Testing the Ice Sharon Robinson,2009 Sharon Robinson, the daughter of baseball legend Jackie Robinson, has crafted a hearwarming, true story about growing up with her father. When Jackie Robinson retires from baseball and moves his family to Connecticut, the beautiful lake on their property is the center of everyone's fun. The neighborhood children join the Robinson kids for swimming and boating. But oddly, Jackie never goes near the water. In a dramatic episode that first winter, the children beg to go ice skating on the lake. Jackie says they can go--but only after he tests the ice to make sure it's safe. The children prod and push to get Jackie outside, until hesitantly, he finally goes. Like a blind man with a stick, (contd.)

Jackie's Newport Raymond Sinibaldi,2019-06-01 Jacqueline Bouvier came to Newport when her mother married Hugh Auchincloss in 1942. Jackie married John F. Kennedy in a most iconic Newport celebration. This book will explore the less-told anecdotes like the gown debacle that could have ruined the Kennedy nuptials. Newport hosted the Kennedy's happiest times, and the town holds dear memories of this American queen. The tradition of tossing the bridal bouquet from the central stairs of Hammersmith Farm started with Jackie and continued long after. Jackie and her family spent summers here even while the White House was their main address.

Ask Not Thurston Clarke,2010-12-28 2013 is the 50th Anniversary of JFK's assassination. A narrative of Kennedy's quest to create a speech that would distill American dreams and empower a new generation, Ask Not is a beautifully detailed account of the inauguration and the weeks preceding it. During a time when America was divided, and its citizens torn by fears of war, John F. Kennedy took office and sought to do more than just reassure the American people. His speech marked the start of a brief, optimistic era. Thurston Clarke's portrait of JFK is balanced, revealing the president at his most dazzlingly charismatic and cunningly pragmatic. Thurston Clarke's latest book, JFK's Last Hundred Days, is currently available in hardcover.

Conversations with Kentucky Writers Linda Elisabeth LaPinta,2014-10-17 Kentucky and Kentuckians are full of stories, which may be why so many present-day writers have Kentucky roots. Whether they left and returned, like Wendell Berry and Bobbie Ann Mason, or adopted Kentucky as home, like James Still and Jim Wayne Miller, or grew up and left for good, like Michael Dorris and Barbara Kingsolver, they have one connection: Kentucky has influenced their writing and their lives. L. Elisabeth Beattie explores this influence in twenty intimate interviews. Conversations with Kentucky Writers was more than three years in the making, as Beattie traveled across the state and beyond to capture oral histories on tape. Her exhaustive knowledge of these authors helped her draw out personal revelations about their work, their lives, and the nature of writing. When Still concludes his interview with I believe I've told you more than anybody, he could be speaking for any of Beattie's subjects. Aspiring writers will learn that Mason submitted twenty stories to the New Yorker before one was accepted, and that Still wrote articles for Sunday school magazines. There's plenty of advice: Dorris tells budding authors to get real jobs, keep journals, and read everything, even cereal boxes, and Marsha Norman reminds playwrights that it is not the business of the theater to provide writers with a living. Kingsolver advises, Read good stuff and write bad stuff until eventually what you're writing begins to approximate what you're reading. Beattie's collection includes striking self-portraits of such writers as Sue Grafton, Leon Driskell, James Baker Hall, Fenton Johnson, George Ella Lyon, Taylor McCafferty, Ed McClanahan, Sena Naslund, Chris Offutt, Lee Pennington, and Betty Layman Receveur.What most distinguishes these moving conversations from other author interviews is their focus on creativity, on the teaching of writing, and on the authors' strong sense of place.As Wade Hall writes in his foreword, all twenty writers recognize that their works have been significantly influenced by their Kentucky experience. This collection offers insights into Kentucky's rich and flowering literary heritage.

All the Fine Young Eagles David L. Bashow, 2016-10-15 During the six years of the Second World War, Canadian fighter pilots flew and fought with great distinction in every theatre of war to which Commonwealth fighter forces were deployed. All the Fine Young Eagles captures the spirit and magnitude of the Canadian contribution, which began in Europe's Low Countries in 1940 and ended among the Japanese Home Islands in 1945. In keeping with the country's developing autonomy, Canadians served in both RAF and RCAF units, fighting with great courage in their Spitfires, Hurricanes, Kittyhawks and Typhoons. All the Fine Young Eagles collects the wartime diaries and postwar reminiscences from a great variety of the Canadian fighter pilots who served in World War II. Their vivid first-hand accounts take the reader into the cockpit to experience dogfights, tactical manoeuvres, forced landings and injuries, as well as the often tedious periods between engagements. They also illuminate the day-to-day living conditions on base and include humorous accounts of the vivid personalities and lighter moments of wartime. To provide context for their stories, Bashow's authoritative voice offers both a large-scale historical framework and detailed information about tactics, equipment and people, including such famous flying aces as Buzz Beurling and Moose Fumerton. This updated second edition contains a substantial amount of new material that veterans have contributed since the publication of the first edition.
