Authorized Mark Ward, 2018 The King James Version has shaped the church, our worship, and our mother tongue for over 400 years. But what should we do with it today? The KJV beautifully rendered the Scriptures into the language of turn-of-the-seventeenth-century England. Even today the King James is the most widely read Bible in the United States. The rich cadence of its Elizabethan English is recognized even by non-Christians. But English has changed a great deal over the last 400 years—and in subtle ways that very few modern readers will recognize. In *Authorized* Mark L. Ward, Jr. shows what exclusive readers of the KJV are missing as they read God's word. In their introduction to the King James Bible, the translators tell us that Christians must hear CHRIST speaking unto them in their mother tongue. In *Authorized* Mark Ward builds a case for the KJV translators' view that English Bible translations should be readable by what they called the very vulgar—and what we would call the man on the street.

Stephen Spender John Sutherland, 2005-01-06 One of the leading poets and cultural icons of the 20th century, Stephen Spender was a prominent writer, literary critic, and social commentator--and close friend of some of the best-known creative talents of his day. Now, in this penetrating biography, John Sutherland paints a vivid portrait of Spender and of the glittering literary world of which he was a part, drawing on exclusive access to Spender's private papers. This briskly paced, compelling narrative illuminates the vast range of Spender's literary, political, and artistic interests. We follow Spender from childhood to his days at Oxford (where he first became friends with W.H. Auden, Christopher Isherwood, and Isaiah Berlin); to his meteoric rise as poet in the 1930s, while still in his twenties; to his later years as cultural statesman, at home in both Britain and America. We witness many of the century's defining moments through Spender's eyes: the Spanish Civil War, World War II, the Cold War, the 1960s sexual revolution, and the rise of America as a cultural force. And along the way, we are introduced to many of Spender's accomplished friends, including Dylan Thomas, Sylvia Plath, Cecil Day-Lewis, Joseph Brodsky, Lucian Freud, George Orwell, Virginia Woolf, and T.S. Eliot. Perhaps most important, Sutherland has been granted exclusive access to Spender's private papers by his wife Natasha Spender. Thus he is able to provide a far more intimate look at the poet's personal life than has appeared in previous biographies. Featuring 36 unpublished photographs, *Stephen Spender: A Literary Life* throws light not only on this supremely gifted writer, but also on the literary and social history of the twentieth century.

Nelson Mandela The Nelson Mandela Foundation, Umlando Wezithombe, 2009-06-23 The fantastic, heroic life of Nelson Mandela, brought to life in this landmark graphic work. Nelson Mandela's memoir, *Long Road to Freedom*, electrified the world in 1994 with the story of a solitary man who, despite unbelievable hardships, brought down one of the most-despised regimes in the world. Fifteen years after the publication of that classic work comes this fully authorized graphic biography, which relays in picture form the life story of the world's greatest moral and political hero—from his boyhood in a small South African village to his growing political activism with the ANC, his twenty-seven-year incarceration as prisoner 46664 on Robben Island, his dramatic release, and his triumphant years as president of South Africa. With new interviews, firsthand accounts, and archival material that has only recently been uncovered, this visually dramatic biography promises to introduce Mandela's gripping story to a whole new generation of readers.

The Apocrypha Manuel Komroff, 1992

Construction Reports, 1967

Authorized Or Revised? C. J. Vaughan, 2016-06-21 Excerpt from *Authorized or Revised?: Sermons on Some Texts in Which the Revised Version Differs From the Authorized Endeavour to revise the Version of ad. 1611* has by them been discharged. It was quite evident to every reflecting person that a strong prejudice would be sure to show itself, as time went on, against any changes actually made in the particular form of the English Scriptures which had gathered around it so many precious associations. One of the Revisers themselves, writing twenty years ago upon the possibility of such a work being undertaken, used the following expressions, in justification of some English renderings of his own from the Greek Testament. No one will imagine that the bald and stiff translations prefixed to these Lectures are offered as substitutes for the graceful and idiomatic sentences which correspond to them in the Authorized Version. To supplement is not to supersede. And the more carefully our Congregations are instructed in the true meaning, the literal language, of the original Word of Inspiration, the less need will there be for a reconstruction of its popular form. The English Bible is a standard of taste, a model of language. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Arthur C. Clarke Neil McAleer, 1992 Arthur C. Clarke has been a household name since 1968, when the film *2001: A Space Odyssey* rocketed him to popular fame. McAleer explores Clarke's personal vision and career as one of the 20th century's most popular and influential writers and reveals the life experiences and creative forces that have shaped the man behind the legend. 30 photographs.

The Authorized Left Behind Handbook Tim LaHaye, Jerry B. Jenkins, Sandi Swanson, 2005 A wonderful companion book for avid Left Behind(readers, this complete guide covers the events, people, technologies, and meanings of names and numbers that have driven speculation and conversation since 1995.

John Gielgud Sheridan Morley, 2003-03-01 Sir John Gielgud's acting career was among the most distinguished of his generation. Now, in this insightful biography, Morley traces not only the actor's career, but also gives a refreshingly frank look into Gielgud the man, and how his professional success as an actor often came at the expense of his personal happiness. 48 photos.
