Water Resources Systems of the Philippines: Modeling Studies Guillermo Q. Tabios III, 2020-01-07

This book presents a number of modeling studies of various water resources systems in the humid tropics and the typical short, steep mountain-to-coast systems in the archipelagic setting of the Philippines. Covering natural and rural systems, urban watersheds and built systems, such as reservoirs and flood control systems, it discusses modeling studies based on pure simulation and combined optimization-simulation. The book offers insights into real-world water resources modeling, and as such is a valuable resource for academics and practitioners in the Philippines, as well as those in other Asian regions with similar water resources systems, and similar issues, problems and concerns.

Captive Audience Lucas Mann, 2018-05-01 From the national bestselling author of *Lord Fear* and *Class A* comes a tender, humane, comic, brainy, unsettling achievement" (Paul Lisicky, author of *The Narrow Door: A Memoir of Friendship*) about what it means to live an authentic life and what it means to love a person. In Lucas Mann's trademark vein—fiercely intelligent, self-deprecating, brilliantly observed, idiosyncratic, personal, funny, and infuriating—*Captive Audience* is an appreciation of reality television wrapped inside a love letter to his wife, with whom he shares the guilty pleasure of watching real people bare their souls in search of celebrity. *Captive Audience* resides at the intersection of popular culture with the personal; the exhibitionist impulse, with the schadenfreude of the vicarious, and in confronting some of our most suspect impulses reveals surprising connections and the meaning of an authentic life.

Carnality Lina Wolff, 2022-07-12 In this latest novel from the award-winning author of *The Polyglot Lovers*, a writer searching for inspiration in Spain goes on a darkly comic, delightfully absurd journey through an underground society. Awarded a three-month stipend to travel and work, a Swedish writer flies to Madrid, where in a bar she meets a man with an extraordinary story to tell. In exchange for somewhere to sleep and to hide out for a few days, he is willing to tell her the whole astonishing tale. What follows is an account of fantastic proportions and ingredients: the existence of a shadowy Internet TV show with a certain morality clause, a threat to the storyteller's life, a diabolical nun, and the story of a girl with a missing left thumb. The tale is also the precursor to a meeting between the writer and the infernal miracle worker, Lucia—a meeting that ultimately forces the writer to make a fateful decision about her own inner essence. *Carnality* is a novel about the universal need for spirituality and truth—not to mention a good story—set in the seemingly unspiritual grimy underbelly of society.

Beautiful You Chuck Palahniuk, 2014-10-21 A billion husbands are about to be replaced. From the author of *Fight Club*, the classic portrait of the damaged contemporary male psyche, now comes this novel about the apocalyptic marketing possibilities of a new product that gives new meaning to the term self-help. Penny Harrigan is a low-level associate in a big Manhattan law firm with an apartment in Queens and no love life at all. So it comes as a great shock when she finds herself invited to dinner by one C. Linus Maxwell, a software mega-billionaire and lover of the most gorgeous and accomplished women on earth. After dining at Manhattan's most exclusive restaurant, he whisks Penny off to a hotel suite in Paris, where he proceeds, notebook in hand, to bring her to previously undreamed-of heights of gratification for days on end. What's not to like? This: Penny discovers that she is a test subject for the final development of a line of feminine products to be marketed in a nationwide chain of boutiques called *Beautiful You*. So potent and effective are these devices that women by the millions line up outside the stores on opening day and then lock themselves in their room with them and stop coming out. Except for batteries. Maxwell's plan for battery-powered world domination must be stopped. But how?

The Body in Autobiography and Autobiographical Novels Menotti Lerro, 2018-10-12 This volume explores a web of complex relationships between body and mind, discussing the efforts of individuals from a wide variety of backgrounds to define, to achieve, or to reject the "normal"; and, in some cases, to put something else in its place. After considering the problems arising from other people's perceptions of non-standard bodies, the book turns to gender: is it written "upon the body", established at birth, determined only by physical traits and distinguished by material things such as clothes; or is it written "within the body", defined through the subject's own feelings? It considers what happens when "males" consider themselves "female", and "females" consider themselves "male". It concludes with the analysis of four books, by different authors with different sexual orientations. Two of these volumes might be considered "genuine autobiographies", while the other two are novels which include numerous autobiographical features that reflect the authors' own thoughts.

The Atmospherians Alex McElroy, 2021-05-18 Best Book of 2021 by Esquire Book You Need to Read in 2021 by Harper's Bazaar "Darkly funny and glitteringly satirical, *The Atmospherians* unforgettably takes aim at wokeness, wellness, and toxic masculinity." —Esquire This "edgy, addictive" (Kirkus Reviews, starred) satire about two best friends who form *The Atmosphere*—a cult designed to reform problematic men—is "a book to be devoured" (Vanity Fair). Sasha Marcus was once the epitome of contemporary success: an internet sensation, social media darling, and a creator of a high-profile wellness brand for women. But a confrontation with an abusive troll has taken a horrifying turn, and now she's at rock bottom: canceled and doxxed online, isolated in her apartment while men's rights protestors rage outside. Sasha confides in her oldest childhood friend, Dyson—a failed actor with a history of body issues—who hatches a plan for her to restore her reputation by becoming the face of his new business venture, *The Atmosphere*: a rehabilitation community for men. Based in an abandoned summer camp and billed as a workshop for job training, it is actually a rigorous program designed to rid men of their toxic masculinity. Sasha has little choice but to accept. But what horrors await her as the resident female leader of a crew of washed up, desperate men? And what exactly does Dyson want? Explosive, dazzling, and wickedly funny, *The Atmospherians* is "a book written with this exact cultural moment in mind" (Oprah Daily).

Ultraluminous Katherine Faw, 2017-12-05 One of The New Yorker's Books We Loved in 2017, a BOMB's Looking Back on 2017: Literature Selection, a Paris Review Staff Pick, and one of Vulture's 10 Best Thriller Books of 2017. *Girlfriend. Prostitute. Addict. Terrorist?* Who is K? The daring new novel from Katherine Faw, the brilliant author of *Young God*, is a scintillating story of money, sex, and power told in Faw's viciously sharp prose. A high-end, girlfriend-experience prostitute has just returned to her native New York City after more than a decade abroad—in Dubai, with a man she recalls only as the Sheikh—but it's unclear why exactly she's come back. Did things go bad for her? Does she have scores to settle? Regardless, she has quickly made herself at home. She's set up a rotation of

clients—all of them in finance—each of whom has different delusions of how he is important to her. And she's also met a man whom she doesn't charge—a damaged former Army Ranger, back from Afghanistan. Her days are strangely orderly: A repetition of dinners, personal grooming, museum exhibitions, sex, Duane Reades (she likes the sushi), cosmology, sex, gallery shows, nightclubs, heroin, sex, and art films (which she finds soothing). She finds the pattern confirming, but does she really believe it's sustainable? Or do the barely discernible rifts in her routine suggest that something else is percolating under the surface? Could she have fallen for one of her bankers? Or do those supposed rifts suggest a pattern within the pattern, a larger scheme she's not showing us, a truth that won't be revealed until we can see everything?

To Paradise Hanya Yanagihara, 2022-01-11

Metropolis Thea von Harbou, 2017-12-13 This is Metropolis, the novel that the film's screenwriter -- Thea von Harbou, who was director Fritz Lang's wife, and a collaborator in the creation of the film -- this is the novel that Harbou wrote from her own notes. It contains bits of the story that got lost on the cutting-room floor; in a very real way it is the only way to understand the film.

Master Class Christina Dalcher, 2021-03-09 From the critically-acclaimed author of the international bestseller VOX comes a suspenseful new novel that examines a disturbing near future where harsh realities follow from unreachable standards. It's impossible to know what you will do... Every child's potential is regularly determined by a standardized measurement: their quotient (Q). Score high enough, and attend a top tier school with a golden future. Score too low, and it's off to a federal boarding school with limited prospects afterwards. The purpose? An improved society where education costs drop, teachers focus on the more promising students, and parents are happy. When your child is taken from you. Elena Fairchild is a teacher at one of the state's elite schools. When her nine-year-old daughter bombs a monthly test and her Q score drops to a disastrously low level, she is immediately forced to leave her top school for a federal institution hundreds of miles away. As a teacher, Elena thought she understood the tiered educational system, but as a mother whose child is now gone, Elena's perspective is changed forever. She just wants her daughter back. And she will do the unthinkable to make it happen.

House Fires Connor Franta, 2021-10-19 The New York Times bestselling author of A Work in Progress and Note to Self moves fully into adulthood with his illuminating, soulful, bleeding collection of narrative, poetry, and original film photography. Humanitarian, entrepreneur, and content creator Connor Franta first captivated readers with A Work In Progress, ruminating on his Midwestern roots to his early start as a visionary and online thought-leader. He continued his soul-searching-through-a-broken-heart with Note to Self, challenging readers—and himself—to ponder the spectrum of humanity and their place within it. Now as Franta approaches thirty, life is no less confusing, but he finds this journey endlessly fascinating. Writing about confusion and clarity, loneliness and whirlwind romances, despair and elation—and everything in between—Franta invites readers back into the intimacy of his mind. House Fires magnifies a young man's emotional warfare with his past, the daze of wandering through modern times in search of purpose, and the electricity flying from tomorrow's potential.

Immortality Milan Kundera, 2023-04-25 New York Times Bestseller Inspired. . . . Kundera's most brilliantly imagined novel. . . . A book that entrances, beguiles and charms us from first page to last. — Cleveland Plain Dealer Milan Kundera's sixth novel springs from a casual gesture of a woman to her swimming instructor, a gesture that creates a character in the mind of a writer named Kundera. Like Flaubert's Emma or Tolstoy's Anna, Kundera's Agnès becomes an object of fascination, of indefinable longing. From that character springs a novel, a gesture of the imagination that both embodies and articulates Milan Kundera's supreme mastery of the novel and its purpose: to explore thoroughly the great themes of existence.
