Tomorrow, and Tomorrow, and Tomorrow Gabrielle Zevin, 2022-07-05 NEW YORK TIMES BEST SELLER • Sam and Sadie—two college friends, often in love, but never lovers—become creative partners in a dazzling and intricately imagined world of video game design, where success brings them fame, joy, tragedy, duplicity, and, ultimately, a kind of immortality. It is a love story, but not one you have read before. Delightful and absorbing. —The New York Times • Utterly brilliant. —John Green One of the Best Books of the Year: The New York Times, Entertainment Weekly, TIME, GoodReads, Oprah Daily From the best-selling author of *The Storied Life of A. J. Fikry*: On a bitter-cold day, in the December of his junior year at Harvard, Sam Masur exits a subway car and sees, amid the hordes of people waiting on the platform, Sadie Green. He calls her name. For a moment, she pretends she hasn't heard him, but then, she turns, and a game begins: a legendary collaboration that will launch them to stardom. These friends, intimates since childhood, borrow money, beg favors, and, before even graduating college, they have created their first blockbuster, *Ichigo*. Overnight, the world is theirs. Not even twenty-five years old, Sam and Sadie are brilliant, successful, and rich, but these qualities won't protect them from their own creative ambitions or the betrayals of their hearts. Spanning thirty years, from Cambridge, Massachusetts, to Venice Beach, California, and lands in between and far beyond, Gabrielle Zevin's *Tomorrow, and Tomorrow, and Tomorrow* examines the multifarious nature of identity, disability, failure, the redemptive possibilities in play, and above all, our need to connect: to be loved and to love.

Memoirs of a Teenage Amnesiac Gabrielle Zevin, 2009-06-23 If Naomi had picked tails, she would have won the coin toss. She wouldn't have had to go back for the yearbook camera, and she wouldn't have hit her head on the steps. She wouldn't have woken up in an ambulance with amnesia.

She certainly would have remembered her boyfriend, Ace. She might even have remembered why she fell in love with him in the first place. She would understand why her best friend, Will, keeps calling her Chief. She'd know about her mom's new family. She'd know about her dad's fiancée. She never would have met James, the boy with the questionable past and the even fuzzier future, who tells her he once wanted to kiss her. She wouldn't have wanted to kiss him back. But Naomi picked heads. After her remarkable debut, Gabrielle Zevin has crafted an imaginative second novel all about love and second chances. *Memoirs of a Teenage Amnesiac* is a 2008 Bank Street - Best Children's Book of the Year.

Her Best-Kept Secret Gabrielle Glaser, 2013-07-02 For readers of *Quit Like a Woman*, this "engaging account of women and drink, [cites] fascinating studies about modern stressors...and evidence that some problem drinkers can learn moderation....Bound to stir controversy" (People). In *Her Best-Kept Secret*, journalist Gabrielle Glaser uncovers a hidden-in-plain-sight drinking epidemic. Using "investigative rigor and thoughtful analysis" (The Boston Globe), Glaser is the first to document that American women are drinking more often than ever and in ever-larger quantities in this "substantial book, interested in hard facts and nuance rather than hand-wringing" (The New York Times Book Review). She shows that contrary to the impression offered on reality TV, young women alone aren't driving these statistics—their moms and grandmothers are, too. But Glaser doesn't wag a finger. Instead, in a funny and tender voice, Glaser looks at the roots of the problem, explores the strange history of women and alcohol in America, drills into the emerging and counterintuitive science about that relationship, and asks: Are women getting the help they need? Is it possible to return from beyond the sipping point and develop a healthy relationship with the bottle? Glaser reveals that, for many women, joining Alcoholics Anonymous is not the answer—it is part of the problem. She shows that as scientists and health professionals learn more about women's

particular reactions to alcohol, they are coming up with new and more effective approaches to excessive drinking. In that sense, Glaser offers modern solutions to a very modern problem.

The Storied Life of A. J. Fikry (movie tie-in) Gabrielle Zevin, 2022-09-06 “Marvelously optimistic about the future of books and bookstores and the people who love both.”—The Washington Post A. J. He lives alone, his bookstore is experiencing the worst sales in its history, and now his prized possession, a rare collection of Poe poems, has been stolen. But when a mysterious package appears at the bookstore, its unexpected arrival gives Fikry the chance to make his life over--and see everything anew. “This novel has humor, romance, a touch of suspense, but most of all love--love of books and bookish people and, really, all of humanity in its imperfect glory.” —Eowyn Ivey, author of *The Snow Child* “You won’t want it to end.” —Family Circle “A natural for book groups.” —Richmond Times-Dispatch “A reader’s paradise of the first order.” —The Buffalo News “A fun, page-turning delight.” —Minneapolis Star Tribune “Captures the joy of connecting people and books . . . Irresistible.” —Booklist “A wonderful, moving, endearing story of redemption and transformation that will sing in your heart for a very, very long time.” —Garth Stein, author of *The Art of Racing in the Rain* “Readers who delighted in *The Guernsey Literary and Potato Peel Pie Society*, *The Unlikely Pilgrimage of Harold Fry*, and *Letters from Skye* will be equally captivated by this novel.” —*Library Journal, starred review

You Got Anything Stronger? Gabrielle Union, 2021-09-14 Included in Time's 100 Must Read Books of 2021 list * A New York Times Best Seller * One of Audible's Best of The Year * AV Club's Best Books to Buy "Funny, tender, and so good." — Mindy Kaling, #1 New York Times bestselling author of *Why Not Me?* Remember when we hit it off so well that we decided *We're Going to Need More Wine*? Well, this time you and I are going to turn to our friend the bartender and ask, *You Got Anything Stronger?* I promise to continue to make you laugh, but with this round, the stakes get higher as the conversation goes deeper. So. Where were we? Right, you and I left off in October 2017, when my first book came out. The weeks before were filled with dreams of loss. Pets dying. My husband leaving me. Babies not being born. My therapist told me it was my soul preparing for my true self to emerge after letting go of my grief. I had finally spoken openly about my fertility journey. I was having second thoughts—in fact, so many thoughts they were organizing to go on strike. But I knew I had to be honest because I didn't want other women going through IVF to feel as alone as I did. I had suffered in isolation, having so many miscarriages that I could not give an exact number. Strangers shared their own journeys and heartbreak with me. I had led with the truth, and it opened the door to compassion. When I released *We're Going to Need More Wine*, the response was so great

people asked when I would do a sequel. The New York Times even ran a headline reading “We’re Going to Need More Gabrielle Union.” Frankly, after being so open and honest in my writing, I wasn’t sure there was more of me I was ready to share. But life happens with all its plot twists. And new stories demand to be told. This time, I need to be more vulnerable—not so much for me, but anyone who feels alone in what they’re going through. A lot has changed in four years—I became a mom and I’m raising two amazing girls. My husband retired. My career has expanded so that I have the opportunity to lift up other voices that need to be heard. But the world has also shown us that we have a lot we still have to fight for—as women, as black women, as mothers, as aging women, as human beings, as friends. In *You Got Anything Stronger?*, I show you how this ever-changing life presents challenges, even as it gives me moments of pure joy. I take you on a girl’s night at Chateau Marmont, and I also talk to Isis, my character from *Bring It On*. For the first time, I truly open up about my surrogacy journey and the birth of Kaavia James Union Wade. And I take on racist institutions and practices in the entertainment industry, asking for equality and real accountability. *You Got Anything Stronger?* is me at my most vulnerable. I have recently found true strength in that vulnerability, and I want to share that power with you here, through this book.

Audacious Gabrielle Prendergast, 2015-04-01 Raphaëlle's involvement with a Muslim boy is only slightly less controversial than her contribution to a student art show.

Everybody (Else) Is Perfect Gabrielle Korn, 2021-01-26 From the former editor-in-chief of *Nylon* comes a provocative and intimate collection of personal and cultural essays featuring eye-opening explorations of hot button topics for modern women, including internet feminism, impossible beauty standards in social media, shifting ideals about sexuality, and much more. Gabrielle Korn starts her professional life with all the right credentials. Prestigious college degree? Check. A loving, accepting

family? Check. Instagram-worthy offices and a tight-knit group of friends? Check, check. Gabrielle's life seems to reach the crescendo of perfect when she gets named the youngest editor-in-chief in the history of one of fashion's most influential publication. Suddenly she's invited to the world's most epic parties, comped beautiful clothes and shoes from trendy designers, and asked to weigh in on everything from gay rights to lip gloss on one of the most influential digital platforms. But behind the scenes, things are far from perfect. In fact, just a few months before landing her dream job, Gabrielle's health and wellbeing are on the line, and her promotion to editor-in-chief becomes the ultimate test of strength. In this collection of inspirational and searing essays, Gabrielle reveals exactly what it's truly like in the fashion world, trying to find love as a young lesbian in New York City, battling with anorexia, and trying not to lose herself in a mirage of women's empowerment and Instagram perfection. Through deeply personal essays, Gabrielle recounts her struggles to reconcile her long-held insecurities about her body while coming out in the era of *The L Word*, where swoon-worthy lesbians are portrayed as skinny, fashion-perfect, and power-hungry. She takes us with her everywhere from New York Fashion Week to the doctor's office, revealing that the forces that try to keep women small are more pervasive than anyone wants to admit, especially in a world that's been newly branded as woke. From #MeToo to commercialized body positivity, Korn's biting, darkly funny analysis turns feminist commentary on its head. Both an in-your-face take on impossible beauty standards and entrenched media ideals and an inspiring call for personal authenticity, this powerful collection is ideal for fans of Roxane Gay and Rebecca Solnit.

Pandas on the Eastside Gabrielle Prendergast, 2016-10-04 When ten-year-old Journey Song hears that two pandas are being held in a warehouse in her neighborhood, she worries that they may be hungry, cold and lonely. Horrified to learn that the pandas, originally destined for a zoo in

Washington, might be shipped back to China because of a diplomatic spat between China and the United States, Journey rallies her friends and neighbors on the poverty-stricken Eastside. Her infectious enthusiasm for all things panda is hard to resist, and soon she's getting assistance from every corner of her tight-knit neighborhood.

American Baby Gabrielle Glaser, 2021-01-26 A New York Times Notable Book The shocking truth about postwar adoption in America, told through the bittersweet story of one teenager, the son she was forced to relinquish, and their search to find each other. "[T]his book about the past might foreshadow a coming shift in the future... 'I don't think any legislators in those states who are anti-abortion are actually thinking, "Oh, great, these single women are gonna raise more children." No, their hope is that those children will be placed for adoption. But is that the reality? I doubt it.'" [says Glaser]" -Mother Jones During the Baby Boom in 1960s America, women were encouraged to stay home and raise large families, but sex and childbirth were taboo subjects. Premarital sex was common, but birth control was hard to get and abortion was illegal. In 1961, sixteen-year-old Margaret Erle fell in love and became pregnant. Her enraged family sent her to a maternity home, where social workers threatened her with jail until she signed away her parental rights. Her son vanished, his whereabouts and new identity known only to an adoption agency that would never share the slightest detail about his fate. The adoption business was founded on secrecy and lies. American Baby lays out how a lucrative and exploitative industry removed children from their birth mothers and placed them with hopeful families, fabricating stories about infants' origins and destinations, then closing the door firmly between the parties forever. Adoption agencies and other organizations that purported to help pregnant women struck unethical deals with doctors and researchers for pseudoscientific assessments, and shamed millions of women into surrendering their

children. The identities of many who were adopted or who surrendered a child in the postwar decades are still locked in sealed files. Gabrielle Glaser dramatically illustrates in *Margaret and David's tale*--one they share with millions of Americans--a story of loss, love, and the search for identity.

Young Jane Young Gabrielle Zevin, 2017-08-22 From the author of the international bestseller *The Storied Life of A. J. Fikry* comes another novel that will have everyone talking. Aviva Grossman, an ambitious congressional intern in Florida, makes the mistake of having an affair with her (married) boss. When the affair comes to light, the popular congressman doesn't take the fall. But Aviva does, and her life is over before it hardly begins: slut-shamed, she becomes a late-night talk show punch line, anathema to politics. She sees no way out but to change her name and move to a remote town in Maine. This time, she tries to be smarter about her life and strives to raise her daughter, Ruby, to be strong and confident. But when, at the urging of others, Aviva decides to run for public office, that long-ago mistake trails her via the Internet and catches up--an inescapable scarlet A. In the digital age, the past is never, ever, truly past. And it's only a matter of time until Ruby finds out who her mother was and is forced to reconcile that person with the one she knows. *Young Jane Young* is a smart, funny, serious, and moving novel about the myriad ways in which roles are still circumscribed for women, whether they are young and ambitious interns; mothers attempting to steer their daughters through a male-dominated world; political wives facing an age-old knowledge that fidelity isn't always honored; or young girls feeling bold about their many choices before they realize the gender restrictions all around them. Gabrielle Zevin captures not only the double standards alive and well in every aspect of life for women but also the mood of our recent highly charged political season.

Turtle Alveston is a survivor. At fourteen, she roams the woods along the northern California coast. The creeks, tide pools, and rocky islands are her haunts and her hiding grounds, and she is known to wander for miles. But while her physical world is expansive, her personal one is small and treacherous: Turtle has grown up isolated since the death of her mother, in the thrall of her tortured and charismatic father, Martin. Her social existence is confined to the middle school (where she fends off the interest of anyone, student or teacher, who might penetrate her shell) and to her life with her father. Then Turtle meets Jacob, a high-school boy who tells jokes, lives in a big clean house, and looks at Turtle as if she is the sunrise. And for the first time, the larger world begins to come into focus: her life with Martin is neither safe nor sustainable. Spirit Junkie Gabrielle Bernstein, 2012-09-18 “So long, Carrie Bradshaw—there’s a new role model for go-getting thirty-somethings. Gabrielle Bernstein is doling out inner peace and self-love for the postmodern spiritual set.”—Elle Foreword by Marianne Williamson Before she became a celebrated teacher and lecturer, Gabrielle Bernstein was going down a dangerous path. For years, Bernstein struggled with eating disorders, drug and alcohol abuse, and constant self-doubt and self-loathing. That all changed when she discovered *A Course in Miracles*, which taught her that much of what she feared in life was not frightening at all and, in many cases, not even real. Now, Bernstein lives an empowered, healthy, and joyful life. In *Spirit Junkie*, Bernstein guides readers through the life-changing lessons that shaped her spiritual journey: how we become accustomed to fearful ways of thinking, how to recognize and change those thought patterns to make way for bliss, and how to maintain our happiness and share it with the world. By understanding and changing our perceptions,

hang-ups will melt away, resentments will release, and a childlike faith in joy will be reignited. Praise for Spirit Junkie “For those ready to give up their addiction to suffering or who simply need to release the general malaise of a too-busy, too shallow way of life, Spirit Junkie is a soothing balm for the soul. Gabrielle Bernstein is a brilliant shining guide for all who seek to have more love, more light and more miracles in their life.”—Arielle Ford, author of The Soulmate Secret
