Downeast Gigi Georges,2021-05-25 In Downeast, Gigi Georges follows five girls as they come of age in one of the most challenging and geographically isolated regions on the Eastern seaboard. Their stories reveal surprising truths about rural America and offer hope for its future. “It’s almost impossible not to care about these fierce young women and cheer for their hard-won successes” (Kirkus) in this “heartfelt portrait” and “worthy tribute” (Publishers Weekly). Nestled in Maine’s far northeast corner, Washington County sits an hour’s drive from the heart of famed and bustling Acadia National Park. Yet it’s a world away. For Willow, Vivian, McKenna, Audrey, and Josie—five teenage girls caught between tradition and transformation in this remote region—it is home. Downeast follows their journeys of heartbreak and hope in uncertain times, creating a nuanced and unique portrait of rural America with women at its center. Willow lives in the shadow of an abusive, drug-addicted father and searches for stability through photography and love. Vivian, a gifted writer, feels stifled by her church and town, and struggles to break free without severing family ties. McKenna is a softball pitching phenom whose passion is the lobster-fishing she learned at her father’s knee. Audrey is a beloved high school basketball star who earns a coveted college scholarship but questions her chosen path. Josie, a Yale-bound valedictorian, is determined to take the world by storm. All five girls know the pain and joy of life in a region whose rugged beauty and stoicism mask dwindling populations, vanishing job opportunities, and pervasive opioid addiction. As the girls reach adulthood, they discover that despite significant challenges, there is much to celebrate in “the valley of the overlooked.” Their stories remind us of the value of timeless ideals: strength of family and community, reverence for nature’s rule, dignity in cracked hands and muddied shoes, and the enduring power of home. Revealed through the eyes of Willow, Vivian, McKenna, Audrey, and Josie, Downeast is based on four years of intimate reporting. The result is a beautifully rendered, emotionally startling, and vital book. Downeast will break readers’ hearts yet offer them hope, providing answers to what the future may hold for rural America.

Take Her and Run Gabriella Grace,2018-06-15 After cutting the birth mother out of the girls lives, the father develops a relationship with a woman who falls in love with the two little girls. She has a special place in her heart for the one with special needs. Behaviors lead Veronica to suspect molestation, but for a long time, there is no evidence. Eventually, history comes to light, and after denials and confrontations, the family breaks up. The girls are first left with Veronica, but eventually, the father gains back custody of one and then both girls. When actual evidence of molestation presents itself, it is reported, but the father retains custody and cuts the only mom they know out of both girls lives. In this story, an opportunity arises for Veronica to kidnap the girl with developmental delay. She takes this opportunity to run and hide, making the long drive to the East Coast where she knows absolutely no one. Veronica disguises Dani as a boy, colors and perms her hair, gathers her pets, and sets out on a road trip to remember. The journey to the East Coast is overall a happy time but always with an underlying fear of exposure.

Maine J. Courtney Sullivan,2012-05-29 This breakout New York Times bestseller from the celebrated author of Commencement and The Engagements, introduces four unforgettable women and the abiding, often irrational love that keeps them coming back, every summer, to Maine and to each other. For the Kellehers, Maine is a place where children run in packs, showers are taken outdoors, and old Irish songs are sung around a piano. As three generations of Kelleher women arrive at the family's beach house, each brings her own hopes and fears. Maggie is thirty-two and pregnant, waiting for the perfect moment to tell her imperfect boyfriend the news; Ann Marie, a Kelleher by marriage, is channeling her domestic frustration into a dollhouse obsession and an ill-advised crush; Kathleen, the black sheep, never wanted to set foot in the cottage again; and Alice, the matriarch at the center of it all, would trade every floorboard for a chance to undo the events of one night, long ago.

The Duality Principle Rebecca Grace Allen,2014-11-11 Sometimes A + B = O. Yes. Oh, yes. Just like that. Gabriella Evans's life exists in terms of logic and definitions. She's holed up in Portland, Maine, for the summer to work on her PhD thesis, but something is screwing up her concentration: the rumble of a motorcycle every time the embodiment of her rough-and-tumble fantasies rides down her street. When her best friend talks her into a blind date, she finds herself out with the opposite of her fantasy. He's polite and well-mannered, yet something behind his crisply tailored shirt doesn't add up--a rebellious gleam in his eye that piques her curiosity. Orphaned at fifteen, Connor Starks has finally put the years of failing grades, breaking laws and breaking hearts behind him. The only holdover? His penchant for getting down and dirty in public places. But Gabriella makes him want to prove he's become a better man. Nothing intrigues Gabriella more than a problem she can't solve. But the more Connor tries to bury his past, the more determined she is to uncover it. And what she finds makes all her trusty logic begin to fail her... Warning: This book contains a summer romance, dirty talk, dockside kissing, motorcycles and tattoos. Features a rebellious nerdy girl with an appetite for outdoor sex and light spanking, and a bad boy who's turned good...or at least he's trying.
