Authoritarian Apprehensions Lisa Wedeen, 2019-09-15 If the Arab uprisings initially heralded the end of tyrannies and a move toward liberal democratic governments, their defeat not only marked a reversal but was of a piece with emerging forms of authoritarianism worldwide. In *Authoritarian Apprehensions*, Lisa Wedeen draws on her decades-long engagement with Syria to offer an erudite and compassionate analysis of this extraordinary rush of events—the revolutionary exhilaration of the initial days of unrest and then the devastating violence that shattered hopes of any quick undoing of dictatorship. Developing a fresh, insightful, and theoretically imaginative approach to both authoritarianism and conflict, Wedeen asks, What led a sizable part of the citizenry to stick by the regime through one atrocity after another? What happens to political judgment in a context of pervasive misinformation? And what might the Syrian example suggest about how authoritarian leaders exploit digital media to create uncertainty, political impasses, and fractures among their citizens? Drawing on extensive fieldwork and a variety of Syrian artistic practices, Wedeen lays bare the ideological investments that sustain ambivalent attachments to established organizations of power and contribute to the ongoing challenge of pursuing political change. This masterful book is a testament to Wedeen's deep engagement with some of the most troubling concerns of our political present and future.

Say What Your Longing Heart Desires Niloofar Haeri, 2020-11-10 Following the 1979 revolution, the Iranian government set out to Islamize society. Muslim piety had to be visible, in personal appearance and in action. Iranians were told to pray, fast, and attend mosques to be true Muslims. The revolution turned questions of what it means to be a true Muslim into a matter of public debate, taken up widely outside the exclusive realm of male clerics and intellectuals. *Say What Your Longing Heart Desires* offers an elegant ethnography of these debates among a group of educated, middle-class women whose voices are often muted in studies of Islam. Niloofar Haeri follows them in their daily lives as they engage with the classical poetry of Rumi, Hafez, and Saadi, illuminating a long-standing mutual inspiration between prayer and poetry. She recounts how different forms of prayer may transform into dialogues with God, and, in turn, Haeri illuminates the ways in which believers draw on prayer and ritual acts as the emotional and intellectual material through which they think, deliberate, and debate.

Reading with the Right Brain David Butler, 2014-09-18 Breakthrough Technique: Read Faster by Understanding Faster. Don't you hate it when reading takes so long... and yet you retain so little? Is this way of reading even worth your time? By learning to read with your whole brain -- not just the slow, step-by-step, analytical left side that handles word-recognition, but also your fast, parallel-processing, big-picture right brain -- you can reach new levels of reading and cognition. Learn to visualize whole ideas at a time, and turn reading into a truly engaging experience instead of a chore. Discover how to encourage the involvement of your powerful, silent, imaginative right-hemisphere and begin reading ideas rather than just words. Apply the conceptual abilities of your right brain to increase concentration, comprehension, and reading speed. Only faster comprehension, can lead to faster reading!! Reading IS comprehension. There is no reading without comprehension. The only way to really read faster, is by understanding faster. These new theories and techniques will have you reading faster by thinking faster. Read whole ideas at a time. Strengthen your comprehension. Sharpen your concentration. Reduce your vocalization. Improve your retention. Increase your speed. Do you want to continue throwing your time away, achieving the same pitiful results, and remaining frustrated and bored with your reading? Tens of thousands of people have already used this method at readspeeder.com to improve their reading skills. Learn how these techniques work, and how to apply them to your own reading. Practice easily with the 20 uniquely designed exercises that will have you immediately reading whole ideas at a time. Plus, as a gift to you, there is a FREE BONUS of four downloadable pdf books. The full text of each of these books is prepared with the same special formatting as the exercises in this book, to give you even more opportunity to practice reading whole

ideas. Your purchase of the paperback book also entitles you to get the Kindle version for FREE. Get your copy of **READING WITH THE RIGHT BRAIN** today and start reading with all your brain. What Others Are Saying: A unique method that allows you to more effectively assimilate what you read in a shorter amount of time -- Amanda Johnson, M.A., Assistant Professor of English, Collin College, Plano, Texas Includes not only original theories and techniques for reading improvement, but also a totally exclusive method of presenting practice exercises -- Richard Sutz, CEO, The Literacy Company, www.EfficientReading.com, Author of "Speed Reading for Dummies" It is amazing to me that so much could have been written in so many years since Evelyn Wood about speed reading and no one came up with the idea of "speed comprehension." -- Dr. James Young, Professor of English, Weber State University, Ogden, Utah

Infidel Pornsak Pichetshote, 2018-09-26 A haunted house story for the 21st century, **INFIDEL** follows an American Muslim woman and her multi-racial neighbors who move into a building haunted by entities that feed off xenophobia. Best-selling editor **PORNSAK PICHETSHOTE** (Swamp Thing, Daytripper, The Unwritten) makes his comics writing debut alongside artist extraordinaire **AARON CAMPBELL** (The Shadow, James Bond: Felix Leiter), award-winning colorist and editor **JOSE VILLARRUBIA** (Batman: Year 100, Spider-Man: Reign) and letterer / designer **JEFF POWELL** (SCALES AND SCOUNDRELS). Like nothing I've read before! Highly recommended. **STEVE NILES** (30 Days of Night, WINNEBAGO GRAVEYARD) Believable horror that's as unsettling as it is beautiful to look at. **JOCK** (WYTCHEs) Brilliant horror with a terrifying contemporary resonance. This feels way, way too real. - **MIKE CAREY** (Lucifer) Collects **INFIDEL** #1-5

Focus (HBR Emotional Intelligence Series) Harvard Business Review, Daniel Goleman, Heidi Grant, Amy Jen Su, Rasmus Hougaard, Maura Nevel Thomas, 2018-11-13 The importance of achieving focus goes well beyond your own productivity. Deep focus allows you to lead others successfully, find clarity amid uncertainty, and heighten your sense of professional fulfillment. Yet the forces that challenge sustained focus range from dinging phones to office politics to life's everyday worries. This book explains how to strengthen your ability to focus, manage your team's attention, and break the cycle of distraction. This volume includes the work of: Daniel Goleman Heidi Grant Amy Jen Su Rasmus Hougaard **HOW TO BE HUMAN AT WORK**. The HBR Emotional Intelligence Series features smart, essential reading on the human side of professional life from the pages of Harvard Business Review. Each book in the series offers proven research showing how our emotions impact our work lives, practical advice for managing difficult people and situations, and inspiring essays on what it means to tend to our emotional well-being at work. Uplifting and practical, these books describe the social skills that are critical for ambitious professionals to master.

Hope Is the Thing with Feathers Emily Dickinson, 2019-02-12 Part of a new collection of literary voices from Gibbs Smith, written by, and for, extraordinary women—to encourage, challenge, and inspire. One of America's most distinctive poets, Emily Dickinson scorned the conventions of her day in her approach to writing, religion, and society. **Hope Is the Thing with Feathers** is a collection from her vast archive of poetry to inspire the writers, creatives, and leaders of today. Continue your journey in the Women's Voices series with *Jane Eyre*, by Charlotte Bronte and *The Feminist Papers* by Mary Wollstonecraft.

The Heart of Change John P. Kotter, Dan S. Cohen, 2012-10-23 Moving beyond the process of change Why is change so hard? Because in order to make any transformation successful, you must change more than just the structure and operations of an organization—you need to change people's behavior. And that is never easy. **The Heart of Change** is your guide to helping people think and feel differently in order to meet your shared goals. According to bestselling author and renowned leadership expert John Kotter and coauthor Dan Cohen, this focus on connecting with people's emotions is what will spark the behavior change and actions that lead to success. Now freshly designed, **The Heart of Change** is the engaging and essential complement to Kotter's worldwide bestseller *Leading Change*. Building off of Kotter's revolutionary eight-step process, this book vividly illustrates how large-scale change can work. With real-life stories of people in organizations, the authors show how teams and individuals get motivated and activated to overcome obstacles to

change—and produce spectacular results. Kotter and Cohen argue that change initiatives often fail because leaders rely too exclusively on data and analysis to get buy-in from their teams instead of creatively showing or doing something that appeals to their emotions and inspires them to spring into action. They call this the see-feel-change dynamic, and it is crucial for the success of any true organizational transformation. Refreshingly clear and eminently practical, *The Heart of Change* is required reading for anyone facing the challenges inherent in leading change.

A Dream Within a Dream Edgar Allan Poe, 2020-10-05 An example of Poe's melancholic and morbid poetic pieces, *A Dream Within a Dream* is a poem that pitifully mourns the passing of time. The poet's own life, teeming with depression, alcoholism, and misery, cannot but exemplify the subject matter and tone of the poem. The constant dilution of reality and fantasy is detrimental to the poetic speaker's ability to hold reality in his hands. The quiet contemplation of the speaker is contrasted with thunderous passing of time that waits for no man. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include *The Raven* (1845), *The Black Cat* (1843), and *The Gold-Bug* (1843).

Canis ZAKK, 2020-06-23 Business is tough at men's haberdashery Dante. A big sale is coming, and they are extremely understaffed. So after getting chewed out by his staff a broken Satoru heads home to find a stray napping in the rain. Ryou isn't your standard American longhair, though. He is a mysterious nineteen-year-old with charisma, good looks and an air of someone with a past, despite their age. After a meal, a nap and a shower Ryou was ready to model for Satoru. But their contract was for just one day. And the reason why Ryou had to go was he had a meeting with the mafia.

Tibetan Painted Scrolls Giuseppe Tucci, 1980

Deep Learning With Python Jason Brownlee, 2016-05-13 Deep learning is the most interesting and powerful machine learning technique right now. Top deep learning libraries are available on the Python ecosystem like Theano and TensorFlow. Tap into their power in a few lines of code using Keras, the best-of-breed applied deep learning library. In this Ebook, learn exactly how to get started and apply deep learning to your own machine learning projects.

When God Talks Back T.M. Luhrmann, 2012-11-13 A New York Times Notable Book A Kirkus Reviews Best Book of 2012 A bold approach to understanding the American evangelical experience from an anthropological and psychological perspective by one of the country's most prominent anthropologists. Through a series of intimate, illuminating interviews with various members of the Vineyard, an evangelical church with hundreds of congregations across the country, Tanya Luhrmann leaps into the heart of evangelical faith. Combined with scientific research that studies the effect that intensely practiced prayer can have on the mind, *When God Talks Back* examines how normal, sensible people—from college students to accountants to housewives, all functioning perfectly well within our society—can attest to having the signs and wonders of the supernatural become as quotidian and as ordinary as laundry. Astute, sensitive, and extraordinarily measured in its approach to the interface between science and religion, Luhrmann's book is sure to generate as much conversation as it will praise.

The Message of the Qur'ān, 2003

Watch Out for Flying Kids Cynthia Levinson, 2020-08-04 Can circus change the world? Award-winning author Cynthia Levinson reveals the inspiring real-life stories of Black and white American kids and Jewish and Arab kids from Israel as they join forces to learn from each other and create remarkable circus performances. Welcome to the world of social circus—a movement that brings kids from different worlds together to perform amazing acts on a professional level! Watch from your seats as we follow the participants of two specific circuses: Circus Harmony in St. Louis, whose participants are inner-city and suburban Black and white kids, and Circus Galilee in Israel, whose participants are Jewish and Arab. The members may be from different demographics, different races, and different religions, but they work together to learn not how to overcome assumptions, animosity, and obstacles, and also to put their trust in the hands of people who may be very different from

themselves. Featuring in-depth one-on-one interviews, extensive research, and engaging storytelling, this inspiring book highlights stories of collaboration, compromise, and overcoming obstacles. Includes informational sidebars and photographs throughout.

Steven Universe Original Graphic Novel: Anti-Gravity Rebecca Sugar, Talya Perper, 2017-11-07 When electromagnetic disturbances start causing objects and people to hover off the ground, Steven and the Crystal Gems travel to the Gem Temple to figure out what's happening.

Central Asian Ismailis Dagikhudo Dagiev, 2022-02-24 The Shi'i Ismaili Muslims of Central Asia have a complex political history. This open access book is the first English-language study of the Ismaili Muslims in this region, based on analysis of the Russian, Soviet and post-Soviet scholarship about them. It sheds new light on their history and heritage, and also shows how the Ismailis of Central Asia have been understood and presented in the academic literature. Divided into three parts, the first covers the spread of the Ismaili da'wa (mission) throughout Central Asia - known as Khurasan - from the 3rd/9th century until modern times. This part examines the prominent poet da'i Nasir-i Khusraw, who played an instrumental role in the expansion and development of Ismailism in Badakhshan in the eleventh century and reveals the impact of his religio-philosophical legacy in the life of the contemporary community. The second part examines the initial interest in Ismaili Studies engendered by Russian imperial rule. It also shows how approaches to the study of Ismailism were affected by 70 years of Communist atheist rule and the demise of the Communist political and ideological system. The third part presents an annotated bibliography of books, articles, and published and unpublished materials, including documents and oral materials on the history, thought and practices of the Ismailis of Central Asia, most of which has not been hitherto easily accessible to Western scholarship. The comprehensive survey and rich bibliography aims to illuminate the history and historiography of the Ismailis in Central Asia and facilitate further study on the subject by experts around the world.

The End of India Khushwant Singh, 2017-10-25 'I thought the nation was coming to an end' When Khushwant Singh witnessed the violence of Partition nearly seventy years ago, he believed that he had seen the worst that India could do to herself. But after the carnage in Gujarat in 2002, he had reason to feel that the worst, perhaps, was still to come. Analysing the communal violence in Gujarat in 2002, the anti-Sikh riots of 1984, the burning of Graham Staines and his children, the targeted killings by terrorists in Punjab and Kashmir, Khushwant Singh forces us to confront the absolute corruption of religion that has made us among the most brutal people on earth. He also points out that fundamentalism has less to do with religion than with politics. And communal politics, he reminds us, is only the most visible of the demons we have nurtured and let loose upon ourselves. A brave and passionate book, *The End of India* is a wake-up call for every citizen concerned about his or her own future, if not the nation's.

No Ordinary Genius Richard Phillips Feynman, 1994 A portrait of the late Nobel Prize-winning physicist recounts his early enthusiasm for science, work on the atom bomb, and inquiry into the Challenger explosion.

This is likewise one of the factors by obtaining the soft documents of this **Adsad.png** by online.
