The Altruists Andrew Ridker,2019-03-05 A New York Times Editors' Choice [An] intelligent, funny, and remarkably assured first novel. . . . [Andrew Ridker establishes] himself as a big, promising talent. . . . Hilarious. . . . Astute and highly entertaining. . . . Outstanding. --The New York Times Book Review With humor and warmth, Ridker explores the meaning of family and its inevitable baggage. . . . A relatable, unforgettable view of regular people making mistakes and somehow finding their way back to each other. --People (Book of the Week) [A] strikingly assured debut. . . . A novel that grows more complex and more uproarious by the page, culminating in an unforgettable climax. --Entertainment Weekly (The Must List) A Real Simple Best Book of the Year (So Far) Named a Most Anticipated Book of 2019 by The Millions and PureWow A vibrant and perceptive novel about a father's plot to win back his children's inheritance Arthur Alter is in trouble. A middling professor at a Midwestern college, he can't afford his mortgage, he's exasperated his much-younger girlfriend, and his kids won't speak to him. And then there's the money--the small fortune his late wife, Francine, kept secret, which she bequeathed directly to his children. Those children are Ethan, an anxious recluse living off his mother's money on a choice plot of Brooklyn real estate, and Maggie, a would-be do-gooder trying to fashion herself a noble life of self-imposed poverty. On the verge of losing the family home, Arthur invites his children back to St. Louis under the guise of a reconciliation. But in doing so, he unwittingly unleashes a Pandora's box of age-old resentments and long-buried memories--memories that orbit Francine, the matriarch whose life may hold the key to keeping them together. Spanning New York, Paris, Boston, St. Louis, and a small desert outpost in Zimbabwe, *The Altruists* is a darkly funny (and ultimately tender) family saga that confronts the divide between baby boomers and their millennial offspring. It's a novel about money, privilege, politics, campus culture, dating, talk therapy, rural sanitation, infidelity, kink, the American beer industry, and what it means to be a good person.

Beyond the Known Andrew Rader,2020-11-17 From brilliant young polymath Andrew Rader—an MIT-credentialed scientist, popular podcast host, and SpaceX mission manager—an “engaging” (Tim Marshall, New York Times bestselling author) chronicle showcasing our human desire to continually explore new and uncharted territory, from civilization’s earliest days to interstellar travel. For the first time in history, the human species has the technology to destroy itself. But having developed that power, humans are also able to leave Earth and voyage into the vastness of space. After millions of years of evolution, we’ve arrived at the point where we can settle other worlds and begin the process of becoming multi-planetary. How did we get here? What does the future hold for us? Divided into four accessible sections, *Beyond the Known* examines major periods of discovery and rediscovery, from Classical Times, when Phoenicians, Persians, and Greeks ventured forth; to The Age of European Exploration, which saw colonies sprout on nearly every continent; to The Era of Scientific Inquiry, when researchers developed new tools for mapping and traveling farther; to Our Spacefaring Future, which unveils plans currently underway for settling other planets and, eventually, traveling to the stars. A Mission Manager at SpaceX with a lively voice, Andrew Rader is at the forefront of space exploration. As a gifted historian, Rader, who has won global acclaim for his stunning breadth of knowledge, is singularly positioned to reveal the story of human exploration that is also the story of scientific achievement. Told with an infectious zeal for traveling seeking new horizons, *Beyond the Known* is “an astute—and highly flattering—view of human aspirations” (Kirkus Reviews).

Hell Followed with Us Andrew Joseph White,2022-06-07 A furious, queer debut novel about embracing the monster within and unleashing its power against your oppressors. “A long, sustained scream to the various strains of anti-transgender legislation multiplying around the world like, well, a virus. —The New York Times **INSTANT NEW YORK TIMES BESTSELLER** Sixteen-year-old trans boy Benji is on the run from the cult that raised him—the fundamentalist sect that unleashed Armageddon and decimated the world’s population. Desperately, he searches for a place where the cult can’t get their hands on him, or more importantly, on the bioweapon they infected him with. But

when cornered by monsters born from the destruction, Benji is rescued by a group of teens from the local Acheson LGBTQ+ Center, affectionately known as the ALC. The ALC's leader, Nick, is gorgeous, autistic, and a deadly shot, and he knows Benji's darkest secret: the cult's bioweapon is mutating him into a monster deadly enough to wipe humanity from the earth once and for all. Still, Nick offers Benji shelter among his ragtag group of queer teens, as long as Benji can control the monster and use its power to defend the ALC. Eager to belong, Benji accepts Nick's terms...until he discovers the ALC's mysterious leader has a hidden agenda, and more than a few secrets of his own. Perfect for fans of Gideon the Ninth and Annihilation. A New York Public Library Best Book of the Year A defining voice of our generation. -H.E. Edgmon, author of *The Witch King* Hands down the best YA horror book I've read. -Aden Polydoros, author of *The City Beautiful* A chimera of horror, romance, and something stranger. -Rose Szabo, author of *What Big Teeth* A timely and riveting tale. -Ray Stoeve, author of *Between Perfect and Real*

The Turkey Andrew F. Smith, 2010-10-01 Fondly remembered as the centerpiece of family Thanksgiving reunions, the turkey is a cultural symbol as well as a multi-billion dollar industry. As a bird, dinner, commodity, and national icon, the turkey has become as American as the bald eagle (with which it actually competed for supremacy on national insignias). Food historian Andrew F. Smith's sweeping and multifaceted history of Meleagris gallopavo separates fact from fiction, serving as both a solid historical reference and a fascinating general read. With his characteristic wit and insatiable curiosity, Smith presents the turkey in ten courses, beginning with the bird itself (actually several different species of turkey) flying through the wild. The Turkey subsequently includes discussions of practically every aspect of the iconic bird, including the wild turkey in early America, how it came to be called turkey, domestication, turkey mating habits, expansion into Europe, stuffing, conditions in modern industrial turkey factories, its surprising commercial history of boom and bust, and its eventual ascension to holiday mainstay. The second half of the book collects an amazing array of over one hundred historical and modern turkey recipes from across America and Europe. Historians will enjoy a look back at the varied appetites of their ancestors, and seasoned cooks will have an opportunity to reintroduce a familiar food in forgotten ways.

Churchill Andrew Roberts, 2018-11-06 NEW YORK TIMES BESTSELLER One of The Wall Street Journal's Ten Best Books of 2018 One of The Economist's Best Books of 2018 One of The New York Times's Notable Books of 2018 "Unarguably the best single-volume biography of Churchill . . . A brilliant feat of storytelling, monumental in scope, yet put together with tenderness for a man who had always believed that he would be Britain's savior." —Wall Street Journal In this landmark biography of Winston Churchill based on extensive new material, the true genius of the man, statesman and leader can finally be fully seen and understood--by the bestselling, award-winning author of *Napoleon* and *The Last King of America*. When we seek an example of great leaders with unalloyed courage, the person who comes to mind is Winston Churchill: the iconic, visionary war leader immune from the consensus of the day, who stood firmly for his beliefs when everyone doubted him. But how did young Winston become Churchill? What gave him the strength to take on the superior force of Nazi Germany when bombs rained on London and so many others had caved? In *Churchill*, Andrew Roberts gives readers the full and definitive Winston Churchill, from birth to lasting legacy, as personally revealing as it is compulsively readable. Roberts gained exclusive access to extensive new material: transcripts of War Cabinet meetings, diaries, letters and unpublished memoirs from Churchill's contemporaries. The Royal Family permitted Roberts--in a first for a Churchill biographer--to read the detailed notes taken by King George VI in his diary after his weekly meetings with Churchill during World War II. This treasure trove of access allows Roberts to understand the man in revelatory new ways, and to identify the hidden forces fueling Churchill's legendary drive. We think of Churchill as a hero who saved civilization from the evils of Nazism and warned of the grave crimes of Soviet communism, but Roberts's masterwork reveals that he has as much to teach us about the challenges leaders face today--and the fundamental values of courage, tenacity, leadership and moral conviction.

The Warden and the Wolf King Andrew Peterson, 2020-10-06 PUBLISHERS WEEKLY

BESTSELLER • Now in hardcover for the first time, featuring all-new illustrations! Our intrepid heroes are caught in the middle of an epic showdown between good and evil in the fourth and final novel of the Wingfeather Saga. **SOON TO BE AN ANIMATED SERIES •** Based on Andrew Peterson's epic fantasy novels—starring Jody Benson, Henry Ian Cusick, and Kevin McNally. Executive Producer J. Chris Wall with Shining Isle Productions, and distributed by Angel Studios. All winter long, people in the Green Hollows have prepared for a final battle with Gnag the Nameless and the Fangs of Dang. Janner, Kalmar, and Leeli are ready and willing to fight alongside the Hollowsfolk. But when the Fangs make the first move and invade Ban Rona, the children are separated. Janner is alone and lost in the hills; Leeli is fighting the Fangs from the rooftops of the city; and Kalmar, who carries a terrible secret, is on a course for the Deeps of Throg. Monsters and Fangs and villains lie between the children and their only hope of victory in the epic conclusion of The Wingfeather Saga. Full of characters rich in heart, smarts, and courage, *The Warden and the Wolf King* is a tale children of all ages will cherish, families can read aloud, and readers' groups are sure to enjoy discussing for its many layers of meaning. Extra features include new interior illustrations from Joe Sutphin, funny footnotes, a map of the fantastical world, inventive appendices, and fanciful line art in the tradition of the original Frank L. Baum *Wizard of Oz* storybooks.

The Confessions of Max Tivoli Andrew Sean Greer, 2007-04-01 Today Show Book Club Pick An extraordinarily haunting love story told in the voice of a man who appears to age backwards We are each the love of someone's life. So begins *The Confessions of Max Tivoli*, a heartbreaking love story with a narrator like no other. At his birth, Max's father declares him a *nisse*, a creature of Danish myth, as his baby son has the external physical appearance of an old, dying creature. Max grows older like any child, but his physical age appears to go backward--on the outside a very old man, but inside still a fearful child. The story is told in three acts. First, young Max falls in love with a neighborhood girl, Alice, who ages as normally as any of us. Max, of course, does not; as a young man, he has an older man's body. But his curse is also his blessing: as he gets older, his body grows younger, so each successive time he finds his Alice, she does not recognize him. She takes him for a stranger, and Max is given another chance at love. Set against the historical backdrop of San Francisco at the turn of the twentieth century, Max's life and confessions question the very nature of time, of appearance and reality, and of love itself. A beautiful and daring feat of the imagination, Andrew Sean Greer's *The Confessions of Max Tivoli* reveals the world through the eyes of a monster, a being who confounds the very certainties by which we live and in doing so embodies in extremis what it means to be human.

The Sexually Healthy Man Andrew J Bauman, 2020-12 DESCRIPTION: I grew up in the Southern Baptist church of the 90's during the height of the True Love Waits movement, accompanied by Joshua Harris' bestseller, *I Kissed Dating Goodbye*. If you don't know what I am referring to, consider yourself blessed. Many of the ideas perpetuated by this culture were infused with fear and shame, offering no practical help or guidance in equipping young people to become healthy sexual human beings. As I approached adulthood, I became accustomed to feeling shame around my sexuality; trying to white-knuckle purity and falling short over and over again. This left me feeling full of self-hatred and hopelessness. I hope for this book to serve as the guide I wish I'd had, providing comfort and clarity to those who find themselves in a similar struggle for sexual health. I have written these essays not only for men but also for women who want to understand what healthy sexuality can look like in a partner. May this book be life-giving to your sexual healing. May courage accompany you as you engage with these essays of spirituality, sexuality, & restoration. ENDORSEMENTS: Most of us have some sense as to what God says about sex. Few of us have a sense of what sex says about God. In *The Sexually Healthy Man*, Andrew Bauman shows men how sexuality can be a window into understanding God more deeply; as well as understanding the glory and strength of our own masculine soul. With a rare blend of disarming vulnerability and trauma-informed clinical wisdom, Andrew lovingly helps readers understand the real nature of sexual brokenness. Best of all, he sets men on a proven path to living wholehearted and free in a way that will make us all think differently about sex, spirituality, and restoration. - Michael John Cusick,

CEO at Restoring the Soul, Inc. Author of *Surfing for God The Sexually Healthy Man* arises out of the immense courage of therapist, Andrew Bauman. The title may seem like an oxymoron to any man paying attention to a newsfeed or a mirror. It's tempting to see the debris of sexual harm around us and within us and respond with despair or minimization. Andrew invites us to an alternative path that is both unflinchingly honest and hope restoring. This is a generous book, full of stories and wisdom. The Sexually Healthy Man can guide you to personal healing and, in the process, it might also enliven you to be a participant in the seismic cultural change needed in our world today.- Jay Stringer, M.Div, MA Author of *Unwanted: How Sexual Brokenness Reveals Our Way to Healing* As a young therapist, I devoured Irvin Yalom's *The Gift of Therapy* - winsome and wise letters to his therapists and patients nudging them along in a journey of healing. Like Yalom's short letters, Andrew's essays are deep but accessible, courageous, and compassionate, offered out of the experience of a seasoned therapist. They're engaging invitations to heal our systems and ourselves by addressing our stories, our bodies, and our fears of sex and sexuality. What a gift! -Chuck DeGroat, PH.D.Professor & Author As a blogger who often has to pick up the pieces from women betrayed by the men they loved, this book made me hope again! What would the world look like if men would humble themselves, be honest, and reclaim health and wholeness? Let Andrew Bauman lead you on the messy road toward healthy sexuality--and real intimacy between the sexes. -Sheila Wray Gregoire, ToLoveHonorandVacuum.com, Author of *The Good Girl's Guide to Great Sex*

Less Is Lost Andrew Sean Greer,2023-07-06

Leadership in War Andrew Roberts,2019-10-29 A comparison of nine leaders who led their nations through the greatest wars the world has ever seen and whose unique strengths—and weaknesses—shaped the course of human history, from the bestselling, award-winning author of *Churchill*, *Napoleon*, and *The Last King of America* “Has the enjoyable feel of a lively dinner table conversation with an opinionated guest.” —The New York Times Book Review Taking us from the French Revolution to the Cold War, Andrew Roberts presents a bracingly honest and deeply insightful look at nine major figures in modern history: Napoleon Bonaparte, Horatio Nelson, Winston Churchill, Adolf Hitler, Joseph Stalin, George C. Marshall, Charles de Gaulle, Dwight D. Eisenhower, and Margaret Thatcher. Each of these leaders fundamentally shaped the outcome of the war in which their nation was embroiled. Is war leadership unique, or did these leaders have something in common, traits and techniques that transcend time and place and can be applied to the essential nature of conflict? Meticulously researched and compellingly written, *Leadership in War* presents readers with fresh, complex portraits of leaders who approached war with different tactics and weapons, but with the common goal of success in the face of battle. Both inspiring and cautionary, these portraits offer important lessons on leadership in times of struggle, unease, and discord. With his trademark verve and incisive observation, Roberts reveals the qualities that doom even the most promising leaders to failure, as well as the traits that lead to victory.

Under Jerusalem Andrew Lawler,2023-09-26 A spellbinding history of the hidden world below the Holy City—a saga of biblical treasures, intrepid explorers, and political upheaval “A sweeping tale of archaeological exploits and their cultural and political consequences told with a historian’s penchant for detail and a journalist’s flair for narration.” —Washington Post In 1863, a French senator arrived in Jerusalem hoping to unearth relics dating to biblical times. Digging deep underground, he discovered an ancient grave that, he claimed, belonged to an Old Testament queen. News of his find ricocheted around the world, evoking awe and envy alike, and inspiring others to explore Jerusalem’s storied past. In the century and a half since the Frenchman broke ground, Jerusalem has drawn a global cast of fortune seekers and missionaries, archaeologists and zealots, all of them eager to extract the biblical past from beneath the city’s streets and shrines. Their efforts have had profound effects, not only on our understanding of Jerusalem’s history, but on its hotly disputed present. The quest to retrieve ancient Jewish heritage has sparked bloody riots and thwarted international peace agreements. It has served as a cudgel, a way to stake a claim to the most contested city on the planet. Today, the earth below Jerusalem remains a battleground in the struggle to control the city above. *Under Jerusalem* takes readers into the tombs, tunnels, and

trenches of the Holy City. It brings to life the indelible characters who have investigated this subterranean landscape. With clarity and verve, acclaimed journalist Andrew Lawler reveals how their pursuit has not only defined the conflict over modern Jerusalem, but could provide a map for two peoples and three faiths to peacefully coexist.

The Last King of America Andrew Roberts, 2021-11-09 From the New York Times bestselling author of *Churchill and Napoleon* The last king of America, George III, has been ridiculed as a complete disaster who frittered away the colonies and went mad in his old age. The truth is much more nuanced and fascinating--and will completely change the way readers and historians view his reign and legacy. Most Americans dismiss George III as a buffoon--a heartless and terrible monarch with few, if any, redeeming qualities. The best-known modern interpretation of him is Jonathan Groff's preening, spitting, and pompous take in *Hamilton*, Lin-Manuel Miranda's Broadway masterpiece. But this deeply unflattering characterization is rooted in the prejudiced and brilliantly persuasive opinions of eighteenth-century revolutionaries like Thomas Paine and Thomas Jefferson, who needed to make the king appear evil in order to achieve their own political aims. After combing through hundreds of thousands of pages of never-before-published correspondence, award-winning historian Andrew Roberts has uncovered the truth: George III was in fact a wise, humane, and even enlightened monarch who was beset by talented enemies, debilitating mental illness, incompetent ministers, and disastrous luck. In *The Last King of America*, Roberts paints a deft and nuanced portrait of the much-maligned monarch and outlines his accomplishments, which have been almost universally forgotten. Two hundred and forty-five years after the end of George III's American rule, it is time for Americans to look back on their last king with greater understanding: to see him as he was and to come to terms with the last time they were ruled by a monarch.

The Author Andrew Bennett, 2004-12-24 This volume investigates the changing definitions of the author, what it has meant historically to be an 'author', and the impact that this has had on literary culture. Andrew Bennett presents a clearly-structured discussion of the various theoretical debates surrounding authorship, exploring such concepts as authority, ownership, originality, and the 'death' of the author. Accessible, yet stimulating, this study offers the ideal introduction to a core notion in critical theory.

Jayber Crow Wendell Berry, 2001-08-30 "This is a book about Heaven," says Jayber Crow, "but I must say too that . . . I have wondered sometimes if it would not finally turn out to be a book about Hell." It is 1932 and he has returned to his native Port William to become the town's barber. Orphaned at age ten, Jayber Crow's acquaintance with loneliness and want have made him a patient observer of the human animal, in both its goodness and frailty. He began his search as a "pre-ministerial student" at Pigeonville College. There, freedom met with new burdens and a young man needed more than a mirror to find himself. But the beginning of that finding was a short conversation with "Old Grit," his profound professor of New Testament Greek. "You have been given questions to which you cannot be given answers. You will have to live them out--perhaps a little at a time." "And how long is that going to take?" "I don't know. As long as you live, perhaps." "That could be a long time." "I will tell you a further mystery," he said. "It may take longer." Wendell Berry's clear-sighted depiction of humanity's gifts--love and loss, joy and despair--is seen through his intimate knowledge of the Port William Membership.

Andrew Glassner's Notebook Andrew S. Glassner, 1999 This is a collection of 18 columns written by Andrew Glassner for *Computer Graphic and Applications* magazine. As well as the published material, the book includes notes and corrections to the original articles, a chapter of introduction, and additional text and graphics not originally included. Topics range from computer graphics and art, to the ethics of computers in society.

Better Boys, Better Men Andrew Reiner, 2020-12-01 A thought-provoking and much-needed look at how modern masculinity is harming and holding back men--and all of society--and what we can do to promote a new masculinity that allows men of all ages to thrive. In *Better Boys, Better Men*, cultural critic and New York Times contributor Andrew Reiner argues that men today are working on an outdated model of masculinity, which prevents them in moments of distress and

vulnerability from marshalling the courage, strength, and resiliency—the very characteristics we regularly champion in men—they need to thrive in a world vastly different from the ones their fathers and grandfathers grew up in. According to Reiner, this outdated model of manhood can have devastating effects on the entire culture and, especially boys and men, from falling behind in the classroom and rising male unemployment rates to increased levels of depression and disturbing upticks in violence on a mass scale. Reiner interviews boys and men of all ages, educators, counselors, therapists, and physicians throughout the United States to better understand what factors are preventing the country's boys and men from developing the emotional resiliency they need. He also introduces readers to the boys and men at the vanguard of a new masculinity that empowers them to find and express the full range of their humanity. Urgent and necessary, *Better Boys, Better Men* will change the way we talk about boys and men in America today.

International Intervention and the Problem of Legitimacy Andrew Gilbert, 2020-08-15 In *International Intervention and the Problem of Legitimacy* Andrew C. Gilbert argues for an ethnographic analysis of international intervention as a series of encounters, focusing on the relations of difference and inequality, and the question of legitimacy that permeate such encounters. He discusses the transformations that happen in everyday engagements between intervention agents and their target populations, and also identifies key instabilities that emerge out of such engagements. Gilbert highlights the struggles, entanglements and inter-dependencies between and among foreign agents, and the people of Bosnia-Herzegovina that channel and shape intervention and how it unfolds. Drawing upon nearly two years of fieldwork studying in postwar Bosnia and Herzegovina, Gilbert's probing analysis identifies previously overlooked sites, processes, and effects of international intervention, and suggests new comparative opportunities for the study of transnational action that seeks to save and secure human lives and improve the human condition. Above all, *International Intervention and the Problem of Legitimacy* foregrounds and analyzes the open-ended, innovative, and unpredictable nature of international intervention that is usually omitted from the ordered representations of the technocratic vision and the confident assertions of many critiques.

Academy X Andrew Trees, 2008-12-01 Welcome to Academy X, an ethical wonderland in which up is down, right is wrong, and parents and students will stop at nothing (including lying, plagiarizing, and even seduction to name a few) in order to get into the Ivy League. Caught in the middle is John Spencer, a bumbling but loveable English teacher struggling through the final weeks of his spring semester. But keeping focused on a Jane Austen seminar proves problematic when a His crush on the sexy school librarian and as well as a pending promotion threaten to divert his attention are threatening to sink him in a sea of academic intrigue. Things become even more complicated when the college counselor asks John to lie (or at least exaggerate) in a recommendation letter for the very student who he's just discovered is a plagiarizer! And things are only about to get worse for John, who discovers that no price is too high to achieve a coveted admission to Harvard, Yale, or Princeton—even if that includes his own disgrace. Witty and rollicking, *Academy X* is a priceless peek into New York City's top private schools—indeed into elite schools all over the country where parents risk all for their child's academic.

The Andrew Gross Andrew Gross, 2014-08-12 Get three electrifying thrillers from #1 New York Times bestselling author Andrew Gross in one e-book, including: *The Dark Tide*, *Don't Look Twice*, and *Reckless*.
