With insightful tips and advice, Jerry Cleaver helps writers manage doubts, fears, blocks, and panic all while helping to develop their writing in minutes a day. The Fluff-Free Freelance Writing Master Course Alina Bradford, 2017-04-03 I started my freelancing writing business back when online magazines and news sites were in their infancy. Since then, I have built a business that brings in \$100 to \$200 an hour while I work from home. That's the dream, right? You can create your own successful freelance writing business, too. If you can write clear, interesting articles then you have what you need to become a successful freelance writer. You can make it on your own, but I would like to make the journey faster and less frustrating for you. Creating my business took a lot of trial and error to get off the ground and even more trial and error to make it successful. I know how hard it can be. So, I created the freelance writer course I wish I'd had when I started... and then I put it in this book. There's no need to search and scrape for the next few years just to earn a living wage. This course is a shortcut to all of the knowledge I've gleaned over the past few years. Yup, I've done the work. Not only have I done the work, I get right down to business. You get a blast of awesome to your career without vague information or drawn out stories like with most books and courses on how to be a freelance writer. This freelance writing course features nugget after delicious nugget of actionable information. No fluff. Why should you take advice from me? -I have been a freelance writer for almost two decades. -I have worked with big brands such as CBS, MTV, Angie's List, eBay, Zappos and StubHub, as well as big publishers such as Prevention Magazine, USA Today and more. -I make \$100 to \$200 an hour just from my work as a freelance writer. (That doesn't include coaching and courses, btw. I hate it when other people don't make that clear when trying to sell me a course!) My master class book includes: -Actionable information that anyone can use to get better clients and make more money through their freelance writing business. -Activities that take you step-by-step through the process of building your reputation as a professional to make the clients come to you. -Guidance on how to seal the deal with potential clients and weed out the creeps. -Help on zeroing in on your niche and defining your brand as a writer. The best part? Using this book you can make a great living for yourself without working all the time. What's the point of owning your own business if you have to be chained to the desk, right? Don't wait

Complete Write a Novel Course Will Buckingham, 2014 Whether you're just starting out or have already planned your novel, Buckingham offers a practical source of ideas and tools to help kickstart the writing process and build toward completing and publishing your work.

The Colour Illustrated Hobbit J. R. R. Tolkien, 2017-09-21 Bilbo Baggins is a hobbit who enjoys a comfortable and quiet life. His contentment is disturbed one day when the wizard, Gandalf, and the dwarves arrive to take him away on an adventure.

Framing the Sexual Subject Richard Parker, Regina Maria Barbosa, Peter Aggleton, 2023-04-28 This collection brings together the work of writers from a range of disciplines and cultural traditions to explore the social and political dimensions of sexuality and sexual experience. The contributors reconfigure existing notions of gender and sexuality, linking them to deeper understandings of power, resistance, and emancipation around the globe. They map areas that are currently at the cutting edge of social science writing on sexuality, as well as the complex interface between theory and practice. Framing the Sexual Subject highlights the extent to which populations and communities that once were the object of scientific scrutiny have

increasingly demanded the right to speak on their own behalf, as subjects of their own sexualities and agents of their own sexual histories.

The Hobbit Sketchbook Alan Lee, 2020-10-06 This richly illustrated book celebrates in words and pictures the beautiful work that award-winning artist Alan Lee produced for J.R.R. Tolkien's *The Hobbit*, and includes dozens of brand-new paintings and pencil drawings exploring the world of Bilbo Baggins. Since *The Hobbit* was first published in 1937, generations of readers have fallen under its spell. That magic was reignited sixty years later when Alan Lee was commissioned to produce a special illustrated edition, and his delicate pencil drawings and beautiful watercolor paintings have become for many the definitive vision of J.R.R. Tolkien's Middle-earth. In this sumptuous, large-format hardback, Alan Lee reveals in pictures and in words how he created these images, which would prove so powerful, matching perfectly with Tolkien's own vision, that they would eventually define the look of Peter Jackson's film adaptations and earn Alan a coveted Academy Award. The *Hobbit Sketchbook* is filled with more than 100 of Lee's sketches and early conceptual pieces, which reveal how the project progressed from idea to finished art. It also contains a wealth of brand-new full-color paintings and sketches drawn specially for this book, which unlock the secrets of how Alan creates his own magic and provide a fascinating insight into the imagination of the man who breathed new life into Tolkien's vision.

Visualizing Deviance Richard V. Ericson, Patricia M. Baranek, Janet B. L. Chan, 1987

Patriarchal Attitudes Eva Figs, 1970 First published in 1970, *Patriarchal Attitudes* has since become famous and is considered a classic feminist text. Writing with wit as well as scholarship, Eva Figs examines the factors which have helped place women in subservient roles in most societies, including the influence of Christianity, the rise of capitalism, Freudian psychoanalysis, and sexual taboos. She draws on a wide range of material to illuminate one of the central issues of our time.--Back cover.

The Golden Treasury of Children's Literature Bryna Ivens Untermeyer, Louis Untermeyer, 1971 Includes fairy tales and fables; selections from *Just so* stories, *Mary Poppins*, *Winnie-the-Pooh*, *Uncle Remus*, *Pinocchio*, *Bambi*, *The Hobbit*, *The Wind in the Willows*, and other books; and stories by Dickens, Slobodkin, Wilde and others. Illustrations by many artists.
