Gerald Posner

There Will Be No Miracles Here Casey Gerald,2018-10-02 NAMED A BEST BOOK OF 2018 BY NPR AND THE NEW YORK TIMES A PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB PICK Somehow Casey Gerald has pulled off the most urgently political, most deeply personal, and most engagingly spiritual statement of our time by just looking outside his window and inside himself. Extraordinary. —Marlon James Staccato prose and peripatetic storytelling combine the cadences of the Bible with an urgency reminiscent of James Baldwin in this powerfully emotional memoir. —BookPage The testament of a boy and a generation who came of age as the world came apart—a generation searching for a new way to live. Casey Gerald comes to our fractured times as a uniquely visionary witness whose life has spanned seemingly unbridgeable divides. His story begins at the end of the world: Dallas, New Year's Eve 1999, when he gathers with the congregation of his grandfather's black evangelical church to see which of them will be carried off. His beautiful, fragile mother disappears frequently and mysteriously; for a brief idyll, he and his sister live like Boxcar Children on her disability checks. When Casey--following in the footsteps of his father, a gridiron legend who literally broke his back for the team--is recruited to play football at Yale, he enters a world he's never dreamed of, the anteroom to secret societies and success on Wall Street, in Washington, and beyond. But even as he attains the inner sanctums of power, Casey sees how the world crushes those who live at its margins. He sees how the elite perpetuate the salvation stories that keep others from rising. And he sees, most painfully, how his own ascension is part of the scheme. *There Will Be No Miracles Here* has the arc of a classic rags-to-riches tale, but it stands the American Dream narrative on its head. If to live as we are is destroying us, it asks, what would it mean to truly live? Intense, incantatory, shot through with sly humor and quiet fury, *There Will Be No Miracles Here* inspires us to question--even shatter--and reimagine our most cherished myths.

Gerald Durrell Douglas Botting,2000 The authorised biography of the great naturalist and conservationist Gerald Durrell, who died aged seventy in January 1995 in Jersey, where he founded the zoo he'd dreamed of as a small boy and pioneered the captive breeding of animals for conservation.

My Family and Other Animals Gerald Durrell,2011-04-07 'What we all need,' said Larry, 'is sunshine . . . a country where we can grow.' 'Yes, dear, that would be nice,' agreed Mother, not really listening. 'I had a letter from George this morning - he says Corfu's wonderful. Why don't we pack up and go to Greece?' 'Very well, dear, if you like,' said Mother unguardedly. Escaping the ills of the British climate, the Durrell family - acne-ridden Margo, gun-toting Leslie, bookworm Lawrence and budding naturalist Gerry, along with their long-suffering mother and Roger the dog - take off for the island of Corfu. But the Durrells find that, reluctantly, they must share their various villas with a menagerie of local fauna - among them scorpions, geckos, toads, bats and butterflies. Recounted with immense humour and charm *My Family and Other Animals* is a wonderful account of a rare, magical childhood. 'Durrell has an uncanny knack of discovering human as well as animal eccentricities' Sunday Telegraph

Pharma Gerald Posner,2021-04-13 Exorbitant prices for lifesaving drugs, safety recalls affecting tens of millions of Americans, and soaring rates of addiction and overdose on prescription opioids have caused many to lose faith in pharmaceutical companies. Now, Americans are demanding national reckoning with a monolithic industry. In *Pharma*, award-winning journalist and New York Times best-selling author Gerald Posner uncovers the real story of the Sacklers, the family that became one of America's wealthiest from the success of OxyContin, their blockbuster narcotic painkiller at the centre of the opioid crisis. The unexpected twists and turns of the Sakler family saga are told against the startling chronicle of a powerful industry that sits at the intersection of public health and profits. *Pharma* reveals how and why American drug companies have put earnings ahead of patients--

Get Happy Gerald Clarke,2009-11-11 She lived at full throttle on stage, screen, and in real life, with highs that made history and lows that finally brought down the curtain at age forty-seven. Judy Garland died over thirty years ago, but no biography has so completely captured her spirit -- and demons -- until now. From her tumultuous early years as a child performer to her tragic last days, Gerald Clarke reveals the authentic Judy in a biography rich in new detail and unprecedented revelations. Based on hundreds of interviews and drawing on her own unfinished -- and unpublished -- autobiography, *Get Happy* presents the real Judy Garland in all her flawed glory. With the same skill, style, and storytelling flair that made his bestselling *Capote* a landmark literary biography, Gerald Clarke sorts through the secrets and the scandals, the legends and the lies, to create a portrait of Judy Garland as candid as it is compassionate. Here are her early years, during which her parents sowed the seeds of heartbreak and self-destruction that would plague her for decades ... the golden age of Hollywood, brought into sharp focus with cinematic urgency, from the hidden private lives of the movie world's biggest stars to the cold-eyed businessmen who controlled the machine ... and a parade of brilliant and gifted men -- lovers and artists, impresarios and crooks -- who helped her reach so many creative pinnacles yet left her hopeless and alone after each seemingly inevitable fall. Here, then, is Judy Garland in all her magic and despair: the woman, the star, the legend, in a riveting saga of tragedy, resurrection, and genius.

Rosy Is My Relative Gerald Durrell,2016-12-20 “An ‘almost true’ tale” of a man’s adventures inheriting an elephant, so “lovingly embellished . . . you’ll almost wish that you had a Rosy in your family too”—from the author of the Corfu Trilogy (Kirkus Reviews). When his uncle passes away unexpectedly, young Adrian Rookwhistle’s inheritance turns his humdrum life upside down. Instead of a manor house, Adrian has been bequeathed Rosy, an elephant whose predilection for fine spirits leads to high jinks far beyond the means of a shy English gentleman. Convinced that a circus will take the troublesome tusker off his hands, Adrian leads Rosy on a trek to the coast, setting in motion an uproarious adventure of mammoth proportions. Author Gerald Durrell promises that despite being embellished here and there, “nearly all the adventures in this book really happened.” Ultimately, this tale of a pachyderm with a penchant for pandemonium guarantees pure entertainment. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author’s estate.

An Embarrassment of Riches Gerald Hansen,2014-07-12 Publishers Weekly: The Irish family at the heart of this hilarious novel is so tawdry and despicable, it's a wonder they don't kill off each other in the first few pages. ...The central figure is Ursula, whose husband had won the lottery and has since gambled away much of the winnings. Ursula's new (and fading) riches have strained many of her personal relationships, particularly with her sister-in-law, Fionnuala, a first-rate villain who concocts get-rich-quick schemes based on the misery of others. ...Once the vulgarity and shenanigans set in, the novel is as absorbing as it is hysterical. When Ursula Barnett and her husband Jed win the Irish lottery, they think their troubles are over. But they are just beginning. Ursula coerces her Yank husband to retire in her hometown of Derry, Northern Ireland, hoping to atone for her youthful sins as a collaborator with the IRA in the 1970s. At the first sniff of Ursula's lotto win, however, her chronically greedy sister-in-law Fionnuala Flood rallies the family against Ursula. Fionnuala's life is a misery. She is married to a boozing fish-packing plant worker and raising seven seedy hooligans, from a convict son to an eight-year-old devil-daughter who will resort to desperate measures to secure the perfect Holy Communion gown. Between two part-time jobs, Fionnuala still finds the energy to put into motion plans which pit husbands against wives, daughters against mothers, the lawless against the law and Fionnuala against anyone fool enough to cross her path. Family saga and black comedy, love story and courtroom drama, *An Embarrassment of Riches* will take you on a journey to Northern Ireland and beyond, where Protestants and Catholics wage battle daily, and where crossing family with finance leads to heartache and hilarity, passion and tragedy. A Masterpiece! --Colin Quinn, Comedian, SNL, Tough Crowd Wildly amusing...a cross between a roller-coaster and a carousel! --Olivera Baumgartner-Jackson. Readerviews.com Clearly the work of a craftsman! (The characters) careen around Derry with the grace of a drunken and horny bull! --Chris Gerrib, Podpeople.com Classic, I-can't-stop-reading literature!--Jonathan Henderson, Jonhenderscon.com Hansen does a wonderful job with this dark comedy...an excellent novel for anyone to read again and again!--Ashley Merrill, Front Street Reviews

Three Singles to Adventure Gerald Durrell,2017-02-21 Journey to South America on a search for endangered species with the author of *My Family and Other Animals*. In 1950, Gerald Durrell set off for British Guiana (now Guyana) to collect native wildlife and bring it back to his Jersey Wildlife Preservation Trust on the island of Jersey in the English Channel. On his journey, Durrell experienced all kinds of adventures: some amusing, some thrilling, and some extremely irritating. He traveled up the Essequibo River into the lush tropical forests and trekked across a landscape teeming with life and color. He encountered the sakiwink monkey and the sloth with curiously green fur, heard the horrifying sounds of rampaging

piranhas, and learned how to lasso a galloping anteater. He even met an ill-tempered anaconda and an overly affectionate bird. This remarkable memoir will take you into a wild place in another time, accompanied by the highly entertaining naturalist whose writings inspired popular Masterpiece series *The Durrells in Corfu*. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.

Hazard Gerald A. Browne, 2014-10-21 A freelance intelligence agent with a deadly gift goes after a gang of terrorists in New York Times–bestselling author Gerald A. Browne's stylish, action-packed thriller *The train slips across the horizon, its serial numbers painted over, its cars empty save for the soldiers who guard the cargo. Its mission is classified, but there are four men waiting in the night, keeping a close eye on the mysterious train. They know it carries something far more dangerous than a nuclear bomb, and they will do anything to get their hands on it. Unlocking the train's secrets requires a daring crime, and victory seems within their reach. But they did not count on Hazard. A hard-drinking gambler with a taste for beautiful women and no love for authority, freelance intelligent operative Hazard is an unlikely hero. But when a corpse washes up in the Hudson River, he vows revenge. The victim was an idealist whose sense of honor got him killed, and Hazard will destroy the men responsible—even if he has to save the world along the way.*

Capote Gerald Clarke, 2013-04-25 The national bestselling biography and the basis for the film *Capote* starring Philip Seymour Hoffman in an Academy Award–winning turn. One of the strongest fiction writers of his generation, Truman Capote became a literary star while still in his teens. His most phenomenal successes include *Breakfast at Tiffany's*, *In Cold Blood*, and *Other Voices, Other Rooms*. Even while his literary achievements were setting the standards that other fiction and nonfiction writers would follow for generations, Capote descended into a spiral of self-destruction and despair. This biography by Gerald Clarke was first published in 1988—just four years after Capote's death. In it, Clarke paints a vivid behind-the-scenes picture of the author's life—based on hundreds of hours of in-depth interviews with the man himself and the people close to him. From the glittering heights of notoriety and parties with the rich and famous to his later struggles with addiction, Capote emerges as a richly multidimensional person—both brilliant and flawed. "A book of extraordinary substance, a study rich in intelligence and compassion . . . To read Capote is to have the sense that someone has put together all the important pieces of this consummate artist's life, has given everything its due emphasis, and comprehended its ultimate meaning." —Bruce Bawer, *The Wall Street Journal* "Mesmerising . . . [Capote] reads as if it had been written alongside his life, rather than after it." —Molly Haskell, *The New York Times Book Review*

West 47th Gerald A. Browne, 2014-10-21 An investigator who recovers stolen insured jewelry steps into a web of international deceit and murder in New York Times–bestselling author Gerald A. Browne's spellbinding tale set in New York City's world-renowned Diamond District A woman steps out of a limousine on the Upper East Side, her jewels glittering brightly, and the doorman looks her over. A few phone calls later, the heist is planned. Thieves descend on the woman's home, planning to swipe the jewels and depart silently. Instead the robbery turns violent. Mitch Laughton doesn't intend to solve a murder case, but he will find the stolen jewels. A professional investigator of stolen gems, he is hired by the victims' insurance company to recover the \$6 million haul. But in pursuing the missing swag, Mitch learns about a pair of emeralds worth far more—enough to turn thieves into killers. Now not only will he have to face down dangerous informants, he will have to tangle with a gang of murderous thugs and two very different but vicious mobsters.

Last Letter to a Reader Gerald Murnane, 2021-11-01 Final work by internationally acclaimed Australian author Gerald Murnane, reflecting on his career as a writer, and the fifteen books which have led critics to praise him as 'a genius on the level of Beckett'. A book which will appeal equally to Murnane's legion of fans, and to those new to his work, attracted by his reputation as a truly original Australian writer. In the first days of spring in his eighty-second year, Gerald Murnane began a project which would round off his career as a writer - he would read all of his books in turn and prepare a report on each. His original intention was to lodge the reports in two of his legendary archives, the Chronological Archive, which documents his life as a whole, and the Literary Archive, which is devoted to everything he has written. But as the reports grew, they themselves took on the form of a book, *Last Letter to a Reader*. The essays on each of his works travel through the capacious territory Murnane refers to as his mind: they dwell on the circumstances which gave rise to the writing, images, associations, reflections on the theory of fiction, and memories of a deeply personal kind. The final essay is on *Last Letter to a Reader* itself: it considers the elation and exhilaration which accompany the act of writing, and offers a moving ending to what must surely be his last work as death approaches. 'Help me, dear one, to endure patiently my going back to my own sort of heaven.' 'No living Australian writer, not even Les Murray, has higher claims to permanence or a richer sense of distinction' — Sydney Morning Herald 'The emotional conviction...is so intense, the somber lyricism so moving, the intelligence behind the chiseled sentences so undeniable, that we suspend all disbelief.' — J.M. Coetzee

Gerald's Party Robert Coover, 1997 Probes the personalities assembled at a party when the murder of a guest named Ros transforms an ordinary evening.

Illinois Gerald A. Danzer, 2011 This book gathers drawings, engravings, photographs, maps, and other illustrations to inspire imaginations young and old to envision the history of Illinois in all its depth and breadth. Gerald A. Danzer distills the story of Illinois from these visual artifacts, exploring the state's history from its earliest peoples and their encounters with European settlers, through territorial struggles and the strife of the Civil War, and into the modern era of industry and urbanization.

Memphis Luck Gerald Duff, 2018-02-22 The long awaited sequel to *MEMPHIS RIBS* Homicide detectives J.W. Ragsdale and Tyrone Walker are back...investigating what appears to be a simple home invasion robbery gone fatally wrong. The clues lead them to an autistic teenager, an aspiring gang member, who talks to the ghosts of Martin Luther King Jr. and singer Ricky Nelson for guidance. The troubled, homicidal teen has fallen into the thrall of cowboy preacher Jimbo Reynolds, a slick, bible-thumping, Stetson-wearing conman who has based his cash-cow ministry on ideals plundered from John Wayne movies. What Jimbo doesn't know is that he's the target of a gang of misguided ex-cons, led by a psychopathic Native American, who are plotting to take all of his cash...with the help of his greedy publicist and his conniving housekeeper. All of these colorful characters collide in a fateful day of darkly funny, brutal mayhem that's pure Memphis Luck. A substantially different version of this books was previously published as *Memphis Mojo* Brilliantly convoluted, wholly satisfying. Pretensions are skewered while Memphis is celebrated in the wry, wicked and completely winning 'Memphis Luck.' Gerald Duff has proven himself a Southern treasure. *Anniston Star* This book is really a sly skewering of the racial, social and religious constructions of the American South disguised as a detective novel. The best thing about Memphis Luck is the dialogue. The dialogue! Ragsdale and Walker are like George and Gracie, Ralph and Alice, Lorelai and Rory Gilmore. The dialogue between these two is intricate and seamless. The Fred Astaire and Ginger Rogers of conversation. *Texas Booklover Blog*

Gerald Daphne du Maurier, 2013-12-17 A remarkable book...brilliant comic writing. --*The Times (UK)* Sir Gerald du Maurier was the preeminent actor-manager of his day, knighted in 1922 for his services to the theater. Published within six months of her father's death, Daphne du Maurier's frank portrait was considered shocking by many of his admirers-but it was a huge success, winning her critical acclaim and launching her career. Here, Daphne captures the spirit and charm of the charismatic actor who played the original Captain Hook, amusingly recounting his eccentricities, his humor, as well as his darker side.

Green Ice Gerald A. Browne, 2014-10-21 In New York Times–bestselling author Gerald A. Browne's riveting thriller, a down-on-his-luck American makes one last gamble to reap a fortune in the Colombian emerald business After years of stultifying office work, Joseph Wiley will try anything to get rich in a hurry. He's hustled all kinds of products, but each venture has left him deeper in debt, chained tighter to his office desk. When his latest moneymaker goes up in smoke, Wiley doesn't even bother to quit his job. He takes every cent he has to the airport and flies south, landing in Colombia, where he will make his millions—or lose his life. In the mountains of Colombia, even an amateur can make a mint digging for emeralds, but an all-powerful syndicate, the Concession, controls the gems. Wiley and his new partner, heiress Lillian Holbrook, play a dangerous, double-crossing game with the Concession and its watchdogs because, for different reasons, they're both willing to risk everything for the brilliant green stones.

Gerald McDermott and YOU Jon C. Stott, 2004-11-30 Playing on the phrase, the author and you which is a commonly taught reading

comprehension strategy that teaches the learner how to look at the words of an author and make inferences about what is being said, this new series will assist the teacher and teacher librarian in understanding the underlying purposes of the author as they prepare learning activities for their students. The series that will focus primarily on books for the elementary age child (K-6) will feature insights into the author's background, purposes and goals in writing his books. By furnishing an overview of the author's works, the books in the series will give teachers the big picture. Each book will feature personal information about the author, including insight into why he writes the type of books he does plus lesson plans and/or activities for each of the author's books featured. These lessons will stress the particular interest of the author and the author and you (the teacher) will build a collaborative instructional relationship using the material provided. Each book will be written by the featured author or in close collaboration with him. The first book in the series features the life and work of Gerald McDermott, Caldecott winning picture book author. It discusses his life and work and the researching, writing, and illustrating of each book. Discussion of children's reading development, including strategies and visual literacies, and lesson plans and activities for each title provide practical help. This book provides a fascinating window into the life and work of the beloved children's author and gives insight into Anansi, Arrow to the Sun, Raven, Creation and all of his wonderful tales. Grades K-6.

Slide Gerald A. Browne,2014-10-21 New York Times–bestselling author Gerald A. Browne’s suspenseful disaster novel about a massive mudslide along California’s southern coast The people of Southern California worship the sun, but their idol has forsaken them. For more than two weeks, rain has fallen on this earthly paradise, destroying crops, loosening the ground, and sending coffins into backyards, forcing rattlesnakes out of their nests into people’s homes. As the punishing weather continues, people start to panic. After all, a little rain never hurt anybody—but a lot can kill. The Seaside Supermarket near Laguna Beach is doing brisk business when an earthquake hits and the ground begins to slide. Among the customers are architect Frank Brydon, who is dying of cancer; a hotshot Hollywood producer; and a young couple on a road trip that’s supposed to save their relationship. As the earth shifts, the store slips down the hill face, coming to rest under a mountain of mud. With his knowledge of structural engineering, can Brydon lead the survivors in a desperate race against the clock to escape being buried alive?

Gerald Vizenor Kimberly M. Blaeser,1996 Kimberly M. Blaeser begins with an examination of Vizenor's concept of Native American oral culture and his unique incorporation of oral tradition in the written word. She details Vizenor's efforts to produce a form of writing that resists static meaning, involves the writer in the creation of the literary moment, and invites political action and explores the place of Vizenor's work within the larger context of contemporary tribal literature, Native American scholarship, and critical theory.
