The Storied Life of A. J. Fikry Gabrielle Zevin, 2014-12-02 Don't miss Gabrielle Zevin's new novel, *Young Jane Young*, coming in August 2017. "Funny, tender, and moving, *The Storied Life of A. J. Fikry* reminds us all exactly why we read and why we love."* A. J. Fikry's life is not at all what he expected it to be. He lives alone, his bookstore is experiencing the worst sales in its history, and now his prized possession, a rare collection of Poe poems, has been stolen. But when a mysterious package appears at the bookstore, its unexpected arrival gives Fikry the chance to make his life over--and see everything anew. "This novel has humor, romance, a touch of suspense, but most of all love--love of books and bookish people and, really, all of humanity in its imperfect glory." —Eowyn Ivey, author of *The Snow Child* "Marvelously optimistic about the future of books and bookstores and the people who love both." —The Washington Post "You won't want it to end." —Family Circle "A natural for book groups." —Richmond Times-Dispatch "A reader's paradise of the first order." —The Buffalo News "A fun, page-turning delight." —Minneapolis Star Tribune "Captures the joy of connecting people and books . . . Irresistible." —Booklist "A wonderful, moving, endearing story of redemption and transformation that will sing in your heart for a very, very long time." —Garth Stein, author of *The Art of Racing in the Rain* "Readers who delighted in *The Guernsey Literary and Potato Peel Pie Society*, *The Unlikely Pilgrimage of Harold Fry*, and *Letters from Skye* will be equally captivated by this novel." —*Library Journal, starred review

Everybody (Else) Is Perfect Gabrielle Korn, 2021-01-26 From the former editor-in-chief of *Nylon* comes a provocative and

intimate collection of personal and cultural essays featuring eye-opening explorations of hot button topics for modern women, including internet feminism, impossible beauty standards in social media, shifting ideals about sexuality, and much more. Gabrielle Korn starts her professional life with all the right credentials. Prestigious college degree? Check. A loving, accepting family? Check. Instagram-worthy offices and a tight-knit group of friends? Check, check. Gabrielle's life seems to reach the crescendo of perfect when she gets named the youngest editor-in-chief in the history of one of fashion's most influential publication. Suddenly she's invited to the world's most epic parties, comped beautiful clothes and shoes from trendy designers, and asked to weigh in on everything from gay rights to lip gloss on one of the most influential digital platforms. But behind the scenes, things are far from perfect. In fact, just a few months before landing her dream job, Gabrielle's health and wellbeing are on the line, and her promotion to editor-in-chief becomes the ultimate test of strength. In this collection of inspirational and searing essays, Gabrielle reveals exactly what it's truly like in the fashion world, trying to find love as a young lesbian in New York City, battling with anorexia, and trying not to lose herself in a mirage of women's empowerment and Instagram perfection. Through deeply personal essays, Gabrielle recounts her struggles to reconcile her long-held insecurities about her body while coming out in the era of *The L Word*, where swoon-worthy lesbians are portrayed as skinny, fashion-perfect, and power-hungry. She takes us with her everywhere from New York Fashion Week to the doctor's office, revealing that the forces that try to keep women small are more pervasive than anyone wants to admit, especially in a world that's been newly branded as woke. From #MeToo to commercialized body positivity, Korn's biting, darkly funny analysis turns feminist commentary on its head. Both an in-your-face take on impossible beauty standards and entrenched media ideals and an inspiring call for personal authenticity, this powerful collection is ideal for

fans of Roxane Gay and Rebecca Solnit.

GABRIELLE A Historical Fiction Novel of Six Consecutive Granddaughters Gabrielle de Courten Myers, 2023-08-30

GABRIELLE means God is strong; it is what six related Gabrielles relied on during their life journeys. Their fictional stories are told from cradle to grave spanning four centuries using personal and historical facts. All belonged to the French aristocracy; related privilege afforded them education and wealth but did not prevent them from confronting formidable obstacles and much pain. Thus, all experienced the abyss of losing children and they had to adjust to the death or loss of their spouse, often at a young age, or of parents while still being children themselves. These are female destinies presented by a female author-also a Gabrielle in the same bloodline-who hopes that how these Gabrielles dealt with adversity may be helpful to readers in their own struggles.

Young Jane Young Gabrielle Zevin, 2017-08-22 From the author of the international bestseller *The Storied Life of A. J. Fikry* comes another novel that will have everyone talking. Aviva

Grossman, an ambitious congressional intern in Florida, makes the mistake of having an affair with her (married) boss. When the affair comes to light, the popular congressman doesn't take the fall. But Aviva does, and her life is over before it hardly begins: slut-shamed, she becomes a late-night talk show punch line, anathema to politics. She sees no way out but to change her name and move to a remote town in Maine. This time, she tries to be smarter about her life and strives to raise her daughter, Ruby, to be strong and confident. But when, at the urging of others, Aviva decides to run for public office, that long-ago mistake trails her via the Internet and catches up—an inescapable scarlet A. In the digital age, the past is never, ever, truly past. And it's only a matter of time until Ruby finds out who her mother was and is forced to reconcile that person with the one she knows. Young Jane Young is a smart, funny, serious, and moving novel about the myriad ways in which roles are still circumscribed for women, whether they are young and ambitious interns; mothers attempting to steer their daughters through a male-dominated world; political wives facing an age-old knowledge that fidelity isn't always honored; or young girls feeling bold about their many choices before they realize the gender restrictions all around them. Gabrielle Zevin captures not only the double standards alive and well in every aspect of life for women but also the mood of our recent highly charged political season.

One Touch of Moondust Sherryl Woods, 2016-09-19 Revisit this heartfelt story of finding love where you least expect it from New York Times bestselling author Sherryl Woods. Down on her luck, ex-Wall Street dynamo Gabrielle Clayton agreed to move into Paul Reed's ramshackle but affordable apartment on one condition: no funny stuff. For Gabrielle, the most irresistible distraction of all was the sexy, blue-eyed renovator

himself. Paul was the most romantic man she'd ever met! Suddenly, practical, down-to-earth Gabrielle was dreaming of magical nights spent in Paul's arms. What had come over her? Was it the man, the moon? or love?

Enough Gabrielle Giffords, Mark Kelly, Harry Jaffe, 2014-09-30
Former Congresswoman Gabrielle Giffords—disabled from an assassination attempt in Tucson, Arizona—and her husband, astronaut Mark Kelly, share their impassioned argument for responsible gun ownership and more responsible gun control laws, despite being gun owners and staunch supporters of the Second Amendment themselves.

Gabby Gabrielle Giffords, Mark Kelly, 2012-10-11
A deeply personal account of Congresswoman Gabrielle Giffords' and astronaut Mark Kelly's lives together, recounting their courtship, Ms Giffords' rise in politics, and the tragic 8th January 2011 shooting in Arizona which killed six people and gravely wounded Representative Gifford and twelve others. The book also tells the story of her recovery progress and traces Kelly's career from decorated Desert Storm combat pilot to his recent mission as the commander of Space Shuttle Endeavour's final flight.

Her Best-Kept Secret Gabrielle Glaser, 2013-07-02
For readers of *Quit Like a Woman*, this “engaging account of women and drink, [cites] fascinating studies about modern stressors...and evidence that some problem drinkers can learn moderation....Bound to stir controversy” (People). In *Her Best-Kept Secret*, journalist Gabrielle Glaser uncovers a hidden-in-plain-sight drinking epidemic. Using “investigative rigor and thoughtful analysis” (The Boston Globe), Glaser is the first to document that American women are drinking more often than ever and in ever-larger quantities in this “substantial book, interested in hard facts and nuance rather than hand-wringing” (The New York Times Book Review). She shows that contrary to the impression offered on reality TV, young women alone aren't driving these statistics—their moms and grandmothers are, too. But Glaser

doesn't wag a finger. Instead, in a funny and tender voice, Glaser looks at the roots of the problem, explores the strange history of women and alcohol in America, drills into the emerging and counterintuitive science about that relationship, and asks: Are women getting the help they need? Is it possible to return from beyond the sipping point and develop a healthy relationship with the bottle? Glaser reveals that, for many women, joining Alcoholics Anonymous is not the answer—it is part of the problem. She shows that as scientists and health professionals learn more about women's particular reactions to alcohol, they are coming up with new and more effective approaches to excessive drinking. In that sense, Glaser offers modern solutions to a very modern problem.

Judgment Detox Gabrielle Bernstein, 2018-01-02 “Gabrielle is the real thing. I respect her work immensely.” —Dr. Wayne Dyer
“A new role model.” —The New York Times “I came to one of Bernstein’s monthly lectures and got my first look at the woman I’d one day unabashedly refer to as ‘my guru.’” —Elle From #1 New York Times bestselling author Gabrielle Bernstein comes a clear, proactive, step-by-step process to release the beliefs that hold you back from living a better life. This six-step practice offers many promises. Petty resentments will disappear, compassion will replace attack, the energy of resistance will transform into freedom and you’ll feel more peace and happiness than you’ve ever known. I can testify to these results because I’ve lived them. I’ve never felt more freedom and joy than I have when writing and practicing these steps. My commitment to healing my own relationship to judgment has changed my life in profound ways. My awareness of my judgment has helped me become a more mindful and conscious person. My willingness to heal these perceptions has set me free. I have been able to let go of resentments and jealousies, I can face pain with curiosity and love, and I forgive others and myself much more easily. Best of all, I have a healthy relationship to judgment so that I can witness when it shows up and I can use these steps to quickly return to love. The Judgment Detox is an interactive six-step process that calls on spiritual principles from the text A Course in Miracles, Kundalini yoga, the Emotional Freedom Technique (aka Tapping), meditation, prayer and metaphysical teachings. I’ve demystified these principles to

make them easy to commit to and apply in your daily life. Each lesson builds upon the next to support true healing. When you commit to following the process and become willing to let go, judgment, pain and suffering will begin to dissolve. And the miracles will keep coming. Once you begin to feel better you start to release your resistance to love. The more you practice these steps, the more love enters into your consciousness and into your energetic vibration. When you're in harmony with love, you receive more of what you want. Your energy attracts its likeness. So when you shift your energy from defensive judgment to free-flowing love your life gets awesome. You'll attract exactly what you need, your relationships will heal, your health will improve and you'll feel safer and more secure. One loving thought at a time creates a miracle. Follow these steps to clear all blocks, spread more love and live a miraculous life.
