Everybody (Else) Is Perfect Gabrielle Korn, 2021-01-26 From the former editor-in-chief of Nylon comes a provocative and intimate collection of personal and cultural essays featuring eye-opening explorations of hot button topics for modern women, including internet feminism, impossible beauty standards in social media, shifting ideals about sexuality, and much more. Gabrielle Korn starts her professional life with all the right credentials. Prestigious college degree? Check. A loving, accepting family? Check. Instagram-worthy offices and a tight-knit group of friends? Check, check. Gabrielle's life seems to reach the crescendo of perfect when she gets named the youngest editor-in-chief in the history of one of fashion's most influential publication. Suddenly she's invited to the world's most epic parties, comped beautiful clothes and shoes from trendy designers, and asked to weigh in on everything from gay rights to lip gloss on one of the most influential digital platforms. But behind the scenes, things are far from perfect. In fact, just a few

months before landing her dream job, Gabrielle's health and wellbeing are on the line, and her promotion to editor-in-chief becomes the ultimate test of strength. In this collection of inspirational and searing essays, Gabrielle reveals exactly what it's truly like in the fashion world, trying to find love as a young lesbian in New York City, battling with anorexia, and trying not to lose herself in a mirage of women's empowerment and Instagram perfection. Through deeply personal essays, Gabrielle recounts her struggles to reconcile her long-held insecurities about her body while coming out in the era of *The L Word*, where swoon-worthy lesbians are portrayed as skinny, fashion-perfect, and power-hungry. She takes us with her everywhere from New York Fashion Week to the doctor's office, revealing that the forces that try to keep women small are more pervasive than anyone wants to admit, especially in a world that's been newly branded as woke. From #MeToo to commercialized body positivity, Korn's biting, darkly funny analysis turns feminist commentary on its head. Both an in-your-face take on impossible beauty standards and entrenched media ideals and an inspiring call for personal authenticity, this powerful collection is ideal for fans of Roxane Gay and Rebecca Solnit.

**Treading the Winepress** Clarissa Minnie Thompson Allen, 2019-12-27 Every life hath its chapter of sorrow. No matter how rich the gilding or fair the pages of the volume, Trouble will stamp it with his sable signet. So begins the novel *Treading the Winepress*; or, *A Mountain of Misfortune* by Clarissa Minnie Thompson Allen, which, had it appeared in book form in 1885-1886 instead of serialized in *The Boston Advocate*, would have been the second novel published by a black woman in the United States. Instead, Allen has been mostly forgotten by literary history. Now, thanks to the painstaking efforts of editors

Gabrielle Brown, Eric Willey, and Jean MacDonald, an edition of Allen's *Treading the Winepress; or, A Mountain of Misfortune* is available to readers for the first time as an open access, hybrid book from Downstate Legacies, part of its ongoing translation and lost books series, *Undiscovered Americas*. In this novel of manners set in Capitolia (a thinly veiled stand-in for Columbia, South Carolina, the author's hometown), Allen recounts the entangled lives of the De Vernes and the Tremaines, two well-to-do black families. The novel unfurls the stories of multiple tragedies endured by each family through episodes of romance, mystery, and murder. Chief among these is the love triangle involving protagonist Gertie Tremaine, esteemed doctor Will De Verne, and Gertie's sister Lenore Gypsy Tremaine. The intrigue that follows leads Gertie to lament the mountains of misfortune she and her family endure. Even though Allen regarded the novel as a girlish protest against what seemed to be serious dangers threatening our race, she insists her object was not to gain 'name and fame' but to call the attention of thinking people to these blots in our social firmament. It is with great excitement that we reintroduce this overlooked classic to contemporary readers.

The Storied Life of A. J. Fikry Gabrielle Zevin, 2014-12-02 Don't miss Gabrielle Zevin's new novel, *Young Jane Young*, coming in August 2017. "Funny, tender, and moving, *The Storied Life of A. J. Fikry* reminds us all exactly why we read and why we love."\* A. J. Fikry's life is not at all what he expected it to be. He lives alone, his bookstore is experiencing the worst sales in its history, and now his prized possession, a rare collection of Poe poems, has been stolen. But when a mysterious package appears at the bookstore, its unexpected arrival gives Fikry the chance to make his life over--and see everything anew.

“This novel has humor, romance, a touch of suspense, but most of all love--love of books and bookish people and, really, all of humanity in its imperfect glory.” —Eowyn Ivey, author of *The Snow Child* “Marvelously optimistic about the future of books and bookstores and the people who love both.” —The Washington Post “You won’t want it to end.” —Family Circle “A natural for book groups.” —Richmond Times-Dispatch “A reader’s paradise of the first order.” —The Buffalo News “A fun, page-turning delight.” —Minneapolis Star Tribune “Captures the joy of connecting people and books . . . Irresistible.” —Booklist “A wonderful, moving, endearing story of redemption and transformation that will sing in your heart for a very, very long time.” —Garth Stein, author of *The Art of Racing in the Rain* “Readers who delighted in *The Guernsey Literary and Potato Peel Pie Society*, *The Unlikely Pilgrimage of Harold Fry*, and *Letters from Skye* will be equally captivated by this novel.” —\*Library Journal, starred review

**Young Jane Young** Gabrielle Zevin, 2017-08-22 From the author of the international bestseller *The Storied Life of A. J. Fikry* comes another novel that will have everyone talking. Aviva Grossman, an ambitious congressional intern in Florida, makes the mistake of having an affair with her (married) boss. When the affair comes to light, the popular congressman doesn’t take the fall. But Aviva does, and her life is over before it hardly begins: slut-shamed, she becomes a late-night talk show punch line, anathema to politics. She sees no way out but to change her name and move to a remote town in Maine. This time, she tries to be smarter about her life and strives to raise her daughter, Ruby, to be strong and confident. But when, at the urging of others, Aviva decides to run for public office, that long-ago mistake trails her via the Internet and catches up—an inescapable scarlet A. In the digital age, the past is never, ever, truly past. And

it's only a matter of time until Ruby finds out who her mother was and is forced to reconcile that person with the one she knows. *Young Jane Young* is a smart, funny, serious, and moving novel about the myriad ways in which roles are still circumscribed for women, whether they are young and ambitious interns; mothers attempting to steer their daughters through a male-dominated world; political wives facing an age-old knowledge that fidelity isn't always honored; or young girls feeling bold about their many choices before they realize the gender restrictions all around them. Gabrielle Zevin captures not only the double standards alive and well in every aspect of life for women but also the mood of our recent highly charged political season.

*#MOVING OUT Tweet Book*01 Gabrielle Jasinski, Eliza Lamson, Elizabeth Wassmann, 2013-05-29

Moving to college can be exciting, yet daunting. High school seniors leaving their childhood homes and heading to college receive lots of advice--from parents, siblings, counselors, and, of course, online. Even so, the guidance they will find in '*#MOVING OUT* tweet' presents unique value. That's because this new book represents the collective firsthand experience of four college students with rich and diverse experiences and with genuine intent to help out young people taking their first steps away from home. The authors--Santa Clara University students Gabrielle Jasinski, Eliza Lamson, Elizabeth Wassmann, and Hannah Miller--understand and respect the all-too-common dilemmas of college freshmen. How do I cook? What do I cook? Who will do my laundry? Where do I go when I just need a hug? Addressing these basics first, the authors then move on to provide guidance that goes beyond the essentials and actually focus on enriching and adding breadth to the college experience. Young college students themselves, the authors

know that the unknown can be frightening. No matter how excited students might be to move to college, it is totally understandable to feel a tinge of nerves. And students are not the only ones feeling nervous; parents feel anxiety, too. It is clear that the authors understand this, because they address parental concerns with skill and empathy. '#MOVING OUT tweet' follows a six-step progression, starting with the pre-move period (typically the senior year of high school) to the long-term--the four years of college and beyond. Written in the easy-to-absorb tweet format, the book will help students to familiarize themselves with many aspects of this new world away from home. Parents too will find immediate value in this book, as it helps their children make a smoother, easier transition to college life. Ultimately, this book will work as a support system for students during and after the big move and will provide answers to the questions that come up during this time of intense change and excitement. '#MOVING OUT tweet' is part of the THiNKaha series whose slim and handy books contain 140 well-thought-out quotes (tweets/ahas).

Impatient with Desire Gabrielle Burton, 2010-03-09 A great adventure. A haunting tragedy. An enduring love. In the spring of 1846, Tamsen Donner, her husband, George, their five daughters, and eighty other pioneers headed to California on the California-Oregon Trail in eager anticipation of new lives out West. Everything that could go wrong did, and an American legend was born. The Donner Party. We think we know their story--pioneers trapped in the mountains performing an unspeakable act to survive--but we know only that one harrowing part of it. Impatient with Desire brings us answers to the unanswerable question: What really happened in the four months the Donners were trapped in the mountains And it brings to stunning life a woman--and a love story--behind the myth. Tamsen Eustis

Donner, born in 1801, taught school, wrote poetry, painted, botanized, and was fluent in French. At twenty-three, she sailed alone from Massachusetts to North Carolina when respectable women didn't travel alone. Years after losing her first husband, Tully, she married again for love, this time to George Donner, a prosperous farmer, and in 1846, they set out for California with their five youngest children. Unlike many women who embarked reluctantly on the Oregon Trail, Tamsen was eager to go. Later, trapped in the mountains by early snows, she had plenty of time to contemplate the wisdom of her decision and the cost of her wanderlust. Historians have long known that Tamsen kept a journal, though it was never found. In *Impatient with Desire*, Burton draws on years of historical research to vividly imagine this lost journal--and paints a picture of a remarkable heroine in an extraordinary situation. Tamsen's unforgettable journey takes us from the cornfields of Illinois to the dusty Oregon Trail to the freezing Sierra Nevada Mountains, where she was forced to confront an impossible choice. *Impatient with Desire* is a passionate, heart-wrenching story of courage, hope, and love in hardship, all told at a breathless pace. Intimate in tone and epic in scope, *Impatient with Desire* is absolutely hypnotic. Praise for *Impatient with Desire* Gabrielle Burton brings us a moving story of human courage and frailty. Tamsen Donner's tale will stay with you long after you've read the last page. --Nancy Horan, author of *Loving Frank* Few figures in the westward movement of this country have the almost mythic presence of Tamsen Donner. With her strong creative gifts, an exceptional talent for clear and moving narrative, and careful research, Burton has most surely succeeded in her intention to capture Tamsen Donner's spirit and has given us a marvelous, moving story of a brave, loving--and real--woman. --Isabel Zuber, author of *Salt Told* through fictional letters and diary entries written by

Tamsen Donner, *Impatient with Desire* is a hauntingly lyrical story of the ill-fated Donner Party, one of the seminal events in America's westward movement. This bittersweet novel of love and sacrifice will tear at your heart. --Sandra Dallas, author of *Prayers for Sale*

*The Courtesan* Susan Carroll, 2005-07-26 Skilled in passion, artful in deception, and driven by betrayal, she is the glittering center of the royal court—but the most desired woman of Renaissance France will draw the wrath of a dangerous adversary. Paris, 1575. The consort of some of Europe's most influential men, Gabrielle Cheney is determined to secure her future by winning the heart of Henry, the Huguenot king of Navarre. As his mistress, Gabrielle hopes she might one day become the power behind the French throne. But her plans are jeopardized by Captain Nicolas Rémy, a devoted warrior whose love Gabrielle desires—and fears—above all. She will also incur the malevolence of the Dark Queen, Catherine de' Medici, whose spies and witch-hunters are legion, and who will summon the black arts to maintain her authority. With the lives of those she loves in peril, Gabrielle must rebel against her queen to fulfill a glorious destiny she has sacrificed everything to gain. Alive with vivid period detail and characters as vibrant as they are memorable, *The Courtesan* is a sweeping historical tale of dangerous intrigues, deep treachery, and one woman's unshakable resolve to honor her heart.

**A Woman Who Defends All the Persons of Her Sex** Gabrielle Suchon, 2010-05-15 During the oppressive reign of Louis XIV, Gabrielle Suchon (1632–1703) was the most forceful female voice in France, advocating women's freedom and self-determination, access to knowledge, and assertion of authority. This volume collects Suchon's writing from two works—*Treatise on Ethics and Politics* (1693) and *On the*

Celibate Life Freely Chosen; or, Life without Commitments (1700)—and demonstrates her to be an original philosophical and moral thinker and writer. Suchon argues that both women and men have inherently similar intellectual, corporeal, and spiritual capacities, which entitle them equally to essentially human prerogatives, and she displays her breadth of knowledge as she harnesses evidence from biblical, classical, patristic, and contemporary secular sources to bolster her claim. Forgotten over the centuries, these writings have been gaining increasing attention from feminist historians, students of philosophy, and scholars of seventeenth-century French literature and culture. This translation, from Domna C. Stanton and Rebecca M. Wilkin, marks the first time these works will appear in English.

**Snowball Earth** Gabrielle Walker, 2009-08-24 The riveting story of Earth's first ice age and the scientist who discovered it 'An engrossing book on the emergence of a stunning new account of events on our primordial planet ... fascinating' Sunday Telegraph 'This is a story worth telling ... Walker is an ideal person to tell it ... Racy and pacy, with a focus on the people involved ... A very entertaining read' Independent 'Did the Earth once undergo a super ice age, one that froze the entire planet? A global adventure story and a fascinating account of scientist Paul Hoffman's quest to prove his maverick 'Snowball Earth' theory, this is science writing at its most gripping. In SNOWBALL EARTH, Gabrielle Walker takes us on a thrilling natural history expedition in search of supporting evidence for the audacious theory which argues that the

Earth experienced a climatic cataclysm 600 million years ago that froze the entire planet from the poles to the equator. Because the global snowball happened so long ago the ice has now long gone - but it left its traces in rocks around the world and in order to see the evidence, Walker visited such places as Australia, Namibia, South Africa and Death Valley, USA. Part adventure story and part travel book, it's a tale of the ultimate human endeavour to understand our origins.

*Margarettown* Gabrielle Zevin, 2006-11-16 It could be about anyone - you, your parents, your best friends. But it's not. It's about a woman called Margaret Towne, and the man who falls in love with her . . . The day he meets Maggie for the first time is the day he understands what it is to be in love. Deeply,

wildly, terminally in love. What he doesn't know is that loving Maggie means loving many women at once. After a brief, intense courtship the two young lovers set off to meet Maggie's family: Margaret, Maggie, Marge, Mia and May - five women of different ages, all living together in a house called Margaron, in a place called Margarettown. Nothing in Maggie's world is quite like anywhere else. Part memoir, part fable, part journey through the many worlds of one woman, **MAGARETTOWN** is a novel about how love takes us over and changes our lives; how it makes lies out of truth and truth out of lies. It is the story of what it takes to love the same person for a lifetime - and about the impossibility of really knowing anything about who it is we have come to love.
