Weed Mom Danielle Simone Brand,2020-12-29 An essential guide for moms looking to safely and responsibly incorporate cannabis into their daily lives to improve their health, wellness & family life. Weed Mom is an essential guide for women interested in learning more about THC and how to naturally relax, de-stress, and be a better partner and parent. This first and only book made just for busy moms is packed with friendly and practical advice, including: The basics of THC and CBD What to look for at the dispensary Microdosing to boost mood & stay productive How to talk about cannabis with family & friends Understanding the potential downsides Using cannabis to enhance your sex life And much more Whether you are new to the weed game or have experience using cannabis products, this book has something for everyone. You'll find everything you need to know about taking back your health and wellness, free of stigma. Enjoy a great reading experience when you buy the Kindle edition of this book. Praise for Weed Mom "An excellent compendium of cannabis information. If you're curious about how cannabis might fit into your life as a parent, Weed Mom has the answers for you . . . Timely, fun, and educational. It makes a great conversation starter for moms, dads, and anyone else who loves the healing herb!" —Mary Jane Gibson, journalist, actress & host at Weed+Grub "Brand is refreshingly frank about sticky topics like overuse, how to talk to kids about cannabis, and what to do when things go wrong. She also includes an incredibly useful buying guide for those (like me) who feel overwhelmed by the dizzying array of specialized products on the market today." —Alia Volz, author of Home Baked: My Mom, Marijuana, and the Stoning of San Francisco "Just how Brand becomes one of weed's most knowledgeable and ardent crusaders is a story you'll have to follow in the book, but that she's been to hell and back—with cannabis riding shotgun—makes her wisdom all the more hard-won and reliable. This is an honest, unapologetic book for real women." —Melinda Misuraca, Project CBD

I'm Glad My Mom Died Jennette McCurdy,2022-08-09 * #1 NEW YORK TIMES BESTSELLER * #1 INTERNATIONAL BESTSELLER * MORE THAN 2 MILLION COPIES SOLD! A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Class Mom Laurie Gelman,2017-08-01 Laurie Gelman's clever debut novel about a year in the life of a kindergarten class mom—a brilliant send-up of the petty and surprisingly cutthroat terrain of parent politics. Jen Dixon is not your typical Kansas City kindergarten class mom—or mom in general. Jen already has two college-age daughters by two different (probably) musicians, and it's her second time around the class mom block with five-year-old Max—this time with a husband and father by her side. Though her best friend and PTA President sees her as the "wisest" candidate for the job (or oldest), not all of the other parents agree. From recording parents' response times to her emails about helping in the classroom, to requesting contributions of "special" brownies for curriculum night, not all of Jen's methods win approval from the other moms. Throw in an old flame from Jen's past, a hyper-sensitive "allergy mom," a surprisingly sexy kindergarten teacher, and an impossible-to-please Real Housewife-wannabe, causing problems at every turn, and the job really becomes much more than she signed up for. Relatable, irreverent, and hilarious in the spirit of Maria Semple, *Class Mom* is a fresh, welcome voice in fiction—the kind of novel that real moms clamor for, and a vicarious thrill-read for all mothers, who will be laughing as they are liberated by Gelman's acerbic truths.

The Mom Book Stacy M. DeBroff,2002-02-05 With lists, tips, rules, and defining principles for everything from planning a family vacation to surviving picky eaters or a rainy day, *The Mom Book* is peppered with real-world stories from the contributing mothers.

Not Becoming My Mother Ruth Reichl,2009 Bestselling author Reichl embarks on a clear-eyed, openhearted investigation of her mother's life, piecing together the journey of a woman she comes to realize she never really knew.

Mom & Me & Mom Maya Angelou,2013-04-02 NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—Elle "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence

There Are Moms Way Worse Than You Glenn Boozan,2022-03-29 A rhyming illustrated humor book for moms who feel they're not doing a good job (and that's all moms, right?). Packed with scientifically true examples of terrible parents in the animal kingdom, to remind and reassure any mother that there are way worse moms out there.

Narcosis Room Louise Cypress,2019-02-19 Ellie Savage's dermatologist dad and psychiatrist mom run the Narcosis Clinic, a medical facility where disturbing issues are re-solved while patients are beautified. Ellie is her parents' most ardent supporter-until her dreams become a nightmare and the only way for Ellie to remember who she is, is to forget everything she thinks she knows.

For You Mom, Finally Ruth Reichl,2010-04-06 Bestselling author Ruth Reichl examines her mother's life-and gives voice to the unarticulated truths of a generation of exceptional women A former New York Times restaurant critic, editor in chief of Gourmet, and the author of three bestselling memoirs, Ruth Reichl is a beloved cultural figure in the food world and beyond. For You, Mom. Finally.

is her openhearted investigation of the life of a woman she realizes she never really knew-her mother. Through letters and diaries-and a new afterword relating the wisdom she's gained after sharing her story-Reichl confronts the transition her mother made from a hopeful young woman to an increasingly unhappy older one and recognizes the huge sacrifices made to ensure that her daughter's life would not be as disappointing as her own.

Hero Mom Melinda Hardin,2013 A child demonstrates that while Mom differs from a traditional superhero, as an American soldier, she is a hero of a different kind.

The Mom Test Rob Fitzpatrick,2013-10-09 The Mom Test is a quick, practical guide that will save you time, money, and heartbreak. They say you shouldn't ask your mom whether your business is a good idea, because she loves you and will lie to you. This is technically true, but it misses the point. You shouldn't ask anyone if your business is a good idea. It's a bad question and everyone will lie to you at least a little . As a matter of fact, it's not their responsibility to tell you the truth. It's your responsibility to find it and it's worth doing right . Talking to customers is one of the foundational skills of both Customer Development and Lean Startup. We all know we're supposed to do it, but nobody seems willing to admit that it's easy to screw up and hard to do right. This book is going to show you how customer conversations go wrong and how you can do better.

Stay-at-Work Mom Liz Astrof,2019-07-30 “The parenting genre is never going to be the same” (Jancee Dunn, author of *How Not to Hate Your Husband After Kids*) after this candid and hilarious collection of essays on motherhood from the award-winning television comedy writer and producer of *2 Broke Girls* and *The King of Queens*, who swears she loves her kids—when she’s not hiding from them. Some women feel that motherhood is a calling and their purpose on earth. They somehow manage to make pregnancy look effortless, bring out the beauty in a screaming child, and keep the back seat of their cars as spotless as their kitchens. And then there are women like Liz Astrof—who originally had children because “everyone else was.” In this blunt and side-splittingly funny book of essays (previously published as *Don’t Wait Up*), Liz Astrof embraces the realities of motherhood (and womanhood) that no one ever talks about: like needing to hide from your kids in your closet, your car, or a yoga class on the other side of town, letting them eat candy for dinner because you just can’t deal, to the sheer terror of failing them or at the very least losing them in a mall. And sometimes, many times, wondering if the whole parenting thing wasn’t for you. Perfect for fans of *Let’s Pretend This Never Happened* and *I Heart My Little A-Holes*, *Stay-At-Work Mom* is a soul-baring and honest look at parenting and relationships for moms who realize that motherhood doesn’t have to be your entire life—just an amazing part of it.

Mom Walks: Starting in 5th Rebecca Prenevost,2020-09-01 Can a mother-daughter relationship survive fifth-grade mean girl drama? Yes, if the mom’s best friends have anything to say about it. When Dawn learns her oldest daughter, Kayli, is put in the same class as a manipulative and cunning queen bee, she knows she must step up her mom game and fast. Feeling ill-equipped to handle the situation, Dawn turns to her two best mom friends for advice during their weekly morning walks. At first, Dawn’s grateful for their suggestions. They have similar-aged kids and a much better pulse on what’s going on at school. But when their well-intentioned guidance only exacerbates the situation, Dawn’s desperation and frustration grow as her relationship with Kayli deteriorates. Facing irreparable damage to their mother-daughter relationship, Dawn must decide if she’ll continue to follow her friends’ advice or begin to trust her own gut in how to best parent Kayli. *Mom Walks: Starting in 5th* is the first book in a women’s fiction series that follows a mom and her two best mom friends as they navigate the chaotic trenches of parenting tweens. If you enjoy light, heart-warming stories about mother-daughter relationships and friendship, this book is for you.

My Working Mom Peter Glassman,2001-08-09 Although she sometimes resents her mother's work as a witch, a young girl decides to keep her mother just the way she is.

What Kids Need Most in a Mom Patricia H. Rushford,2008-07 With hope, honesty, and humor, *What Kids Need Most in a Mom* provides direction on how each mom can make the most of the love, talents, responsibilities, and frailties that have been given to her.

The Better Mom Ruth Schwenk,2018-04-24 Mothering is messy. Our joy and hope in raising children doesn’t change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don’t need to settle for surviving our kids’ childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of *The Better Mom* is the message that Jesus calls us to live not a weary life, but a worthy life. We don’t have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, “It’s okay to come as we are, but what we’re called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become.

When You Thought I Wasn't Looking Mary Rita Schilke Korzan,2013-02-05 When I wrote a tribute for my mother years ago, I never anticipated it would take a worldwide journey. Nonetheless, that is exactly what happened. The story I am about to share with you may read like fiction. I can assure you, there is nothing in the world that has ever been more true. --Mary Rita Korzan Mary Rita Schilke Korzan wrote a poem to her mother 24 years ago, thanking her for all she had done as a mother, friend, and role model. She gave the poem to her mother and, a few months later, offered it as a tribute when Mary and her husband were married. So many wedding guests asked for a copy that Mary included one in her thank-you notes. Thus began the strange and heartwarming journey of Mary's poem to her mom. Friends passed it on to those they knew. A minister in her hometown couldn't recall who gave it to him, but he included the by-then anonymously written poem in his book about loving others. Another author picked it up from there for her compilation of heartfelt works, and Mary finally noticed her poem, now listed as Author Unknown, in *A Fourth Course of Chicken Soup for the Soul*, which her husband and children gave her as a Mother's Day gift. With *When You Thought I Wasn't Looking*, readers have the chance to experience Mary's poem in its entirety and from its creator. This is the special kind of book that reminds us that sometimes the little things we do just because mean more to someone than we can imagine. Those little things teach love, compassion, and understanding. In other words, they're priceless. This sweet gift book brings that lesson home to the heart.

The Secret Life of an Uncool Mum Serena Terry,2022-03-03 The Sunday Times bestselling novel from viral sensation, @MammyBanter A hilarious warts-and-all novel about modern motherhood – and how having it all sometimes isn’t what you think it might be.

You're Mom Liz Climo,2020-04-07

Oh, the Things My Mom Will Do Marianne Richmond,2013-03-26 A beautiful tribute to a mother's limitless love With more than 226,000 copies sold of her last two books, Marianne Richmond is swiftly becoming a classic children's book author. *Oh, the Things My Mom Will Do* is a sweet, inspiring book that will speak straight to a parent's heart in the nuanced way we've come to expect from Marianne. Using heartfelt sentiments, Marianne showcases poignant moments that express the universal emotions all mothers feel. With Marianne Richmond's beloved artwork and insightful prose, this book beautifully illustrates what it really means to be a mom.
