Abū Jaʿfar Muḥammad ibn Jarīr al-Ṭabarī

One Thousand and One Nights Hanan Al-Shaykh, 2011-08-15 The Arab world's greatest folk stories re-imagined by the acclaimed Lebanese novelist Hanan al-Shaykh, published to coincide with the world tour of a magnificent musical and theatrical production directed by Tim Supple

Nura: Rise of the Yokai Clan, Vol. 2 Hiroshi Shiibashi, 2011-07-14 When the Kyuso yokai clan kidnaps Rikuo's classmates Kana and Yura, Rikuo transforms into his yokai form to save them. But the plot is far from over. It turns out Gyuki, a top officer in the Nura clan, secretly masterminded the attack! Unfortunately, Rikuo learns of this deceit just as he's embarking on a camping trip to a mountain renowned for yokai activity. Is Rikuo walking into a trap?! -- VIZ Media

**The History of al-ʿAbar** Vol. 32, 2015-07-01 The 20 years' caliphate of al-Maʾmūn began as a stormy period in Middle Eastern history; after the comparatively peaceful reign of his father Hārūn al-Rashīd, the caliphate was plunged into violent civil warfare in both Iraq and Arabia, involving the sons of al-Rashīd, rivals for the supreme authority, and various other sectarian rebels and aspirants for power. Yet once peace was secured and the caliphate lands united once more, al-Maʾmūn's reign settled down into one of the most exciting and innovative of the mediaeval caliphate. The Caliph himself was a highly cultivated man who possessed a keen intellectual curiosity and who interested himself in the practical sciences, astronomy and mathematics. He also encouraged the translating of Greek philosophical, scientific and medical works from Greek and Syriac into Arabic and involved himself in theological controversies in which the dialectical techniques of the Greek thinkers were to figure. ʿAbar's history of this period constitutes a prime source for political and military history. His racy and vivid style, including many verbatim conversations and documents, brings the Caliphate of al-Maʾmūn very much alive. A discounted price is available when purchasing the entire 39-volume History of al-ʿAbar set. Contact SUNY Press for more information.

**The History of al-ʿAbar** Vol. 30 Abū Jaʿfar Muḥammad ibn Jarīr al-ʿAbar, 1989-01-01 This volume of al-ʿAbar's History covers nearly a quarter of a century, and after covering the very brief caliphate of al-Hādī, concentrates on that of Hārūn al-Rashīd. During these years, the caliphate was in a state of balance with its external foes; the great enemy, Christian Byzantium, was regarded with respect by the Muslims, and the two great powers of the Near East treated each other essentially as equals, while the Caucasian and Central Asian frontiers were held against pressure from the Turkish peoples of Inner Eurasia. The main stresses were internal, including Shīʿite risings on behalf of the excluded house of ʿAlī, and revolts by the radical equalitarian Khārijites; but none of these was serious enough to affect the basic stability of the caliphate. Hārūn al-Rashīd's caliphate has acquired in the West, under the influence of a misleading picture from the Arabian Nights, a glowing image as a golden age of Islamic culture and letters stemming from the Caliph's patronage of the exponents of these arts and sciences. In light of the picture of the Caliph which emerges from al-ʿAbar's pages, however, this image seems to be distinctly exaggerated. Al-Rashīd himself does not exhibit any notable signs of administrative competence, military leadership or intellectual interests beyond those which convention demanded of a ruler. For much of his reign, he left the business of government to the capable viziers of the Barmakīd family--the account of whose spectacular fall from power forms one of the most dramatic features of al-ʿAbar's narratives here--and his decision to divide the Islamic empire after his death between his sons was to lead subsequently to a disastrous civil war. Nevertheless, al-ʿAbar's story is full of interesting sidelights on the lives of those involved in the court circle of the time and on the motivations which impelled medieval Muslims to seek precarious careers there. A discounted price is available when purchasing the entire 39-volume History of al-ʿAbar set. Contact SUNY Press for more information.

Surf City Dean Torrence, 2016-09-13 The Jan and Dean Story is a personal story of the iconic musician and entrepreneur Dean Torrence. As a memoir The Jan and Dean Story has elements of humor, tragedy and redemption. It tells their story from the early high school friendship struck up between Jan Berry and Dean Torrence and their ascent to the dizzying heights of stardom riding the crest of the “surf” craze. The Jan and Dean Story is as much about the culture of the 1960s as it is about music. Dean has lived an incredible life and continues to promote a lifestyle and surf culture that is now universally admired and followed throughout the world. The story also recounts Jan’s tragic car accident and his ability to recover enough to continue to perform will be inspiring to many readers even those not familiar with surf music. For pop culture addicts and music buffs alike this book is indispensable. As early teen icons, Jan and Dean left an indelible mark on the music of the 60’s and the American psyche. Dean Torrence is still touring and creating music and often appears with the Beach Boys and other groups from the heyday of surf music.

**The Invention of Yesterday** Tamim Ansary, 2019-10-01 From language to culture to cultural collision: the story of how humans invented history, from the Stone Age to the Virtual Age Traveling across millennia, weaving the experiences and world views of cultures both extinct and extant, The Invention of Yesterday shows that the engine of history is not so much heroic (battles won), geographic (farmers thrive), or anthropogenic (humans

change the planet) as it is narrative. Many thousands of years ago, when we existed only as countless small autonomous bands of hunter-gatherers widely distributed through the wilderness, we began inventing stories--to organize for survival, to find purpose and meaning, to explain the unfathomable. Ultimately these became the basis for empires, civilizations, and cultures. And when various narratives began to collide and overlap, the encounters produced everything from confusion, chaos, and war to cultural efflorescence, religious awakenings, and intellectual breakthroughs. Through vivid stories studded with insights, Tamim Ansary illuminates the world-historical consequences of the unique human capacity to invent and communicate abstract ideas. In doing so, he also explains our ever-more-intertwined present: the narratives now shaping us, the reasons we still battle one another, and the future we may yet create.

*Unbecoming* Gabriela M.c., 2023-02-17 They thought they had silenced her, but little did they know, she would grow up to become calladita no more. UNBECOMING, is Gabriela's second memoir as she narrates the unexpected challenges of being a new mom, wife, and recent grad, all within the same year. A dark family secret that kept her in the shadows for 15 years was finally revealed and her entire belief system was shaken to the core. Through the heartbreak and trauma that she had to endure, an unexpected blessing came and helped her find her voice once more.

*Achtung-Panzer!* Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

*Toby And His Dragon Librarian* Colbie Dunbar, Lorelei M Hart, 2023-10-14 Sometimes you can go home again. Alpha dragon shifter Dane dreamed of running a huge city library, but as he finished his degree, he was hit with the reality that his dragon didn't want to be trapped in a world of steel and concrete. He longed for fresh air and a place to fly. When a small community in the middle of nowhere advertised for a head librarian, he applied immediately. It might not be the job of his dreams, but sating his dragon and doing what he loved was worth it. Human omega Toby left his small town the day after graduation and never looked back. He had big plans that included a fancy college degree, an office with a window, and a house in the burbs. Toby got all of that and more, but as each year passed, the more he felt called home. When his father had a stroke, he saw it as a sign it was time to leave the city and get back to his roots. When the internet at his father's house goes out, Toby does the old-fashioned thing and heads to the local library where he meets the epitome of sexy librarians. If only the guy didn't hide in his office the second Toby walked in. *Toby and His Dragon Librarian* is a sweet with knotty heat, country-city, MM, mpreg, shifter romance brought to you by the popular co-writing team of Colbie Dunbar and Lorelei M. Hart. It features a human coming home, a dragon reevaluating his dreams, a hoard sweeter than honey, an adorable kitten, an unexpected clutch, true love, fated mates, an adorable baby, and a guaranteed HEA. If you love your omegas strong, your alphas hawt, and your mpreg with heart, download *Toby and His Dragon Librarian* today.

*Shinto in History* John Breen, Mark Teeuwen, 2013-10-18 This is the only book to date offering a critical overview of Shinto from early times to the modern era, and evaluating Shinto's place in Japanese religious culture. In recent years, a few books on medieval Shinto have appeared, but none has attempted to depict the broader picture, to examine critically Shinto's origins and its subsequent development through the medieval, pre-modern and modern periods. The essays in this book address such key topics as Shinto and Daoism in early Japan, Shinto and the natural environment, Shinto and state ritual in early Japan, Shinto and Buddhism in medieval Japan, and Shinto and the state in the modern period. All of the essays highlight the dynamic nature of Shinto and shrine history by focusing on the three-way relationship, often fraught, between local shrine cults, Shinto

agendas and Buddhism.

**Green Lantern** Christopher Priest,2008-01-28 Cosmic police officers responsible for protecting the universe, the Green Lantern Corp is an organization numbering in the hundreds, with each Lantern assigned sectors of space to patrol. First introduced in the 1940s, The Green Lantern is one of the original superheroes of the DC Universe--with three generations of fans--and his (and their) popularity continues today. In Book 3 of Sleepers, Hal Jordan (the most popular of the Green Lantern Corp among comic book fans) has been stripped of his powers, but it is up to him to fight the clones of the villain Sinestro, set loose by actions in the trilogy's first volume. In order to save the earth, he may have to sacrifice himself by taking the power rings on a one-way trip to the anti-matter universe.

**A Laboratory Guide in Entomology** Oscar Wilhelm Oestlund,1900

**The History of al-ʿAbar** Vol. 13 Abū Jaʿfar Muḥammad ibn Jarīr al-ʿAbar,1989-07-28 This volume deals with the aftermath of the decisive battle at al-Qādisiyyah described in the previous volume. First, the conquest of southern Iraq is consolidated; in rapid succession there follow the accounts of the battles at Burs and Bābil. Then in 16/637 the Muslim warriors make for the capital al-Mada'in, ancient Ctesiphon, which they conquer after a brief siege. The Persian king seeks refuge in Ḥulwān, leaving behind most of his riches, which are catalogued in great detail. In the same year the Muslim army deals the withdrawing Persians another crushing blow at the battle of Jalūlī. This volume is important in that it describes how the newly conquered territories are at first administered. As the climate of al-Mada'in is felt to be unwholesome, a new city is planned on the Tigris. This is al-Kūfah, which is destined to play an important role as the capital city of the fourth caliph, 'Alī. The planning of al-Kūfah is set forth in considerable detail, as is the building of its main features--the citadel and the great congregational mosque. After this interlude there follow accounts of the conquests of a string of towns in northern Mesopotamia, which bring the Muslim fighters near the border with al-Jazirah. That region is conquered in 17/638. The history of its conquest is preceded by an account of the Byzantines' siege of the city of Ḥim. Also in this year, 'Umar is recorded to have made a journey to Syria, from which he is driven back by a sudden outbreak of the plague, the so-called Plague of 'Amawīs. The scene then shifts back to southwestern Iran, where a number of cities are taken one after another. The Persian general al-Hurmuzān is captured and sent to Medina. After this, the conquest of Egypt--said to have taken place in 20/641--is recorded.

The volume concludes with a lengthy account of the crucial battle at Nihawand of 21/642. Here the Persians receive a blow that breaks their resistance definitively. This volume abounds in sometimes very amusing anecdotes of man-to-man battles, acts of heroism, and bizarre, at times even miraculous events. The narrative style is fast-moving, and the recurrence of similar motifs in the historical expose lends them authenticity. Many of the stories in this volume may have begun as yarns spun around campfires. It is not difficult to visualize an early Islamic storyteller regaling his audience with accounts that ultimately found their way to the file on conquest history collected by Sayf ibn 'Umar, al-ʿAbar's main authority for this volume. A discounted price is available when purchasing the entire 39-volume History of al-ʿAbar set. Contact SUNY Press for more information.

*That Time I Got Reincarnated as a Slime, Vol. 10 (light novel)* Fuse,2021-01-19 AN INSATIABLE GREED The Tempest Founder's Festival was a roaring success, and after working out a few kinks, the Advanced Dungeon is proving to be a major Tempest tourist attraction. Now Rimuru's next objective is to join the infamous Council of the West--however, a certain influential figure working from the shadows of the Council has no intention of allowing someone as powerful as Rimuru to take a seat at the table, and she will stop at nothing to quietly snuff him out before he makes any moves!

**Acute Surgical Management** Nian Chih Hwang,London Ooi,2004 Acute surgical emergencies constitute one of the main clinical aspects that a doctor in hospital practice is expected to handle and manage. This book addresses some of the important and common acute surgical conditions, and has been written from an Asian perspective, with extensive experimental input from practices that are more common in Europe and America. Various aspects of surgical emergencies, ranging from clinical condition to diagnosis and management, are discussed.Acute Surgical Management will be suitable for institutional clinicians and medical students, and should be especially useful to those who have some contact with patients with surgical conditions. This would include surgeons (and basic or advanced surgical trainees), emergency specialists, anaesthetists and intensivists, as well as various surgical sub-specialists.This book has been selected for coverage in: ? CC / Clinical Medicine? Index to Scientific Book Contents? (ISBC

**The Book in Japan** Peter Kornicki,2021-12-06 This study deals with all aspects of the history of the book in Japan, from the production of manuscripts and printed books to book-collecting, libraries, censorship and readership. It also sets books in the context of Japan's cultural ties with China, Korea and Parhae. The focus is on the history of both texts and physical books. This encompasses not only books in Japanese but also books in Chinese by Chinese and Korean authors, and some Western books as well. It is an essential reference tool and bibliographic guide for all those interested in book studies, and particularly of importance for historians of

Japanese culture. It is illustrated with examples taken from various collections of early Japanese books in Europe.
