The Epic Fail of Arturo Zamora Pablo Cartaya, 2018-04-03 A 2018 Pura Belpré Author Honor Book Save the restaurant. Save the town. Get the girl. Make Abuela proud. Can thirteen-year-old Arturo Zamora do it all or is he in for a BIG, EPIC FAIL? For Arturo, summertime in Miami means playing basketball until dark, sipping mango smoothies, and keeping cool under banyan trees. And maybe a few shifts as junior lunchtime dishwasher at Abuela's restaurant. Maybe. But this summer also includes Carmen, a poetry enthusiast who moves into Arturo's apartment complex and turns his stomach into a deep fryer. He almost doesn't notice the smarmy land developer who rolls into town and threatens to change it. Arturo refuses to let his family and community go down without a fight, and as he schemes with Carmen, Arturo discovers the power of poetry and protest through untold family stories and the work of José Martí. Funny and poignant, *The Epic Fail of Arturo Zamora* is the vibrant story of a family, a striking portrait of a town, and one boy's quest to save both, perfect for fans of Rita Williams-Garcia.

Satisfaction Pablo Ottonello, 2021-07-01 Julia y Juan son dos argentinos radicados en Estados Unidos. Jóvenes y exitosos. También solitarios. Después de haber matcheado en una aplicación de citas deciden encontrarse en el bar más extravagante de Chicago. Entre rodeos y soliloquios ineludibles, quizás por la patria compartida, parecen entenderse. Luego de horas de conversación van a la casa de Julia, en un próspero suburbio, con la intención de pasar la noche. Pero Juan se encuentra, por primera vez en su vida, con la frustrante situación de que el cuerpo no le responde. A Julia esto parece no importarle y se enredan en un cuento que vulnera los límites de lo real. El ocio, el dinero, el sexo, las carreras corporativas, el lujo inútil y la paranoia contemporánea son algunos de los temas recurrentes en la prolífica obra de Pablo Ottonello. En *Satisfaction* reflexiona con

sentido del humor sobre el extraño mundo de las aplicaciones de citas. Una novela adictiva y verborrágica. Un trip sobre las eventualidades del amor, intervenidas por la tecnología y el tragicómico encuentro de los cuerpos.

Becoming Pablo Teresa van Bryce, 2021-02-09 When a troubled and mysterious woman turns up at Paul Hutchings' Baja hotel, his thoughts are thrown back to a time when his own life lay in shambles. As he observes Sandra's struggle to find her way through an unnamed grief, he revisits the losses that threatened to break him. Seven years earlier, after losing a career-changing acting role, the love of his life, and in middle age, his hair, Paul was set adrift until an old friend extended a lifeline, and Paul embarked on a journey which dramatically altered the course of his life. As he left his home in the UK and travelled to Australia, the United States, to Canada, and finally to Mexico, Paul's journey evolved from running to seeking. A prequel to the women's fiction/romance novel House of the Blue Sea, *Becoming Pablo* is a story of finding one's true self amid the rubble of a life.

Drug Resistance in Leishmania Parasites Alicia Ponte-Sucre, Emilia Diaz, Maritza Padrón-Nieves, 2012-09-04 One of the main problems concerning therapeutic tools for the treatment of parasitic diseases, including leishmaniasis, is that some field parasites are naturally resistant to the classical drugs; additionally, current therapies may select parasites prone to be resistant to the applied drugs. These features are (at least partially) responsible for the disappointing persistence of the disease and resultant deaths worldwide. This book provides a comprehensive view of the pathology of the disease itself, and of parasitic drug resistance, its molecular basis, consequences and possible treatments. Scientists both from academic fields and from the industry involved in biomedical research and drug design, will find in this book a valuable and fundamental guide that conveys the knowledge needed to understand and to improve the success in combating this disease worldwide.

Drug Lord Terrence E. Poppa, 1998 Pablo Acosta, born in abject poverty in Mexico, became drug czar of Ojinaga across the border from the Big Bend country of Texas. He launched his career by smuggling marijuana and heroin into the U.S., later adding cocaine, and forging an alliance with Columbian drug traders. At the peak, he may have controlled 60% of the coke trafficked into the U.S., according to Poppa. The author shows that Acosta consolidated his power by murdering rivals, corrupting local police and soldiers, distributing money to the poor and contributing generously to civic projects. Eventually, however, he became a coke addict; his iron entrepreneurial grip slipped; and he was tracked down and killed in 1987 by an international narcotic strike force. Poppa interviewed the drug lord in 1986 for the El Paso Herald-Post and bases this enlightening book in part on those talks.

The Virtualization Cookbook for IBM Z Volume 1: IBM z/VM 7.2 Lydia Parziale,Edi Lopes Alves,Vic Cross,Paul Novak,Mauro Cesar de Souza,IBM Redbooks,2021-07-15 This IBM® Redbooks® publication is volume one of five in a series of books entitled The Virtualization Cookbook for IBM Z. The series includes the following volumes: The Virtualization Cookbook for IBM z Systems® Volume 1: IBM z/VM® 7.2, SG24-8147 The Virtualization Cookbook for IBM Z Volume 2: Red Hat Enterprise Linux 8.2 Servers, SG24-8303 The Virtualization Cookbook for IBM z Systems Volume 3: SUSE Linux Enterprise Server 12, SG24-8890 The Virtualization Cookbook for IBM z Systems Volume 4: Ubuntu Server 16.04, SG24-8354 Virtualization Cookbook for IBM Z Volume 5: KVM, SG24-8463 It is recommended that you start with Volume 1 of this series because the IBM z/VM hypervisor is the foundation (or base layer) for installing Linux on IBM Z®. This book series assumes that you are generally familiar with IBM Z technology and terminology. It does not assume an in-depth understanding of z/VM or Linux. It is written for individuals who want to start quickly with z/VM and Linux, and get virtual servers up and running in a short time (days, not weeks or months). Volume 1 starts with a solution orientation, discusses planning and security, and then,

describes z/VM installation methods, configuration, hardening, automation, servicing, networking, optional features, and more. It adopts a cookbook-style format that provides a concise, repeatable set of procedures for installing, configuring, administering, and maintaining z/VM. This volume also includes a chapter on monitoring z/VM and the Linux virtual servers that are hosted. Volumes 2, 3, and 4 assume that you completed all of the steps that are described in Volume 1. From that common foundation, these volumes describe how to create your own Linux virtual servers on IBM Z hardware under IBM z/VM. The cookbook format continues with installing and customizing Linux. Volume 5 provides an explanation of the kernel-based virtual machine (KVM) on IBM Z and how it can use the z/Architecture®. It focuses on the planning of the environment and provides installation and configuration definitions that are necessary to build, manage, and monitor a KVM on Z environment. This publication applies to the supported Linux on Z distributions (Red Hat, SUSE, and Ubuntu).

The Oxford Dictionary of Musical Works Alison Latham, 2004 Anyone who listens to or plays classical music often wants to put the pieces they encounter in context - to check information ranging from who wrote the piece, or the date of its first performance, to how it acquired its title, or whether it was commissioned for a specific person or occasion. General dictionaries of music only cover a limited number of musical works, and include very little detail. The new Oxford Dictionary of Musical Works provides short articles on over 1750 musical works from earliest times to the present day, providing a comprehensive but handy reference. Entries encompass a broad spectrum of genres - from opera, ballet, choral and vocal music, orchestral, chamber and instrumental pieces, to nicknamed works, collections, national anthems, hymn tunes, and traditional melodies. Each entry outlines the genre to which the piece belongs; the librettist or author of the text, including any literary source; the number of acts or movements; the scoring - including details of the

instrumentalists and vocalists needed to perform the piece; how it came to be commissioned; the place and date of its first performance; any subsequent arrangements or revisions; and any additional important or entertaining information.

Women's Rights: International studies on gender roles and its influence on human rights Mônica Sapucaia, Denise Andrade, 2018-09-18 This book, which I am pleased to preface, is divided into two parts of great relevance to contemporary feminist studies, especially to the peripheral countries of the capitalist world. In it lie essays that I divide into two categories. On the one hand, we have articles that address structural issues involving human rights and, in particular, women's rights. These are the texts that discuss the way in which the subject of human rights, in the contexts of the regional economic communities, are inserted; there are also the texts that address the bankruptcy of the patriarchal political system regarding the political representation of women in countries like India and Brazil; and the chapter in which the authors reflect on the need for an international feminist normative that breaks with the predominantly male discourse in international law, which disregards feminist proposals for normalization. The other part of the book covers varied subjects that connect with the feminist agenda and gender studies as well as contemporary identity processes. These are studies on the reproductive rights of women; sexual and domestic violence against women; environmental degradation and its relation to the patriarchal model to the detriment of traditional cultures; the immigration of women for marriage as a conscious choice; mental health and its relation to gender issues. Chapters: 1. REGIONAL ECONOMIC COMMUNITIES IN HUMAN AND WOMEN'S RIGHTS PROTECTION 2. WOMEN REPRODUCTIVE RIGHTS: A REFLECTION ABOUT INTERNATIONAL PROTECTION OF HUMAN RIGHTS 3. WOMEN AND MENTAL HEALTH: A STUDY ON ADOLESCENCY AND GENDER IN BRAZIL 4. A PROGRAM TO COMBAT

HARASSMENT AGAINST WOMEN: CONSIDERATION FOR IMPLEMENTATION AT THE UNIVERSITY 5. DOMESTIC AND FAMILY VIOLENCE AGAINST WOMEN IN BRAZIL: IS THERE LIGHT AT THE END OF THE TUNNEL? 6. ENVIRONMENTAL PATRIARCHY AND INDIGENOUS WOMEN: FROM INVISIBILITY TO RESISTANCE 7. MARRIAGE EMIGRATION OF WOMEN FROM RUSSIA 8. RESERVATIONS, INTERSECTIONALITY, AND WOMEN'S REPRESENTATION IN INDIAN POLITICS 9. FIGHTING AGAINST GENDER INEQUALITY IN PARLIAMENT: CHALLENGES AND PERSPECTIVES FROM THE BRAZILIAN CASE 10. BUILDING UP AN INTERNATIONAL FEMINIST LAW

The Paris Wife Paula McLain, 2011-02-22 An instant national bestseller, this stunningly evocative, beautifully rendered story told in the voice of Ernest Hemingway's first wife, Hadley, has the same power and historical richness that made *Loving Frank* a bestseller. No twentieth-century American writer has captured the popular imagination as much as Ernest Hemingway. This novel tells his story from a unique point of view - that of his first wife, Hadley. Through her eyes and voice, we experience Paris of the Lost Generation and meet fascinating characters such as Scott and Zelda Fitzgerald, Gertrude Stein, Ezra Pound, and Gerald and Sara Murphy. The city and its inhabitants provide a vivid backdrop to this engrossing and wrenching story of love and betrayal that is made all the more poignant knowing that, in the end, Hemingway would write of his first wife, I wish I had died before I loved anyone but her.

Z: A Novel of Zelda Fitzgerald Therese Anne Fowler, 2013-03-26 THE INSPIRATION FOR THE TELEVISION DRAMA *Z: THE BEGINNING OF EVERYTHING* With brilliant insight and imagination, Therese Anne Fowler's New York Times bestseller *Z* brings us Zelda's irresistible story as she herself might have told it. I wish I could tell everyone who thinks we're ruined, Look closer...and

you'll see something extraordinary, mystifying, something real and true. We have never been what we seemed. When beautiful, reckless Southern belle Zelda Sayre meets F. Scott Fitzgerald at a country club dance in 1918, she is seventeen years old and he is a young army lieutenant stationed in Alabama. Before long, the ungettable Zelda has fallen for him despite his unsuitability: Scott isn't wealthy or prominent or even a Southerner, and keeps insisting, absurdly, that his writing will bring him both fortune and fame. Her father is deeply unimpressed. But after Scott sells his first novel, *This Side of Paradise*, to Scribner's, Zelda optimistically boards a train north, to marry him in the vestry of St. Patrick's Cathedral and take the rest as it comes. What comes, here at the dawn of the Jazz Age, is unimagined attention and success and celebrity that will make Scott and Zelda legends in their own time. Everyone wants to meet the dashing young author of the scandalous novel—and his witty, perhaps even more scandalous wife. Zelda bobs her hair, adopts daring new fashions, and revels in this wild new world. Each place they go becomes a playground: New York City, Long Island, Hollywood, Paris, and the French Riviera—where they join the endless party of the glamorous, sometimes doomed Lost Generation that includes Ernest Hemingway, Sara and Gerald Murphy, and Gertrude Stein. Everything seems new and possible. Troubles, at first, seem to fade like morning mist. But not even Jay Gatsby's parties go on forever. Who is Zelda, other than the wife of a famous—sometimes infamous—husband? How can she forge her own identity while fighting her demons and Scott's, too?

Moonlight Over Paris Jennifer Robson, 2016-01-19 An aristocratic young woman leaves the sheltered world of London to find adventure, passion, and independence in 1920s Paris in this mesmerizing story from the USA Today and internationally bestselling author of Somewhere in

France and After the War is Over. Spring, 1924 Recovering from a broken wartime engagement and a serious illness that left her near death, Lady Helena Montagu-Douglas-Parr vows that for once she will live life on her own terms. Breaking free from the stifling social constraints of the aristocratic society in which she was raised, she travels to France to stay with her free spirited aunt. For one year, she will simply be Miss Parr. She will explore the picturesque streets of Paris, meet people who know nothing of her past—and pursue her dream of becoming an artist. A few years after the Great War’s end, the City of Light is a bohemian paradise teeming with actors, painters, writers, and a lively coterie of American expatriates who welcome Helena into their romantic and exciting circle. Among them is Sam Howard, an irascible and infuriatingly honest correspondent for the Chicago Tribune. Dangerously attractive and deeply scarred by the horror and carnage of the war, Sam is unlike any man she has ever encountered. He calls her Ellie, sees her as no one has before, and offers her a glimpse of a future that is both irresistible and impossible. As Paris rises phoenix-like from the ashes of the Great War, so too does Helena. Though she’s shed her old self, she’s still uncertain of what she will become and where she belongs. But is she strong enough to completely let go of the past and follow her heart, no matter where it leads her? Artfully capturing the Lost Generation and their enchanting city, *Moonlight Over Paris* is the spellbinding story of one young woman’s journey to find herself, and claim the life—and love—she truly wants.

Everybody Was So Young Amanda Vaill, 2013-05-02 New York Times Bestseller: “A marvelously readable biography” of the couple and their relationships with Picasso, Fitzgerald, and other icons of the era (The New York Times Book Review). Wealthy Americans with homes in Paris and on the French Riviera, Gerald and Sara Murphy were at the very center of expatriate cultural and social life during the modernist ferment of the 1920s. Gerald Murphy—witty, urbane, and elusive—was a giver

of magical parties and an acclaimed painter. Sara Murphy, an enigmatic beauty who wore her pearls to the beach, enthralled and inspired Pablo Picasso (he painted her both clothed and nude), Ernest Hemingway, and F. Scott Fitzgerald. The models for Nicole and Dick Diver in Fitzgerald's *Tender Is the Night*, the Murphys also counted among their friends John Dos Passos, Dorothy Parker, Fernand Léger, Archibald MacLeish, Cole Porter, and a host of others. Far more than mere patrons, they were kindred spirits whose sustaining friendship released creative energy. Yet none of the artists who used the Murphys for their models fully captured the real story of their lives: their Edith Wharton childhoods, their unexpected youthful romance, their ten-year secret courtship, their complex and enduring marriage—and the tragedy that struck them, when the world they had created seemed most perfect. Drawing on a wealth of family diaries, photographs, letters and other papers, as well as on archival research and interviews on two continents, this “brilliantly rendered biography” documents the pivotal role of the Murphys in the story of the Lost Generation (Los Angeles Times). “Often considered minor Lost Generation celebrities, the Murphys were in fact much more than legendary party givers. Vaill’s compelling biography unveils their role in the European avant-garde movement of the 1920s; Gerald was a serious modernist painter. But Vaill also shows how their genius for friendship and for transforming daily life into art attracted the most creative minds of the time.” —Library Journal
