Humphrey Carpenter

Authorized Mark Ward,2018 The King James Version has shaped the church, our worship, and our mother tongue for over 400 years. But what should we do with it today? The KJV beautifully rendered the Scriptures into the language of turn-of-the-seventeenth-century England. Even today the King James is the most widely read Bible in the United States. The rich cadence of its Elizabethan English is recognized even by non-Christians. But English has changed a great deal over the last 400 years—and in subtle ways that very few modern readers will recognize. In *Authorized Mark L. Ward, Jr.* shows what exclusive readers of the KJV are missing as they read God's word. In their introduction to the King James Bible, the translators tell us that Christians must heare CHRIST speaking unto them in their mother tongue. In *Authorized Mark Ward* builds a case for the KJV translators' view that English Bible translations should be readable by what they called the very vulgar—and what we would call the man on the street.

Stephen Spender John Sutherland,2005-01-06 One of the leading poets and cultural icons of the 20th century, Stephen Spender was a prominent writer, literary critic, and social commentator--and close friend of some of the best-know creative talents of his day. Now, in this penetrating biography, John Sutherland paints a vivid portrait of Spender and of the glittering literary world of which he was a part, drawing on exclusive access to Spender's private papers. This briskly paced, compelling narrative illuminates the vast range of Spender's literary, political, and artistic interests. We follow Spender from childhood to his days at Oxford (where he first became friends with W.H. Auden, Christopher Isherwood, and Isaiah Berlin); to his meteoric rise as poet in the 1930s, while still in his twenties; to his later years as cultural statesman, at home in both Britain and America. We witness many of the century's defining moments through Spender's eyes: the Spanish Civil War, World War II, the Cold War, the 1960s sexual revolution, and the rise of America as a cultural force. And along the way, we are introduced to many of Spender's accomplished friends, including Dylan Thomas, Sylvia Plath, Cecil Day-Lewis, Joseph Brodsky, Lucian Freud, George Orwell, Virginia Woolf, and T.S. Eliot. Perhaps most important, Sutherland has been granted exclusive access to Spender's private papers by his wife Natasha Spender. Thus he is able to provide a far more intimate look at the poet's personal life than has appeared in previous biographies. Featuring 36 unpublished photographs, *Stephen Spender: A Literary Life* throws light not only on this supremely gifted writer, but also on the literary and social history of the twentieth century.

The Apocrypha Manuel Komroff,1992

Nelson Mandela The Nelson Mandela Foundation,Umlando Wezithombe,2009-06-23 The fantastic, heroic life of Nelson Mandela, brought to life in this landmark graphic work. Nelson Mandela's memoir, *Long Road to Freedom*, electrified the world in 1994 with the story of a solitary man who, despite unbelievable hardships, brought down one of the most-despised regimes in the world. Fifteen years after the publication of that classic work comes this fully authorized graphic biography, which relays in picture form the life story of the world's greatest moral and political hero—from his boyhood in a small South African village to his growing political activism with the ANC, his twenty-seven-year incarceration as prisoner 46664 on Robben Island, his dramatic release, and his triumphant years as president of South Africa. With new interviews, firsthand accounts, and archival material that has only recently been uncovered, this visually dramatic biography promises to introduce Mandela's gripping story to a whole new generation of readers.

The Authorized Roy Orbison Alex Orbison,Roy Orbison Jr.,Wesley Orbison,2017-10-17 For the first time, legendary performer Roy Orbison's story as one of the most beloved rock legends will be revealed through family accounts and records. Roy Orbison is a rock and roll icon almost without peer. He came of age as an artist on the venerable Sun Records label; toured with The Beatles; had massive hits in the 1960s, 1970s, and 1980s; invented the black-clad, sunglasses-wearing image of the rock star; and reinvented the art of songwriting many times over. He is a member of the Rock & Roll and Songwriters Halls of Fame, a recipient of the Musicians Hall of Fame's inaugural Iconic Riff Award, and the winner of multiple GRAMMY® awards. He is known the world over for hits like *Blue Bayou*, *You Got It*, and *Oh, Pretty Woman* and was a member of the band that inspired the term supergroup—the Traveling Wilburys, with Bob Dylan, George Harrison, Jeff Lynne, and Tom Petty. Despite these and countless other accolades, the story of Roy Orbison's life is virtually unknown to his millions of fans around the world. Now, for the first time ever, the Orbison Estate, headed by Roy's sons, Wesley, Roy Jr., and Alex Orbison, has set out to set the record straight. The *Authorized Roy Orbison* tells the epic tale of a West Texas boy, drawn to the guitar at age six, whose monumental global career successes were matched at nearly every turn by extraordinary personal tragedies, including the loss of his first wife in a motorcycle accident and his two oldest sons in a fire. It's a story of the intense highs and severe lows that make up the mountain range of Roy Orbison's career; one that touched four decades and ended abruptly at perhaps its highest peak, when he passed away at the age of fifty-two on December 6, 1988. Filled with hundreds of photographs, many never before seen, gathered from across the globe and uncovered from deep within the Orbison Vault, *The Authorized Roy Orbison* shows Roy Orbison as a young child and follows him all the way through to the peak of his stardom and up to his tragic end. Wesley, Roy Jr., and Alex Orbison-Roy's Boys-have left no stone unturned in order to illustrate the people, places, things, and events that forged their father, the man behind those famous sunglasses.

Die Hard Twentieth Century Fox,2016-10-25 Experience *Die Hard* in a fresh and creative way with this authorized tie-in coloring and activity book featuring favorite scenes and quotes from the beloved classic movie. *Die Hard* diehards can savor their favorite scenes and quotes in this official *Die Hard* coloring and activity book. Here are some of the movie's best moments, recreated in detailed black-and-white line drawings, including: Hans Gruber and his posse crash the Christmas party at Nakatomi and take the tower hostage; John McClane's limo ride with Argyle; The tension-filled crawl through the building vents; John's morbid message delivery to Hans (written on the corpse of one of Hans' men); The famous bloody footprints; And of course, John leaping off the Nakatomi tower. With so many memorable scenes to color in, as well as entertaining activities and the most quoted lines from the movie, fans will be shouting yippee-ki-yay!

John Gielgud Sheridan Morley,2003-03-01 Sir John Gielgud's acting career was among the most distinguished of his generation. Now, in this insightful biography, Morley traces not only the actor's career, but also gives a refreshingly frank look into Gielgud the man, and how his professional success as an actor often came at the expense of his personal happiness. 48 photos.

Podcast Authorized Jenn Foster,Melanie Johnson,Steve Gordon,2020-07-31 Learn How to Build a High-Performance Podcast and Book That Can Yield Double-Digit Returns. Over 50% of the homes are podcast fans! Podcasts are poised to eclipse traditional radio in listenership, and podcasts are opening the door to individuals, businesses, and celebrities alike to have their own show with no barrier to entry. The smartest thing you can do as a business owner, expert and industry leader is to build a platform of raving fans. One of the best and easiest ways to attract new buyers, clients, and fans to you is through a podcast and a book. Watch your business grow as you create unique, expert content. With this expert advice, you'll learn: How to get your book written, edited, and designed painlessly How to use your podcast to write your book What to do after your book is published to get maximum results How to turn your book into a podcast How to create a book promotion super-team (if no one gets the book, what's the point...your super-team will get it into the right hands) How to 10x your referrals in 30-days using your book How to position your book to attract the right clients (this is critical and most authors miss the mark...they end up frustrated, with a book that collects dust) This book sprung for from a podcast interview with Steve Gordon, who we had never met before. Because of our podcast *Elite Expert Insider*, we decided to do a webinar together which turned into this book. That's the power of a podcast. 85 percent of listeners will hear all, or at least most of, each episode of your podcast! If you are an entrepreneur or solopreneur, having a podcast and a book can give you opportunities and relationships your business never had before. This is a recipe for success when done right. Learn how podcasting and having a book can profit your business. Don't miss out on the opportunity to take your business to the next level! Expert podcast secrets from Steve Gordon, *The Unstoppable CEO Podcast*. Expert book publishing insights from #1 Bestselling Authors Jenn Foster & Melanie Johnson.

The Authorized Bolshoi Ballet Book of Raymonda Илья́ Николаевич Григорович,Viktor Vladimirovich Vanslov,1987 Documents a new production (1984) of the ballet based upon the original (1898) choreographed by Marius Ivanovich Petipa, music composed by Aleksandr Konstantinovich Glazunov.

Arthur C. Clarke Neil McAleer,1992 Arthur C. Clarke has been a household name since 1968, when the film *2001: A Space Odyssey* rocketed him to popular fame. McAleer explores Clarke's personal vision and career as one of the 20th century's most popular and influential writers and reveals

the life experiences and creative forces that have shaped the man behind the legend. 30 photographs.

Alias J. J. Abrams, 2005 Agents Sydney Bristow and Marcus Dixon are hot on the trail of a drug lord who has created a mind-control drug so potent that in the wrong hands it could be one of the world's most dangerous bioweapons. The agents go undercover as buyers.

TASS is Authorized to Announce-- Julian Semyonov, 1987

America, the Band Jude Warne, 2020-05-15 As if recovering from a raucous dream of the 1960s, Gerry Beckley, Dewey Bunnell, and Dan Peek arrived on 1970s American radio with a sound that echoed disenchanted hearts of young people everywhere. The three American boys had named their band after a country they'd watched and dreamt of from their London childhood Air Force base homes. What was this country? This new band? Classic and timeless, America embodied the dreams of a nation desperate to emerge from the desert and finally give their horse a name. Celebrating the band's fiftieth anniversary, Gerry Beckley and Dewey Bunnell share stories of growing up, growing together, and growing older. Journalist Jude Warne weaves original interviews with Beckley, Bunnell, and many others into a dynamic cultural history of America, the band, and America, the nation. Reliving hits like "Ventura Highway," "Tin Man," and of course, "A Horse with No Name" from their 19 studio albums and incomparable live recordings, this book offers readers a new appreciation of what makes some music unforgettable and timeless. As America's music stays in rhythm with the heartbeats of its millions of fans, new fans feel the draw of a familiar emotion. They've felt it before in their hearts and thanks to America, they can now hear it, share it, and sing along.

Our Authorized Bible Vindicated Benjamin George Wilkinson, 2014-10-29 The Bible is an all-time bestseller, the most translated book, and the most controversial title. Throughout the ages this precious book has been persecuted and preserved, yet many today are weak in the faith and, therefore, question the inspiration of the Bible. Our Authorized Bible Vindicated explores the history of the Bible from the earliest manuscripts until now, demonstrating how it has been preserved in its entirety. Today more than ever there is a need to return to the authentic roots of our spiritual foundation. With the lines between truth and falsity blurring, it is imperative that we discern what is accurate and what is not. Satan is working overtime to the point, if it were possible, of deceiving the very elect through faulty Bible translations and a dismissal of the Word of God. This book seeks to confirm and establish faith in the Bible, an infallible book that is the key to all of life's questions.

Authorized to Heal Sandra Lee Barney, 2003-07-11 In this book, Sandra Barney examines the transformation of medical care in Central Appalachia during the Progressive Era and analyzes the influence of women volunteers in promoting the acceptance of professional medicine in the region. By highlighting the critical role played by nurses, clubwomen, ladies' auxiliaries, and other female constituencies in bringing modern medicine to the mountains, she fills a significant gap in gender and regional history. Barney explores both the differences that divided women in the reform effort and the common ground that connected them to one another and to the male physicians who profited from their voluntary activity. Held together at first by a shared goal of improving the public welfare, the coalition between women volunteers and medical professionals began to fracture when the reform agendas of women's groups challenged physicians' sovereignty over the form of health care delivery. By examining the professionalization of male medical practitioners, the gendered nature of the campaign to promote their authority, and their displacement of community healers, especially female midwives, Barney uncovers some of the tensions that evolved within Appalachian society as the region was fundamentally reshaped during the era of industrial development.

Authorized Generic Drugs Edward R. Nelson, 2012 Rising health care costs have for many years focused congressional attention upon the development and availability of prescription drugs. Recently, the presence of authorized generic pharmaceuticals in the drug marketplace has been the subject of congressional concern. An authorized generic is a pharmaceutical that is marketed by or on behalf of a brand-named drug company, but is sold under a generic name. The brand-name firm may distribute the drug under its own auspices or via a license to a generic drug company. The price of this authorized copy is ordinarily lower than that of the brand-name drug. Some sources refer to authorized generics as branded, flanking, or pseudo generics. This book presents an analysis of the innovation and public health issues relating to authorized generic drugs beginning with a review of the procedures through which independent generic drug companies receive government permission to market their products and resolve patent disputes with brand-name firms and consumer welfare.

Authorized Agents Frank Kelderman, 2019-10-01 Examines the relation between Indian diplomacy and nineteenth-century Native American literature. In the nineteenth century, Native American writing and oratory extended a long tradition of diplomacy between indigenous people and settler states. As the crisis of forced removal profoundly reshaped Indian country between 1820 and 1860, tribal leaders and intellectuals worked with coauthors, interpreters, and amanuenses to address the impact of American imperialism on Indian nations. These collaborative publication projects operated through institutions of Indian diplomacy, but also intervened in them to contest colonial ideas about empire, the frontier, and nationalism. In this book, Frank Kelderman traces this literary history in the heart of the continent, from the Great Lakes to the Upper Missouri River Valley. Because their writings often were edited and published by colonial institutions, many early Native American writers have long been misread, discredited, or simply ignored. *Authorized Agents* demonstrates why their works should not be dismissed as simply extending the discourses of government agencies or religious organizations. Through analyses of a range of texts, including oratory, newspapers, autobiographies, petitions, and government papers, Kelderman offers an interdisciplinary method for examining how Native authors claimed a place in public discourse, and how the conventions of Indian diplomacy shaped their texts. "Frank Kelderman finds indigenous agency in 'unexpected places,' to use Phil Deloria's term, even as he reveals the ways in which the newly formed United States' political and publication systems increasingly narrowed the routes through which indigenous people could act and speak, as authorized and authorial agents, on behalf of communal bodies. *Authorized Agents* suggests that the fetishization of the singular, romanticized 'Indian chief' in American literature and culture becomes so imbricated in diplomatic structures, in the era of removal, that some Native leaders' rhetoric came to reflect the masculinist, fatalist discourse of savagery and vanishing, even as those leaders were advocating for tribal sovereignty and critiquing colonialism. An unsettling, provocative analysis of diplomacy, literature, and the insidious patterns of colonial structures." — Lisa Brooks, author of *Our Beloved Kin: A New History of King Philip's War*

J.R.R. Tolkien Humphrey Carpenter, 2014-03-04 The authorized biography of the creator of Middle-earth. In the decades since his death in September 1973, millions have read *THE HOBBIT*, *THE LORD OF THE RINGS*, and *THE SILMARILLION* and become fascinated about the very private man behind the books. Born in South Africa in January 1892, John Ronald Reuel Tolkien was orphaned in childhood and brought up in near-poverty. He served in the first World War, surviving the Battle of the Somme, where he lost many of the closest friends he'd ever had. After the war he returned to the academic life, achieving high repute as a scholar and university teacher, eventually becoming Merton Professor of English at Oxford where he was a close friend of C.S. Lewis and the other writers known as The Inklings. Then suddenly his life changed dramatically. One day while grading essay papers he found himself writing 'In a hole in the ground there lived a hobbit' -- and worldwide renown awaited him. Humphrey Carpenter was given unrestricted access to all Tolkien's papers, and interviewed his friends and family. From these sources he follows the long and painful process of creation that produced *THE LORD OF THE RINGS* and *THE SILMARILLION* and offers a wealth of information about the life and work of the twentieth century's most cherished author.

Authorized Or Revised? C. J. Vaughan, 2016-06-21 Excerpt from *Authorized or Revised?: Sermons on Some Texts in Which the Revised Version Differs From the Authorized Endeavour to revise the Version of ad. 1611* has by them been discharged. It was quite evident to every reflecting person that a strong prejudice would be sure to show itself, as time went on, against any changes actually made in the particular form of the English Scriptures which had gathered around it so many precious associations. One of the Revisers themselves, writing twenty years ago upon the possibility of such a work being undertaken, used the following expressions, in justification of some English renderings of his own from the Greek Testament. No one will imagine that the bald and stiff translations prefixed to these Lectures are offered as substitutes for the graceful and idiomatic sentences which correspond to them in the Authorized Version. To supplement is not to supersede. And the more carefully our Congregations are instructed in the true meaning, the literal language, of the original Word of Inspiration, the less need will there be for a reconstruction of its popular form. The English Bible is a standard of taste, a model of language. About the Publisher Forgotten Books publishes hundreds of thousands of rare and

classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
