Whatever It Takes Michael Z. Lewin,2022-01-06 What must a man do when the world suddenly becomes unrecognizable because of a worldwide sickness? He does whatever it takes to keep his daughter, his grandson, and himself alive from one day to the next. But at the same time he can't give up hope of finding a better life for them all. Set in an unnamed American city, this novel follows a small family from one surprising event to the next. There are good times and many hard ones when survival is the primary goal. The first chapter of this novel appeared as a story in the Ellery Queen's Mystery Magazine January-February 2022 edition. Book Review 1: "In the several days during which Mr. Lewin allows us to share his long waking hours, Leroy Powder becomes exhilaratingly alive." -- The New Yorker, about Night Cover Book Review 2: "Adele Buffington... conducts herself like a mensch. She shows courage... [and] uses her brains and initiative..." -- Marilyn Stasio, The New York Times, about And Baby Will Fall Book Review 3: "Confessions is a joy and I'm sure it will entertain everyone lucky enough to read it, bishops, priests and born-again Christians included. Rabbis too. There's such good sense and wisdom at the heart of this wonderful romp through heaven and earth. The brilliance is that while we are treated to such fun with a God learning to be streetwise, the story is rooted in good theology. I hope He will return." -- Peter Lovesey, Grand Master of Mystery Writers of America; Diamond Dagger winner of the Crime Writers Association, about Confessions of a Discontented Deity

Cop Vs. Capo L a Witt,Cari Z,2023 Wherever August Morrison and Ricardo Torralba go, chaos is sure to follow. The authors certainly know this, since their standalone book has now turned into a series with no end in sight, because...UGH. These two. We give up. Anyway. Detective David Chandler had no clue what he was getting into when he and his partner decided they were going to nail August for murder. They didn't realize it was one of the few murders August didn't commit, or that their homicide investigation would lead them into the middle of a mob war. Cavalcante underboss Pedro Silva knew asking August and Ricardo for help was a terrible idea. Just mentioning their names is bad for Pedro's blood pressure. Owing them a favor? Oh Lord. He still asked, though, because he was out of options, but he can't say he didn't know he'd regret it. Neither man expected things to blow up this badly. Now they're both on the run from the mafia, the cops, and everyone in between... except for August and Ricardo. On one hand, that means they have two expert assassins in their corner. On the other, it means they have the biggest troll on the planet heckling them at every turn. And sticking them in a safehouse together. With only one bed. And if August or Ricardo make one more comment about how Dave and Pedro should just hook up already... Cop vs. Capo is 67,500 words long, and is book 4 of the Hitman vs. Hitman series. CW: combat PTSD, alcoholism, on-page violence, discussion of abuse of a sex worker

America's Emerging Literary Fiction Writers Z Publishing House,2019-05-31 In America's Emerging Literary Fiction Writers: California, 32 up-and-coming writers representing the great state of California share their short fiction stories. Covering a wide array of themes ranging from love and heartbreak, family and friendship, the inherent beauty of nature, and so much more, these young talents will amaze you. America's Emerging Young Adult Writers Z. Publishing House,2019-04-12 In America's Emerging Young Adult Writers: Midwest Region, 16 up-and-coming writers representing five states across the Midwest (IL, IN, IA, MN, and WI) share their YA stories. A compelling introduction to the great wordsmiths of tomorrow, this anthology will take you to new worlds and dynamic characters you won't want to leave.

Dear Vito Mickey Z.,2009 James Hemming is a personal trainer who, in his spare time, enters air guitar contests mimicking Vito Bratta of the old hair metal band, White Lion. He meets the waif-like Indigo at the gym and recruits her into a plot to make himself famous while resurrecting Vito's legend. The tale unfolds through a pasticcio of flashbacks, diary entries, letters to Vito, and related vignettes that suddenly segue off to introduce back-stories, underlying themes, and other unexpected intersections. It's funny, quirky, perverted, and guaranteed to provoke a response.

America's Emerging Young Adult Writers Z. Publishing House,2019-04-07 In America's Emerging Young Adult Writers: The Plains States, six up-and-coming writers representing five states across the Great Plains (KS, MO, NE, OK, and TX) share their YA stories. A compelling introduction to the great wordsmiths of tomorrow, this anthology will take you to new worlds and dynamic characters you won't want to leave.

Philippians, Colossians, Philemon Elsa Tamez,Cynthia Briggs Kittredge,Claire Miller Colombo,Alicia J. Batten,2017-02-10 Philippians lends itself to a political-ideological reading. To take into account that the document is a writing from prison, and to read it from a political-religious and feminist perspective using new language, helps to re-create the letter as if it were a new document. In this analysis Elsa Tamez endeavors to utilize non-patriarchal, inclusive language, which helps us to see the contents of the letter with different eyes. Cynthia Briggs Kittredge and Claire Miller Colombo argue that Colossians's contradictions and complications provide opportunities for entering imaginatively into the world of first-century Christian women and men. Rather than try to resolve the controversial portions-including the household code-they read the letter's tensions as evidence of lively conversation around key theological, spiritual, and social issues of the time. Taking into account historical, structural, and rhetorical dimensions of Philemon, Alicia J. Batten argues against the runaway slave hypothesis that has so dominated the interpretation of this letter. Paul asks that Onesimus be treated well, but the commentary takes seriously the fact that we never hear what Onesimus's wishes may have been. Slaves throughout history have had similar experiences, as have many women. Like Onesimus, their lives and futures remain in the hands of others, whether those others seek good or ill.

Schlieren and Shadowgraph Techniques G.S. Settles,2012-12-06 Schlieren and shadowgraph techniques are basic and valuable tools in various scientific and engineering disciplines. They allow us to see the invisible: the optical inhomogeneities in transparent media like air, water, and glass that otherwise cause only ghostly distortions of our normal vision. These techniques are discussed briefly in many books and papers, but there is no up-to-date complete treatment of the subject before now. The book is intended as a practical guide for those who want to use these methods, as well as a resource for a broad range of disciplines where scientific visualization is important. The colorful 400-year history of these methods is covered in an extensive introductory chapter accessible to all readers.
