Dear Canada: Pieces of the Past Carol Matas,2013-02-01 A young Jewish girl recounts her experiences during a horrifying time in recent history. As Rose begins her diary, she is in her third home since coming to Winnipeg. Traumatized by her experiences in the Holocaust, she struggles to connect with others, and above all, to trust again. When her new guardian, Saul, tries to get Rose to deal with what happened to her during the war, she begins writing in her diary about how she survived the murder of the Jews in Poland by going into hiding. Memories of herself and her mother being taken in by those willing to risk sheltering Jews, moving from place to place, being constantly on the run to escape capture, begin to flood her diary pages. Recalling those harrowing days, including when they stumbled on a resistance cell deep in the forest and lived underground in filthy conditions, begins to take its toll on Rose. As she delves deeper into her past, she is haunted by the most terrifying memory of all. Will she find the courage to bear witness to her mother's ultimate sacrifice?

Drums, Girls, and Dangerous Pie Jordan Sonnenblick, 2010-01-01 A brave and beautiful story that will make readers laugh, and break their hearts at the same time. Now with a special note from the author! Steven has a totally normal life (well, almost). He plays drums in the All-City Jazz Band (whose members call him the Peasant), has a crush on the hottest girl in school (who doesn't even know he's alive), and is constantly annoyed by his younger brother, Jeffrey (who is cuter than cute - which is also pretty annoying). But when Jeffrey gets sick, Steven's world is turned upside down, and he is forced to deal with his brother's illness, his parents' attempts to keep the family in one piece, his homework, the band, girls, and Dangerous Pie (yes, you'll have to read the book to find out what that is!).

A Single Shard Linda Sue Park, 2001-04-23 The Newbery Medal-winning tale of an orphan boy whose dream of becoming a master potter leads to unforeseen adventure in ancient Korea. Tree-ear is an orphan boy in a 12th-century Korean village renowned for its ceramics. When he accidentally breaks a delicate piece of pottery, he volunteers to work to pay for the damage. Putting aside his own dreams, Tree-ear resolves to serve the master potter by embarking on a difficult and dangerous journey, little knowing that it will change his life forever. Despite the odds against him, Tree-ear becomes courageous, brave and selfless, a hero as enduring as the porcelain Park so lovingly describes. (New York Times) “Intrigues, danger, and a strong focus on doing what is right turn a simple story into a compelling read. A timeless jewel.” (Kirkus starred review) *A broken piece of pottery sets events in motion as an orphan struggles to pay off his debt to a master potter. This finely crafted novel brings 12th-century Korea and these indelible characters to life. (School Library Journal starred review) Tree-ear's determination and bravery in pursuing his dream of becoming a potter takes readers on a literary journey that demonstrates how courage, honor and perseverance can overcome great odds and bring great happiness. Park effectively conveys 12th century Korea in this masterful piece of historical fiction. (Kathleen Odean, chair of the Newbery Award Selection Committee)
