**We Are the Light** Matthew Quick,2022-11-01 \*“A treasure of a novel...read it and be healed.” —Justin Cronin \* “Beautifully written and emotion-packed.” —Harlan Coben \* From the New York Times bestselling author of *The Silver Linings Playbook*—made into the Academy Award-winning movie starring Jennifer Lawrence and Bradley Cooper—a poignant and hopeful novel about a widower who takes in a grieving teenager and inspires a magical revival in their small town. Lucas Goodgame lives in Majestic, Pennsylvania, a quaint suburb that has been torn apart by a recent tragedy. Everyone in Majestic sees Lucas as a hero—everyone, that is, except Lucas himself. Insisting that his deceased wife, Darcy, visits him every night in the form of an angel, Lucas spends his time writing letters to his former Jungian analyst, Karl. It is only when Eli, an eighteen-year-old young man whom the community has ostracized, begins camping out in Lucas’s backyard that an unlikely alliance takes shape and the two embark on a journey to heal their neighbors and, most importantly, themselves. From Matthew Quick, whose work has been described by the Boston Herald as “like going to your favorite restaurant. You just know it is going to be good,” *We Are the Light* is “a testament to the broken and the rebuilt” (Booklist, starred review). The humorous, soul-baring story of Lucas Goodgame offers an antidote to toxic masculinity and celebrates the healing power of art. In this unforgettable and optimistic tale, Quick reminds us that life is full of guardian angels.

*Ithaca* David Davidar,2011-10-11 By bestselling author David Davidar, *Ithaca* is a thrilling account of international publishing. In the early years of the 21st Century, sweeping change is taking place in the publishing industry. Ill-equipped to handle the transformation of their world, a number of publishing houses struggle to survive – one of these is Litmus, an independent firm in the UK. The onus of ensuring that the company remains viable falls upon its publisher, Zachariah Thomas, who also edits its most successful author, Massimo Seppi. Seppi’s quartet of novels, featuring angels and archangels, has sold millions of copies worldwide. Unfortunately for Zach and for Litmus, Seppi dies unexpectedly. Without its star writer, Litmus’s chances of surviving the economic downturn are slim, and when a giant corporation intent on taking it over begins to move in for the kill, it seems impossible that Litmus will remain independent. To keep his company intact, and to give it room to regroup and chart out a strategy for the future, Zach must, among other things, try and mine the Seppi legacy for one last gem. He travels around the globe, from London to the new Litmus subsidiary in Delhi, from negotiating meetings in Toronto to the halls of the renowned Frankfurt Book Fair, from a sales extravaganza in New York City to the streets of Sydney, and more, in his quest to stave off disaster. By turns compelling and thought-provoking, this eagerly anticipated new novel by one of the industry’s foremost figures masterfully depicts the exhilarating and surprisingly turbulent world of book publishing.

**The Illumination** Kevin Brockmeier,2011-02-01 What if our pain was the most beautiful thing about us? From best-selling and award-winning author Kevin Brockmeier: a new novel of stunning artistry and imagination about the wounds we bear and the light that radiates from us all. At 8:17 on a Friday night, the *Illumination* commences. Every wound begins to shine, every bruise to glow and shimmer. And in the aftermath of a fatal car accident, a private journal of love notes, written by a husband to his wife, passes into the keeping of a hospital patient and from there through the hands of five other suffering people, touching each of them uniquely. I love the soft blue veins on your wrist. I love your lopsided smile. I love watching TV and shelling sunflower seeds with you. The six recipients—a data analyst, a photojournalist, a schoolchild, a missionary, a writer, and a street vendor—inhabit an acutely observed, beautifully familiar yet particularly strange universe, as only Kevin Brockmeier could imagine it: a world in which human pain is expressed as illumination, so that one’s wounds glitter, fluoresce, and blaze with light. As we follow the journey of the book from stranger to stranger, we come to understand how intricately and brilliantly they are connected, in all their human injury and experience.

*Reading Like a Writer* Francine Prose,2012-04-01 *DIV* In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart – to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O’Connor for the cunning use of the telling detail; to be inspired by Emily Brontë’s structural nuance and Charles Dickens’s deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

**Writers' Handbook 2022** J. Paul Dyson,2021-11-17 The 2022 edition of firstwriter.com’s bestselling directory for writers is the perfect book for anyone searching for literary agents, book publishers, or magazines. It contains over 2,500 listings, including revised and updated listings from the 2021 edition, and over 400 brand new entries. Finding the information you need is now quicker and easier than ever before, with multiple tables and a detailed index, and unique paragraph numbers to help you get to the listings you’re looking for. The variety of tables helps you navigate the listings in different ways, and includes a Table of Authors, which lists over 3,000 authors and tells you who represents them, or who publishes them, or both. The number of genres in the index has expanded to over 600. So, for example, while there was only one option for “Romance”

in the previous edition, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural / Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance, or even Amish Romance. International markets become more accessible than ever, with listings that cover both the main publishing centres of New York and London, as well as markets in other English speaking countries. With more and more agents, publishers, and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials, and no obscure listings padding out hundreds of pages. By including only what's important to writers – contact details for literary agents, publishers, and magazines – this directory is able to provide more listings than its competitors, at a substantially lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2023. This means you can get free access to the firstwriter.com website, where you can find even more listings, and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions listings, searchable personal notes, and more. “I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now!” ~ Robin Wade; literary agent at the Wade & Doherty Literary Agency Ltd, and long-term firstwriter.com subscriber

**Book Doctor** Esther Cohen,2005-02-28 Everyone wants to write a book. Arlette Rosen knows this and earns her living helping strangers with their book ideas: books about Derrida and dieting, books of psychic exercises, a compendium of Alzheimer's jokes, and of course, an infinite number of books about love. Enter Harbinger Singh: a tax lawyer still in love with his ex-wife and set on revenge, who believes he can win her back by writing a book. All he needs is help with the actual writing. The lives of Arlette and Harbinger intertwine in unexpected ways as they meander along a path filled with writing, sex, movies, love, music, and continual revelation. Cohen has crafted a modern-day romance and a hilarious, knowing look at the troublesome process of bringing a book into the world—for readers and struggling writers everywhere.

**The Book That Changed My Life** Roxanne J. Coady,Joy Johannessen,2007-10-18 Now in paperback, a delightful collection of essays on the transformative power of reading In The Book That Changed My Life, our most admired writers, doctors, professors, religious leaders, politicians, chefs, and CEO s share the books that mean the most to them. For Doris Kearns Goodwin it was Barbara Tuchman's The Guns of August, which inspired her to enter a field, history writing, traditionally reserved for men. For Jacques Pépin it was The Myth of Sisyphus, which taught him the importance of personal responsibility, dignity, and goodness in the midst of existentialist France. A testament to the life-altering importance of literature, this book inspires us to return to old favorites and seek out new treasures. All proceeds go to The Read to Grow Foundation, which partners with urban hospitals to provide books and literacy information to newborns and their families.

**F** Daniel Kehlmann,2015-08-04 From the internationally acclaimed author of Measuring the World, here is a dazzling tragicomedy about the three sons of a lost father. Arthur Friedland is a wannabe writer who one day takes his sons to a performance by the Great Lindemann, Master of Hypnosis. Arthur declares himself immune to hypnosis and a disbeliever in magic. But the Great Lindemann knows better, and after he extracts Arthur's deepest secrets and tells him to make them real, Arthur empties the family bank account and vanishes. He goes on to become a world-famous author, a master of the mystical. (F is for fake.) But what of his abandoned boys? The painfully shy Martin grows up to be a priest without a vocation. (F is for faith, and lack of it.) Eric becomes a financier on the brink of ruin (F is for fraud), while Ivan, hoping for glory as a painter, instead becomes a forger. (F is for forgery, too.) During the summer before the global financial crisis, they are thrown together again with cataclysmic results. Wildly funny and heartbreaking, Daniel Kehlmann's novel about truth, family, and the terrible power of fortune is a fictional triumph.

**Flimsy Little Plastic Miracles** Ron Currie,2013-02-07 A bold, arresting new work of fiction from the acclaimed author of Everything Matters! and the forthcoming novel The One-Eyed Man (March 2017) In this tour de force of imagination, Ron Currie asks why literal veracity means more to us than deeper truths, creating yet again a genre-bending novel that will at once dazzle, move, and provoke. The protagonist of Ron Currie, Jr.'s new novel has a problem—or rather, several of them. He's a writer whose latest book was destroyed in a fire. He's mourning the death of his father, and has been in love with the same woman since grade school, a woman whose beauty and allure is matched only by her talent for eluding him. Worst of all, he's not even his own man, but rather an amalgam of fact and fiction from Ron Currie's own life. When Currie the character exiles himself to a small Caribbean island to write a new book about the woman he loves, he eventually decides to fake his death, which turns out to be the best career move he's ever made. But fame and fortune come with a price, and Currie learns that in a time of twenty-four-hour news cycles, reality TV, and celebrity Twitter feeds, the one thing the world will not forgive is having been told a deeply satisfying lie. What kind of distinction could, or should, be drawn between Currie the author and Currie the character? Or between the book you hold in your hands and the novel embedded in it? Whatever the answers, Currie, an inventive writer always eager to test the boundaries of storytelling in provocative ways, has essential things to impart along the way about heartbreak, reality, grief, deceit, human frailty, and blinding love.

**Encyclopedia of Contemporary Writers and Their Works** Geoff Hamilton,Brian Jones,2010 Provides a comprehensive overview of the best writers and works of the current English-speaking literary world.

**The Novelist** Theresa Rebeck,2017-12-11 A Play by Theresa Rebeck Formerly titled, The Butterfly Collection. A hit from Playwrights' Horizons in 2000, this delicious play by the author of Spike Heels and The Family of Mann is an intelligent and funny ensemble drama. A family of artists are both cruelly destructive and fiercely protective of each other. Paul, a Nobel winning novelist suffering from writer's block, his elegant but feisty wife, two sons an actor and an antique dealer and the actor's girlfriend are together for the first time in ages. Enter Paul's new assistant, a talented and passionate writing student. Bitter, funny chaos ensues.

**The Explanation for Everything** Lauren Grodstein,2014-05-27 As she did in the bestselling novel A Friend of the Family, Lauren Grodstein has written another provocative morality tale, this time dissecting the permeable line between faith and doubt. College professor Andy Waite is picking up the pieces of a shattered life. Between his research in evolutionary biology and caring for his young daughters, his days are reassuringly safe, if a bit lonely. But when Melissa Potter—charismatic, unpredictable, and devout—asks him to advise her study of intelligent design, he agrees. Suddenly, the world that Andy has fought to rebuild is rocked to its foundations. “A well-crafted story of wayward souls searching for forgiveness, healing and personal truth.” —Family Circle “Grodstein handles everything with a subtle wit, managing to skewer both the ultraconservative and the ultraliberal without making either seem absolutely wrong . . . Reminiscent of Carolyn Parkhurst's Dogs of Babel.” —Booklist “Finding or losing God proves to be an equally destabilizing tectonic shift, and this novel is full of them . . . Their cumulative force will leave you happily unsteady, and moved.” —The Washington Post “A master storyteller . . . Tackles the tough topics: healing after loss, the relevance and possibility of the divine in our lives, the gilded shackles of academic life, and life in Southern New Jersey—all while always being terrifically entertaining.” —\*Ben Schrank, author of Love Is a Canoe “Engrossing . . . You'll likely close the book with a new perspective on faith, justice, mercy, and the difficulty of holding a moral high ground.” —Bust “A novel of ideas and a deeply felt story of love, loss, hope, and the healing powers of forgiveness . . . A provocative, moving story, and a beautifully written one.” —Dani Shapiro, author of Devotion

**Blinding Light** Paul Theroux,2012-06-12 Slade Steadman's lone opus, published twenty years ago, was Trespassing, a cult classic about his travels through dozens of countries without benefit of passport. With his soon-to-be-ex-girlfriend Ava in tow, Steadman sets out for Ecuador's jungle in search of a rare hallucinogenic drug and the cure for his writer's block. Amid a gang of thrill-seeking tourists, he finds his drug and his inspiration but is beset with an unnerving side effect—periodic blindness. His world is altered profoundly: Ava stays by his side, he writes an erotic, autobiographical novel with the drug serving as muse, and he returns to stardom. Steadman becomes addicted to the drug and the insights it provides, only to have them desert him, along with his sight. Will he regain his vision? His visions? Or will he forgo the world of his imagining and his ambition? As Theroux leads us toward the answers, he makes fresh magic out of the venerable intertwined themes of sight and insight. He also offers incisive, sometimes hilarious takes on the manifold ironies of travel, of trespass and transgression, and of the trappings of the writer's life—from the fear of the blank page to the unexpected challenges of the book tour.

*Gain* Richard Powers,2010-03-15 From Pulitzer Prize-winning and New York Times bestselling author of The Overstory, Richard Powers's Gain braids together two stories on very different scales. In one, Laura Body,

divorced mother of two and a real-estate agent in the small town of Lacewood, Illinois, plunges into a new existence when she learns that she has ovarian cancer. In the other, Clare & Company, a soap manufacturer begun by three brothers in nineteenth-century Boston, grows over the course of a century and a half into an international consumer products conglomerate based in Laura's hometown. Clare's stunning growth reflects the kaleidoscopic history of America; Laura Body's life is changed forever by Clare. Gain's stunning conclusion reveals the countless invisible connections between the largest enterprises and the smallest lives.

**Mass Authorship and the Rise of Self-Publishing** Timothy Laquintano,2016-10-15 In the last two decades, digital technologies have made it possible for anyone with a computer and an Internet connection to rapidly and inexpensively self-publish a book. Once a stigmatized niche activity, self-publishing has grown explosively. Hobbyists and professionals alike have produced millions of books, circulating them through e-readers and the web. What does this new flood of books mean for publishing, authors, and readers? Some lament the rise of self-publishing because it tramples the gates and gatekeepers who once reserved publication for those who met professional standards. Others tout authors’ new freedom from the narrow-minded exclusivity of traditional publishing. Critics mourn the death of the author; fans celebrate the democratization of authorship. Drawing on eight years of research and interviews with more than eighty self-published writers, Mass Authorship avoids the polemics, instead showing how writers are actually thinking about and dealing with this brave new world. Timothy Laquintano compares the experiences of self-publishing authors in three distinct genres—poker strategy guides, memoirs, and romance novels—as well as those of writers whose self-published works hit major bestseller lists. He finds that the significance of self-publishing and the challenge it presents to traditional publishing depend on the aims of authors, the desires of their readers, the affordances of their platforms, and the business plans of the companies that provide those platforms. In drawing a nuanced portrait of self-publishing authors today, Laquintano answers some of the most pressing questions about what it means to publish in the twenty-first century: How do writers establish credibility in an environment with no editors to judge quality? How do authors police their copyrights online without recourse to the law? How do they experience Amazon as a publishing platform? And how do they find an audience when, it sometimes seems, there are more writers than readers?

*Writing as a Way of Healing* Louise Desalvo,2000-03-17 In this inspiring book, based on her twenty years of research, highly acclaimed author and teacher Louise DeSalvo reveals the healing power of writing. DeSalvo shows how anyone can use writing as a way to heal the emotional and physical wounds that are an inevitable part of life. Contrary to what most self-help books claim, just writing won't help you; in fact, there's abundant evidence that the wrong kind of writing can be damaging. DeSalvo's program is based on the best available and most recent scientific studies about the efficacy of using writing as a restorative tool. With insight and wit, she illuminates how writers, from Virginia Woolf to Henry Miller to Audre Lorde to Isabel Allende, have been transformed by the writing process. Writing as a Way of Healing includes valuable advice and practical techniques to guide and inspire both experienced and beginning writers.
