director of the Pope's Worldwide Prayer Network, offers a nine-day retreat that draws on the wisdom of Ignatian spirituality and the Sacred Heart devotion to help you know God's love and desires for you. *Love Him Ever More* is a powerful encounter with the Sacred Heart of Jesus that will help you encounter Christ in the world today deepen your personal relationship with him. Laramie leads you to reflect on your own heart, your wounds, and God's healing mercy. He takes you on a journey of reflection on the Incarnation, the ministry of Jesus, and God's call for each of us today. This personal retreat allows you to engage in Ignatian contemplation by using your imagination and five senses to encounter Jesus in the gospels and reflecting on your heart, the heart of Christ, and all hearts. Each day begins with a quotation from the Spiritual Exercises and a grace to pray for, a personal story from Laramie, and contemplation on a gospel scene, and ends with reflection questions and a prayer.

The Untied States of America Juan Enriquez,2007-12-18 Can a country be like a marriage that has run out of cash and steam, resulting in the inevitable frank discussions about just who is pulling his or her own weight? Eventually, even those who love each other sometimes conclude they cannot stay together. Juan Enriquez's unique insights into the financial, political, and cultural issues we face will provoke shock and surprise and lead you to ask the question no one has yet put on the table: Could "becoming untied" ever happen here? It's a question made especially relevant when we are faced with such unpromising facts as: • At no other time have we had the unwelcome convergence in which the three key sectors of business, government, and consumers are so tapped out due to debt that each lacks the financial wherewithal to come to the rescue of the others. • Most assets are not being used for productive purposes but for speculation, resulting in people lacking incentives to create real wealth, focusing instead on buying, selling, and flipping real estate. • As religion starts to mix with politics, we have a culture that allows us to fall behind what were previously third world nations, because we are now treating science the way we did sex in the 1950s, banning or burying evolution theories and research into promising lifesaving areas such as stem-cell research. When the enemy was outside—for example, the threat perceived when the Soviet Union launched Sputnik and people feared America would lose the brain race—we rallied. Now the enemy is within, and we polarize. Defaming the legitimacy of people on the "other" side becomes the currency of the day, where people in blue states are seen as godless liberal elitists and those in

red states are seen as, well, rednecks. Citizenship, Enriquez says, is like buying into a national brand. If the brand promises one thing and delivers another, could it then have the same fate as a tired product on a supermarket shelf, eroding, losing support, even disappearing? Countries, even one as powerful and successful as America, live on fault lines. When a fault line splits, it's near impossible to put things back together again. What America will look like in fifty years depends on what we do today to act on the issues raised in *The Untied States of America*. Also available as an eBook

America's Unpatriotic Acts Walter M. Brasch, 2005 Within six weeks of 9/11, in a nation gripped by fear and hatred, Congress overwhelmingly approved the USA PATRIOT Act, drafted in secret by the Department of Justice. There was almost no debate, and few in Congress were given more than a few hours to read the 342-page document. In *America's Unpatriotic Acts*, award-winning journalist and university professor Walter M. Brasch looks not just at the effects of the PATRIOT Act upon the nation, but also at the innumerable civil rights violations conducted in the United States, as well as by the United States in foreign countries during the three years following 9/11.

Tyranny from Plato to Trump Andrew Fiala, 2022-03-15 Questions about how and why the Trump era happened prompt us to think about universal themes in politics, philosophy, and morality. This book shows how the theater and tragedy of contemporary US politics can be distilled down into the behavior of three actors: the tyrant, the sycophant, and the moron--

Risk and the War on Terror Louise Amoore, Marieke de Goede, 2008-06-11 This book offers the first comprehensive and critical investigation of the specific modes of risk calculation that are emerging in the so-called War on Terror. *Risk and the War on Terror* offers an interdisciplinary set of contributions which debate and analyze both the empirical manifestations of risk in the War on Terror and their theoretical implications. From border controls and biometrics to financial targeting and policing practice, the imperative to deploy public and private data in order to 'connect the dots' of terrorism risk raises important questions for social scientists and practitioners alike. How are risk technologies redeployed from commercial, environmental and policing domains to the domain of the War on Terror? How can the invocation of risk in the War on Terror be understood conceptually? Do these moves embody transformations from sovereignty to governmentality; from discipline to risk; from geopolitics to biopolitics? What are the implications of such moves for the populations that come to be designated as 'risky' or 'at risk'? Where are the gaps, ambiguities and potential resistances to these practices? In contrast with previous historical moments of risk measurement, governing by risk in the War on Terror has taken on a distinctive orientation to an uncertain future. This book will be of strong interest to students and researchers of international studies, political science, geography, legal studies, criminology and sociology.

From Strength to Strength Arthur C. Brooks, 2022-02-15 The roadmap for finding purpose, meaning, and success as we age, from bestselling author, Harvard professor, and the Atlantic's happiness columnist Arthur Brooks. Many of us assume that the more successful we are, the less susceptible we become to the sense of professional and social irrelevance that often accompanies aging. But the truth is, the greater our achievements and our attachment to them, the more we notice our decline, and the more painful it is when it occurs. What can we do, starting now, to make our older years a time of happiness, purpose, and yes, success? At the height of his career at the age of 50, Arthur Brooks embarked on a seven-year journey to discover how to transform his future from one of disappointment over waning abilities into an opportunity for progress. *From Strength to Strength* is the result, a practical roadmap for the rest of your life. Drawing on social science, philosophy, biography, theology, and eastern wisdom, as well as dozens of interviews with everyday men and women, Brooks shows us that true life success is well within our reach. By refocusing on certain priorities and habits that anyone can learn, such as deep wisdom, detachment from empty rewards, connection and service to others, and spiritual progress, we can set ourselves up for increased happiness. Read this book and you, too, can go from strength to strength.

Sustainable Cities in Asia Federico Caprotti, Li Yu, 2017-08-31 With Asia's cities undergoing unprecedented growth in the 21st century, lauded the 'urban century' by many, *Sustainable Cities in Asia* provides a timely examination of the challenges facing cities across the continent including some of the projects, approaches and solutions that are currently being tested. This book uses numerous case studies, analysing topical issues ranging from city cycling in India, to green spaces in China, to the use of community-led energy generation projects in post-Fukushima Japan. Containing contributions from an international team of scholars, it also takes a multi-disciplinary approach and draws on examples from a wide range of countries, including China, India, Japan, Korea, Taiwan, Singapore and the United Arab Emirates. Ultimately, by providing a comprehensive

discussion of the broader debates around the shape of sustainable urbanism, it demonstrates that Asia is one of the most active regions in terms of the development of sustainable city strategies. Tackling the contemporary issues of key importance for sustainability, such as property markets, migration and transport, this book will appeal to students and scholars of Urban Geography, Sustainability, Environmental Studies and Asian studies.
