Demetrius W. Pearson

Black Rodeo in the Texas Gulf Coast Region Demetrius W. Pearson,2021-05-11
This book is a sociocultural and historical analysis of nineteenth-century African American cowboys. The author examines their role in rodeo and the development of the Texas cattle industry.

Iron Hearted Violet Kelly Barnhill,2012-10-09 Newbery Medal winner Kelly Barnhill spins a wondrously different kind of fairy-tale: In most fairy tales, princesses are beautiful, dragons are terrifying, and stories are harmless. But this isn't most fairy tales... Princess Violet is plain, reckless, and quite possibly too clever for her own good. Particularly when it comes to telling stories. One day she and her best friend, Demetrius, stumble upon a hidden room and find a peculiar book. A forbidden book. It tells a story of an evil being, called the Nybbas, imprisoned in their world. The story cannot be true--not really. But then the whispers start. Violet and Demetrius, along with an ancient, scarred dragon--the last dragon in existence, in fact--may hold the key to the Nybbas's triumph or its demise. It all depends on how they tell the story. After all, stories make their own rules. Iron Hearted Violet is a story about the power of stories, our belief in them, and how one enchanted tale changed the course of an entire kingdom. A 2012 Andre Norton Award Finalist A Parents' Choice Gold Award Winner

Night of a Thousand Stars Deanna Raybourn,2021-09-13 Return to the gilded Jazz Age for a tale of grand adventure as one woman grapples with secrets and treasures long buried. By New York Times bestselling author Deanna Raybourn. On the verge of a stilted life as an aristocrat's wife, Poppy Hammond does the only sensible thing--she flees the chapel in her wedding gown. Assisted by the handsome curate who calls himself Sebastian Cantrip, she spirits away to her estranged father's quiet country village, pursued by the family she left in uproar. But when the dust of her broken engagement settles and Sebastian disappears under mysterious circumstances, Poppy discovers there is more to her hero than it seems. With only her lady's maid for company, Poppy secures employment and travels under cover--east across the seas, chasing a hunch and the whisper of clues. As danger abounds, Poppy finds herself in the sights of those who will stop at nothing to recover a fabled ancient treasure. Torn between allegiance to her kindly employer and a dashing, shadowy figure, Poppy will risk it all as she attempts to unravel a much larger plan--one that stretches to the very heart of the British government, and one that could endanger everything, and everyone, that she holds dear. Previously Published.

Social Information Technology: Connecting Society and Cultural Issues Kidd, Terry T.,Chen, Irene,2008-04-30 This book provides a source for definitions, antecedents, and consequences of social informatics and the cultural aspect of technology. It addresses cultural/societal issues in social informatics technology and society, the Digital Divide, government and technology law, information security and privacy, cyber ethics, technology ethics, and the future of social informatics and technology--Provided by publisher.

The Chosen One Demetrius P. Guyton, Virgil L. Postell, Jr.,2013-05-03 The Chosen One is Demetrius Guyton's story of death to life. Yet again God shows His incredible ability to snatch life from the jaws of death just when the enemy seems to be gaining the ultimate victory. In his own style, Demetrius

Guyton takes you on the journey from his near death experience from the belly of death to the bed of life. Then the power of God gives Demetrius the heart to forgive this person in an unbelievably touching divinely orchestrated encounter in, of all places prison! "I have never been so moved by a story of amazing grace as I have with this book; The Chosen One" These are the words of Dr. Rob Jackson, Senior Pastor, Central Baptist Church, Decatur Alabama. We have all been chosen; you too are The Chosen One. The Miracle of God's Love has chosen us all for a divine purpose.

The Comedy Studies Reader Nick Marx, Matt Sienkiewicz, 2018-08-01 From classical Hollywood film comedies to sitcoms, recent political satire, and the developing world of online comedy culture, comedy has been a mainstay of the American media landscape for decades. Recognizing that scholars and students need an authoritative collection of comedy studies that gathers both foundational and cutting-edge work, Nick Marx and Matt Sienkiewicz have assembled The Comedy Studies Reader. This anthology brings together classic articles, more recent works, and original essays that consider a variety of themes and approaches for studying comedic media—the carnivalesque, comedy mechanics and absurdity, psychoanalysis, irony, genre, race and ethnicity, gender and sexuality, and nation and globalization. The authors range from iconic theorists, such as Mikhail Bakhtin, Sigmund Freud, and Linda Hutcheon, to the leading senior and emerging scholars of today. As a whole, the volume traces two parallel trends in the evolution of the field—first, comedy's development into myriad subgenres, formats, and discourses, a tendency that has led many popular commentators to characterize the present as a "comedy zeitgeist"; and second, comedy studies' new focus on the ways in which comedy increasingly circulates in "serious" discursive realms, including politics, economics, race, gender, and cultural power.

A Dissertation on the Epistles of Phalaris Richard Bentley, 1816

The Fables of Phaedrus Phaedrus, 2014-03-07 Animal fables are said to have originated with Aesop, a semilegendary Samian slave, but the earliest surviving record of the fables comes from the Latin poet Phaedrus, who introduced the new genre to Latin literature. This verse translation of The Fables is the first in English in more than two hundred years. In addition to the familiar animal fables, about a quarter of the book includes such diverse material as prologues and epilogues, historical anecdotes, short stories, enlarged proverbs and sayings, comic episodes and folk wisdom, and many incidental glimpses of Greek and Roman life in the classical period. The Fables also sheds light on the personal history of Phaedrus, who seems to have been an educated slave, eventually granted his freedom by the emperor Augustus. Phaedrus' style is lively, clean, and sparse, though not at the cost of all detail and elaboration. It serves well as a vehicle for his two avowed purposes—to entertain and to give wise counsel for the conduct of life. Like all fabulists, Phaedrus was a moralist, albeit on a modest and popular level. An excellent introduction by P. F. Widdows provides information about Phaedrus, the history of The Fables, the metric style of the original and of this translation, and something of the place of these fables in Western folklore. The translation is done in a free version of Anglo-Saxon alliterative verse, a form used by W. H. Auden and chosen here to match the popular tone of Phaedrus' Latin verse.

I Am a Black Man Demetrius Walker, 2017-06-12 Enter the mind of Demetrius Walker as he fights for the American Dream amidst the intergenerational

struggles of poverty, daddy issues, and religious conviction. *I Am a Black Man* is a memoir that examines love, fatherhood, spirituality, and emotional immaturity through the unique perspective of a Black Millennial. From the homicidal streets of New York to the comforts of the South, join Demetrius as he leans on Hip Hop to power himself through one of the nation's most elite boarding schools, a top twenty PWI, and the Corporate Plantation.

Dr. Demetrius's Dilemma Margaret Barker, 2005 *Dr. Demetrius's Dilemma* by Margaret Barker released on May 10, 2005 is available now for purchase.

Black Cowboys in the American West Bruce A. Glasrud, Michael N. Searles, 2016-09-28 Who were the black cowboys? They were drovers, foremen, fiddlers, cowpunchers, cattle rustlers, cooks, and singers. They worked as wranglers, riders, ropers, bulldoggers, and bronc busters. They came from varied backgrounds—some grew up in slavery, while free blacks often got their start in Texas and Mexico. Most who joined the long trail drives were men, but black women also rode and worked on western ranches and farms. The first overview of the subject in more than fifty years, *Black Cowboys in the American West* surveys the life and work of these cattle drivers from the years before the Civil War through the turn of the twentieth century. Including both classic, previously published articles and exciting new research, this collection also features select accounts of twentieth-century rodeos, music, people, and films. Arranged in three sections—"Cowboys on the Range," "Performing Cowboys," and "Outriders of the Black Cowboys"—the thirteen chapters illuminate the great diversity of the black cowboy experience. Like all ranch hands and riders, African American cowboys lived hard, dangerous lives. But black drovers were expected to do the roughest, most dangerous work—and to do it without complaint. They faced discrimination out west, albeit less than in the South, which many had left in search of autonomy and freedom. As cowboys, they could escape the brutal violence visited on African Americans in many southern communities and northern cities. Black cowhands remain an integral part of life in the West, the descendants of African Americans who ventured west and helped settle and establish black communities. This long-overdue examination of nineteenth- and twentieth-century black cowboys ensures that they, and their many stories and experiences, will continue to be known and told.

Critic and Good Literature , 1892

Blood of the Sorceress (Mills & Boon Nocturne) (The Portal, Book 4) Maggie Shayne, 2013-04-01 Their Love was destiny. Was a curse to be their undoing? As an ancient king's favourite harem slave, Lilia committed the worst possible crime: loving another man. When the king discovered her treason, her beloved Demetrius was sentenced to lose his soul and linger in eternal imprisonment, and Lilia was executed.

Juneteenth Rodeo Sarah Bird, 2024-06-04 Timeless photos offer a rare portrait of the jubilant, vibrant, vital, nearly hidden, and now all-but-vanished world of small-town Black rodeos. Long before Americans began to officially commemorate Juneteenth, in the heat of East Texas, saddles were being cinched, buckles shined, and lassoes adjusted for a day on the Black rodeo circuit in honor of the holiday. In the late 1970s, as they had been doing for generations, Black communities across the region held local rodeos for the talented cowboys and cowgirls who were segregated from the mainstream circuit. It was to these vibrant community events that bestselling Texas

writer Sarah Bird, then a young photojournalist, found herself drawn. In Juneteenth Rodeo, Bird's lens celebrates a world that was undervalued at the time, capturing everything, from the moment the pit master fired up his smoker, through the death-defying rides, to the last celebratory dance at a nearby honky-tonk. Essays by Bird and sports historian Demetrius Pearson reclaim the crucial role of Black Americans in the Western US and show modern rodeo riders—who still compete on today's circuit—as “descendants” in a more than two-hundred-year lineage of Black cowboys. A gorgeous tribute to the ropers and riders—legends like Willie Thomas, Myrtis Dightman, Rufus Green, Bailey's Prairie Kid, Archie Wycoff, and Calvin Greeley—as well as the secretaries, judges, and pick-up men and even the audience members who were as much family as fans, Juneteenth Rodeo ultimately seeks to put Black cowboys and cowgirls where they have always belonged: in the center of the frame.

Alexander's Veterans and the Early Wars of the Successors Joseph Roisman, 2012-05-01 From antiquity until now, most writers who have chronicled the events following the death of Alexander the Great have viewed this history through the careers, ambitions, and perspectives of Alexander's elite successors. Few historians have probed the experiences and attitudes of the ordinary soldiers who followed Alexander on his campaigns and who were divided among his successors as they fought for control of his empire after his death. Yet the veterans played an important role in helping to shape the character and contours of the Hellenistic world. This pathfinding book offers the first in-depth investigation of the Macedonian veterans' experience during a crucial turning point in Greek history (323–316 BCE). Joseph Roisman discusses the military, social, and political circumstances that shaped the history of Alexander's veterans, giving special attention to issues such as the soldiers' conduct on and off the battlefield, the army assemblies, the volatile relationship between the troops and their generals, and other related themes, all from the perspective of the rank-and-file. Roisman also reexamines the biases of the ancient sources and how they affected ancient and modern depictions of Alexander's veterans, as well as Alexander's conflicts with his army, the veterans' motives and goals, and their political contributions to Hellenistic history. He pays special attention to the Silver Shields, a group of Macedonian veterans famous for their invincibility and martial prowess, and assesses whether or not they deserved their formidable reputation.

 every first time

grandmother finds
 grandmotherhood quite a
 shock nobody asks you
 how you feel about it
 one minute you are a
 busy youthful person
 getting on with life and
 the next you
