'Pure awesome... There were moments when I laughed, moments where I gasped in surprise, and moments where I knew I could not read fast enough because I had to know what was going to happen next... My only complaint? That it ended and now I need to wait. I must know what happens next. I must!!!!' Series Tracker 'Are you ready for a grip the edge of your seat-repeating mantra of OMG as you turn the pages eagerly? Looking for something with intensity but also something that leaves you begging for more??? Looking for a new fav??? YES. This book is all of what you need and so much more! Go Into This One Knowing. Best. Book. Ever.'

Crossroad Reviews 'This was incredible!... such a slow burn romance but the build-up had my heart beating out of my chest, the angst and suspense was killing me... This book was perfectly paced and the lack of info-dumping, love triangles and insta-love made for a perfect start to a new series. Switching from POV's from England and Paris and following the characters as they go from across countries was a great concept. With the addition of magic, action and adventure this book could really do no wrong in my eyes. There isn't a cliffhanger ending just the promise of lots more to come in the next installment which I'm now anxiously awaiting. I highly recommend this to fellow fantasy lovers who are looking for a brand new world to immerse themselves in, with great characters, a promising romance and a thrilling journey ahead.' Literary-ly Obsessed 'I love this book! It was really great! I've always loved books that include Alchemy as its major fantasy core, I just think that it's such a fascinating 'science'! ... I read the first chapter, and I was completely swept into this amazing world! ... can't wait until the second book comes out, and to continue exploring this amazing story! Just Another Bookish Blog 'thrilling and exciting all at the same time... an excellent paranormal fantasy... such amazing story telling' Books at Dawn

You Play the Girl Carina Chocano, 2017-08-08
National Book Critics Circle Award Winner. "With dazzling clarity, [Chocano's] commentary exposes the subliminal sexism on our pages and screens."—O, The Oprah Magazine As a kid in the 1970s and 80s, Carina Chocano was confused by the

mixed messages all around her that told her who she could be—and who she couldn't. She grappled with sexed up sidekicks, princesses waiting to be saved, and morally infallible angels who seemed to have no opinions of their own. It wasn't until she spent five years as a movie critic, and was laid off just after her daughter was born, however, that she really came to understand how the stories the culture tells us about what it means to be a girl limit our lives and shape our destinies. In *You Play the Girl*, Chocano blends formative personal stories with insightful and emotionally powerful analysis. Moving from Bugs Bunny to Playboy Bunnies, from Flashdance to Frozen, from the progressive '70s through the backlash '80s, the glib '90s, and the pornified aughts—and at stops in between—she explains how growing up in the shadow of “the girl” taught her to think about herself and the world and what it means to raise a daughter in the face of these contorted reflections. In the tradition of Roxane Gay, Rebecca Solnit, and Susan Sontag, Chocano brilliantly shows that our identities are more fluid than we think, and certainly more complex than anything we see on any kind of screen. “If Hollywood's treatment of women leaves you wanting, you'll find good, heady company in *You Play the Girl*.”—Elle

Neighbors Like That Carina Taylor, 2019-09-19
KYLIE He started our war-I intend to finish it. Buying a house in the suburbs was supposed to be low stress: my own little haven to decorate and landscape exactly how I want. Instead, I find myself locking my garbage can to keep pests out-pests that are six-foot-one, green-eyed, and far too good looking. My trespassing neighbor is rude and entitled. It isn't long before war is declared and I find myself stooping to immature pranks. When trouble lands at my door, my unlikely neighbor starts knocking on my heart. Was I ready to answer? HAGEN I will win no matter what it takes. I moved to this neighborhood for a fresh start. The one thing I'm not looking for is a relationship, so when I mistakenly assume my neighbor is hitting on me, I lash out at her. I didn't mean to start the war, but now she taunts me from across the street. Our harmless pranks have become the highlight of my day. I should stay away-but I can't. I want to spend more time with her. When a stalker begins sending Kylie a series of notes, I'm only too willing to help protect her. Maybe I'm looking for a relationship after all.*Standalone with a HEA.

Forever Red Carina Adams, 2015-04-02 Not afraid to speak his mind or make a scene, Nathaniel Kelly has made a name for himself as country music's ultimate bad boy. Covered in tattoos, singing songs about drugs, drinking and heartache, Nate

acts more like an out of control rock star than the grandson of one of the genres most influential and legendary stars. Every man wants to be him. Every woman wants just one night with the hard-rocking country rebel. Except me. I just want to know that the boy I used to love is happy and that I didn't break his heart in vain. That's why I buy every magazine that even mentions his name; at least, that's the story I tell myself. When my friends gave me a birthday present any fan would die for, I was suddenly face-to-face with the man I never thought I'd see again. My body wasn't supposed to react to him the way it did. And, Nate sure as hell wasn't supposed to look at me the way he used to. Can someone you loved as a teenager really have a hold on your heart twelve years later? Is it ever too late to say you're sorry and make up for past wrongs? I'm about to find out.

Lucky Carina Adams, 2017-02-20 Starting over from scratch, with a new career in a new town, was not what I wanted to do right before I turned thirty. When my best friend came to cheer me up, I played along. I promised her I'd take one last night to let loose and have fun before I embraced my future. A sexy as sin bartender, and the hottest one-night-stand to ever exist, was not part of my plan. Neither was the connection we had. We had nothing in common other than the same sense of humor and a spark neither could ignore. Yet fate kept shoving us together. Lucky was the whole package - smart, athletic, and kind, he was the football hero in our little college town. A filthy talking bad boy, who could have any woman he wanted. Despite all our differences, that woman

was me. Sometimes, despite the odds, you cross your fingers, roll the dice, go with the flow and laugh. Because love is worth it. And this just might be my lucky chance. One night stand my ass.

A romantic comedy adventure Fletcher is the World's Worst Boyfriend and I have the trophy to prove it—along with the consolation gift card I've already spent. Entering him into the anonymous contest was

cathartic and it's obvious I need to end this farce of a relationship; so I do. Too bad I'm still comparing every man I meet to Fletcher. Too bad I can't get him out of my mind-or my house for that matter with the way he's always stopping by to 'fix' something. And it's especially too bad that I'm learning not everything is as it seems and that maybe, just maybe, Fletcher had a good reason for his actions. (Although the moldy laundry has no justification.) What's a girl to do? He says he'll explain everything soon. But am I ready to face that explanation? What if he's not the worst-what if I am? A romantic comedy adventure to make you laugh out loud!

Pacific Coast Highway in California Carina Monica Montoya, 2018-04-09 More commonly known as Pacific Coast Highway, State Route 1 ribbons along or near the Pacific Ocean from Northern California at Leggett in Mendocino down to Southern California at San Juan Capistrano in Orange County. Its construction began in 1913 and was done incrementally, largely because of funding issues, shortage of labor, legal challenges, deep canyons, steep mountains, solid rock, and unstable earth. A true modern marvel, its unique and extraordinary construction allows easy access to some of the country's most famous and historical places and picturesque sights. Thousands of pounds of dynamite were used to blast through granite, marble, and sandstone to build a highway following near or along the coastline. Among the 33 bridges along the route is the remarkable Bixby (Rainbow) Bridge at Big Sur. The highway wends its way through some of the most magnificent and scenic landscapes and historical places found between

Ventura and Humboldt Counties, making it more than just a road. It is a destination.

The Echo Killing Christi Daugherty, 2018-03-13
When a murder echoing a fifteen-year-old cold case rocks the Southern town of Savannah, crime reporter Harper McClain risks everything to find the identity of this calculated killer in Christi Daugherty's new novel *The Echo Killing*. A city of antebellum architecture, picturesque parks, and cobblestone streets, Savannah moves at a graceful pace. But for Harper McClain, the timeless beauty and culture that distinguishes her home's Southern heritage vanishes during the dark and dangerous nights. She wouldn't have it any other way. Not even finding her mother brutally murdered in their home when she was twelve has made her love Savannah any less. Her mother's killer was never found, and that unsolved murder left Harper with an obsession that drove her to become one of the best crime reporters in the state of Georgia. She spends her nights with the police, searching for criminals. Her latest investigation takes her to the scene of a homicide where the details are hauntingly familiar: a young girl being led from the scene by a detective, a female victim naked and stabbed multiple times in the kitchen, and no traces of any evidence pointing towards a suspect. Harper has seen all of this before in her own life. The similarities between the murder of Marie Whitney and her own mother's death lead her to believe they're both victims of the same killer. At last, she has the chance to find the murderer who's eluded justice for fifteen years and make sure another little girl isn't forever haunted by

a senseless act of violence—even if it puts Harper in the killer’s cross-hairs...
