John Minahan

The Taste of Fear Jeremy Bates,2012-10 American movie star Scarlett Cox and her husband, hotel tycoon Salvador Brazza, head to Africa to get away and resuscitate their ailing marriage. When robbed of their money and passports, they seek help from the U.S. Embassy in Dar es Salaam on the very day Al Qaeda chooses to bomb it. In an eyeblink they are taken hostage and whisked across the border deep into the Congo, one of the last truly wild places left on earth. Battling terrorists, deadly wildlife, and cannibalistic rebels, Scarlett and Sal must find a way to survive in a violent, primeval world. And the only person who may be able to save them is the assassin sent to kill them.

White Lies Jeremy Bates,2012 While driving to a charming village tucked away deep in the Cascade Mountains of western Washington, where she is to begin a new job teaching high school English, Katrina Burton picks up a young hitchhiker who turns out to be drunk and predatory. Fearful for her safety, she lies about her destination in order to get him out of the car. But when she later discovers that he is a teacher at the same school, she finds herself feeding that initial lie with more lies. Then Katrina meets a mysterious man . Handsome, charismatic and strong, he is exactly what she needs to extricate her from the expanding network of lies, now spinning out of control. She falls fast and hard for him. But her perfect solution soon becomes a nightmare that lands her in the middle of a grisly murder. And Katrina's problems don't stop there. She must decide whether to betray her new love or to cover up the murder and hope for the best.

Climate Change Is Racist Jeremy Williams,2021-06-03 ** LONGLISTED FOR THE JAMES CROPPER WAINWRIGHT PRIZE LONGLIST 2022 ** 'Really packs a punch' Aja Barber, author of Consumed: The Need for Collective Change: Colonialism, Climate Change, and Consumerism 'Will open the minds of even the most ardent denier of climate change and/or systemic racism. If there's one book that will help you to be an effective activist for climate justice, it's this one.' Dr Shola Mos-Shogbamimu, author of This is Why I Resist 'Accessible. Poignant. Challenging.' Nnimmo Bassey, environmentalist and author of To Cook a Continent: Destructive Extraction and the Climate Crisis in Africa When we talk about racism, we often mean personal prejudice or institutional biases. Climate change doesn't work that way. It is structurally racist, disproportionately caused by majority White people in majority White countries, with the damage unleashed overwhelmingly on people of colour. The climate crisis reflects and reinforces racial injustices. In this eye-opening book, writer and environmental activist Jeremy Williams takes us on a short, urgent journey across the globe - from Kenya to India, the USA to Australia - to understand how White privilege and climate change overlap. We'll look at the environmental facts, hear the experiences of the people most affected on our planet and learn from the activists leading the change. It's time for each of us to find our place in the global struggle for justice.

Blindspace Jeremy Szal,2021-11-25 Vakov Fukasawa is a Reaper. An elite soldier injected with a dangerous drug called stormtech: the DNA of a genocidal alien race, the Shenoï. It makes him stronger, faster, more aggressive. At a price. A price that, if the House of Suns cult isn't stopped, all of humanity will have to pay. Vakov saved his estranged brother from the cult and killed their leader. Now they want his head on a spike, and they're hunting him and his friends down to get it, while continuing their mission to awaken the Shenoï and plunge the galaxy into mindless violence and chaos. There's a dangerous journey ahead, but Vakov and his misfit crew of eccentric aliens, troubled bounty hunters and rogue hackers will take any risk to stop the alien awakening. Only there's one risk Vakov hasn't shared: the one he himself poses. He got a terrifying glimpse of the Shenoï in the depths of interstellar space, and the violent nightmares he's suffered since suggest their DNA isn't just inside his body - he might already be fighting them for his mind . . . Praise for Stormblood: 'Stormblood is a high stakes adrenaline filled adventure featuring two estranged brothers suddenly on opposite ends of an addict's war. And it's real damn good' Nick Martell, author of THE KINGDOM OF LIARS 'A captivating military sci-fi debut. Stormblood tells a splendid story about two brothers divided by war that is full of comradeship, actions, and conflict' Novel Notions 'A magnificent and explosive adrenaline-fest . . . Szal's debut is an absolute must read for fans of gritty, action-packed, detective and military SF' Grimdark Magazine 'This frenetic, grisly sucker-punch of a book manages to be everything you could want from sci-fi, while also carving out its own niche with a rusty slingshiv.' Fantasy Book Review 'Vakov Fukasawa is a former soldier, addicted to the biotech inside his own body that makes him constantly crave for action. And there is plenty of action in this fast moving novel, but not at the expense of ideas, or of humanity, or of vivid descriptions of Szal's carefully imagined war-torn galaxy' Chris Beckett ' This is what 21st century Sci-Fi ought to be' - Miles Cameron, author of Artifact Space

The Economics of Arrival Trebeck, Katherine,Williams, Jeremy,2019-01-15 What do we want from economic growth? What sort of a society are we aiming for? In everyday economics, there is no such thing as enough, or too much, growth. Yet in the world's most developed countries, growth has already brought unrivalled prosperity: we have 'arrived'. More than that, through debt, inequality, climate change and fractured politics, the fruits of growth may rot before everyone has a chance to enjoy them. It's high time to ask where progress is taking us, and are we nearly there yet? In fact, Trebeck and Williams claim in this ground-breaking book, the challenge is now to make ourselves at home with this wealth, to ensure, in the interests of equality, that everyone is included. They explore the possibility of 'Arrival', urging us to move from enlarging the economy to improving it, and the benefits this would bring for all.

Hollowed Out Jeremy S. Adams,2021-08-03 Do teachers have a front row seat to America's decline? Jeremy S. Adams, a teacher at both the high school and college levels, thinks so. Adams has spent decades trying to instill wisdom, ambition, and a love of learning in his students. And yet, as he notes, when teachers get together, they often share an arresting conclusion: Something has gone terribly wrong. Something essential is missing in our young people. Their curiosity seems stunted, their reason undeveloped, their values uninformed, their knowledge lacking, and most worrying of all, their humanity diminished. Digital hermits of a sort unfamiliar to an older generation, they have little interest in marriage and family. They largely dismiss—and are shockingly ignorant of—religion. They sneer at patriotism, sympathize with riots and vandalism, and regard American society and civilization as so radically flawed that it must be dismantled. Often friendless and depressed, they eat alone, study alone, and even “socialize” alone. Educators like Adams see a generation slipping away. The problems that have hollowed out our young people have been festering for years. A year of COVID-19 lockdowns and social distancing have magnified them. The result could be a generation—and our nation's future—lost in a miasma of alienation and stupefaction. In his stunning new book, *Hollowed Out*, Jeremy S. Adams reveals why students have rejected the wisdom, culture, and institutions of Western civilization—and what we can do to win them back. Poignant, frightening, and yet inspiring, this is a book for every parent, teacher, and patriot concerned for our young people and our country

Jeremy John Minahan,1973 Jeremy loves horses, New York, the cello, and Susan, the new girl at school. Susan loves Jeremy too.

The Insides Jeremy P. Bushnell,2016-06-07 “With *The Insides*, Jeremy P. Bushnell doesn't so much mash genres together as slice them apart to find the filets. It's a literary urban fantasy with sharp things to say about the way we live now, darkened by a touch of Scandinavian thriller: rich and urgent and weird, a novel that defies categorization but demands to be consumed.” —Robin Sloan, author of *Mr. Penumbra's 24-Hour Bookstore* “*The Insides* begins with all the freewheeling magic and humor of *The Weirdness*, then ups the ante with danger, suspense, and rich emotional resonance. If you love fierce, witchy leading ladies, facing down evil, and traveling to strange realms that will explain your life before they haunt you forever, this is the book for you.” —Alyssa Harad, author of *Coming to My Senses* Ollie Krueger's days as a punk kid practicing street magic are mostly behind her. Now she's a butcher at Carnage, a high-end restaurant offering deconstructed takes on meat. On busy nights Ollie and her partner, Guychardson, race to see who can produce the most finished cuts. Ollie's the better butcher, but somehow Guychardson always wins ... and Ollie thinks maybe it's because the mysterious knife he uses is magic. Before she knows it, Ollie's interest in the knife has thrown her square in the path of a dangerous ex-marine called “Pig” and his hired psychic, Maja, who are on the hunt for the knife too—who want it so badly, in fact, that they might kill for it. Now, magic is back in Ollie's life and she's being chased through New York City, with the fabric of space-time tattering around her and weird inter-dimensional worms squirming their way into her kitchen. And before it's all over she's going to need to face up to the Possible Consequences of some bad decisions, to look at the uncomfortable truths that she stuffed away long ago, deep down ... inside . . .

Made in Korea #1 (of 6) Jeremy Holt,2021-05-26 A QUICKSTART GUIDE FOR YOUR PROXY STEP 1: Remove box. STEP 2: Power on. STEP 3: Raise your child. For Jesse, the world's first true A.I. system, growing up means learning to think outside the box. This exciting new six-issue miniseries will redefine what it means to be a family in an age when biological parenthood is no longer a reality.

Stormblood Jeremy Szal,2021-01-21

The Leader Assistant: Four Pillars of a Confident, Game-Changing Assistant Jeremy Burrows,2020-06-23 Assistant, you are a leader. As an assistant, you constantly face obstacles that hold you back from accomplishing your career goals. Whether it's a job change, shifting deadlines, a micromanaging executive, a toxic co-worker, a high-pressure project, or an intense negotiation with a vendor, the administrative profession is not for the faint of heart. If you're looking to maintain the status quo and be "just an assistant," this book is not for you. But, if you want the confidence and ability to conquer the challenges that most try to avoid, then you're in the right place. The Leader Assistant outlines four pillars—embody the characteristics, employ the tactics, engage in relationships, and exercise self-care—that will help you rediscover your passion for the profession and become a confident, future-proof, game-changing Leader Assistant. If you neglect even one pillar, you'll head for burnout, stagnation, and anonymity. You are meant for so much more. Are you ready to be the Leader Assistant the world needs?

Time to Act CHRISTIAN CLIMATE ACTION,2020-02-20 'The climate crisis is the biggest issue facing humanity today. . . It is only together that we can make a difference.' Amanda Khozi Mukwashi, Christian Aid Written by members and friends of Christian Climate Action, this stimulating resource book sets out the moral and religious case for joining the struggle against climate change. It reflects on the Christian tradition of non-violent direct action, and offers deeply moving testimonies by those engaged in such protests today, along with powerful sermons, prayers, liturgies and other spiritual resources. Now is the time to act! Don't let it pass you by! 'This is a landmark book. It is nothing short of an invitation to join the holy uprising of people sweeping the globe who will not be silent in the face of the destruction of God's earth.' Shane Claiborne, Red Letter Christians

Every Life Is on Fire Jeremy England,2020-09-15 A preeminent physicist unveils a field-defining theory of the origins and purpose of life. Why are we alive? Most things in the universe aren't. And everything that is alive traces back to things that, puzzlingly, weren't. For centuries, the scientific question of life's origins has confounded us. But in *Every Life Is on Fire*, physicist Jeremy England argues that the answer has been under our noses the whole time, deep within the laws of thermodynamics. England explains how, counterintuitively, the very same forces that tend to tear things apart assembled the first living systems. But how life began isn't just a scientific question. We ask it because we want to know what it really means to be alive. So England, an ordained rabbi, uses his theory to examine how, if at all, science helps us find purpose in a vast and mysterious universe. In the tradition of Viktor Frankl's *Man's Search for Meaning*, *Every Life Is on Fire* is a profound testament to how something can come from nothing.

I Will Not Leave You Comfortless Jeremy Jackson,2012 A coming-of-age story chronicles the author's life at eleven years old in rural Missouri, a year in which he fell in love for the first time, his sister left for college, and his grandmother died.

Jeremy Jan Karon,2003 *The Trellis and the Seed*: tells the story of a little seed that fear it will never grow into a beautiful blossoming vine.

The Loop Jeremy Robert Johnson,2021-08-10 A small town in Western Oregon becomes the epicenter of an epidemic of violence as the teenage daughters and sons of several executives who happen to work at the biotech firm nestled in the hills have become ill, and oddly, aggressively, murderous--Provided by publisher

Requiem of the Human Soul Jeremy Lent,2008-11

The Darkest Time of Night Jeremy Finley,2018-06-26 When four-year-old William vanishes in the woods behind his home, the only witness is his older brother who whispers, 'The lights took him,' and then never speaks again. With these words, the boys' grandmother Lynn Roseworth fears only she knows the truth. But coming forward would ruin her family and her husband's political career. As Lynn and her best friend Roxy revisit the secrets of her long-buried past to find clues that will lead to William, they'll get ensnared in a much larger conspiracy. The truth is hidden for a reason, and not even a grandmother's love may be enough to save her grandson from what is coming for them all

The Jeremy Mouse Book Patricia M. Scarry,1971 Life in Deep Pond is pleasant but unexciting for the animal inhabitants until Jeremy Mouse comes to town.

The Dark Jeremy Robinson,2022-01-18 From the twisted imagination of New York Times and #1 Audible bestselling author, Jeremy Robinson, comes a horrifying revelation about the centuries old Three Days of Darkness prophecy, during which the legions of Hell will be unleashed on the Earth. *The Dark* is a mind-bending and character driven sci-fi-infused horror novel like no other. There shall come over the whole Earth, an intense darkness lasting three days and three nights. Miah Gray is a twenty-seven-year-old, former Army soldier living in rural New Hampshire with his sister, mother, and her boyfriend. He is plagued by PTSD, finding solace, but not redemption, with the aid of prescribed cannabis. All he wants to do is get high, relax with a good sandwich, and watch a meteor shower with his neighborhood crush-Jen. He who opens his window or door out of curiosity, or leaves his home, will fall dead on the spot. But when the sun's light is blotted out the following morning, and the world is plunged into darkness, Miah finds himself locked down with his family, covering windows with trash bags, lighting candles, and following the arcane rules of an ancient prophecy. But there is no escaping what comes next. The air will be infected by demons, appearing in all sorts of hideous forms. A brilliant flash of light fills the sky, leaving Miah changed, and an Old Norse death rune etched onto his forehead. He fears he has been marked for death until the neighborhood's parents start disappearing, and he's left behind. Leading Jen and a ragtag group of parentless kids, Miah hunts for answers and for their parents, while trying to keep his sister safe. He charges headlong down a path that will take him to the gates of Hell-and then straight through. All of Hell will be let loose.
