A Very Vegas St. Patrick's Day Kayley Loring, Connor Crais, 2022-02-09 You might think the problem would be waking up in Vegas, hungover, next to a beautiful woman who's wearing your boxer briefs and finding out ya married her in the middle of an epic drunken night of festivities. But you'd be wrong. I, Nolan Cassidy, international charmer and maker of mischief have fallen head over heels for Cora Delaney. I want to be married to the lass. So you might think the problem would be that she wants an annulment. But again you'd be wrong-stop getting it so wrong. I, Nolan Cassidy, with my devil tongue and Irish accent, will no doubt change her mind. Does the problem lie in that she has a son who doesn't like me and is as clever and crafty as I? Or that I've only got one month-until St. Patrick's Day-to prove to my one true love that I can be a good husband and father? C'mere and I'll tell ya... None of that is the problem. I'm a problem. My boxing days may be behind me but the fight never left me. When I see something I want, I get it. And nothing is going to stand in my way. Not my new wife's hesitation nor her son's doubts. So buckle up, strap in. Because I'm no longer in the business of wanting. I'm in the business of having. Which is gonna make for one wild Paddy's Day.

Sexy Nerd Kayley Loring, 2019-01-17 Not gonna lie to you. When he walked into my restaurant, I thought he was the hottest man I'd ever seen in person. And then he spoke. And I realized who he was. The world now knows him as John Brandt--ridiculously wealthy handsome genius workaholic startup founder and tech entrepreneur. I will always think of him as the annoying geek who was my brother's best friend. He yanked my pigtailed and called me Tiny Dancer. I put rubber snakes in his sleeping bag and called him Johnny B. Nerdballs. Market research has told him that he needs a girlfriend for an important business trip and gala event. He says he doesn't want to bring someone that he has to impress or make an effort with, so he thought of me and figures I could use a nice

vacation from my life right now. He is one cocky nerd. Even if he's right. I need the money and he can actually help me with my career, but I think he needs to be schooled in the art of treating a lady right. Lucky for him, I am just the woman to finally teach him... Turns out his total lack of social skills does not correspond to a lack of skills in the bedroom. At all. He even teaches me a few new tricks. Every time he opens his obnoxious mouth, I can't believe this guy's for real. Every time he touches me, every time he reminds me of who I was before I started to lose myself in the big city, I can't believe that what we have right now is fake. I'm afraid that by the end of the month, either I will have punched him in the face or the last man on earth that I ever thought I'd fall in love with will have broken my heart. Or both. ***please note that Sexy Nerd was originally published as Cocky Nerd. Only the title has changed. The content is the same.

Come Back to Bed Kayley Loring, 2019-03-26 Dear grouchy neighbor: I'm considering your offer and need clarification before proceeding. Despite being an artist, I think you know that as a busy New Yorker, I am also practical and straightforward. That said, I need to make sure you know that this could never turn into anything serious. I don't care if you're trying to get over your ex-girlfriend or hoping she'll eventually want to get back together with you--just don't project your messy feelings about her onto me. Because, despite your resemblance to an underwear model, I won't be falling for you. Ever. Yours, with clear boundaries, Bernadette p.s. I'd like to be very clear that regardless of whether or not we do this, nothing will change my feelings for your dog (and we both know she loves me too). Dear nutty neighbor: As a lawyer, I must clarify that I never made an offer. It was a suggestion regarding the possibility of a non-permanent, no-strings-attached arrangement between two consenting adults whose beds are separated by a wall. As a man who shares your disdain for messy feelings, I applaud your confidence in your ability to not fall for me. Hold onto that. I'd also like

to make it clear that I don't care if you want to get over your crush on your boss or if you still hope he'll realize you're the woman of his dreams. That said, I definitely wasn't thinking about my ex-girlfriend when I kissed you in the laundry room, and I'm quite sure you weren't thinking about your boss. As a dog daddy, I'm glad you're so taken with my girl. But if you try to steal her I will get all Liam Neeson up in your pretty face. As a busy New Yorker, I think clear boundaries are hot. I have one hour free to blow your mind tonight. So turn off Netflix, put down that glass of wine, and let's do this. Yours for now, Matt

The Love Interest Cale Dietrich, 2017-05-16 In a secret organization that cultivates teenage spies, the stakes are high for two agents, Caden and Dylan, whose mission to compete for a girl destined for great power becomes complicated when Caden finds himself falling in love with his competition.

For Lucy Jewel E. Ann, 2021-05-23 From USA Today & Wall Street Journal bestselling author Jewel E. Ann comes a novel so heartfelt and real it redefines the meaning of love. I'm the wrong guy in the right place the night I steal Tatum Bradshaw from another man. When she mistakes me for her blind date, I decide she deserves a man who shows up on time ... like me. Emmett Riley, Mr. Punctual. Once I confess my true identity and convince her I'm not a creep-just a thief-it's only a matter of time before my sexy smile and quick wit claim her heart, her hand in marriage, and the perfect life. Unfortunately, perfection is an illusion, like the promises of our wedding vows. No one can prepare for the unimaginable-the heartbreaking exception to all the rules in life. When thirty seconds destroys everything, I have to find a new existence and keep my promise to always love our daughter, Lucy, the most. For Lucy, I will keep a secret, and I will watch my wife drift into the arms of another man. Given the chance ... can I reclaim my wife and the pieces of our life?

Then Vee's half-sister comes to visit. The Amelia he remembers was 9 years old, not this 23-year-old very attractive blonde. Within hours, she's turning Henry's life upside-down. Is Henry finally ready to live life again, or will he continue to close himself off from love? If you like stories of HOT rich alpha males, stories that pull at the heartstrings, and happy ever afters, read on...

Back for More Kayley Loring,2019-07-16 WES When I was a kid, my dad was the gardener for the richest man in town. His daughter, Lily Barnes, told me she could never like a guy like me. Then she kissed me and told me it would never happen again. When it happened again, she told me she could never love me because she was going to leave this place, and I would never leave my dad. We were never quite friends, not exactly enemies, and we could never quite stop secretly kissing each other. She never said goodbye before running off to try to make it as an actress. That was her dream, and I wanted her to chase it. Okay, maybe I hated her for it, just a little. Now she's back, with no money and even more sass. A lot has changed around here ... except for my hidden feelings about Lily Barnes. LILY So, it turns out I'm a terrible actress and now I'm back! When my father offers me a job at his company, I actually think he's finally decided I'm worthy of one day taking over the family business. Imagine my surprise when I find out that the gardener's son is the one who's being groomed to take over, and I've been assigned to work for him. Wes Carver has always been rich in confidence and abs, but now he's rich in everything, including disdain for yours truly. If he thinks I'm not built to work, he's wrong. If he thinks he can boss me around just because he's my boss, he's delusional. If he thinks I'm still the girl who could never love him ... I may be a better actress than anyone thought.

Talk British to Me Robin Bielman, 2017-06-19 As the Dating Guy on L.A.'s top morning show, I give the single guy's perspective on dating, love, and sex—and I give great advice. Everyone's hooking up...well, except for me. Sure, I can get any woman I want, but I've got a no relationship clause in my contract and the only woman I want has relationship written all over her. Probably stamped on her ass, too. And wouldn't I like to confirm that. Unfortunately, she wants nothing to do with me. At all. Something about the next Ice Age might have even come up in her rebuttal. Adorable. Because she's determined to ignore what one simple kiss proved: she wants me as badly as I want her. Everything in me is screaming to go after her, but I've got a secret that I'm fairly certain will end up with her roasting my nuts over an open fire. So, job on the line? Check. Nuts on the line? Check. Can't get her out of my head? Nail...meet coffin. But what a way to go... Each book in the Wherever You Go series is STANDALONE: * Talk British to Me * Lips Close to Mine * Too Hard to Resist

The Nerd Next Door Sylvie Stewart, 2019-04-10 New town, new job, new neighbor... new crush. I've got a serious problem and it goes by the name of Ted Jones. Even his name is nerdy! But our shy glances and awkward exchanges in the elevator aren't going to cut it. This nerd is mine; he just doesn't know it yet. THE NERD NEXT DOOR has been newly updated with additional content to encourage even more reader swooning.

The Illness Narratives Arthur Kleinman, 2020-10-13 From one of America's most celebrated psychiatrists, the book that has taught generations of healers why healing the sick is about more than just diagnosing their illness. Modern medicine treats sick patients like broken machines -- figure out what is physically wrong, fix it, and send the patient on their way. But humans are not machines. When we are ill, we experience our illness: we become scared, distressed, tired, weary. Our illnesses are not just biological conditions, but human ones. It was Arthur Kleinman, a Harvard psychiatrist and anthropologist, who saw this truth when most of his fellow doctors did not. Based on decades of clinical experience studying and treating chronic illness, *The Illness Narratives* makes a case for interpreting the illness experience of patients as a core feature of doctoring. Before *Being Mortal*, there was *The Illness Narratives*. It remains today a prescient and passionate case for bridging the

gap between patient and practitioner.

Cake J. Bengtsson,2020-02 Jake McKallister might have been a rock star, but he was no ordinary one. Surviving an unspeakable crime as a young teen had shaped him into a guarded workaholic, and he now lived his life trying to forget. If it hadn't been for music and the redemption he found through it, he might not have survived. Career success came easily for him. Personal connections did not. When outspoken, vivacious college student Casey Caldwell was paired with the famously reserved rockstar for a friend's wedding, she was prepared for the worst. What could they possibly have in common? She was a bubbly talker; he was a reclusive loner. His life was filled with music; she couldn't carry a tune. She'd enjoyed a happy childhood; his was a well-publicized nightmare. Yet despite their obvious differences, Jake and Casey found each other, and her light balanced out his darkness. Would their love be strong enough to survive the weight of his tragic past?

I'm a man on a mission, and as soon as I clear my friend's name, it's back to Philly to be named partner in one of the most prestigious law firms on the East Coast. I need to stay focused. but the more time I spend with her, the more I want to stay in Bridgewater. She's a once-in-a-lifetime woman, and when I finally catch her attention, I want to keep it. What's a guy to do? **OVERRULED BY LOVE** is part of Bella Michaels Boys of Bridgewater series. While it can easily be read as a stand-alone story, you'll likely enjoy reading the other books too. **BOYS OF BRIDGEWATER Overruled by Love Billion Dollar Date Last Call My Foolish Heart**
