Summer on the Bluffs Sunny Hostin,2021-05-04 New York Times Bestseller! The View cohost and New York Times bestselling author Sunny Hostin dazzles with this brilliant novel about a life-changing summer along the beaches of Martha's Vineyard. Welcome to Oak Bluffs, the most exclusive Black beach community in the country. Known for its gingerbread Victorian-style houses and modern architectural marvels, this picturesque town hugging the sea is a mecca for the crème de la crème of Black society—where Michelle and Barack Obama vacation and Meghan Markle has shopped for a house for her mom. Black people have lived in this pretty slip of the Vineyard since the 1600s and began buying property in the 1800s, making this posh town the embodiment of “old money.” Thirty years ago, Amelia Vaux Tanner and her husband built a house high on the bluffs, a cottage they named Chateau Laveau. For decades, “Ama” played host to American presidents, Wall Street titans, and cultural icons. But her favorite guests have always been her three “goddaughters:” Esperanza “Perry” Soto, a beautiful, talented Afro-Latina lawyer with Ama’s strong, yet guarded personality; Olivia Jones, a gifted Wall Street analyst with Ama’s brilliant, logical mind; and Billie Hayden, a gifted marine biologist and rule-breaker with Ama’s courageous free spirit. Growing up, these three goddaughters from different backgrounds came together each summer at Chateau Laveau. As adults, the cottage is a place this trio of successful yet very different women go to escape, to slow down from their hectic lives, share private time with Ama, and enjoy the gorgeous weather, cool water, and stunning views Oak Bluffs offers. This summer on the Bluffs, however, will be different. An era is ending: Ama, now nearing seventy-one, is moving to the south of France to reunite with her college sweetheart. She has invited Perry, Olivia, and Billie to spend one last golden summer together with her the way they did when they were kids. And when fall comes, she is going to give the house to one of them. Each of the women wants the house desperately. Each is grappling with a secret she fears will hurt her and her chances. By the end of summer, old ties will fray, new bonds will be created, and these three found sisters will discover they aren’t the only ones with something to hide. Ama has a few secrets of her own. What she has to give them is far more than property. Between Memorial Day and Labor Day, she will tell these surrogate daughters she fiercely loves and protects everything they never knew they needed to know.

The Boys' Club Erica Katz, 2020-08-04 Sweetbitter meets The Firm in this buzzy, page-turning debut novel about sex and power in the halls of corporate America. One of Buzzfeed's Most Anticipated Books of 2020, Cosmopolitan's Best Summer Reads of 2020, and the New York Post's 30 Best Summer Books Alex Vogel has always been a high achiever who lived her life by the book—star student and athlete in high school, prelaw whiz in college, Harvard Law School degree. Accepting a dream offer at the prestigious Manhattan law firm of Klasko & Fitch, she promises her sweet and supportive longtime boyfriend that the job won't change her. Yet Alex is seduced by the firm's money and energy . . . and by her cocksure male colleagues, who quickly take notice of the new girl. She's never felt so confident and powerful—even the innuendo-laced banter with clients feels fun. In the firm's most profitable and competitive division, Mergers and Acquisitions, Alex works around the clock, racking up billable hours and entertaining clients late into the evening. While the job is punishing, it has its perks, like a weekend trip to Miami, a ride in a client's private jet, and more expense-account meals than she can count. But as her clients' expectations and demands on her increase, and Alex finds herself magnetically drawn to a handsome coworker despite her loving relationship at home, she begins to question everything—including herself. She knows the corporate world isn't black and white, and that to reach the top means playing by different rules. But who made those rules? And what if the system rigged so that women can't win, anyway? When something happens that reveals the dark reality of the firm, Alex comes to understand the ways women like her are told—explicitly and implicitly—how they need to behave to succeed in the workplace. Now, she can no longer stand by silently—even if doing what's right means putting everything on the line to expose the shocking truth.

Moms Don't Have Time To Zibby Owens, 2021-02-16 JOIN AWARD-WINNING PODCASTER ZIBBY OWENS OF MOMS DON'T HAVE TIME TO READ BOOKS ON A JOURNEY FILLED WITH FOOD, EXERCISE, SEX, BOOKS, AND MORE. It's impossible to ignore how life has changed since COVID-19 spread across the world. People from all over quarantined and did their best to keep on going during the pandemic. Zibby Owens, host of the award-winning podcast MomsDon't Have Time to Read Books and a mother of four herself, wanted to do something to help people carry on

and to give them something to focus on other than the horrors of their news feeds. So she launched an online magazine called We Found Time. Authors who had been on her podcast wrote original, brilliant essays for busy readers. Zibby organized these profound pieces into themes inspired by five things moms don't have time to do: eat, read, work out, breathe, and have sex. Now compiled as an anthology named *Moms Don't Have Time To*, these beautiful, original essays by dozens of bestselling and acclaimed authors speak to the ever-increasing demands on our time, especially during the quarantine, in a unique, literary way. Actress Evangeline Lilly writes about the importance and impact of film. Bestselling author Rene Denfeld focuses on her relationship with food after growing up homeless. Screenwriter and author Lea Carpenter and Suzanne Falter, author, speaker, and podcast host, focus on loss. New York Times bestselling authors Chris Bohjalian and Gretchen Rubin write about the importance of reading. Others write about working out, love and sex, eating and cooking, and more. Join Zibby on her journey through the winding road of quarantine and perhaps you, too, will find time.

You Are an Author Matt Rudnitsky, 2016-09-19 98% of self-published books suck. But among the 2% are *The Martian*, *50 Shades of Grey*, and - wait for it - *A Christmas Carol*. When Matt Rudnitsky's first self-published book earned \$14,000 in profits and an offer from Simon & Schuster ... he was shocked. But Matt quickly realized getting published is a glorified scam, and you can reach the same audience (and earn ~5x the profits) by self-publishing. If you know what you're doing, that is. Matt insists that anyone can equal or surpass his success (and self-publish a true classic) ... if they follow the steps in this book. This isn't your ordinary book about writing books. It's real, no-BS advice from someone who's done it - and has learned from the dozens of successes and failures of himself and his clients - from self-help to memoir to business, and everything in between. It demystifies every single step of the book writing process, from ideation to validation to outlining to writing habits, publishing and marketing.
