Up North in Michigan Jerry Dennis,2021-09-14 Northern Michigan is a place, like all places, in change. Over the past half century, its landscape has been bulldozed, subdivided, and built upon. Climate change warms the water of the Great Lakes at an alarming rate—Lake Superior is now the fastest-warming large body of freshwater on the planet—creating increasingly frequent and severe storm events, altering aquatic and shoreline ecosystems, and contributing to further invasions by non-native plants and animals. And yet the essence of this region, known to many as simply “Up North,” has proved remarkably perennial. Millions of acres of state and national forests and other public lands remain intact. Small towns peppered across the rural countryside have changed little over the decades, pushing back the machinery of progress with the help of dedicated land conservancies, conservation organizations, and other advocacy groups. *Up North in Michigan*, the new collection from celebrated nature writer Jerry Dennis, captures its author’s lifelong journey to better know this place he calls home by exploring it in every season, in every kind of weather, on foot, on bicycle, in canoes and cars. The essays in this book are more than an homage to a particular region, its people, and its natural wonders. They are a reflection on the Up North that can only be experienced through your feet and fingertips, through your ears, mouth, and nose—the Up North that makes its way into your bones as surely as sand makes its way into wood grain.

New Kid Jerry Craft,2019-02-05 Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers’ Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, *New Kid* is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. *New Kid* is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's *Class Act*!

Class Act Jerry Craft,2020-10-06 New York Times bestselling author Jerry Craft returns with a companion book to *New Kid*, winner of the 2020 Newbery Medal, the Coretta Scott King Author Award, and the Kirkus Prize. This time, it’s Jordan’s friend Drew who takes center stage in another laugh-out-loud funny, powerful, and important story about being one of the few kids of color in a prestigious private school. Eighth grader Drew Ellis is no stranger to the saying “You have to work twice as hard to be just as good.” His grandmother has reminded him his entire life. But what if he works ten times as hard and still isn’t afforded the same opportunities that his privileged classmates at the Riverdale Academy Day School take for granted? To make matters worse, Drew begins to feel as if his good friend Liam might be one of those privileged kids. He wants to pretend like everything is fine, but it's hard not to withdraw, and even their mutual friend Jordan doesn't know how to keep the group together. As the pressures mount, will Drew find a way to bridge the divide so he and his friends can truly accept each other? And most important, will he finally be able to accept himself? *New Kid*, the first graphic novel to win the Newbery Medal, is now joined by Jerry Craft's powerful *Class Act*.

Space Station Seventh Grade Jerry Spinelli,2014-07-15 Now a seventh grader, Jason finds out the hard way just how different things are where ninth graders are the kings.

The Warden's Daughter Jerry Spinelli,2018-05-01 From Newbery Medalist Jerry Spinelli comes the story of a girl searching for happiness inside the walls of a prison. And don't miss the author's highly anticipated new novel, *Dead Wednesday*! Cammie O'Reilly lives at the Hancock County Prison--not as a prisoner, she's the warden's daughter. She spends the mornings hanging out with shoplifters and reformed arsonists in the women's exercise yard, which gives Cammie a certain cache with her school friends. But even though Cammie's free to leave the prison, she's still stuck. And sad, and

really mad. Her mother died saving her from harm when she was just a baby. You wouldn't think you could miss something you never had, but on the eve of her thirteenth birthday, the thing Cammie most wants is a mom. A prison might not be the best place to search for a mother, but Cammie is determined and she's willing to work with what she's got. A tapestry of grief and redemption, woven by a master storytellerMoving and memorable. --Kirkus Reviews, Starred Review

Buttheads from Outer Space Jerry Mahoney,2018-03-13 The buttheads have landed—and they're trying to wipe us out! My best friend Lloyd and I had the perfect plan. We started a blog to invite aliens to come to Earth and hang out—but only with us. That way, they wouldn't have to meet any boring world leaders or get cut open by scientists or anything like that. We'd just chill out, eat junk food, and play video games together. Sweet, right? And it worked! Two aliens showed up one night in the bathroom of my favorite restaurant, and we snuck them home to my room. The problem is, they're total buttheads! Literally. They have butts on their heads, and they talk in farts. They're rude, disgusting, and they love Earth so much, they just invited 70 billion of their friends to join them here. Oops. Now it's up to us—two sixth graders with B-pluses in science—to save the planet from the sickest extraterrestrials in the universe. (Preferably without my parents finding out.) Sorry, everyone. Better get used to talking out of your butts, because we're all probably doomed...

Loser Jerry Spinelli,2009-10-13 From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like Jabip. Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become hero. With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

When sixth grader Silas Wade does a school presentation on former Major Leaguer Glenn Burke, it's more than just a report about the irrepressible inventor of the high five. Burke was a gay baseball player in the 1970s—and for Silas, the presentation is his own first baby step toward revealing a truth about himself he's tired of hiding. Do-Good Boy Jerry Bledsoe, 2017-07-05 In 1960, at age 18, future bestselling author Jerry Bledsoe (*Bitter Blood & The Angel Doll*) told an Army recruiter that he wanted to be an artist. This was his lucky day, the recruiter informed him. The Army had the best art school in the world. But after being sworn in, Bledsoe was pulled aside by a major and informed that no Army art school existed. He was being assigned instead to Information School. Although Bledsoe, who had flunked high school English for failure to write book reports and term papers, had no idea what this unexpected decision entailed, it would set the direction for the rest of his life. Bledsoe limits this warm, deeply personal and often humorous memoir to the turbulent '60s, which he began as a psychological warfare writer in the early stages of the Vietnam War. His Army experiences led him to become a newspaper reporter and columnist, thrusting him into the major stories of the decade and leading him to meet and write about hosts of remarkable and engaging people, including a relatively unknown musician named Jimi Hendrix who was opening for the Monkees, comedy legend Brother Dave Gardner, and civil rights leader Ben Elton Cox. From moments of true Catch-22 absurdities in the Army to historic events of the civil rights movement, *Do-Good Boy* gives its readers an insider's view as a young author discovers his calling.
