**Thanks for the Life** Shripathy Swaminathan,2020-09-22 At a certain part in our life, we regret ourselves clenching back to our past which cannot be changed. Even some of us try to forget our past by escaping from our present. Sometimes escaping from the present leads you to the highway for an enlightened future. It has been a month since AARON DIVIT started his indiscriminate travel, escaping from his work life, from the people he was surrounded by, and from the love of his life, ANAHITA ROSALYN. Being stranded somewhere in the north, he boards a bus and later realizes that the bus leaves to Manali. In the midst of the Himalayan ranges, he meets a mysterious middle-aged man whom he pseudonym as THE BEARDWALA. Will Aaron's journey towards the white flakes with the Beardwala enlighten his future? Will the five elements of nature preached by him help Aaron to conquer the peace in his life? Will he be able to embrace the love of his life? Will the strings of his broken relationship tie-up and play a vibrant music in Aaron's life? Welcome to the story of the shades of memories! (NOTE: The entire story flow is on a non-linear basis, bouncing between the past and present.)
