Only Sometimes Felicia Blaedel, 2021-12-09
Disagreeing from the first time they meet, Noah and Niko know exactly how to push each other's buttons while they fight the intense pull between them. But when they're forced to work together, they might realise that their connection runs deeper than frustration and lust. Niko is driven and ambitious, even when it's misconceived as cold and measured. Her latest project is her great-grandmother's nature organisation. Niko is determined to see it thrive again and hopefully understand herself and her broken family better in the process. Getting a handle on her inconvenient feelings is a must too. Noah has made a promise to set things right and honour his eccentric grandfather's hard work. Even when that means taking on an active role in a small nature organisation, while hiding his true identity. He is busy enough as it is with university, work, and late nights of writing. Still, he can't help but care about the organisation. Or the fierce woman who always seems to make his life harder. *Only Sometimes* is a new adult frenemies to lovers romance set in Copenhagen, Denmark (with a getaway to a gorgeous Swedish forest). It's book three in the *Without Filter Series*, but it can be read as a complete standalone. *Only Sometimes* is a steamy slow-burn romance, and it contains spicier content than the previous two books in the series.

The Note Teresa Mummert, 2013-01-29 NEW YORK TIMES & USA TODAY BESTSELLING NOVEL Everything happens for a reason. Sometimes in life it feels like everything that can go wrong does, but everything happens for a reason. A relationship crumbles so someone else can mend the pieces of your broken heart. A change of plans can lead you to something you didn't even know you were missing. We help others and discover that it was us who needed to be helped all along. Jenn's life

is nothing as she had imagined it would be. She is twenty-something with a failing career and her love life has officially ended with an ultimate act of betrayal. She is ready to throw away her dreams when a chance run-in with a soldier, dealing with his own misfortunes, alters her course and changes her perspective on life. Everything happens for a reason.

Wild Kristin Hannah, 2021-06-10 From the New York Times number one bestselling author of *The Nightingale* and *The Great Alone*, Kristin Hannah, comes *Wild*, a remarkable story about the resilience of the human spirit, the triumph of hope and the promise of new beginnings. In the rugged Pacific Northwest of the United States lies the Olympic National Forest - a vast expanse of impenetrable darkness and impossible beauty. From deep within this mysterious woodland, a six-year-old girl appears. Speechless and alone, she offers no clue as to her identity, no hint of her past. Having retreated to her hometown after a scandal left her career in ruins, child psychiatrist Dr Julia Cates begins working with the extraordinary little girl. Naming her Alice, Julia is determined to free her from a prison of unimaginable fear and isolation, and discover the truth about Alice's past. The shocking facts of Alice's life test the limits of Julia's faith and strength, even as she struggles to make a home for Alice - and find a new one for herself. 'One of Kristin Hannah's most compelling and riveting novels' - Booklist ** Published in the US as *Magic Hour* ** **** Here's what readers love about *Wild*: 'I was moved to tears and devoured this book in a day' 'Couldn't put it down' 'Gritty and thought-provoking'

Learning to Love Brenda Kennedy, 2017-09-15 Luke
When it was confirmed that my wife and son were taken, I knew I had to find them as quickly as possible. I would hire an army of men to help me if I had to. I would stop at nothing until they were found. My only problem is, how do you find a man who's legally dead? Nichole The tears dry as quickly as they escape from my eyes. I need water. God, I'm so thirsty. I have no idea how many days have passed since I was taken. Has it been days? Weeks? Months? Or just mere hours? I don't know, but I'm ready for it to end. I'm strong, but I'm tired. My time on this earth is limited, so I wonder why he just didn't already kill me. He said earlier that I have a debt to repay. What debt? I've done nothing. I have nothing to fight him with. I have no energy, and my eyes are burning from the horrid stench. What is that smell and where in hell am I? My heart hurts at the thought of little Connor and what my abductor will do to him. And that's when I hear it. That's when I know my nightmare is just beginning

When a brutal night unleashes vicious reminders of her past, Winter must struggle to hold on to the little bit of happiness she has found. When everything begins to fall apart, Liam's strength and kindness might not be enough to save her. Battling with the betrayal of her family, terrifying nightmares, and frequent reminders of her enemy that make daily life difficult, Winter's first instinct is to run away. She is tired of being the victim and living in a cruel, crowded city where she doesn't feel like she belongs. But Liam promises her that if she only trusts him, he can change everything. And that's exactly what he attempts to do, starting with an operation to heal her eyes, and then her heart...*****This is the third and final book of a three-part series.
