Jackie Hance, Janice Kaplan

The Green Umbrella Jackie Azúa Kramer, 2022-10-18 A comical story of imagination and friendship—now available as a paperback! Elephant is enjoying a peaceful walk with his green umbrella, when suddenly a Hedgehog says: I believe you have my boat. Elephant listens patiently as Hedgehog insists: I crossed deep oceans . . . tasted the salty spray of whales [in that umbrella-boat]. Cat, Bear, and Rabbit soon interrupt Elephant—each claiming that his umbrella is really their tent, flying machine, and cane. Elephant is flabbergasted—after all, it's an umbrella, and it certainly hasn't been on any adventures more exciting than a walk in the rain. Or has it? Jackie Azúa Kramer and illustrator Maral Sassouni have created a gem in this fun read-aloud! Praise for *The Green Umbrella*, hardcover edition A 2017 Bank Street Best Children's Book of the Year Mom's Choice Award - Gold A 2017 Parents' Choice Silver Honor The lesson about sharing and generosity is elegantly wrapped around lovely language.—Kirkus Reviews

The Bookshop of Second Chances Jackie Fraser, 2022-02-22 A woman desperate to turn a new page heads to the Scottish coast and finds herself locked in a battle of wills with an infuriatingly aloof bookseller in this utterly heartwarming debut, perfect for readers of *Evvie Drake Starts Over*. “Humor and charm abound. . . . [This] love story hits the spot.”—Publishers Weekly Thea Mottram is having a bad month. She's been let go from her office job with no notice—and to make matters even worse, her husband of nearly twenty years has decided to leave her for one of her friends. Bewildered and completely lost, Thea doesn't know what to do. But when she learns that a distant great uncle in Scotland has passed away, leaving her his home and a hefty antique book collection, she decides to leave Sussex for a few weeks. Escaping to a small coastal town where no one knows her seems to be exactly what she needs. Almost instantly, Thea becomes enamored with the quaint cottage, comforted by its cozy rooms and lovely but neglected garden. The locals in nearby Baldochrie are just as warm, quirky, and inviting. The only person she can't seem to win over is bookshop owner Edward Maltravers, to whom she hopes to sell her uncle's book collection. His gruff attitude—fueled by an infamous, long-standing feud with his brother, a local lord—tests Thea's patience. But bickering with Edward proves oddly refreshing and exciting, leading Thea to develop feelings she hasn't experienced in a long time. As she follows a thrilling yet terrifying impulse to stay in Scotland indefinitely, Thea realizes that her new life may quickly become just as complicated as the one she was running from.

Jack (Not Jackie) Erica Silverman, 2018-10-09 In this heartwarming picture book, a big sister realizes that her little sister, Jackie, doesn't like dresses or fairies—she likes ties and bugs! Will she and

her family be able to accept that Jackie identifies more as Jack? Susan thinks her little sister Jackie has the best giggle! She can't wait for Jackie to get older so they can do all sorts of things like play forest fairies and be explorers together. But as Jackie grows, she doesn't want to play those games. She wants to play with mud and be a super bug! Jackie also doesn't like dresses or her long hair, and she would rather be called Jack. Readers will love this sweet story about change and acceptance. This book is published in partnership with GLAAD to accelerate LGBTQ inclusivity and acceptance.

Jackie By Josie Caroline Preston, 1998-03-19 Josie, a literature student, is offered a well-paid job researching the life of Jackie Onassis for a writer working on an intimate biography. She takes the assignment and discovers that Jackie's stormy marriage to President Kennedy strangely resembled her own.

Love & Other Accidents Jackie Walker, 2021-11-18 Something about Nick O'Malley gives my middle finger a boner - despite his sexy Irish accent, which seems to give my nips boners (but that's beside the point). I'm not sure why I can't stand him. It might be the man bun. Or the arrogant way he speaks to me. Maybe it's the way he looks at me like he's starving, and I'm an irresistible snack cake. Well, F that! I might be small and delicious, but I am not on the menu - for him or anyone else. When my naughty pup causes a slight fender bender, the cocky dog trainer claims he knows just what I need, and much to my dismay, he's right. And if you ever tell him I said that, I'll junk punch you. But now, the more time I spend with him, the more I start to see a different side of him. Maybe all those explosive words between us were more like fireworks. I can't act on this simmering attraction, no matter how tempting it may be. Aside from being off the D, the threatening text messages and unwanted gifts showing up remind me why staying clear of Nick is necessary. He's not safe if he's stays because a stupid accident from my past is still haunting me. Except Nick doesn't back away from threats. And shockingly enough, he has a protective side I find incredibly hot. But the longer he stays with me, the more danger he's in. I may have dented his bumper, but I can't risk the damage I'll do to his life... or his heart.

Darryl Jackie Ess, 2021-05-18 Darryl Cook is a man who seems to have everything: a quiet home in Western Oregon, a beautiful wife, and a lot of friends to fuck her while he watches. But as he explores the cuckolding lifestyle, he finds himself tugging at threads that threaten to unravel his marriage, his town, and himself. With empathy and humor, debut author Jackie Ess crafts a kaleidoscopic meditation on marriage, manhood, dreams, basketball, sobriety, and the secret lives of Oregonians. Underneath the sharp satire and hilarious sexual irreverence this is a deadly serious

book: a brilliant novel of a seeker, like *The Pilgrim's Progress* refracted by queer internet culture. -

Torrey Peters, author of *Detransition, Baby*

Just Like Jackie Lindsey Stoddard, 2018-01-02 Family is family, no matter what it looks like. Readers will cheer for this pitch-perfect story, just right for fans of such books as *The Great Gilly Hopkins* and *Fish in a Tree*. For as long as Robinson Hart can remember, it's just been her and Grandpa. He taught her about cars, baseball, and everything else worth knowing. But Grandpa's memory has been getting bad—so bad that he sometimes can't even remember Robbie's name. She's sure that she's making things worse by getting in trouble at school, but she can't resist using her fists when bullies like Alex Carter make fun of her for not having a mom. Now she's stuck in group guidance—and to make things even worse, Alex Carter is there too. There's no way Robbie's going to open up about her life to some therapy group, especially not with Alex in the room. Besides, if she told anyone how forgetful Grandpa's been getting lately, they'd take her away from him. He's the only family she has—and it's up to her to keep them together, no matter what. Praise for *Just Like Jackie*: I was truly moved by this refreshing story about a scrappy young heroine and her struggle to protect her family.—Sara Pennypacker, New York Times bestselling author of *Pax* “*Just Like Jackie* is a lovely story of acceptance—about what makes a family and how we make our own families, and about embracing our differences.”—Ann M. Martin, New York Times bestselling author of *Rain Reign* A fresh coming-of-age novel as feisty, funny, and forthright as its protagonist. Robinson overcomes obstacles with wit, grit, and a growing compassion for others, showing us that families are what we make them and happiness is found in the simple gifts we take for granted. A rich, rewarding read all around.—John David Anderson, author of *Ms. Bixby's Last Day* “As close to perfect as a book for middle grade children can get!”—Cammie McGovern, author of *Just My Luck* ? Stoddard debuts with a quiet but powerful narrative that gently unpacks Alzheimer's, centers mental health, and moves through the intimate and intense emotional landscape of family—what seems to break one and what can remake it. Validating, heart-rending, and a deft blend of suffering and inspiration.—Kirkus Reviews (starred review) “A home-run story that will resonate with all who feel they might not fit into the perfect definition of a family.”—School Library Journal “Debut author Stoddard crafts a winning narrator in Robinson. A beautiful story about the true meaning of family, perfect for fans of Lynda Mullaly Hunt.”—Booklist

Jackie & Me Louis Bayard, 2022-06-14 Bestselling author Louis Bayard is back with a brilliantly wrought, witty, and sensitive novel about the young Jacqueline Bouvier before she became that Jackie—and about a marriage that almost never happened. In the spring of 1951, debutante Jacqueline

Bouvier, working as the Inquiring Photographer for the Washington Times-Herald, meets Jack Kennedy, a charming Congressman from a notorious and powerful family, at a party in Washington, DC. Young, rebellious, eager to break free from her mother, Jackie is drawn to the elusive young politician, and soon she and Jack are bantering over secret dinner dates and short work phone calls. Jack, busy with House duties during the week and Senate campaigning on the weekend (as well as his other now-well-known extracurricular activities) convinces his best friend and fixer, Lem Billings, to court Jackie on his behalf. Only gradually does Jackie begin to realize that she is being groomed to be the perfect political wife, whether Jack is interested in settling down or not. Taking place mostly during the spring and summer before Jack and Jackie's wedding, and narrated by an older Lem as he looks back at his own relationship with the Kennedys and his role in this complicated marriage, *Jackie & Me* is a searching story about a young woman of a certain class with narrow options, two people who loved each other, and two people who realized too late that they devoted their lives to Jack at their own expense. Sharply written, steeped in the era and with witty appearances by members of the extended Kennedy clan, this is Jackie as never before seen, in a story about love, sacrifice, friendship, and betrayal.

Jackie as Editor Greg Lawrence, 2011-01-04 An absorbing chronicle of a much overlooked chapter in Jacqueline Kennedy Onassis's life—her nineteen-year editorial career History remembers Jacqueline Kennedy Onassis as the consummate first lady, the nation's tragic widow, the millionaire's wife, and, of course, the quintessential embodiment of elegance. Her biographers, however, skip over an equally important stage in her life: her nearly twenty year long career as a book editor. *Jackie as Editor* is the first book to focus exclusively on this remarkable woman's editorial career. At the age of forty-six, one of the most famous women in the world went to work for the first time in twenty-two years. Greg Lawrence, who had three of his books edited by Jackie, draws from interviews with more than 125 of her former collaborators and acquaintances in the publishing world to examine one of the twentieth century's most enduring subjects of fascination through a new angle: her previously untouted skill in the career she chose. Over the last third of her life, Jackie would master a new industry, weather a very public professional scandal, and shepherd more than a hundred books through the increasingly corporate halls of Viking and Doubleday, publishing authors as diverse as Diana Vreeland, Louis Auchincloss, George Plimpton, Bill Moyers, Dorothy West, Naguib Mahfouz, and even Michael Jackson. *Jackie as Editor* gives intimate new insights into the life of a complex and enigmatic woman who found fulfillment through her creative career during book publishing's legendary Golden Age, and,

away from the public eye, quietly defined life on her own terms.

Reading Jackie William Kuhn,2011-11-29 Jacqueline Kennedy Onassis never wrote a memoir, but she told her life story and revealed herself in intimate ways through the nearly 100 books she brought into print as an editor at Viking and Doubleday during the last two decades of her life. Many Americans regarded Jackie as the paragon of grace, but few knew her as the woman sitting on her office floor laying out illustrations, or flying to California to persuade Michael Jackson to write his autobiography. William Kuhn provides a behind-the-scenes look at Jackie at work: commissioning books and nurturing authors, helping to shape stories that spoke to her. Based on archives and interviews with her authors, colleagues, and friends, *Reading Jackie* reveals the serious and the mischievous woman underneath the glamorous public image.

Jackie Paul Brandus,2020-08-25 The world was shocked when Jacqueline Kennedy married Aristotle Onassis in 1968. It would not have been so surprising had the truth of their relationship—which dated back to the 1950s—been known. Jackie knew Ari almost as long as she had known John F. Kennedy—and saw qualities in him (besides money) that she found highly attractive. The five years between her marriages to JFK and Onassis are often overlooked. But it was an incredible period of growth and change for Jackie. How did the world's most famous woman remain so enigmatic? What was she really like? This book reveals the real Jackie, the one that hid behind her trademark large sunglasses. In this book, you'll learn about: • Jackie's lovers—and the one man she regretted not marrying • The secret, second burial of JFK • Her evolution from "political wife Jackie" into "nightclubbing, party girl Jackie" • Her own near death in 1967 • Her influence on pop art, fashion, and design

A Santangelo Story Jackie Collins,2010-12-17 Can't get enough of Bobby Santangelo? Check out this unbelievably sexy and scandalous bonus story by New York Times bestselling author Jackie Collins. This e-book original also includes a special sneak peek of the sensational New York Times bestselling novel *Poor Little Bitch Girl*. Only Jackie Collins can take you inside the glamorous lives of the rich and famous.

Drop Dead Beautiful Jackie Collins,2012-01-31 From Miami to Beverly Hills, from Mexico City and Acapulco to Las Vegas, Lucky Santangelo is back! And so is the illegitimate son Anthony Bonar, of her one time Godfather and lethal enemy, Enzo Bonnati. Featuring a brand new introduction from bestselling author, Melanie Blake, talking about what Jackie and her books mean to her! 'Jackie Collins's daring, unapologetic stroke of the pen, combined with her glorious wit, has single-handedly

given creative license to new generations of authors and storytellers' COLLEEN HOOVER 'There will never be another Jackie Collins, she's the sassiest fairy godmother of all' MELANIE BLAKE There have been many imitators, but only ever one Jackie Collins. With millions of her books sold around the world, and thirty-one New York Times bestsellers, she is one of the world's top-selling novelists. From glamorous Beverly Hills bedrooms to Hollywood movie studios; from glittering rock concerts to the yachts of billionaires, Jackie chronicled the scandalous lives of the rich, famous, and infamous from the inside looking out. 'A true inspiration, a trail blazer for women's fiction' JILLY COOPER 'Jackie shows us all what being a strong, successful woman means at any age' MILLY JOHNSON 'Jackie will never be forgotten, she'll always inspire me to #BeMoreJackie' JILL MANSELL 'Jackie's heroines don't take off their clothes to please a man, but to please themselves' CLARE MACKINTOSH 'Legend is a word used too lightly for so many undeserving people, but Jackie is the very definition of the word' ALEX KHAN 'What Jackie knew how to do so well, is to tell a thumping good story' ROWAN COLEMAN 'Here is a woman who not only wanted to entertain her readers, but also to teach them something; about the world and about themselves' ISABELLE BROOM 'There's a lot a drag queen can learn from Jackie' TOM RASMUSSEN 'Lessons galore on every page... about feminism, equality, tolerance and love' CARMEL HARRINGTON 'Jackie is the queen of cliff-hangers' SAMANTHA TONGE 'Nobody does it quite like Jackie and nobody ever will' SARRA MANNING 'Jackie brought a bit of glitter, sparkle and sunshine into our humdrum existence' VERONICA HENRY 'Jackie wrote about Hollywood with total authenticity, breaking all the rules and taboos' BARBARA TAYLOR BRADFORD 'Collins was saying that women didn't have to centre round men, either in books or in life' JESSIE BURTON 'What radiates from her novels, is a sense that women are capable of great things' ALEXANDRA HEMINSLEY

Jackie and Me Tania Grossinger, 2013-02-15 Thirteen-year-old Tania Grossinger lives in the famous Grossinger hotel in New York's Catskill Mountains, but she doesn't feel like a real Grossinger; her cousins own the hotel, and Tania often feels like she doesn't belong. Lots of celebrities come to Grossinger's, but Tania just wants to meet one man: Jackie Robinson, the first African American to play Major League baseball. When Jackie stays at Grossinger's on vacation, he hears that Tania is a terrific ping-pong player. Jackie invites the young girl to meet him for a game at four o'clock—but she doesn't believe he's serious and stays in her room to read. Soon the telephone rings; it's Jackie, wondering where Tania is! When she dashes downstairs to the game room, the famous Dodgers star is waiting for Tania—and this is the beginning of an unlikely but very special friendship Playing ping-

pong, drinking soda, going on walks, and ice skating together, Tania learns some important—and simple—life lessons from Jackie. Tania Grossinger's charming true story will appeal to parents and children, girls and boys, avid baseball fans and people who have never seen a game. Jackie and Me offers a unique glimpse into icon Jackie Robinson's life off the field, told from a very special perspective: that of a friend.

Someday Jackie French Koller, 2010 In 1938, fourteen-year-old Celie must cope with leaving her Enfield, Massachusetts, home and her life-long friend, Chubby, as the day approaches when the Swift River Valley will be flooded to create a reservoir for Boston.

Nothing to Fear Jackie French Koller, 1993-08 When his father moves away to find work and his mother becomes ill, Danny struggles to help his family during the Great Depression.

I'll See You Again Jackie Hance, Janice Kaplan, 2013-04-23 In this powerful, intimate memoir, a mother of three shares her story of unbearable loss, darkest despair, and her cautious return to hope and love. After the accident on a New York State parkway that took the lives of her three beloved daughters—Emma, age eight; Alyson, age seven; and Katie, age five—suburban wife and mom Jackie Hance's reality was the stuff of every parent's worst nightmare. And nothing—including her lifelong faith—could ever explain the heartbreaking facts: the girls were killed in a minivan driven by their aunt, Jackie's sister-in-law, Diane Schuler, while returning from a camping weekend on a sunny July morning. *I'll See You Again* heartrendingly portrays a family tragedy few of us can imagine surviving, and how the power of forgiveness and the support of a tight-knit community gradually provided the courage and strength for Jackie and her husband to find a place of redemption, rebirth, and hope.

Lovers & Players Jackie Collins, 2006-08-29 Dazzling, internationally renowned author Jackie Collins pulls out all the stops with her latest New York Times bestseller—a highly charged love story about family relationships, deadly choices, mysterious murder, and dangerous sex. Martin's Press.

MARRIED LOVERS Jackie Collins, 2011-11-29 Cameron Paradise, a stunningly beautiful twenty-four-year-old personal trainer, flees Hawaii and her champion-surfer husband, Gregg, in the middle of one of his abusive tirades and makes her way to L.A. Tall, blond, with a body to die for, it doesn't take Cameron long to find a job at an exclusive private fitness club where she encounters LA's most important players. She has plans to open her own studio one day, and while every man she meets comes on to her, she is more focused on saving money and working hard than getting caught up in the L.A. scene of wild parties and recreational drugs. Until she meets Ryan Lambert, an extremely successful independent movie producer. Ryan is married to overly privileged Mandy Lambert, the

daughter of Hamilton J. Heckerling, a Hollywood power-player son-of-a-bitch mogul. Ryan has never cheated on his demanding Hollywood Princess wife, but when he meets Cameron, all bets are off, especially since she's seeing his best friend Don Verona, the devastatingly attractive talk-show-host and legendary player. In her latest sizzling blockbuster, internationally bestselling author Jackie Collins explores what happens when lust and desire collide with marriage and power-and the results lead to murder.

One Monkey Too Many Jackie French Koller, 2003 Adventurous monkeys have a series of mishaps and escapades involving a bike, a golf cart, a canoe, a restaurant, and a hotel.
