The AuthorHouse Scam Robin Levin,2015-03-19 Four years after having published my book with Trafford, a subsidiary of AuthorHouse, I was still getting phone calls from their high-powered phone salespeople, known as marketing consultants, to persuade me to buy their expensive marketing gimmicks. I must admit that I had given in far too often in the past, and they were quite sure they could continue to milk my bank account. Almost immediately buyer's remorse set in with a vengeance. How could I do this! I know this is a scam, why am I so stupid? I'm supposed to be a reasonably intelligent woman! Nothing they've ever done on my behalf has had the slightest impact on book sales. Super expensive services with nothing to show for them. How could I have let them talk me into kicking Lucy's football again? Again! Am I the only fool? Have others had the same experiences with these people? I decided to look a bit more extensively into what I came to realize was the AuthorHouse Scam, and have written this book to share my experiences and findings with other authors and potential authors.

I Had No One to Tell Sadiyyah,2019-03-23 From a small child I was always told, "Don't tell anyone the things happening within the household or what happens in my house stays in my house. Behind closed doors should be kept a secret. People snickered behind the backs of the people they should help. What was supposed to be a mechanism to build a healthy family relationship, ended up keeping me bound in fear. I was failed by societies don't tell policy not being extracted from our home. In a small town Justice doesn't prevail for our children. Falling prey to savages who tell you they love you" but within the same minute, harming you happens often to children. Their life becomes a living hell, searching for a way out and for someone's Love without pain infliction. The Don't tell" policy has been lifted by this six year old girl without damaged growth and now the secrets out.

I Am a Real Person Helen Jones,2021-03-10 I first started writing this book, I Am a Real Person, as therapy for myself. Although I've had help from various therapists and counsellors, there are some things that I have never been able to talk about or come to terms with, and writing this book has helped me. It tells of how and why I felt so worthless, even from a young age, and everything written is exactly how I remember it. From even before I was married, my life started to go downhill. At first, I believed it would pick up, but after years of abuse I came to the conclusion that it would never change, and I just wanted out. Until things went from bad to worse and something was said to me that made me realise I had to do something positive. I hope that my story will offer encouragement to anyone going through something similar. There is always a way out, however difficult it may seem.

My Autobiography Jean Lancaster,2021-09-13 I am so grateful to share my biography, plus give suggestions for life skills. I have had many wonderful experiences, and I've seen many changes. We can accomplish anything in life, and find joy in the things that we do. Caring about others has been a big part of my life, and has given me great fulfillment. Enjoy life, and be GRATEFUL.

The Lion and the Queen I Hope to Be.... Cindy Gilbert,2020-10-30 In life we are given several opportunities to get closer to our Dad. In this story I describe how my story is like that of the Lion and the King, a story told in India. A king is told that he will be killed and going to hell and out of his fear he tries to come up with a solution. The King finds out that if he is injured the lion who is a symbol of the devil will not kill him because the lion will not kill its prey if it is already injured. The King then decides to injure himself and therefore he will no longer fall victim to the lion because the lion likes a

challenge, and the King is no longer a challenge since it is injured. The injured King then seeks to find comfort to his pain and his pain causes him to seek his creator who can heal all vessels and direct them in the righteous path or destroy the body and the soul on a lake of fire. When the King approaches his creator his creator has sympathy for him and restores him and shows him the righteous path to stay away from the Lion' therefore giving him an opportunity to be a part of the royal family in heaven. The situation of the Lion and the King is like mine because I became injured and through my injuries came to find refuge in my Dad who is also my creator. In this book I describe in haiku, free style poetry and short stories how the Lion was out to get me, and my injury saved me causing me to get closer to my Lord and Savior also known as my Dad. This story that you are about to read is about me a child of God who received refuge and healing through our higher power.

Life with Grandpa Pat Pinsent,2018-02-06 I wasnt very happy when Mum told me that Granny and Grandpa were coming to live at our house, which is in a little village in the country. When they lived in a big house near London, we used to go and stay. Granny would cook nice meals, and we used to go up to the middle of London sometimes and visit the London Eye and the zoo or the shops in the West End. But when Grandpa got dementia, Mum said they should come and live at our house as we had a self-contained two-bedroom flat they could live in. She said the last tenants were a nightmare. If Granny and Grandpa were living with us, she could help Granny keep an eye on Grandpa. What with not going to stay with them near London anymore and having extra people in the house, I wasnt really sure that was what I wanted.

Blades of Grass Mark Aylwin Thomas,2019-07-18 George Aylwin Hogg was a man of remarkable dedication and honour. Though he died in 1945 at the age of thirty, Aylwin's name and legacy is remembered in China to this day—where as a wise and noble friend to the people of China, he immersed himself in the culture and life of the Chinese people whom he served in his mission. In *Blades of Grass: The Story of George Aylwin Hogg*, author and nephew of the late Mr Hogg, Mark Aylwin Thomas, explores his uncle's own letters and writings and shares this astonishing life story of perseverance, service, and dedication. Thomas offers a personal and compelling window into the character of this remarkable man, and Hogg's own words lend an authentic and distinctive insight into his service—training young Chinese men in their vocations in the remote confines of Northern China in Shandan. George Aylwin Hogg was part of a vision to create a unique form of industrial training on which to base the reconstruction of industry for a new post-war China. While a vignette of Aylwin's life was portrayed in Roger Spottiswoode's 2008 film, *The Children of Huang Shi*, the full picture of this remarkable life—often painted with Aylwin's own words—shows how this young Englishman's life was deeply interwoven in the lives of the men and people he served.

Kublai Khan Tariq Hameed, 2021-05-11 One night, the English Romantic poet Samuel Taylor Coleridge, was ill! So ingesting, opium based a medication; while reading a book on the Great Emperor, fell into a fitful sleep: and so dreamt about the legendary Khan. On awakening, he began writing his laced dream, *Kubla Khan*. Unfortunately, he penned only fifty-four lines, before he was brutally interrupted, by an unfortunate bell-toll. Later, his famous friend Lord Byron, urged Coleridge to share it with a larger audience; rather than just his intimates. The poem as such, was finally published in 1797. In a comprehensive study of the three-stanza poem, Tariq Hameed compares sections of Coleridge's verse with the life of the Mongol emperor of China and founder of the Yuan dynasty. Throughout his presentation, Tariq shares his unique perspectives of the original poem; a history of the Khan: his family, his wars, and his futuristic inspirations; and of his own poetic reflections. Finally, Tariq explores Khan's death and legacy: in his five added episodes! *Kublai Khan* is a unique study of the poem *Kubla Khan* and the life of the Chinese Emperor.
