Sarah Haley

Alex Haley Robert Jefferson Norrell,2015-11-10 The first biography of the author of *Roots* and *The Autobiography of Malcolm X*, two of the most influential books of the 20th century

Alex Haley Doreen Gonzales,1994 When Alex Haley's novel *Roots* was turned into a T.V. miniseries, Americans were introduced to Haley's family history, traced back to his ancestors in Africa. Readers will be fascinated by the story of this inspirational writer, lecturer, and student of history.

Alex Haley's *Roots* Adam Henig,2014-02-05 In 1977, following the airing of the mega hit television mini-series *Roots*, its author, Alex Haley, became America's newest "folk hero." His book was on the Times' Best Seller's list for months, and won the Pulitzer Prize. His story had captivated a nation and then the world. From Idaho to Israel, it seemed everyone was caught-up in "Rootsmania." Alex Haley, the ghostwriter behind *The Autobiography of Malcolm X*, was on his way to becoming the most successful African American author in the history of publishing until it all fell apart. What happened? Based on interviews of Haley's contemporaries, personal correspondence, legal documents, newspaper accounts, Adam Henig investigates the unraveling of one of America's most successful yet enigmatic authors. PRAISE Henig recounts the highs and lows of Haley's life with sympathy, addressing the critiques honestly. Publishers Weekly's Booklife While this 52 page book may be his first, it represents a major literary achievement. This book may renew scholar and the general public's interest in *Roots* once again. - Nvasekie Konneh, Black Star News and author of *The Land of My Father's Birth* Adam Henig has created a gem... A must read for anyone interested in the interplay of politics, race and mixed blessings of fame and fortune that produced the contradictory legacy of a onetime icon. - Terry P. Wilson, Professor Emeritus of Ethnic Studies, UC Berkeley

Roots Alex Haley,1977 This bold . . . extraordinary . . . blockbuster . . . (Newsweek) begins with a birth in 1750, in an African village; it ends seven generations later at the Arkansas funeral of a black professor whose children are a teacher, a Navy architect, an assistant director of the U.S. Information Agency, and an author. The author is Alex Haley.

Welcome to the Inbetween Haley,2021-06-23

Secrets of Southern Girls Haley Harrigan,2017-06-06 Harrigan's novel, part mystery and part coming-of-age, explores the process of healing from tragedies and misunderstandings.—Publishers Weekly A tender, yet thrilling suspense novel about a young woman who uncovers devastating secrets that will resurrect the people she lost and the lies she buried perfect for fans of Diane Chamberlain and Ellen Marie Wiseman Ten years ago, Julie Portland accidentally killed her best friend, Reba. What's worse is she got away with it. Consumed by guilt, she left the small town of Lawrence Mill, Mississippi, and swore nothing would ever drag her back. Now, raising her daughter and struggling to make ends meet in Manhattan, Julie still can't forget the ghost of a girl with golden hair and a dangerous secret. When August, Reba's first love, begs Julie to come home to find the diary that Reba kept all those years ago, Julie's past comes creeping back to haunt her. That diary could expose the shameful memories Julie has been running from, but it could also unearth the hidden truths that Reba left buried...and reveal that Julie isn't the only one who feels responsible for Reba's death.

Alex Haley David Shirley,Heather Lehr Wagner,2009 Discusses the life and times of the African American author who gained recognition for his book, *Roots*.

Holding Haley Jill Sanders,2014-06-23 Haley has waited her whole life for Wes. They were secret sweethearts all throughout school until he shocks her by joining the military right after graduation. Heartbroken, Haley must wait until the day he comes home. But it's been five long years, and she has finally decided to move on with her life. That is, until he walks back into town, sexier than ever. Wes has had one thing on his mind since leaving town—getting back to Haley. His experiences overseas have made him realize what he almost let slip through his fingers. All he wants now is to prove to her that waiting for him was the right choice.

Strong Like Her Haley Shapley,2020-04-07 Beautiful and powerful, *Strong Like Her* presents the awe-inspiring account of women's athleticism throughout history. Journalist Haley Shapley takes us through the delightful untold history of female strength to understand how we can better encourage—and celebrate—the physical power of women. Part group biography, part cultural history, *Strong Like Her* delves into the fascinating stories of our muscular foremothers. From the first female Olympian (who entered the chariot race through a loophole) to the circus stars who could lift their husbands above their heads and make it look like "a little light housework with a feather duster," these brave and brawny women paved the way for the generations to follow. Filled with Sophy Holland's beautiful portraits of some of today's most awe-inspiring athletes, *Strong Like Her* celebrates strength in all its forms. Illuminating the lives and accomplishments of storied female sports stars—whose contributions to society go far beyond their entries in record books—Shapley challenges us to rethink everything we thought we knew about the power of women.

Can't Is Not an Option Nikki Haley,2012-04-03 From the former United States Ambassador to the United Nations, an inspirational memoir of family, hope, and the power of the American Dream. Decades before their daughter surprised the nation by becoming governor of South Carolina, Nikki Haley's parents had a dream. Ajit and Raj Randhawa were well-educated, well-off Sikhs in the Punjab region of India. But despite their high social status, the Randhawas wanted more for their family-the opportunities that only America could offer. So they left behind all they had known and settled in Bamberg, South Carolina (population: 2,500). As the first Indian family in a small Southern town in the early 1970s, the Randhawas faced ignorance, prejudice, and sometimes blatant hostility. Nikki remembers stopping at a roadside produce stand with her father, who always wore his traditional Sikh turban. Within minutes, two police cars pulled to make sure they weren't thieves. But the Randhawas taught their children that they should never think of themselves as victims. They stressed that if you work hard and stay true to yourself, you can overcome any obstacle. The key is believing that can't is not an option. The family struggled to make ends meet while starting a clothing business in their living room, eventually growing it into a multimillion-dollar success. At age twelve, Nikki started to do the bookkeeping and taxes after school. After graduating from college and entering the business world, she watched business owners like her parents battle government bureaucracy and overregulation. Her frustration inspired her to get into politics and run for the state legislature. That first campaign, against an entrenched incumbent, led to racial and religious slurs and threats-but Haley, like her parents, refused to back down. She won on a promise to fight for reform, lean budgets, and government accountability, which is exactly what she did-much to the dismay of South Carolina's old guard politicians. Soon she had a reputation as a conservative leader who could get things done. In the same state where her family was once ridiculed, she inspired a diverse grassroots following. In November 2010 she was elected South Carolina's first female governor and first nonwhite governor, and only the second Indian American governor in the country. Haley's story, as told firsthand in this inspiring memoir, is a testament to the power of determination, faith, and family. And it's proof that the American Dream is still strong and true in the twenty-first century.

Roots Alex Haley,2016-05-03 Based off of the bestselling author's family history, this novel tells the story of Kunta Kinte, who is sold into slavery in the United States where he and his descendants live through major historic

events. When *Roots* was first published forty years ago, the book electrified the nation: it received a Pulitzer Prize and was a #1 New York Times bestseller for 22 weeks. The celebrated miniseries that followed a year later was a coast-to-coast event-over 130 million Americans watched some or all of the broadcast. In the four decades since then, the story of the young African slave Kunta Kinte and his descendants has lost none of its power to enthrall and provoke. Now, *Roots* once again bursts onto the national scene, and at a time when the race conversation has never been more charged. It is a book for the legions of earlier readers to revisit and for a new generation to discover. To quote from the introduction by Michael Eric Dyson: Alex Haley's *Roots* is unquestionably one of the nation's seminal texts. It affected events far beyond its pages and was a literary North Star.... Each generation must make up its own mind about how it will navigate the treacherous waters of our nation's racial sin. And each generation must overcome our social ills through greater knowledge and decisive action. *Roots* is a stirring reminder that we can achieve these goals only if we look history squarely in the face. The star-studded cast in this new event series includes Academy Award-winners Forest Whitaker and Anna Paquin, Laurence Fishburne, Jonathan Rhys Meyers, Derek Luke, Grammy Award-winner Tip T.I. Harris, and Mekhi Phifer. Questlove of The Roots is the executive music producer for the miniseries's stirring soundtrack.

With All Due Respect Nikki R. Haley, 2019-11-12 The New York Times and USA Today bestseller A revealing, dramatic, deeply personal book about the most significant events of our time, written by the former United States Ambassador to the United Nations Nikki Haley is widely admired for her forthright manner (“With all due respect, I don’t get confused”), her sensitive approach to tragic events, and her confident representation of America’s interests as our Ambassador to the United Nations during times of crisis and consequence. In this book, Haley offers a first-hand perspective on major national and international matters, as well as a behind-the-scenes account of her tenure in the Trump administration. This book reveals a woman who can hold her own—and better—in domestic and international power politics, a diplomat who is unafraid to take a principled stand even when it is unpopular, and a leader who seeks to bring Americans together in divisive times.

Invitation to Retreat Ruth Haley Barton, 2018-09-18 Academy of Parish Clergy Top Ten List Come away and rest awhile. Jesus invites us to be with him, offering our full and undivided attention to him. When we choose retreat, we make a generous investment in our friendship with Christ. We are not always generous with ourselves where God is concerned. Many of us have tried to incorporate regular times of solitude and silence into the rhythm of our ordinary lives, which may mean that we give God twenty minutes here and half an hour there. And there’s no question we are better for it! But we need more. Indeed, we long for more. In these pages Transforming Center founder and seasoned spiritual director Ruth Haley Barton gently leads us into retreat as a key practice that opens us to God. Based on her own practice and her experience leading hundreds of retreats for others, she will guide you in a very personal exploration of seven specific invitations contained within the general invitation to retreat. You will discover how to say yes to God's winsome invitation to greater freedom and surrender. There has never been a time when the invitation to retreat is so radical and so relevant, so needed and so welcome. It is not a luxury, but a necessity of the spiritual life.

No Mercy Here Sarah Haley, 2016-02-17 In the late nineteenth and early twentieth centuries imprisoned black women faced wrenching forms of gendered racial terror and heinous structures of economic exploitation. Subjugated as convict laborers and forced to serve additional time as domestic workers before they were allowed their freedom, black women faced a pitiless system of violence, terror, and debasement. Drawing upon black feminist criticism and a diverse array of archival materials, Sarah Haley uncovers imprisoned women's brutalization in local, county, and state convict labor systems, while also illuminating the prisoners' acts of resistance and sabotage, challenging ideologies of racial capitalism and patriarchy and offering alternative conceptions of social and political life. A landmark history of black women's imprisonment in the South, this book recovers stories of the captivity and punishment of black women to demonstrate how the system of incarceration was crucial to organizing the logics of gender and race, and constructing Jim Crow modernity.

Defender of Histories Allison Martin, Jolene Perry, 2020-01-28

Chosen Patricia Haley, 2009-01-06 The inspirational first novel from #1 Essence bestselling author Patricia Haley's series based on the popular biblical kings David and Solomon After Dave Mitchell abandoned his wife and business partner, Madeline, and their four children for a younger woman, the battle between his two families began. Dave's oldest son, Don, had been groomed from birth to take over his dad's business. Nothing prepared Don for the shock of his father's decision to appoint his inexperienced half brother, Joel, as CEO of the multimilliondollar ministry. Confused, Don flees the country to become his own man, while Madeline won't go down without a fight. Seeking to regain control of the business for her family, Madeline tries to sabotage Joel's every move. But as the ministry grows and charismatic Joel captures the nation's attention, his hunger for power and lust just might be his downfall....

Godblight Guy Haley, 2022-08-30 Book 3 in the Dark Imperium series. The paths of Roboute Guilliman and his fallen brother Mortarion bring them inexorably together on Iax. Once a jewel of the Imperium, the garden world is dying, as the plans of the Lord of Death to use it as a fulcrum to drag the stellar realm of Ultramar into the warp come to deadly fruition. While Guilliman attempts to prevent the destruction of his kingdom, Mortarion schemes to bring his brother low with the Godblight, a disease created in the Cauldron of Nurgle itself, made with the power to destroy a son of the Emperor. Primarchs clash on the ravaged landscapes of Iax. The gods go to war, and the wider galaxy balances on a knife-edge of destruction. As something powerful stirs in the sea of souls, only one thing is certain – no matter who wins the last great clash of the Plague War, the repercussions of victory will echo through eternity...

Take Your Turn, Teddy Haley Newlin, 2021-03 No one knows your darkness like your own Shadow. Nothing has been normal for Teddy, not since discovering the harsh identity of the monster he had been living with his whole life-his own father. Teddy and his mother leave that behind to start over in a small Indiana township. But as Teddy begins to learn of humanity's monsters, he unveils an otherworldly evil he calls The Shadow. The Shadow tests Teddy's vulnerability and growing sense of isolation, poisoning his mind and conjuring a vile killer-in-the-making. A year later, Officer Leonard Strode is called in to offer consultation on a case similar to the most brutal and scarring of those he's worked on before. One is the case of Jackie Warren, the other, Theodore Teddy Blackwood - two missing children. As he and two other officers follow the trail of clues, Strode is haunted by the ghosts of his own past and is horrified to find them wreaking havoc on his present. When both Teddy and Strode finally meet face-to-face, they must confront their inner darkness as well or else be consumed by it.

Alex Haley: Author David Shirley, 2005-03-01 Presents a biography of American writer, from his early writing career in the military to the composition of his most famous works, The Autobiography of Malcolm X, and *Roots*.

Unveiling the Magic of Words: A Review of "**Authorhayley**"
