Target Man Annie Dyer, She's out of bounds... As the captain of Manchester Athletic, I know exactly what persona the media and fans need to see. Everything else is behind tightly closed bedroom doors. I didn't have a pretty childhood. I'm all kinds of broken. The only relationships I have contain boundaries, non-disclosure agreements and safe words. My best friend and teammate is one of the few people who knows about what I do in private. My problem? The one woman I think I can fall in love with - his sister. Target Man in steamy, slow burn with a bang, older brother's best friend, soccer sports romance, with a dirty talking hero who knows exactly how to take control. Be warned, one more chapter will keep you up all night! Part of the Manchester Athletic series, but can be enjoyed as a standalone.

Holidaze Bella Jay, 2021-02-27 Holidaze: the act of being so wrapped up in the joy and haze of the holiday magic, you might mistake something casual for something much more Nola Brandy had one thing on her mind when she booked a two-week trip to a ski resort: write her book by any means necessary. And if that meant concocting a plan to make the stranger she was stuck with fall for her in order to get a story out of it, then so be it. Her plan was foolproof because Rubricks Anderson was far from her type. He was just collateral damage or at least that was all he was supposed to be. The only thing that Bricks Anderson gave his time and attention to was his business. He'd made it a point to not get too close to anyone and women were no exception - even

having sex with them had dropped off his radar. So when he laid eyes on the person he's stuck in a car with for ten hours against his will, he's conflicted about what to do about the instant attraction he has to her until she opens her mouth and he's almost sure his body is out of its mind. Magnolia Brandy was too much of everything. What starts out as a mutual dislike, quickly takes a turn for something neither Bricks nor Nola were expecting and once secrets are revealed, the true question remains: was all of it just a holiday or was it real?

Oh Crap! Potty Training Jamie Glowacki, 2015-06-16 From potty-training expert and social worker Jamie Glowacki, who's already helped over half a million families successfully toilet train their preschoolers, comes a newly revised and updated guide that's "straight-up, parent-tested, and funny to boot" (Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures*). Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her six-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20–30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: -How do I know if my kid is ready? -Why won't my child poop in the potty? -How do I avoid "potty power struggles"? -How can I get their daycare provider on board? -My kid was doing so well—why is he regressing? -And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the answers you need to do it once and be done with diapers for good.

only fourteen when her mother uprooted her to live in Mexico with a notorious drug lord. Over time she forgot what it was like to live a normal life, but she never let go of her hope to escape the compound where she has been held for the past nine years. Victor is a cold-blooded assassin who, like Sarai, has known only death and violence since he was a young boy. When Victor arrives at the compound to collect details and payment for a hit, Sarai sees him as her only opportunity for escape. But things don't go as planned, and instead of finding transport back to Tucson, she finds herself free from one dangerous man and caught in the clutches of another. While on the run, Victor strays from his primal nature as he succumbs to his conscience and resolves to help Sarai. As they grow closer, he finds himself willing to risk everything to keep her alive, even his relationship with his devoted brother and liaison, Niklas, who now, like everyone else, wants Sarai dead. As Victor and Sarai slowly build trust, the differences between them seem to lessen, and an unlikely attraction intensifies. But Victor's brutal skills and experience may not be enough, in the end, to save her, as the power she unknowingly holds over him may ultimately be what gets her killed.
