Where Lives Lead Gabrielle F. Culmer, 2017-09-29 Mindy is a firm believer that true love conquers all. Her husband, Blaine, has been by her side for years, through even the most horrifying of tragedies. Now as she enjoys a life of marital bliss in upstate New York and Crystal Shores, Mindy has no idea that her husband is about to drop a bombshell that will change everything. Mindy, who is busy planning a gala and riding her horses, wants a family more than anything. When Blaine tells her he wants to expand his empire to the film industry on the West Coast, Mindy decides to shun her misgivings and support his dreams but only if he agrees to a bicoastal arrangement. As their lives are propelled in a new direction and as a cast arrives on Crystal Shores for a film project, Mindy and Blaine must now try to stay focused on each other, despite their hectic schedules. But as Blaine's professional life unfolds just as he imagined it, will he find a way and the time to help Mindy realize her own dreams? *Where Lives Lead* is a contemporary tale of love, sacrifice, and hope as a married couple attempts to balance their very different professional dreams with a desire to start a family.

Elsewhere Gabrielle Zevin, 2006-01-01 Presents a novel of hope, love, and redemption.

Architecture and Rural Life in Central Delaware, 1700-1900 Bernard L. Herman, 1989-10 A pioneering account of mid-Atlantic folk architecture and of the nineteenth-century transformation of traditional agriculture. . . . A major study of American vernacular architecture.--Dell Upton, University of California, Berkeley Bernard L. Herman has provided us with a model study in the interdisciplinary interpretation of a common landscape.--Robert Blair St. George, *Journal of American Folklore* An impressive study that adds an important dimension to our understanding of the built environment.--Clifford E. Clark Jr., *American Historical Review* A wide range of reader expectations will be met by this book. Herman provides a focused community study as well as an interpretation of vernacular architecture in the Mid-Atlantic region.--John Michael Vlach, *Journal of the Society of Architectural Historians* Scholars will be impressed by Herman's ability to marshal different kinds of evidence to buttress his contention that architecture reveals not just how people materially ordered their lives but helped 'to create and maintain order, to project images of self and community, and to control meaning in social discourse.'--Choice The Author: Bernard L. Herman teaches at the University of Delaware, where is a professor of art history and senior research fellow at the Center for Historic Architecture and Design. Among his many publications are *Everyday Architecture of the Mid-Atlantic: Looking at Buildings and Landscapes* (co-author with Gabrielle M. Lanier) and *Historical Architectural and the Study of American Culture* (co-editor with Lu Ann De Cunzo).

Everybody (Else) Is Perfect Gabrielle Korn, 2021-01-26 From the former editor-in-chief of *Nylon* comes a provocative and intimate collection of personal and cultural essays featuring eye-opening explorations of hot button topics for modern women, including internet feminism, impossible beauty standards in social media, shifting ideals about sexuality, and much more. Gabrielle Korn starts her professional life with all the right credentials. Prestigious college degree? Check. A loving, accepting family? Check. Instagram-worthy offices and a tight-knit group of friends? Check, check. Gabrielle's life seems to reach the crescendo of perfect when she gets named the youngest editor-in-chief in the history of one of fashion's most influential publication. Suddenly she's invited to the world's most epic parties, comped beautiful clothes and shoes from trendy designers, and asked to weigh in on everything from gay rights to lip gloss on one of the most influential digital platforms. But behind the scenes, things are far from perfect. In fact, just a few months before landing her dream job, Gabrielle's health and wellbeing are on the line, and her promotion to editor-in-chief becomes the ultimate test of strength. In this collection of inspirational and searing essays, Gabrielle reveals exactly what it's truly like in the fashion world, trying to find love as a young lesbian in New York City, battling with anorexia, and trying not to lose herself in a mirage of women's empowerment and Instagram perfection. Through deeply personal essays, Gabrielle recounts her struggles to reconcile her long-held insecurities about her body while coming out in the era of *The L Word*, where swoon-worthy lesbians are portrayed as skinny, fashion-perfect, and power-hungry. She takes us with her everywhere from New York Fashion Week to the doctor's office, revealing that the forces that try to keep women small are more pervasive than anyone wants to admit, especially in a world that's been newly branded as woke. From #MeToo to commercialized body positivity, Korn's biting, darkly funny analysis turns feminist commentary on its head. Both an in-your-face take on impossible beauty standards and entrenched media ideals and an inspiring call for personal authenticity, this powerful collection is ideal for fans of Roxane Gay and Rebecca Solnit.

Enough Gabrielle Giffords, Mark Kelly, Harry Jaffe, 2014-09-30 Former Congresswoman Gabrielle Giffords—disabled from an assassination attempt in Tucson, Arizona—and her husband, astronaut Mark Kelly, share their impassioned argument for responsible gun ownership and more responsible gun control laws, despite being gun owners and staunch supporters of the Second Amendment themselves.

Strangers to the Tribe Gabrielle Glaser, 1997 Any marriage is an adventure, but for partners with different religious backgrounds, the journey is sure to offer some unexpected twists. In *Strangers to the Tribe*, the journalist Gabrielle Glaser introduces us to eleven Jewish-Gentile couples, their families, and the many ways they have found to navigate their differences. Based on candid interviews across America with couples of all ages, these true stories will inform and inspire anyone embarked on an interfaith partnership. How do Rachel and Eric, a Jewish-Episcopal couple, raise their blended family? How does the Wong family honor all the strands of its Chinese-Hawaiian-Jewish heritage? Can Robin, an outgoing Jew who dreams of becoming a rabbi, and Lee, an introverted Anglo-Catholic, keep their partnership intact? Today, more than half of America's Jews marry outside the faith. Will intermarriage dilute American Judaism beyond recognition? Or will it inspire at least some secular Jews to renew their religious identity, bringing more people into the Jewish fold? These portraits, unsparing yet nonjudgmental, show how the answers are taking shape in interfaith America.

The Wherewood Gabrielle Prendergast, 2021-08-17 Fourteen-year-old Blue (a human) should be upset that his new friends Salix (a Nixie) and Finola (a Faerie) have tricked him into going on another adventure into the Faerieland. But he's actually quite excited. Especially since their quest to find the way back to Salix's homeland takes them through the Wherewood, a magical region where lost things go. They encounter confused pets, misplaced homework assignments and mountains of odd socks. But when a misstep leads Blue into the forsaken Witherwood, he comes face to face with an old enemy. And Olea, the cursed former queen of Nearwood, will not let Blue go so easily this time. This is the second book in the Faerie Woods series, following *The Crosswood*.

Gabby Gabrielle Giffords, Mark Kelly, 2012-10-11 A deeply personal account of Congresswoman Gabrielle Giffords' and

The book also tells the story of her recovery progress and traces Kelly's career from decorated Desert Storm combat pilot to his recent mission as the commander of Space Shuttle Endeavour's final flight.

Blood, Bones & Butter Gabrielle Hamilton, 2012-01-24 NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Miami Herald • Newsday • The Huffington Post • Financial Times • GQ • Slate • Men's Journal • Washington Examiner • Publishers Weekly • Kirkus Reviews • National Post • The Toronto Star • BookPage • Bookreporter Before Gabrielle Hamilton opened her acclaimed New York restaurant Prune, she spent twenty hard-living years trying to find purpose and meaning in her life. *Blood, Bones & Butter* follows an unconventional journey through the many kitchens Hamilton has inhabited through the years: the rural kitchen of her childhood, where her adored mother stood over the six-burner with an oily wooden spoon in hand; the kitchens of France, Greece, and Turkey, where she was often fed by complete strangers and learned the essence of hospitality; Hamilton's own kitchen at Prune, with its many unexpected challenges; and the kitchen of her Italian mother-in-law, who serves as the link between Hamilton's idyllic past and her own future family—the result of a prickly marriage that nonetheless yields lasting dividends. By turns epic and intimate, Gabrielle Hamilton's story is told with uncommon honesty, grit, humor, and passion. Judgment Detox Gabrielle Bernstein, 2018-01-02 "Gabrielle is the real thing. I respect her work immensely." —Dr. Wayne Dyer "A new role model." —The New York Times "I came to one of Bernstein's monthly lectures and got my first look at the woman I'd one day unabashedly refer to as 'my guru.'" —Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you'll feel more peace and happiness than you've ever known. I can testify to these results because I've lived them. I've never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on spiritual principles from the text *A Course in Miracles*, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I've demystified these principles to make them easy to commit to and apply in your daily life. Each lesson builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you're in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You'll attract exactly what you need, your relationships will heal, your health will improve and you'll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.

The Delaware Valley in the Early Republic Gabrielle M. Lanier, 2005-01-18 Gabrielle M. Lanier challenges prevailing characterizations of the region as culturally monolithic and reassesses its role in the formation of a distinctly American identity through the history, geography, and architecture of three of the valley's diverse cultural landscapes. Through narratives of individual lives, aggregate data from tax rolls and censuses, archival research, and close analysis of the built vernacular environment, Lanier examines the unique ethnic, class, and religious constitution of each subregion, as well as its racial diversity, political orientation, economic organization, and cultural imprint on the landscape.--Jacket.

With hilarious stories, wise insights, and concrete takeaways on topics ranging from navigating relationship issues to aging gracefully to getting smart about food, *My Foot Is Too Big for the Glass Slipper* is the brutally honest, wickedly funny, and deeply helpful portrait of the humor, grace, and humility it takes to survive the happily ever after.

Memoirs of a Teenage Amnesiac Gabrielle Zevin,2009-06-23 If Naomi had picked tails, she would have won the coin toss. She wouldn't have had to go back for the yearbook camera, and she wouldn't have hit her head on the steps. She wouldn't have woken up in an ambulance with amnesia. She certainly would have remembered her boyfriend, Ace. She might even have remembered why she fell in love with him in the first place. She would understand why her best friend, Will, keeps calling her Chief. She'd know about her mom's new family. She'd know about her dad's fiancée. She never would have met James, the boy with the questionable past and the even fuzzier future, who tells her he once wanted to kiss her. She wouldn't have wanted to kiss him back. But Naomi picked heads. After her remarkable debut, Gabrielle Zevin has crafted an imaginative second novel all about love and second chances. Memoirs of a Teenage Amnesiac is a 2008 Bank Street - Best Children's Book of the Year.

The Sleeping World Gabrielle Lucille Fuentes,2016-09-13 In this “astonishing and haunting debut” (Publishers Weekly), a young woman searching for her lost brother is willing to risk everything amidst the riots, protests, and uprisings of post-Franco Spain. Spain, 1977. Military rule is over. Bootleg punk music oozes out of illegal basement bars, uprisings spread across towns, fascists fight anarchists for political control, and students perform protest art in the city center, rioting against the old government, the undecided new order, against the universities, against themselves... Mosca is an intelligent, disillusioned university student, whose younger brother is among the “disappeared,” taken by the police two years ago, now presumed dead. Spurred by the turmoil around them, Mosca and her friends commit an act that carries their rebellion too far and sends them spiraling out of their provincial hometown. But the further they go, the more Mosca believes her brother is alive and the more she is willing to do to find him. The Sleeping World is a “searing, beautifully written” (Cristina Garcia, author of Dreaming in Cuban) and daring novel about youth, freedom, and our most visceral need: to keep our loved ones safe.
