Petite Anglaise Catherine Sanderson,2010-10-29 “When Tadpole was born, I spent a sleepless night on the maternity ward gazing intently into her inky, newborn eyes, grappling to come to terms with the indisputable fact that this was an actual person looking back at me, not just a version of Mr. Frog, or me, or both, in miniature. From the outset she seemed to know what she wanted, and I realized I could have no inkling of the paths she would choose to follow. But if I watch her life unfold carefully enough, perhaps I will see clear signposts pointing to who or what she will become. Because when I look backward, ransacking my own past for clues with the clarity that only hindsight can bring, a series of defining moments do stand out. Moments charged with significance; snapshots of myself which, if I join the dots together, lead me unswervingly to where I stand today: from French, to France, to Paris, and to Petite Anglaise.” [ed. note - excerpted from Petite Anglaise, p.4] Catherine Sanderson has a beautiful bilingual daughter, an authentic French boyfriend, and a Paris apartment with bohemian charm. She has what she has always wanted — a life in France. Growing up in Yorkshire amidst a traditional family, Catherine had set her sights on a different life — a life that would immerse her in an exotic language and culture. From grammar school French lessons to teaching English in Normandy and finally to a permanent job in Paris, she was determined that France would be the place she would call home. But now that she does, things are not so idyllic. Catherine wonders just when her life in Paris turned from wine to vinegar: She’s stuck in a dead-end administrative job, her relationship with her boyfriend has settled into a dreary routine, and the birth of their daughter has not helped to reignite the dying fire of her relationship. The remedy to her dissatisfaction arrives in the morning headlines. While scanning the news of the day, Catherine becomes intrigued by a story profiling an internet diarist. After exploring one blog after another, and in one exhilarating moment, Catherine decides to create her own online persona, her jardin secret. At that moment, she is transformed from Catherine to Petite Anglaise, her boyfriend to Mr. Frog, her daughter to Tadpole, and her life to something she could never have predicted. What begins as a lighthearted diversion, a place to discuss the fish-out-of water challenges of ex-pat life in Paris, soon gives way to a raw forum for her to bare her most intimate secrets and impulsive desires. Thousands of readers log-on to the blog and are witness to the ever-widening gulf between Petite Anglaise and Mr. Frog. Those public revelations of her growing frustrations, which play out in each successive post, begin to surreptitiously yet irrevocably erode their relationship.

La Petite Michèle Halberstadt,2012 The author, a French writer and film producer, recounts the events of her grandfather's death and how it influenced her twelve-year old life.

Petite Rouge Mike Artell,2001-05-01 Big Bad Gator Claude will do anything to have a taste of Petite Rouge...even if it means putting on a duck bill, flippers, and frilly underwear. He presents no match for the spunky heroine and her quick-thinking cat TeJean, though, as they use some strong Cajun hot sauce to teach Claude a lesson he will never forget! The combination of hilarious rhyme and exaggerated art creates a highly original retelling of the classic fairy tale. A pronunciation guide/glossary accompanies a tempting dialect that begs to be read aloud or acted out again and again. This is Little Red Riding Hood as she's never been seen before: Cajun and ducky.

Sugar Petite Mildred L. McVea,1989 Originally published in 1959 and now available for the first time in paperback, 'Sugar Petite' is a delightful story of life on a Louisiana sugar plantation during the late 1880s. The book is based on the experiences of the author's mother-in-law, Mrs. Charles McVea, Sr., who enlightened and entertained her family with reminiscences of her childhood.

I Hear the Black Raven Claire Ishi Ayetoro,2021-06-25 At 31 years of age, Claire Ishi Ayetoro has lived enough lives to fill an ensemble cast. In this, her first memoir, no topic is off-limits as she paints portrait after portrait of her triumphs and her battles with bipolar disorder, religiosity, and that ever elusive cure-all: love. A vividly compassionate depiction of psychosis, Ayetoro weaves words of wisdom, encouragement, and inspiration into every layer of her storytelling. Journey with her through the mountains and valleys of manic depression, guided by that singular spirit of flight: the black raven. You never know, it may even be calling to you.

Petite Gaby Gabrielle Lafont,2011-11 Petite Gaby is a story of life and death, special relationships, lost innocence and great joy. It is a personal story of struggle and redemption, written with openness and candor. Gaby's journey begins in a tiny town in France where she is orphaned, abused, and spends years in an orphanage before coming to America. Tempestuous teenage years, a troubled marriage, and the loss of a very special child bring Gaby into the abyss of despair. Ultimately, she finds a way to turn her struggle into joy and contentment. It is the author's intention that this story be a gift of hope to those going through dark days and a reminder that we never walk alone, no matter how painful our human afflictions.

The Whispering of My Heart Petite Breaux,2016-08-20 Mother, I want a pet monkey. Mr. Reynolds has a monkey. DeDee, an 11-year-old only child of a single mother, longs for acceptance and companionship. She is lonely and seeking something or somebody to love, who will love her in return. She finds comfort playing with an Ouija board, which she discovered in an old, dusty trunk in the basement. She cannot resist going down into

the basement, even though she finds it scary because she is sure that something lives there, which is watching her. DeDee spends plenty of her time staring out of the kitchen window looking down on Mr. Reynolds, her creepy neighbor. She is bullied at school; even Sasha and Kita, whom she thinks are her friends, didn't care to visit.

Among the surprising consequences of Marisa's acceptance is a friendship with a man called Jack St. Germaine, an alleged alchemist who may or may not be hiding a questionable history, and a series of encounters with Elisabeth Clavier, a vampire known for hunting mortals for sport. As Marisa struggles with who to trust, she leans towards Jack, especially after a demon arrives at her doorstep claiming Elisabeth was the one who sent him. French Kissing Catherine Sanderson,2010-03-16 Name: Sally Marshall Status: Single mother Age: 32 Nationality: Ten years in France, yet still English through and through. I like: Living in Paris, playing with my daughter Lila (four-years-old), the company of good friends, the smell of baking bread . . . So reads Sally's ad, posted on a French online dating site called Rendez-Vous. Sally left Nicolas, her French boyfriend of ten years and Lila's father, after she discovered that he was having an affair with his secretary. Six months have now passed, and although most of the time she feels like she's just dashing around like a headless chicken, she's beginning to bounce back. But making a new start is fraught with complications. As she meets freshly-single Frédéric for a drink, spends the night with charmer Manu and runs away from ex-pat Marcus, she wonders: can she find a way to reconcile motherhood with single womanhood? To what extent can she keep Lila and her love life separate? And is she truly ready to turn her back on Nicolas?
